111TH CONGRESS 1ST SESSION

H. R. 3786

To enhance reciprocal market access for United States domestic producers in the negotiating process of bilateral, regional, and multilateral trade agreements.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 8, 2009

Ms. Slaughter (for herself, Mr. McIntyre, Mr. Michaud, Mr. Hare, Mr. Higgins, Mr. Jones, Ms. Kaptur, and Mr. Tonko) introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

To enhance reciprocal market access for United States domestic producers in the negotiating process of bilateral, regional, and multilateral trade agreements.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Reciprocal Market Ac-
- 5 cess Act of 2009".
- 6 SEC. 2. FINDINGS AND PURPOSE.
- 7 (a) FINDINGS.—Congress finds the following:
- 8 (1) One of the fundamental tenets of the World
- 9 Trade Organization (WTO) is reciprocal market ac-

- cess. This principle is underscored in the Marrakesh Agreement Establishing the World Trade Organization which called for "entering into reciprocal and mutually advantageous arrangements directed to the substantial reduction of tariffs and other barriers to trade and to the elimination of discriminatory treatment in international trade relations".
 - (2) With each subsequent round of bilateral, regional, and multilateral trade negotiations, tariffs have been significantly reduced or eliminated for many manufactured goods, leaving nontariff barriers as the most pervasive, significant, and challenging barriers to United States exports and market opportunities.
 - (3) The United States market is widely recognized as one of the most open markets in the world. Average United States tariff rates are very low and the United States has limited, if any, nontariff barriers.
 - (4) Often the only leverage the United States has to obtain the reduction or elimination of non-tariff barriers imposed by foreign countries is to negotiate the amount of tariffs the United States imposes on imports from those foreign countries.

- 1 (5) Under the current negotiating process, ne2 gotiations to reduce or eliminate tariff barriers and
 3 nontariff barriers are separate and self-contained,
 4 meaning that tradeoffs are tariff-for-tariff and non5 tariff-for-nontariff. As a result, a tariff can be re6 duced or eliminated without securing elimination of
 7 the real barrier or barriers that deny United States
 8 businesses access to a foreign market.
- 9 (b) Purpose.—The purpose of this Act is to require 10 that United States trade negotiations achieve measurable 11 results for United States businesses by ensuring that 12 trade agreements result in expanded market access for 13 United States exports and not solely the elimination of 14 tariffs on goods imported into the United States.

15 SEC. 3. LIMITATION ON AUTHORITY TO REDUCE OR ELIMI-

- 16 NATE RATES OF DUTY PURSUANT TO CER-17 TAIN TRADE AGREEMENTS.
- 18 (a) LIMITATION.—Notwithstanding any other provi19 sion of law, on or after the date of the enactment of this
 20 Act, the President may not agree to a modification of an
 21 existing duty that would reduce or eliminate the bound
 22 or applied rate of such duty on any product in order to
 23 carry out a trade agreement entered into between the

United States and a foreign country until the President

- 1 transmits to Congress a certification described in sub-
- 2 section (b).
- 3 (b) Certification.—A certification referred to in
- 4 subsection (a) is a certification by the President that—
- 5 (1) the United States has obtained the reduc-
- 6 tion or elimination of tariff and nontariff barriers
- 7 and policies and practices of the government of a
- 8 foreign country described in subsection (a) with re-
- 9 spect to United States exports of any product identi-
- 10 field by United States domestic producers as having
- 11 the same physical characteristics and uses as the
- product for which a modification of an existing duty
- is sought by the President as described in subsection
- 14 (a); and
- 15 (2) a violation of any provision of the trade
- agreement described in subsection (a) relating to the
- matters described in paragraph (1) is immediately
- enforceable in accordance with the provisions of sec-
- 19 tion 4.
- 20 SEC. 4. ENFORCEMENT PROVISIONS.
- 21 (a) WITHDRAWAL OF TARIFF CONCESSIONS.—If the
- 22 President does agree to a modification described in section
- 23 3(a), and the United States Trade Representative deter-
- 24 mines pursuant to subsection (c) that—

1	(1) a tariff or nontariff barrier or policy or
2	practice of the government of a foreign country de
3	scribed in section 3(a) has not been reduced or
4	eliminated, or
5	(2) a tariff or nontariff barrier or policy or
6	practice of such government has been imposed or
7	discovered,
8	the modification shall be withdrawn until such time as the
9	United States Trade Representative submits to Congress
10	a certification described in section 3(b)(1).
11	(b) Investigation.—
12	(1) IN GENERAL.—The United States Trade
13	Representative shall initiate an investigation if an
14	interested party files a petition with the United
15	States Trade Representative which alleges the ele
16	ments necessary for the withdrawal of the modifica
17	tion of an existing duty under subsection (a), and
18	which is accompanied by information reasonably
19	available to the petitioner supporting such allega
20	tions.
21	(2) Interested party defined.—For pur
22	poses of paragraph (1), the term "interested party"
23	means—
24	(A) a manufacturer, producer, or whole

saler in the United States of a domestic product

that has the same physical characteristics and uses as the product for which a modification of an existing duty is sought;

- (B) a certified union or recognized union or group of workers engaged in the manufacture, production, or wholesale in the United States of a domestic product that has the same physical characteristics and uses as the product for which a modification of an existing duty is sought;
- (C) a trade or business association a majority of whose members manufacture, produce, or wholesale in the United States a domestic product that has the same physical characteristics and uses as the product for which a modification of an existing duty is sought; and
- (D) a member of the Committee on Ways and Means of the House of Representatives or a member of the Committee on Finance of the Senate.
- 21 (c) Determination by USTR.—Not later than 45 22 days after the date on which a petition is filed under sub-23 section (b), the United States Trade Representative 24 shall—
