A BILL

To reduce waste, fraud, and abuse under the Medicare, Medicaid, and CHIP programs, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “Fighting Fraud and Abuse to Save Taxpayers’ Dollars
6 Act” or the “FAST Act”.

7 (b) TABLE OF CONTENTS.—The table of contents of
8 this Act is as follows:

Sec. 1. Short title; table of contents.
Sec. 2. Findings.

- Sec. 3. Tracking excluded providers across State lines.
- Sec. 4. Access for private sector and governmental entities.

- Sec. 11. Implementation.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) The Medicare program loses an estimated
4 \$60,000,000,000 annually to wasted and fraudulent
5 payments.

6 (2) The Medicaid program also suffers from
7 rampant fraud. As the Office of the Inspector Gen-
8 eral of the Department of Health and Human Serv-
9 ices noted in 2009, in an analysis of the only source
10 of nationwide Medicaid claims and beneficiary eligi-
11 bility information, the Medicaid Statistical Informa-
12 tion System, the Federal Government does not have
13 “timely, accurate, or comprehensive information for
14 fraud, waste, and abuse detection” in the Medicaid
15 program.

16 (3) Absent comprehensive estimates, the Med-
17 icaid program’s improper payment rate may be the
18 most objective measure of taxpayer dollars lost to

1 fraud. The national average improper payment rate
2 ranges between 8.7 percent and 10.5 percent, but
3 many States have much higher improper payment
4 rates.

5 (4) The new Federal health reform law substan-
6 tially expands the Medicaid program, significantly
7 changes the Medicare program, creates new man-
8 dates and regulations, and will send hundreds of bil-
9 lions of dollars to insurance companies.

10 (5) It is the duty of public officials and public
11 servants in Congress and the Administration to pro-
12 tect the American public's taxpayer dollars. Con-
13 gress and the Administration must continue to ag-
14 gressively combat waste, fraud, and abuse in public
15 health care programs.

16 (6) The Inspector General of the Department of
17 Health and Human Services has stated that "swift
18 and effective detection of and response to waste,
19 fraud, and abuse remain an essential program integ-
20 rity strategy". Furthermore, the Inspector General
21 noted that "effective use of Medicare and Medicaid
22 data is critical to the success of the Government's
23 efforts to reduce waste, fraud, and abuse".

24 (7) The loss of taxpayer dollars due to waste
25 and fraud under the Medicare and Medicaid pro-

1 grams not only threatens the financial viability of
2 those programs, it erodes the public trust. American
3 taxpayers should not be expected to tolerate ramp-
4 ant waste, fraud, and abuse in publicly funded
5 health care programs.

6 (8) Congress supports the commitment of the
7 Office of the Inspector General of the Department of
8 Health and Human Services to “enhancing existing
9 data analysis and mining capabilities and employing
10 advanced techniques such as predictive analytics and
11 social network analysis, to counter new and existing
12 fraud schemes”.

13 (9) Congress supports the use of predictive
14 modeling and other smart technologies that can
15 transform the current “pay and chase” payment cul-
16 tures under the Medicare and Medicaid programs
17 and prevent taxpayer dollars from being lost to
18 waste, fraud, and abuse.

19 **SEC. 3. TRACKING EXCLUDED PROVIDERS ACROSS STATE**
20 **LINES.**

21 (a) **GREATER COORDINATION.**—In order to ensure
22 that providers of services and suppliers that have operated
23 in one State and are excluded from participation in the
24 Medicare program are unable to begin operation and par-

1 other State, the Secretary shall provide for increased co-
