RESOLUTION

Supporting the goals of National Dairy Month.

Whereas since 1939, June has been celebrated as National Dairy Month;

Whereas there are nearly 70,000 dairy farms throughout the United States, and approximately 99 percent of these farms are family owned;

Whereas the dairy industry in the United States produces more than 170 billion pounds of milk annually and contributes tens of billions of dollars to the economy;

Whereas dairy products are an important source of calcium and have been long recognized as an integral part of a healthy diet for both children and adults;

Whereas dairy farmers are significant contributors to efforts to preserve farmland and the rural character of communities across the country; and

Whereas the dairy industry has faced significant challenges recently due to high production costs and low retail prices, which has forced many farms to close: Now, therefore, be it
