

111TH CONGRESS
2^D SESSION

H. RES. 1460

Recognizing the important role pollinators play in supporting the ecosystem and supporting the goals and ideals of National Pollinator Week.

IN THE HOUSE OF REPRESENTATIVES

JUNE 22, 2010

Mr. HASTINGS of Florida (for himself, Mr. JOHNSON of Illinois, Mr. CARDOZA, Mr. BROWN of South Carolina, Mr. BLUMENAUER, Mr. BOSWELL, Mr. MICHAUD, Mr. HOLDEN, Mr. PUTNAM, and Ms. CORRINE BROWN of Florida) submitted the following resolution; which was referred to the Committee on Agriculture

RESOLUTION

Recognizing the important role pollinators play in supporting the ecosystem and supporting the goals and ideals of National Pollinator Week.

Whereas bees, birds, butterflies, and other pollinators are vital to sustaining a healthy ecosystem;

Whereas pollinators are responsible for an estimated 1 out of every 3 bites of food that we eat;

Whereas diversity of pollinators is necessary for diversity of plant life and the security of our food supply;

Whereas a decline in pollinators would adversely impact animal species that eat pollinating plants;

Whereas colony collapse disorder has caused an alarming decline in the population of honey bees, one of the most important pollinators;

Whereas the United States Senate designated the last week of June as National Pollinator Week in 2006; and

Whereas the majority of States have recognized June 21–27, 2010, as National Pollinator Week: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) recognizes the importance of pollinators in
3 agriculture and in maintaining our diverse eco-
4 system; and

5 (2) supports the goals and ideals of National
6 Pollinator Week.
