## RESOLUTION

Recognizing the 60th anniversary of the founding of Radio Free Europe/Radio Liberty.

Whereas Radio Free Europe/Radio Liberty (RFE/RL) was founded in 1949 with the mission to promote democratic values and institutions by broadcasting unbiased and factual information and ideas to audiences behind the communist “Iron Curtain”;

Whereas many East European and Russian leaders, including Vaclav Havel of the Czech Republic, and the late Boris Yeltsin of the Russian Federation, have testified to the important role RFE/RL broadcasts played in ending the Cold War;

Whereas the former President of Estonia, Lennart Meri, nominated RFE/RL for the Nobel Peace Prize in 1991;

Whereas Nobel laureate and former President of Poland, Lech Walesa testified to the role played by RFE/RL in Poland's struggle for freedom when he stated that its influence "cannot even be described. Would there be earth without the sun?";

Whereas RFE/RL programs were so comprehensive that communist authorities relied on secret transcripts of the broadcasts for information they could not obtain from the local media they themselves controlled;

Whereas RFE/RL was subjected to efforts to undermine its operations through offensive actions launched by communist regimes and intended to discredit the broadcasts;

Whereas the communist Soviet KGB and Warsaw Pact intelligence services penetrated the radio stations with their spies, jailed sources, and even resorted to violence in attempts to intimidate RFE/RL staff;

Whereas RFE/RL Bulgarian Service correspondent Georgi Markov was murdered in London in 1978, evidently by the Bulgarian communist intelligence service;

Whereas the Romanian communist security service detonated a bomb at RFE/RL's headquarters in Munich, West Germany, in 1981, critically injuring six employees;

Whereas today, after having played a significant role in the collapse of communism, RFE/RL continues to provide news, information, and open discussion of domestic and international issues to countries where free and independent media are not permitted, or are not yet fully established;

Whereas RFE/RL broadcasts in 28 languages to 30 million listeners in Eastern and Southeastern Europe, Russia, the Caucasus, the Middle East, and Central and Southwest Asia;

Whereas RFE/RL employees and freelance journalists are subject to intimidation and oppression by the authorities of regimes in many countries to which RFE/RL broadcasts; and

Whereas RFE/RL has a proven history of promoting freedom and liberty in oppressive and autocratic regimes through news broadcasts based upon the principle that the first requirement of democracy is a well-informed citizenry:  
Now, therefore, be it
