Whereas the Veterans History Project relies on a corps of volunteer interviewers, partner organizations, and an array of civic minded institutions nationwide who interview veterans according to the guidelines it provides;

Whereas increasing public participation in the Veterans History Project will increase the number of oral histories that can be collected and preserved and increase the number of veterans it so honors; and

Whereas “National Veterans Awareness Week” commendably preceded this resolution in the years 2005 and 2006: Now, therefore, be it
