(a) IN GENERAL.—Subject to subsection (b), the Chairman of the Committee on the Budget of the Senate may revise the allocations, aggregates, and other levels in this resolution by the amounts provided by a bill, joint resolution, amendment, motion, or conference report that would repeal the requirement to deduct certain amounts from mineral revenues payable to States under the heading “ADMINISTRATIVE PROVISIONS” under the heading “MINERALS MANAGEMENT SERVICE” under the heading “DEPARTMENT OF THE INTERIOR” of title I of the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2009 (Public Law 111-8).

SEC. 311. OVERSIGHT OF GOVERNMENT PERFORMANCE.

(a) IN GENERAL.—In the Senate, all committees are directed to review programs within their jurisdiction to root out waste, fraud, and abuse in program spending, giving particular scrutiny to issues raised by Government Accountability Office reports. Based on these oversight efforts and committee performance reviews of programs within their jurisdiction, committees are directed to include recommendations for improved governmental performance in their annual views and estimates reports required under section 301(d) of the Congressional Budget Act of 1974 to the Committees on the Budget.

(b) SENSE OF THE SENATE REGARDING SUPPORTING THE PRESIDENT IN HIS EFFORTS TO

GO “LINE BY LINE” THROUGH THE FEDERAL BUDGET.—

(1) FINDINGS.—The Senate finds that—

(A) as of March 30, 2009, the national debt of the United States currently stands at \$11,045,554,110,788.22, the largest in world history;

(B) each United States citizen’s share of this debt is \$36,155.97;

(C) the fiscal year 2010 Senate Budget Resolution will increase the total United States national debt by at least \$5,000,000,000,000 over the next 10 years;

(D) the power of the purse belongs to Congress;

(E) Congress authorizes and appropriates all Federal discretionary spending and creates new mandatory spending programs;

(F) Congress annually funds programs that are wasteful, inefficient, and duplicative that result in taxpayer losses in the billions;

(G) it is irresponsible for Congress to continue funding wasteful, inefficient, or duplicative Government programs that will result in borrowing from Social Security, Medicare, foreign nations, or future generations of Americans;

(H) every cent that the United States Government loses on wasteful, inefficient, or duplicative programs is money stolen from future generations of Americans and from important programs, including Social Security and Medicare, on which our senior citizens depend for their retirement security;

(I) President Obama declared on November 25, 2008, “In these challenging times, when we are facing both rising deficits and a sinking economy, budget reform is not an option. It is an imperative. We cannot sustain a system that bleeds billions of taxpayer dollars on programs that have outlived their usefulness, or exist solely because of the power of politicians, lobbyists, or interest groups.”; and

(J) President Obama pledged, on November 25, 2008, to go through the Federal Budget “page by page, line by line, eliminating those programs we don’t need, and insisting that those we do operate in a sensible, cost-effective way.”.

(2) SENSE OF THE SENATE.—It is the sense of the Senate that Congress should support the President in his efforts to go line by line through the Federal budget to eliminate wasteful spending by—

(A) requiring the head of every Federal department and agency to provide a report to Congress, within 90 days of the date of adoption of this resolution, on programs that are duplicative, inefficient, or failing, with recommendations for elimination and consolidation of such programs;

(B) requiring the Office of Management and Budget, within 90 days of the date of adoption of this resolution, to provide a report to Congress on programs that are duplicative government-wide, with recommendations for elimination or consolidation of such programs; and

(C) requiring every standing committee of Congress to conduct at least one oversight hearing per fiscal year to identify wasteful, inefficient, outdated, and duplicative programs that could be eliminated.

SA 830. Mr. COBURN submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 13, setting forth the congressional budget for the United States Government for fiscal year 2010, revising the appropriate budgetary levels for fiscal year 2009, and setting forth the appropriate budgetary levels for fiscal years 2011 through 2014; which was ordered to lie on the table; as follows:

(f) **HOUSING ASSISTANCE.**—The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports related to housing assistance, which may include low income rental assistance, assistance provided through the Housing Trust Fund created under section 1131 of the Housing and Economic Recovery Act of 2008, and legislation that allows for a temporary suspension of the 10 percent tax penalty in order for struggling families to make an early withdrawal from their qualified retirement accounts to pay their monthly mortgage payments, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

SA 831. Mr. COBURN submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 13, setting forth the congressional budget for the United States Government for fiscal year 2010, revising the appropriate budgetary levels for fiscal year 2009, and setting forth the appropriate budgetary levels for fiscal years 2011 through 2014; which was ordered to lie on the table; as follows:

SEC. ____ . SENSE OF CONGRESS ON UNITED NATIONS TRANSPARENCY.

(a) **FINDINGS.**—Congress makes the following findings:

(1) The United States taxpayer provides the United Nations with over \$5,000,000,000 annually, representing up to 25 percent of all funds received by the United Nations, even though the United States is only 1 of 192 United Nations members.

(2) In 2008, the Permanent Subcommittee on Investigations of the Senate found that the United Nations lead development entity, the United Nations Development Program, diverted development funds to the entity used by the Democratic People's Republic of Korea to finance illicit missile sales and permitted the Government of North Korea to use United Nations bank accounts to freely transfer cash around the world and elude detection and sanctions.

(3) The United Nations Procurement Task Force reported in 2008 that the United Nations Environment Program, which spends over \$1,000,000,000 annually and receives almost 10 percent of its budget from United States taxpayers, conducts almost no auditing or oversight of its spending, has one auditor and one assistant to inspect its operations, and would take 17 years to audit its high-risk areas already identified.

(4) The United Nations Procurement Task Force reported in 2008 that poor data collection across the United Nations system makes it impossible to determine whether a United Nations program is relevant or effective.

(5) The United Nations Procurement Task Force reported in 2008 that United Nations resource allocation and performance assessments do not take into account whether or not results have been achieved.

(6) The Department of State reported in 2007 that the United Nations 2008/2009 Biennial Budget represents the largest increase in its funding request in United Nations his-

tory, in excess of \$5,200,000,000 and representing a 25 percent increase from the previous biennial budget.

(7) The Department of State reported in 2007 that, in the previous 5 years, the United Nations budget has grown at a record 17 percent, the United Nations Peacekeeping budget has grown by 40 percent, and the United Nations Tribunals budget has grown by 15 percent, but the United States budget has only grown 7 percent during the same period.

(8) The Department of State reported in 2007 that the overwhelming majority of the United Nations budget, 75 percent, is diverted to costs associated with its staff instead of direct humanitarian assistance or conflict prevention.

(9) United Nations auditors in 2007 found that 43 percent of over \$1,000,000,000 in audited procurement contracts were tainted by fraud and corruption.

(10) The official policy at the Department of State for United Nations reform, as implemented through the United Nations Transparency and Accountability Initiative, is to press the United Nations to reform by providing access to United Nations audits, budget information and procurement activities, instituting legitimate whistleblower protections, financial disclosure policies, and an ethics office, providing independence for its internal oversight bodies, adopting international accounting standards, and establishing a cap on administrative overhead costs for United Nations funds and programs.

(11) The Federal Funding Accountability and Transparency Act (Public Law 109-282; 31 U.S.C. 6101 note) requires all federal funding information to be put on the public website, USAspending.gov, including all contract, subcontract, grant, and subgrant data such as the amount of the award, source of funds, and the intended purpose of the funds.

(12) Section 212 of this resolution creates a deficit-neutral reserve fund for a bipartisan congressional sunset commission that is tasked with providing “for a process that will help abolish obsolete and duplicative Federal programs” and “for improved government accountability and greater openness in Government decision-making”.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that no appropriated funds should be obligated, expended, or otherwise made available for the United Nations or any subsidiary body of the United Nations, including any organization that is authorized to use the United Nations logo, for a fiscal year unless the Director of the Office of Management and Budget certifies that the United Nations, such subsidiary body of the United Nations, or such organization, as the case may be, is fully and publicly transparent about all of its spending, including for procurement purposes, that occurred during the prior fiscal year, including the posting on a publicly available website of—

(1) copies of all contracts, grants, subcontracts, and subgrants awarded or utilized during the prior fiscal year;

(2) copies of all program reviews, audits, budgets, project progress reports, and other management documents relating to the prior fiscal year; and

(3) any other financial or management information determined necessary by the Director of the Office of Management and Budget.

SA 832. Mr. COBURN submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 13, setting forth the congressional budget for the United States Government for fiscal year 2010, revising the appropriate budgetary levels for fiscal year 2009, and setting forth

the appropriate budgetary levels for fiscal years 2011 through 2014; as follows:

At the appropriate place, insert the following:

SEC. ____ . SENSE OF THE SENATE REGARDING THE NEED FOR TRANSPARENCY FOR DOCUMENTS RELATED TO THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009.

(a) **FINDINGS.**—The Senate finds the following:

(1) On September 16, 2008, the Board of Governors of the Federal Reserve, after consulting with Treasury Department, issued a press release announcing it “authorized the Federal Reserve Bank of New York to lend up to \$85 billion to the American International Group (AIG) under section 13(3) of the Federal Reserve Act.”

(2) On October 8, 2008, the Board of Governors of the Federal Reserve issued a press release, announcing it would loan AIG an additional \$37.8 billion, stating, “Under this program, the New York Fed will borrow up to \$37.8 billion in investment-grade, fixed-income securities from AIG in return for cash collateral.”

(3) On November 10, 2008, the United States Treasury issued a press release announcing it would “purchase \$40 billion in senior preferred stock from the American International Group (AIG) as part of a comprehensive plan to restructure federal assistance to the systemically important company.”

(4) On November 25, 2008, the Treasury Department used funds from the Troubled Asset Relief Program (TARP) to purchase the \$40 billion in preferred shares in AIG.

(5) The November 10, 2008, a Treasury Department press release also stated, relating to compensation for AIG executives in light of the recent taxpayer-funded purchase of senior preferred stock, “Under the agreement AIG must be in compliance with the executive compensation and corporate governance requirements of Section 111 of the Emergency Economic Stabilization Act. AIG must comply with the most stringent limitations on executive compensation for its top five senior executive officers as required under the Emergency Economic Stabilization Act. Treasury is also requiring golden parachute limitations and a freeze on the size of the annual bonus pool for the top 70 company executives.”

(6) On January 26, 2009, H.R. 1, the American Recovery and Reinvestment Act of 2009 was introduced in the House with no language on executive compensation requirements for Troubled Asset Relief Program (TARP) recipients.

(7) On January 28, 2009, H.R. 1 passed the House of Representatives by a vote of 244-188, with no language included on executive compensation requirements for TARP recipients.

(8) On January 30, 2009, the Senate began consideration of Senate Amendment 98, a substitute amendment to H.R. 1, which did not include language on executive compensation requirements for TARP recipients.

(9) On February 5, 2009, during consideration of Senate Amendment 98, the Senate adopted by voice vote, Senate Amendment 354, which would prohibit the payment of bonuses to the top 25 executives at firms in receipt of TARP funds.

(10) On February 7, 2009, Senate Amendment 98 was withdrawn in the Senate, and Senate Amendment 570, a substitute amendment was ordered to be printed in the Senate, which included Senate Amendment 354, previously approved by the Senate.

(11) On February 10, 2009, Senate Amendment 570 passed the Senate by a vote of 61 – 37.

(12) On February 13, 2009, the conference report to H.R. 1 was approved by both the Senate and the House of Representatives, and contained a new provision, not included in either the Senate-passed or House-passed bills, specifically exempting bonuses agreed to before February 11, 2009, for executives at companies that received TARP funds.

(13) Senators were given less than 24 hours to review any changes that were made to the conference report, which totaled more than 1,000 pages.

(14) According to Senate Rule XXVIII, paragraph 2(a), "Conferees shall not insert in their report matter not committed to them by either House, nor shall they strike from the bill matter agreed to by both Houses."

(15) According to Senate Rule XXVIII, paragraph 9(a)(1), "It shall not be in order to vote on the adoption of a report of a committee of conference unless such report has been available to Members and to the general public for at least 48 hours before such vote. If a point of order is sustained under this paragraph, then the conference report shall be set aside."

(16) On March 18, 2009, CNN reported that one United States senator "denied inserting that exemption at the 11th hour, and insisted he doesn't know how it got in there."

(17) On March 19, 2009, ABC News reported that one United States senator stated the following regarding the executive compensation language included in H.R. 1, "And frankly it was such a rush, talking about the stimulus bill now, to get it passed, I did not have time, other conferees did not have time to address many of the provisions that were modified significantly. We do the best we can, but we missed that stuff as a result."

(18) On March 19, 2009, The Hill Newspaper reported that, according to the Speaker of the House of Representatives, the language in question did not originate in the House of Representatives, stating "This was never brought to conference, ... This never came to the House side, and you can talk to any of our conferees. It's a matter of fact and record."

(19) On March 19, 2009, the Wall Street Journal reported that White House officials suggested they did not request the legislative change, saying that "Administration officials said the Treasury didn't suggest any language or say how the amendment should be changed. They said they noted legal issues that could likely lead to challenges, but was the end of their involvement. The official said Mr. Dodd and Congress made the final changes on their own."

(20) On March 19, 2009, in an interview with CNN, Treasury Secretary Timothy Geithner stated that "Treasury staff did express concern about whether this provision was vulnerable to legal challenge."

(21) On March 19, an ABC news story reported that "Two separate federal agencies have begun investigations into how the provisions ended up in the legislation..."

(22) On March 28, 2009, the Hartford Courant reported that the Attorney General of the State of Connecticut had sent a letter to the Chairman of the Board of Governors of the Federal Reserve contending that the AIG bonuses payments were not protected under Connecticut's wage act, calling such arguments, "flawed legal bluffs". Earlier in the week, the Chairman had testified to Congress that he wanted to legally challenge the bonuses but was advised not to because of the potential liability from the wage act. But, according to a March 25 story in the Hartford Courant, the Federal Reserve had not been in contact with the State Attorney General's office to discuss the matter.

(23) Additionally, section 215 of this resolution encourages increased "transparency at the Federal Reserve System, including au-

ditions of the Board of Governors of the Federal Reserve System and the Federal reserve banks and increased public disclosure with respect to the recipients of all loans and other financial assistance it has provided since March 4, 2008".

(24) The secret change in the language relating to executive compensation for TARP recipients' calls into question the integrity of the Senate and the legislative process, and the executive branch has seen fit to investigate such matters.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that not later than 14 days after the adoption of this resolution, the Department of Treasury and the Board of Governors of the Federal Reserve, should post a clearly labeled section on the front page of the website of each such agency, that contains, in a searchable format, all documents relating to the origination, development, and insertion of the language described in subsection (a) into the conference report to H.R. 1, including—

(1) any relevant correspondences, memorandums, electronic communications, meeting summaries, and telephone logs; and

(2) all communication, in any medium or manner, with—

(A) each Senate Office;

(B) the President and any officials employed or associated with the Administration of the President;

(C) American International Group; and

(D) the Office of the Attorney General of the State of Connecticut.

SEC. 201. DEFICIT-REDUCING RESERVE FUNDS FOR ENTITLEMENT COMMISSIONS—SOCIAL SECURITY AND MEDICARE & MEDICAID.

(a) The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that would provide for a BRAC-like commission to review the current and long-term solvency of Social Security and a BRAC-like commission to review the current and long-term solvency of Medicare and Medicaid, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

(b) These commissions will provide recommendations to reduce mandatory spending by at least four percent over the next five years, and seven percent over the next ten years.

(c) For the purposes of this Resolution, for individuals 55 or older, Medicare will not be changed (other than means testing for high-income beneficiaries under the prescription drug benefit under Part D).

SEC. 202. SENSE OF THE SENATE TO PROTECT SENIORS.

SENSE OF THE SENATE—It is the sense of the Senate that—

(a) This budget should preserve existing Medicare benefits for those beneficiaries age

55 or older (other than means testing for high-income beneficiaries under the Medicare prescription drug benefit).

(1) Those 54 and younger should be able to enroll in a new Medicare Program with health coverage similar to what is now available to Members of Congress and Federal employees; and

(2) Starting in 2021, seniors should receive support payments based on income, so that low income seniors receive extra support, and high income seniors receive support relative to their incomes.

SEC. 203. DEFICIT-NEUTRAL RESERVE FUND FOR COMPREHENSIVE HEALTHCARE REFORM.

The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that would address health care costs, coverage, and care in the United States in a manner that reduces the costs of health care, increases access to health insurance, and improves the transparency of the costs and quality for medical care, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019. The legislation may include tax provisions.

The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that would expand the number of disabled military retirees who receive both disability compensation and retired pay, accelerate the phase-in of concurrent receipt, and eliminate the offset between Survivor Benefit Plan annuities and Veteran's Dependency and Indemnity Compensation, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

SEC. 205. DEFICIT-NEUTRAL RESERVE FUND FOR ENERGY SECURITY.

The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that promote energy security activities including, but not limited to, increasing funding for waste storage alternatives, advanced technology assessment and deployment for clean coal and carbon capture and storage, and clean energy deployment including increasing the use of nuclear power and refurbishing the transmission grid, and allowing loans under the Department of Energy's Innovative Technology Loan Guarantee Program of up to \$50,000,000,000 for the purposes of constructing nuclear power generating units, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

SEC. 206. DEFICIT-NEUTRAL RESERVE FUND FOR TAX CODE MODERNIZATION.

The Chairman of the Senate Committee on the Budget may revise the allocations of a

committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that provide for revenue-neutral income (including AMT revenue) and payroll tax reform that makes the tax code fair, more pro-growth, easier to administer, improves compliance and aids U.S. international competitiveness, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

SEC. 207. DEFICIT-NEUTRAL RESERVE FUND FOR DEFENSE ACQUISITION AND CONTRACTING REFORM.

The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports that—

(1) enhance the capability of the Federal acquisition or contracting workforce to achieve better value for taxpayers;

(2) reduce the use of no-bid and cost-plus contracts; or

(3) reform Department of Defense processes for acquiring weapons systems in order to reduce costs, improve cost and schedule estimation, enhance developmental testing of weapons, or increase the rigor of reviews of programs that experience critical cost growth;

by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.

SEC. 208. DEFICIT-NEUTRAL RESERVE FUND FOR A BIPARTISAN, COMPREHENSIVE INVESTIGATION INTO THE CURRENT FINANCIAL CRISIS.

The Chairman of the Senate Committee on the Budget may revise the allocations of a committee or committees, aggregates, and other appropriate levels and limits in this resolution for one or more bills, joint resolutions, amendments, motions, or conference reports for a select senate committee to carry out a bipartisan, comprehensive investigation into the underlying causes of the current economic crisis, and recommend ways to avoid another crisis, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2009 through 2014 or the period of the total of fiscal years 2009 through 2019.
