

RECOGNIZING GALILEE MISSIONARY BAPTIST CHURCH UPON THEIR 100TH ANNIVERSARY

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 2, 2009

Mr. BURGESS. Madam Speaker, I rise today to congratulate Galilee Missionary Baptist Church on its 100th anniversary.

Galilee Missionary Baptist Church was originally founded in 1909 near Sanger, Texas. In 1910, Church officials established a church for the community to worship in and a school where they could educate their children. Construction of a new church building began in the 1950s after the first building was not big enough to accommodate the growing number of members.

Galilee Church takes pride in its service as an educational facility and a place for worship for its community. Many members have served in the United States armed forces. Others happily serve their communities through various leadership and service activities, participating as Sanger Sellabration Singers, Nursing Home Carolers, community Thanksgiving program volunteers, and more. Their Women's Mission Group frequently supports the community by opening their hands and hearts to the Denton State School, Annual School supply drive, African Orphans, Operation smile, Food Pantry and Chamber of Commerce Angel Tree Program.

I am proud to recognize Galilee Missionary Baptist Church for their accomplishment of a century of service to their community. It is my privilege to represent the members of Galilee Missionary Baptist Church in the 26th district of Texas.

INTRODUCTION OF THE REAGAN NATIONAL AIRPORT FAIRNESS ACT OF 2009

HON. HARRY E. MITCHELL

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 2, 2009

Mr. MITCHELL. Madam Speaker, today I introduced, with my colleagues JEFF FLAKE and DEAN HELLER, the Reagan National Airport Fairness Act of 2009.

This legislation would allow more nonstop access to Reagan National Airport for passengers from Phoenix, Las Vegas and cities throughout the west.

Currently, that access is limited by a so-called Perimeter Rule that unfairly limits nonstop flights from cities located more than 1,250 miles away.

Flights from cities within 1,250 miles of Washington, D.C., by contrast, are not subject to this limitation.

Originally designed to encourage passengers to use Dulles Airport when it was first built, the Perimeter Rule has long since outlived its intended purpose. Dulles Airport is now one of our nation's busiest.

Congress has already recognized the need to relax these flight restrictions, and now a small number of nonstop flights from western cities are allowed limited access to Reagan National Airport.

In addition, H.R. 915, the Federal Aviation Administration Reauthorization Act, would increase the number of nonstop flights allowed.

This would be another important step forward.

However, in the interest of fairness and free market competition, I believe we must go further.

The legislation we introduced today would allow more flights from more western airports into Reagan National Airport.

It's the right thing to do, and I encourage my colleagues to support it.

HONORING LABOR OF LOVE OF HENDERSON COUNTY

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 2, 2009

Mr. HENSARLING. Madam Speaker, I rise today to recognize the outstanding service that Labor of Love provides the communities in Henderson County, Texas.

The Athens Samaritans was formed as a precursor to Labor of Love in 1986 when members of the First Christian Church of Athens went to Amarillo to help with a Habitat for Humanity project. Members became energized about founding their own organization locally that would help with housing for the disadvantaged. The group decided to focus on repairing existing homes and thus organized the Labor of Love in 1987.

Since that time, the First Presbyterian Church, First United Methodist Church and First Baptist Church joined the effort and helped expand the organization. Labor of Love now has 12 project managers who recruit workers from dozens of volunteers.

In 2008 alone, Labor of Love completed 231 projects in Henderson County. The organization's efforts are supported with resources from the Henderson County United Way, the Cain Foundation and the Murchison Foundation, as well as other foundations, churches, businesses and individuals. Labor of Love also sponsors paint projects for groups such as the Boy Scouts, Young Life, 4-H, church groups and businesses.

This organization provides an invaluable service to those in the community who truly need assistance. Over the years, hundreds of individuals and families have been blessed by the men and women of Labor of Love.

As the Congressman for the Fifth District of Texas, I am pleased today to recognize the Labor of Love for their contributions to Henderson County. To all the men and women who give of their time and efforts so generously, on behalf of all the constituents of the Fifth District, I would like to extend our most sincere gratitude.
