PERSONAL EXPLANATION

HON. LEONARD L. BOSWELL

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 23, 2009

Mr. BOSWELL. Madam Speaker, I regret my absence from the House on April 21st and April 22nd, but I was in my district welcoming President Obama to Newton, Iowa, former home of Maytag, and now home to a growing wind power industry, where we celebrated Earth Day and focused on alternative energy development and the green collar jobs this will create. Had I been present, I would have voted "aye" on rollcall votes 193, 194, 195, 196, 197, and 199, and I would have voted "no" on rollcall vote 198.

HONORING THE VILLAGE OF
ITASCA

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 23, 2009

Mr. ROSKAM. Madam Speaker, I rise today to recognize the Village of Itasca in my Congressional District. Through a dedicated community-wide effort, Itasca has earned the designation of an International Safe Community from the World Health Organization.

This impressive effort places Itasca at the forefront of public health and safety efforts as the only Illinois community, and one of only five communities across the nation to receive this prestigious designation.

By developing community programs including self defense classes, home safety inspections, an unused prescription drug disposal program, investing in defibrillator equipment and training, and establishing a Community Emergency Response Team; the Village of Itasca has worked to engage its citizens, first responders, and local leaders in making Itasca a healthier, safer place to live and work.

Madam Speaker and Distinguished Colleagues, please join me in recognizing the Village of Itasca for achieving this challenging goal and setting an outstanding example for all Illinois communities to work together to tackle public health and safety challenges.

A TRIBUTE TO THE LIFE OF
JAMES GRIFFIN BOSWELL II

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 23, 2009

Mr. COSTA. Madam Speaker, I rise today along with my colleagues from the House, Mr. NUNES and Mr. RADANOVICH, and from the Senate, Mrs. FEINSTEIN to pay a special tribute to the life of an agricultural icon of California,

Mr. James Griffin Boswell II of Indian Wells, California. James passed away on April 3, 2009 at the age of 86. He is survived by his wife Barbara Wallace Boswell, three children and several grandchildren.

Mr. James Griffin Boswell was born on March 10, 1923 in Greensboro, Georgia to William Whittier Boswell, Sr. and Kate Hall Boswell. James graduated in 1941 from the Thacher School an exclusive private boarding school in Ojai, California. In 1946 he received his B.S. in Economics from Stanford University. Prior to graduating from Stanford, "JG" as he was most commonly known, served in the United States Army during World War II where he was stationed in the South Pacific.

At the age of twenty-nine, James inherited one-third of the JG Boswell Company after the death of his uncle, JG Boswell I. At that time the company held 150,000 acres in California. During the next half century, James spent a good portion of his time transforming the family farm located near Corcoran, California in the San Joaquin Valley.

The diversification of the JG Boswell Company created many industry leading developments. Mr. Boswell's labs developed new, highly productive seed varieties as well as technological improvements that increased their capacity. He was an innovative water user, one of the first to employ lasers when leveling fields allowing water to flow evenly and efficiently. His careful water management also included hiring agronomists to determine when and how to irrigate. This allowed the Boswell farms to produce more cotton with less water than their competitors. James remained a very private man, in spite of periods of growth and success for his enterprises, which included such things as diversification into real estate development and farming ventures in Australia. His family business maintained that private reputation throughout his life.

James Griffin Boswell served as Chairman, President and CEO of the JG Boswell Co. from 1952 and continued until his retirement in 1984. After his retirement James continued to serve on the Boswell Company Board of Directors until his passing. In addition, Mr. Boswell served on the Boards of Safeway, General Electric, Security Pacific Bank, Bank of America, and Up with People. James was a trustee of the California Nature Conservancy, Cal Tech, Thacher School, the James G. Boswell Foundation in California and the Boswell Family Foundation in Idaho. Many were the recipients of Mr. Boswell's generosity.

It goes without saying that Mr. James Griffin Boswell's dedicated involvement to the cotton industry earned him a reputation of respect and enormous appreciation from Central Valley cotton farmers, and the agriculture industry in general. James was known as the Cotton King. My colleagues and I are honored and humbled to join his family today in celebrating the life of this amazing man. His presence will be dearly missed in our community in the years to come.

Mr. BECERRA. Madam Speaker, I rise today to honor Lieutenant Dominick Costa for his more than 31 years of public service to the U.S. Capitol Police Department and our congressional community.

Since his appointment to the U.S. Capitol Police on October 3, 1977, Lieutenant Costa has held several important positions within the Department. HON. EDDIE BERNICE JOHNSON

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 23, 2009

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I rise today to recognize St. Paul Industrial Training School and the dedication of a Texas State Historical Marker in commemoration of this institute.

St. Paul Industrial Training school was founded in Henderson County, Texas by James William Smothers and Alice Olenza Smothers in the 1920's. The Smothers' dedication to service was unwavering, and even when a tornado leveled the campus in 1942, the couple resolved anew to continue their work. Today, St. Paul Industrial Training School, Inc. continues
