

Requesting Member: Congressman VERN BUCHANAN

Bill Number: H.R. 3288

Account: Economic Development Initiatives

Legal Name of Requesting Entity: City of North Port

Address of Requesting Entity: 4970 City Hall Blvd., North Port (FL) 34286.

Description of Request: I secured \$100,000 for a new Family Services Center in the City of North Port.

This facility will house the city's Social Services Division as well as 12 other community agencies. This Center will bring a variety of health and human services to the citizens of North Port.

EARMARK DECLARATION

HON. RANDY NEUGEBAUER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. NEUGEBAUER. Madam Speaker, pursuant to the Republican standards on member requests, I am submitting the following information for publication in the CONGRESSIONAL RECORD regarding congressionally directed appropriation projects I sponsored as part of H.R. 3288, FY 2010 Departments of Transportation, and Housing and Urban Development, and related agencies Appropriations Act.

Agency/Account: Federal Transit Administration/Buses and Bus Facilities

Amount: \$200,000

Requesting Entity: City of Abilene, P.O. Box 60, Abilene, TX 79601

The City of Abilene operates a bus system that provides the community with 12 fixed bus routes, ADA paratransit service, and demand-response evening service. The overall system had 583,000 passengers in FY 2008. Given the importance of the bus system to the community, Abilene has developed a comprehensive plan to improve the facilities, including Transfer Facility Rehabilitation, Bus Stop Improvements, Maintenance Facility Improvements, Bus Facility Security, and Bus Stop Signage.

Agency/Account: Federal Transit Administration/Buses and Bus Facilities

Amount: \$750,000

Requesting Entity: City of Lubbock/Citibus, P.O. Box 2000, Lubbock, TX 79457

Citibus currently has six low floor hybrid electric buses on order and expects delivery of the buses in November 2009. Citibus still has a need to replace thirty buses that are twelve years old and in need of replacement to better serve the Lubbock community. Citibus would like to purchase eight buses per year until all of the buses that have exceeded their useful life have been replaced. By purchasing hybrid electric buses, Citibus will be more environmentally friendly, and be less dependent on oil products. The funding will be used for a Section 5309 request to cover bus purchases that would replace the existing bus fleet with hybrid busses.

Agency/Account: Housing and Urban Development/Economic Development Initiatives

Amount: \$300,000

Requesting Entity: City of Abilene, P.O. Box 60, Abilene, TX 79601

This funding will assist the Development Corporation of Abilene, the economic develop-

ment arm of the City of Abilene, which is building a Life Sciences Accelerator, a biotech facility that will contain laboratories, research equipment, and office space to be "time shared" by biotech company tenants. This Accelerator is part of a much larger biotech initiative designed to diversify the regional economy by attracting high-paying jobs. The building is under construction with completion targeted by December 2009. The Accelerator needs the specialized equipment to make it a world class facility and to bring additional jobs to the region.
