Whereas new international taxation and regulatory proposals would be an affront to the sovereignty of the United States;

Whereas the best manner by which to overcome the economic downturn in the United States includes taking measures that would—

- (1) lower tax rates;
- (2) reduce government spending; and

- (1) an international system of government bailouts for the financial sector;
- (2) a global cap-and-trade system or other climate regulations that would—

(A) punish businesses in the United States; and

(B) limit the competitiveness of the United States; and

Mr. BURR (for himself and Ms. LANDRIEU) submitted the following resolution; which was considered and agreed to:

Whereas, in 2007, the Take Our Daughters To Work program was transitioned to Elizabeth City, North Carolina, became known as the Take Our Daughters and Sons To Work Foundation, and received national recognition for the dedication of the Foundation to our future generations;

Whereas every year mayors, governors, and other private and public officials sign proclamations and lend their support to Take Our Daughters and Sons To Work;

Whereas the fame of the program has spread overseas with requests and inquiries being made from around the world on how to operate the program; and
