

such as AgJOBS, which will provide critically needed workers for farms in Vermont and across the Nation. The bill would permanently extend the EB-5 Regional Center program, which generates investment capital and creates jobs. The Comprehensive Immigration Reform Act also includes one of my top civil rights priorities, the Uniting American Families Act, and a bill I have long supported, the DREAM Act. And, the bill includes measures from my bill, the Refugee Protection Act. Improving protections for refugees will honor the American tradition of offering safety to victims of persecution.

There is bipartisan agreement that immigration reform is needed. I hope that the bill we introduce today will gain support from both sides of the aisle. I strongly believe that Congress is capable of finding a realistic solution to our immigration problems. Our friend the late Senator Ted Kennedy believed that, President Bush believed that, and I know President Obama believes that.

I commend Senator MENENDEZ for his leadership and urge all Senators to join us in supporting the Comprehensive Immigration Reform Act of 2010.

SENATE RESOLUTION 664—EXPRESSING THE SENSE OF THE SENATE IN OPPOSITION TO PRIVATIZING SOCIAL SECURITY, RAISING THE RETIREMENT AGE, OR OTHER SIMILAR CUTS TO BENEFITS UNDER TITLE II OF THE SOCIAL SECURITY ACT

Mr. SANDERS (for himself, Ms. STABENOW, Mr. BROWN of Ohio, Mr. HARKIN, Mr. WHITEHOUSE, Mr. INOUE, Mr. FEINGOLD, Mrs. BOXER, Mr. AKAKA, Mrs. GILLIBRAND, Ms. MIKULSKI, and Mr. LAUTENBERG) submitted the following resolution; which was referred to the Committee on Finance:

S. RES. 664

Whereas Social Security is America's most successful and reliable retirement program and continues to serve Americans well;

Whereas Social Security is not in crisis or going bankrupt and has been running surpluses for the last quarter-century;

Whereas Social Security, which currently has a \$2,600,000,000 surplus, has not contributed a dime to the Federal budget deficit or national debt, and benefit cuts should not be proposed as a solution to reducing the Federal deficit;

Whereas for 75 years, through good times and bad, Social Security has succeeded in protecting working persons and their families from precipitous drops in household income because of lost wages;

Whereas Social Security has kept millions of Americans out of poverty, including senior citizens, widows, and disabled and dependent children whose parents have died, become disabled, or retired;

Whereas before President Franklin Roosevelt signed the Social Security Act into law on August 14, 1935, approximately half of the senior citizens in America lived in poverty, while less than 10 percent of seniors presently live in poverty;

Whereas more than 53,000,000 Americans receive Social Security benefits, including 36,500,000 retirees and their spouses, 8,200,000 disabled persons and their spouses, 4,500,000 surviving spouses of deceased workers, and 4,300,000 dependent children;

Whereas according to the Congressional Budget Office, even if no changes are made to the Social Security program, full benefits will still be available to every recipient until 2039, with enough funding remaining after that date to pay about 80 percent of promised benefits;

Whereas seniors have put in a lifetime of hard work, helping to make our economy grow and make our Nation great, and they deserve a dignified and secure retirement;

Whereas Social Security provides the majority of income for two-thirds of the elderly population in the United States, with approximately one-third of elderly individuals receiving nearly all of their income from Social Security;
