

must take strides to move immigration reform forward and now is the time to do it. Now is the time to help millions of young people achieve the American Dream.

Improving access to education for immigrants is an important piece of reform. Education has always been a priority of mine and, in order to build a stronger nation, we should encourage those who want to become Americans to pursue their education.

The DREAM Act also allows for permanent resident status to be given to those who served for two years in the military. It is only fitting that we afford this status to individuals who are willing to lay down their lives if need be for the protection of this great nation.

My esteemed colleagues, I urge you to uphold the ideals of the American Dream; vote in favor of the DREAM Act. Thank you.

IN HONOR OF GENERAL C. ROBERT
KEHLER, COMMANDER, AIR
FORCE SPACE COMMAND

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 18, 2010

Mr. LAMBORN. Madam Speaker, let me take this opportunity to pay tribute to General C. Robert Kehler. The President of the United States nominated him to be the next Commander of United States Strategic Command. General Kehler became Commander of Air Force Space Command in October 2007 and he leads the world's greatest space and cyberspace force.

General Kehler entered the Air Force in 1975 as a distinguished graduate of the Pennsylvania State University Air Force Reserve Officer Training Corps program. His exemplary Air Force career is marked by command at the squadron, group and wing levels, and a broad range of experience in intercontinental ballistic missile (ICBM) operations, space launch, space operations, missile warning, and space control.

General Kehler began his illustrious career as a Minuteman Combat Crewmember. His Air Force journey would take him and his wife, Marjorie, through a series of Air Force and Joint assignments. As the Chief of the Strategic Missile Branch in the Secretary of the Air Force's Office of Legislative Liaison, he was the Secretary's point man on Capitol Hill for matters regarding the President's ICBM Modernization Program. As Director of the National Security Space Office, he integrated the activities of a number of space organizations on behalf of the Under Secretary of the Air Force and Director, National Reconnaissance Office. Prior to assuming his current position, General Kehler was the Deputy Commander, U.S. Strategic Command.

In his current assignment as Commander, Air Force Space Command, General Kehler is responsible for organizing, equipping, training and maintaining mission-ready space and cyberspace forces and capabilities for North American Aerospace Defense Command, U.S. Strategic Command, and other combatant commands around the world. He provides inspirational leadership to more than 46,000 personnel responsible for mission areas ranging from assured access to space to on-orbit space operations, space situational awareness, and cyberspace operations. General Kehler's dynamic leadership capabilities were vital to the transfer of the ICBM mission to the newly established Air Force Global Strike Command and in standing up the 24th Air Force to execute the Air Force's cyberspace mission. His decisive and visionary leadership of Air Force Space Command earned National Defense Industrial Association recognition as the 2009 Hartinger Award winner for "Outstanding Achievement in the Military Space Mission of the United States."

Madam Speaker, the American people have been fortunate to have General Kehler serving as the Commander of Air Force Space Command for the past three years. Marjorie, and their two sons, Matt and Jared, can be proud of his fine character and dedication to service. He will be greatly missed in Colorado Springs, but the community's loss is the country's gain. I know my fellow Members of the House of

Representatives will join me in thanking him for his continued commitment to his country.

HONORING DR. GRACIELA SARMIENTO OF ARROYO GRANDE, ROGER LYON OF CAYUCOS, DR. JAMES THORTON OF ARROYO GRANDE AND CAL POLY SAN LUIS OBISPO STUDENT AND PARAMEDIC ANDREW THIEL

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 18, 2010

Mrs. CAPPS. Madam Speaker, I rise today with a heavy heart. Last month, four cherished members of my community on the California Central Coast died when their plane carrying medical supplies crashed in Mexico. All four were participating in a humanitarian mission with the Flying Samaritans aid organization.

The tragic loss of Dr. Graciela Sarmiento of Arroyo Grande, Roger Lyon of Cayucos, Dr. James Thorton of Arroyo Grande and Cal Poly San Luis Obispo student and paramedic Andrew Thiel has been of tremendous shock and heart-ache to our close community. That these four selfless and dedicated individuals would pass on so suddenly and in an act of such generosity is all the more painful.

As our community grieves, we have pledged to honor the work of Graciela, Roger, James and Andrew in our own lives. In death, these remarkable people have reminded us in the most powerful and tragic of ways that life is short, and that genuine generosity knows no bounds.

While they were at different stages in life, all four were known to their families, friends and neighbors as bighearted, intellectually curious and passionate about contributing to the community and world around them. In leading through example, Graciela, Roger, James and Andrew demonstrated that there are no limits when working to make this world a better place.

I urge all my colleagues to celebrate the lives of Graciela, Roger, James and Andrew with their own acts of generosity and to pray for their surviving families and friends. Thank you and I yield back.
