

this includes having her social policy students serve meals to hungry or homeless people.

Besides being involved in sporting events and extracurricular activities at Simpson College, Carolyn also serves as a junior/senior high school youth group leader for her church. The youth group has taken several mission trips across the country to serve less fortunate people. She is also a member of the church choir and participates as a church accompanist.

Carolyn Dallinger is an incredible teacher, and her dedication to her profession and to her students should make every lowan proud. It's an honor to represent her in the United States Congress, and I know that my colleagues in the House join me in congratulating Carolyn on this well-deserved award and thanking her for her dedicated service to her community and America's young adults.

CELEBRATING THE GROUND-
BREAKING FOR THE ROUGH AND
READY FIRE STATION

HON. TOM MCCLINTOCK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 18, 2010

Mr. MCCLINTOCK. Madam Speaker, I rise today to celebrate the groundbreaking for the Rough and Ready Fire Station in Nevada County, California.

Since its founding in 1963, the Rough and Ready Fire Department has served to protect the homes and businesses in their community. In the early years, the department consisted of a phone-tree-style call list that would spring into action when needed, using whatever assortment of equipment the group could afford to buy, maintain and house in local barns. In 1970, the current fire station was constructed on Rough and Ready Road to house two fire engines and serve as the headquarters for the 16 volunteer fire fighters. As the town continued to grow, so did its need for fire protection and the department acquired two additional engines, but with room in the station to house only two vehicles. As a result, the department went back to housing some fire engines in barns, including the Davison Barn, where chickens began roosting in the engine and going on fire calls.

As the years wore on, it became increasingly clear that the fire station on Rough and Ready Road would not be able to meet the needs of the city indefinitely. Without a training area large enough to accommodate all fire-fighters, lacking sleeping quarters or any space to service vehicles, an absence of ventilation, air conditioning and insulation, and a hopelessly leaky roof, the need to build a new facility was more than evident. Beginning in 1995, the department saved a little money each year towards a new station and by 2004 the land had been acquired and the department officers were finalizing design plans. Finally, in 2009, having raised just under one million dollars through department savings and private donations, Rough and Ready secured a federal matching grant to allow for construction to move forward. At over 8000 square feet and complete with five engine bays, living quarters and up-to-date infrastructure, the new

station will greatly increase the department's capacity to serve the 2,200 citizens in their immediate district and the over 52,000 people in the surrounding area.

Madam Speaker, it is impossible to overestimate the necessity of fire protection or to measure to countless contributions these fire-fighters make to our community. It is has been my privilege to work with the Rough and Ready Fire Department in competing for a merit-based federal grant and it is with great pleasure that I rise today to join the city of Rough and Ready to celebrate this joyous occasion.

IN HONOR OF TERRY SULLIVAN,
PRESIDENT AND CEO, COLORADO
SPRINGS CONVENTION & VISI-
TORS BUREAU

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 18, 2010

Mr. LAMBORN. Madam Speaker, let me take this opportunity to pay tribute to Mr. Terrance W. Sullivan. Mr. Sullivan has served as leader of the Colorado Springs Convention & Visitors Bureau for 20 years. In this role, Mr. Sullivan has helped support and expand the tourism industry in Colorado Springs and the Pikes Peak region. He has previously been awarded Outstanding Individual Contribution to Colorado Tourism by the Governor of Colorado in 2005, and was elected to serve as President of the Tourism Industry Association of Colorado (TIAC).

Mr. Sullivan has also served in leadership roles in numerous civic and business organizations and has contributed significantly to the economic development of the Pikes Peak region. His exemplary career is marked by his chairmanship of the Tourism Industry Association of Colorado (TIAC) and the Colorado Association of Destination Marketing Organizations (CADMO), organizations that work cooperatively to promote travel to our state, region, and city. Mr. Sullivan is also a co-founder and board member of the Southern Colorado Business Partnership and has served and continues to serve on many other community boards and committees. He continually supports community parks, museums, historic sites, and open spaces.

In addition to his achievements in the tourism industry, Mr. Sullivan was an Army aviator in Vietnam followed by service in the National Guard and Army Reserves. He is rated as a Master Aviator with approximately 3,000 flying hours. In March 2004, Mr. Sullivan participated as an organizer and crew member in the Smithsonian Museum of History's "America's Huey, The Final Journey Home." Mr. Sullivan continues to support the military community by founding the Mountain Post Historical Association, serving as an honorary board member of the Peterson Air & Space Museum, and serving as an active member of the Chamber of Commerce Military Affairs Council.

Mr. Sullivan will retire from the Colorado Springs Convention & Visitors Bureau on December 31, 2010, leaving a lasting legacy of hospitality and tourism promotion for all that follow. Mr. Sullivan's future hopes for the Con-

vention and Visitors Bureau include bringing further credibility and recognition to the Colorado hospitality industry, proactively pursuing an increased air service network, creating valuable and effective partnership marketing opportunities, attracting more sports-related events to the Pikes Peak region, and assuring the development of a community infrastructure. These will meet the future needs of a growing and healthy tourism industry.

Madam Speaker, residents and visitors of Colorado have been fortunate to have Mr. Sullivan serve as leader of the Colorado Springs Convention & Visitor Bureau for the past 20 years. His involvement in Colorado tourism and civic engagement has provided economic development to Colorado Springs and the Pikes Peak region as well as a richer experience to visitors of our beautiful state. I know my fellow Members of the House of Representatives will join me in thanking him for his lasting contribution to the community and for his commitment to our country.

NATIONAL ALZHEIMER'S DISEASE
AWARENESS MONTH

HON. DAVID SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 18, 2010

Mr. SCOTT of Georgia. Madam Speaker, I rise in recognition of National Alzheimer's Disease Awareness Month. This year marks the 27th anniversary of National Alzheimer's Disease Awareness Month, which has brought awareness to the 5.3 million Americans living with Alzheimer's and the over 200,00 living with Alzheimer's in my own state of Georgia. More than half of all Americans now know someone with Alzheimer's and approximately thirty percent of Americans have a family member with the disease.

It is of immense magnitude that all Americans become aware of what they can do to support those who live with the disease. This month should serve as a time to reflect on the struggles faced by those with the disease and to commemorate how far we have come and all we have accomplished in the fight for a cure.

I would also like to express immense gratitude to the Georgia Alzheimer's Association for their advocacy throughout the state of Georgia. Under their incredible leadership they have been able to help over 124,000 Georgians through their programs and services. It is important that we acknowledge this month as a time of support for all affected with the disease and reaffirm that as a nation it should be our mission to eliminate Alzheimer's disease through the advancement of research, and to provide and enhance care and support to those individuals affected with the disease, their families and caregivers.

I encourage everyone to join me in recognizing November as the National Alzheimer's Disease Awareness Month.
