BILL (H.R. 4899) MAKING EMERGENCY SUPPLEMENTAL APPROPRIA-
TIONS FOR DISASTER RELIEF AND SUMMER JOBS FOR THE FISCAL
YEAR ENDING SEPTEMBER 30, 2010, AND FOR OTHER PURPOSES

JULY 1, 2010.—Referred to the House Calendar and ordered to be printed

Mr. MCGOVERN, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 1500]

The Committee on Rules, having had under consideration House Resolution 1500, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendments to H.R. 4899, making emergency supplemental appropriations for disaster relief and summer jobs for the fiscal year ending September 30, 2010, and for other purposes, with the Senate amendments thereto. The resolution makes in order a motion by the chairman of the Committee on Appropriations to concur in the Senate amendment to the text with each of the five House amendments printed in this report. The resolution waives all points of order against consideration of the motion except those arising under clause 10 of rule XXI and provides that the Senate amendments and the motion shall be considered as read. The resolution provides that the motion shall be debatable for one hour and 30 minutes as follows: 30 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations; then 30 minutes equally divided and controlled by Representative Lee of California or her designee and an opponent; and then 30 minutes equally divided and controlled by Representative McGovern of Massachusetts or his designee and an opponent. The resolution provides that the previous question shall be considered as ordered on the motion to final adoption without intervening motion or demand for division of the question except that the question of adoption of the motion shall be divided among the five House amendments, with the first portion of the divided question considered as adopted. The resolution provides that if the remain-

ing portions of the divided question fail of adoption, then the House shall be considered to have rejected the motion and to have made no disposition of the Senate amendment to the text.

The resolution provides that upon adoption of the motion specified in the first section of the resolution the Clerk shall engross the action of the House under that section as a single amendment; and a motion that the House concur in the Senate amendment to the title shall be considered as adopted. The resolution allows the chair of the Committee on Appropriations to insert in the Congressional Record not later than July 3, 2010, such material as he may deem explanatory of the Senate amendments and the motion specified in the first section of this resolution. The resolution provides that House Resolution 1493 is hereby adopted. The resolution amends the time periods in clause 10 of rule XXI to align with the Statutory Pay-As-You-Go Act of 2010.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion (except for clause 10 of rule XXI) includes a waiver of Section 302(c) of the Congressional Budget Act, prohibiting consideration of a committee's legislation providing new budget authority until that committee has filed its 302(b) report.

COMPLIANCE WITH HOUSE RULE XIII

Statement of oversight findings and recommendations of the Committee

In accordance with clause 3(c)(1) of rule XIII and clause 2(b)(1) of rule X of the Rules of the House of Representatives, the Committee finds that the time periods analyzed for legislative compliance with the House paygo rule (clause 10 of rule XXI) and the Statutory Pay-As-You-Go Act of 2010 (Pub. L. No. 111–139) do not align with each other. While both the rule and the statute are designed to ensure that legislative measures do not increase the deficit or reduce the surplus, the differing time periods can lead to different estimates. Conforming the time periods in the House paygo rule to the time periods in the statute would simplify the analysis of legislative measures for compliance with both provisions.

Congressional Budget Office cost estimate

In compliance with clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the Committee states, with respect to this resolution, that the Director of the Congressional Budget Office did not submit a cost estimate and comparison under section 402 of the Congressional Budget Act of 1974.

Statement of general performance goals and objectives

In accordance with clause 3(c) of rule XIII of the Rules of the House of Representatives, the goal of this resolution is to conform the time periods analyzed under the House paygo rule (clause 10 of rule XXI) to the time periods analyzed under the Statutory Pay-As-You-Go Act of 2010 (Pub. L. No. 111–139).

Changes to Rules of the House

In accordance with clause 3(g) of rule XIII, changes to the Rules of the House made by the resolution, as reported, are shown as follows (existing provisions proposed to be omitted are enclosed in black brackets, new matter is printed in italic, existing provisions in which no change is proposed are shown in roman):

Clause 10 of rule XIII. **[(a)(1) Except as provided in paragraphs (b) and (c), it shall not be in order to consider any bill, joint resolution, amendment, or conference report if the provisions of such measure affecting direct spending and revenues have the net effect of increasing the deficit or reducing the surplus for either the period comprising—**

[(A) the current fiscal year, the budget year set forth in the most recently completed concurrent resolution on the budget, and the four fiscal years following that budget year; or

[(B) the current fiscal year, the budget year set forth in the most recently completed concurrent resolution on the budget, and the nine fiscal years following that budget year.

[(2) The effect of such measure on the deficit or surplus shall be determined on the basis of estimates made by the Committee on the Budget relative to baseline estimates supplied by the Congressional Budget Office consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985] (a)(1) *Except as provided in paragraphs (b) and (c), it shall not be in order to consider any bill, joint resolution, amendment, or conference report if the provisions of such measure affecting direct spending and revenues have the net effect of increasing the on-budget deficit or reducing the on-budget surplus for the period comprising either—*

(A) *the current year, the budget year, and the four years following that budget year; or*

(B) *the current year, the budget year, and the nine years following that budget year.*

(2) *The effect of such measure on the deficit or surplus shall be determined on the basis of estimates made by the Committee on the Budget relative to baseline estimates supplied by the Congressional Budget Office consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985 and consistent with sections 3(4), 3(8), and 4(c) of the Statutory Pay-As-You-Go Act of 2010.*

(3) *For the purpose of this clause, the terms ‘budget year,’ ‘current year,’ and ‘direct spending’ have the meanings specified in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, except that the term ‘direct spending’ shall also include provisions in appropriation Acts that make outyear modifications to substantive law as described in section 3(4)(C) of the Statutory Pay-As-You-Go Act of 2010.*

Rules Committee record vote No. 458

Date: July 01, 2010.

Measure: Senate amendment to H.R. 4899.

Motion by: Mr. Dreier.

Summary of motion: to report a rule which provides for a motion to concur in the Senate amendment without further amendment to ensure our military has the needed funds to support our men and women on the front lines,

Results: Defeated 2–8.

Vote by Members: McGovern—Nay; Hastings (FL)—Nay; Matsui—Nay; Cardoza—Nay; Perlmuter—Nay; Pingree—Nay; Polis—Nay; Dreier—Yea; Foxx—Yea; Slaughter—Nay.

SUMMARY OF AMENDMENT NO. 1 TO BE CONSIDERED AS ADOPTED

The amendment pays for settlement of the Cobell v. Salazar and Pigford v. Vilsack class action lawsuits. Second, the amendment will allow local Workforce Investment Boards to expand youth jobs programs that were funded in the American Recovery and Reinvestment Act and support over 350,000 jobs for youth ages 14 to 24 through youth employment programs. The amendment would make two changes to title IV, the “Surface Transportation Extension Act of 2010,” of the Hiring Incentives to Restore Employment (HIRE) Act. First, it would distribute the Projects of National and Regional Significance (PNRS) and National Corridor Infrastructure Improvement (National Corridor) program funding so that each State receives a share equal to the greater of either (1) the amount of PNRS and National Corridor program funding that the State received under the HIRE Act or (2) the amount of PNRS and National Corridor funding that the State receives under this Act. The provision authorizes such sums as may be necessary from the Highway Trust Fund to provide these amounts. Second, the amendment would distribute “additional” highway formula funds (which the bill makes available in lieu of additional congressionally-designated projects) among all of the highway formula programs rather than among just six formula programs. Third, the amendment incorporates the President’s 2011 Budget proposal to require a minimum 10-year term for Grantor-Retained Annuity Trusts. It also would require that the value of the remainder interest must be greater than zero and that the annuity not decrease during the first 10 years of the GRAT term. Finally, in 2008, Congress enacted a \$1.01 per gallon tax credit for the production of biofuel from cellulosic feedstocks in order to encourage the development of new production capacity for biofuels that are not derived from food source materials. This provision would limit eligibility for the tax credit to fuels that are not highly corrosive.

SUMMARY OF AMENDMENT NO. 2 TO BE MADE IN ORDER

Obey: The amendment adds \$10 billion for an Education Jobs Fund, \$4.95 billion for Pell Grants, \$701 million for border security, \$180 million for innovative technology energy loans, \$163 million for schools on military installations, \$142 million in additional Gulf Coast oil spill funding, \$50 million in emergency food assistance, and \$16.5 million to build a new soldier processing center at Fort Hood. In order to hold the total amount to the President’s requested level over a ten-year period, the amendment includes \$11.7 billion in rescissions from programs that no longer require the funding, have sufficient funds on hand, or do not need the funding

this year or next, and \$4.7 billion in savings from changes to mandatory programs. In total, the amendment saves the Federal Government \$493 million over ten years compared to the President's request. The amendment also provides \$538 million for program integrity investments that are proven to produce 1½ times that in savings.

SUMMARY OF AMENDMENT NO. 3 TO BE MADE IN ORDER

The amendment would strike military funding for Afghanistan from the bill.

SUMMARY OF AMENDMENT NO. 4 TO BE MADE IN ORDER

Lee (CA): The amendment would begin to end the war in Afghanistan by preventing an escalation of troops in Afghanistan and by limiting funding to the safe withdrawal of troops from Afghanistan.

SUMMARY OF AMENDMENT NO. 5 TO BE MADE IN ORDER

McGovern-Obey-Jones (NC): The amendment would require the president to present Congress with 1) a new National Intelligence Estimate on Afghanistan by January 31, 2011 and 2) a plan by April 4, 2011 on the safe, orderly and expeditious redeployment of U.S. troops from Afghanistan, including a timeframe for the completion of the redeployment. The amendment also requires Congress to vote by July 2011 if it wants to allow the obligation and expenditure of funds for Afghanistan in a manner that is not consistent with the president's announced policy of December 2009 to begin to drawdown troops by July 2011. The amendment also requires quarterly reports to Congress on the status of the plan submitted to Congress and strengthens and expands oversight of private contractors in Afghanistan to deal more effectively with corruption, waste, fraud and abuse. Last, the amendment clarifies that no part of the amendment shall limit the president's ability to attack al Qaeda, gather and share intelligence with allies in Afghanistan and Pakistan, or modify U.S. military strategy on-the-ground over the period of redeployment.

SEC. 4152. (a) OIL SPILL UNEMPLOYMENT ASSISTANCE.—Upon a determination by the President that additional resources are necessary to respond to an incident related to a spill of national significance declared under the National Contingency Plan provided for under section 105 of the Comprehensive Environmental Re-

sponse, Compensation, and Liability Act of 1980 (42 U.S.C. 9605) (“covered incident”), the Secretary of Labor is authorized to provide to any individual unemployed as a result of such covered incident such benefit assistance as the Secretary deems appropriate while such individual is unemployed for the weeks of such unemployment with respect to which the individual is not entitled to any other unemployment compensation (as that term is defined in section 85(b) of the Internal Revenue Code of 1986) or waiting period credit. Such assistance as the Secretary shall provide shall be available to an individual as long as the individual’s unemployment caused by such covered incident continues or until the individual is reemployed in a suitable position, but no longer than 26 weeks after the individual’s unemployment that resulted from the covered incident. Oil spill unemployment assistance payments for a week of unemployment shall not exceed the maximum weekly amount authorized under the unemployment compensation law of the individual’s State. The Secretary is directed to provide such assistance through agreements with States that, in the Secretary’s judgment, have an adequate system for administering such assistance through existing State agencies.

(b) FEDERAL-STATE AGREEMENTS.—Any State affected by a covered incident may enter into and participate in an agreement under this section with the Secretary. Any State which is a party to an agreement under this section may, upon providing 30 days’ written notice to the Secretary, terminate such agreement.

(c) PROVISIONS OF AGREEMENT.—Any agreement under subsection (b) shall provide that the State agency of the State will—

(1) make payments of oil spill unemployment assistance to individuals who—

(A) are unemployed as a result of a covered incident;

(B) have no rights to regular compensation or extended compensation with respect to a week under State law or any other State unemployment compensation law or to compensation under any other Federal law; and

(2) refer individuals receiving oil spill unemployment assistance under this section to one-stop delivery systems established under section 134(c) of the Workforce Investment Act of 1998 for reemployment services or training provided under such Act, the Wagner-Peyser Act, or other Federal law.

(d) WEEKLY BENEFIT AMOUNT, DUE PROCESS RIGHTS.—For purposes of any agreement under this section, the terms and conditions of Federal law and regulations which apply to claims for disaster unemployment assistance and to the payment thereof shall apply to claims for oil spill unemployment assistance and the payment thereof, except where otherwise inconsistent with the provisions of this section or with the regulations or operating instructions of the Secretary promulgated to carry out this section.

(e) UNAUTHORIZED ALIENS INELIGIBLE.—A State shall require as a condition of oil spill unemployment assistance under this section that each alien who receives such assistance must be legally authorized to work in the United States, as defined for purposes of the Federal Unemployment Tax Act (26 U.S.C. 3101 et seq.). In de-

termining whether an alien meets the requirements of this subsection, a State must follow the procedures provided in section 1137(d) of the Social Security Act (42 U.S.C. 1320b-7(d)).

(f) FRAUD AND OVERPAYMENTS.—

(1) IN GENERAL.—If an individual knowingly has made, or caused to be made by another, a false statement or representation of a material fact, or knowingly has failed, or caused another to fail, to disclose a material fact, and as a result of such false statement or representation or of such nondisclosure such individual has received an amount of oil spill unemployment assistance under this section to which such individual was not entitled, such individual—

(A) shall be ineligible for further oil spill unemployment assistance under this section in accordance with the provisions of the applicable State unemployment compensation law relating to fraud in connection with a claim for unemployment compensation; and

(B) shall be subject to prosecution under section 1001 of title 18, United States Code.

(2) REPAYMENT.—In the case of an individual who has received oil spill unemployment assistance under this section to which such individual was not entitled, the State shall require such individual to repay the amount of such oil spill unemployment assistance to the State agency, except that the State agency may waive such repayment if it determines that—

(A) the payment of such oil spill unemployment assistance was without fault on the part of any such individual; and

(B) such repayment would be contrary to equity and good conscience.

(3) PREVENTION AND DETECTION BY STATE AGENCY.—The State agency shall submit a weekly payment file of all benefit payments to the National Directory of New Hires, and shall make arrangements for the cross match of the benefit payment recipients' social security numbers with the National Directory of New Hires Reported Hire and Benefit payment databases a minimum of once each week and investigate all matches.

(4) RECOVERY BY STATE AGENCY.—

(A) IN GENERAL.—The State agency may recover the amount to be repaid, or any part thereof, by deductions from any oil spill unemployment assistance payable to such individual under this section or from any unemployment compensation payable to such individual under any State or Federal unemployment compensation law administered by the State agency or under any other State or Federal law administered by the State agency which provides for the payment of any assistance or allowance with respect to any week of unemployment, during the 3-year period after the date such individual received the payment of the oil spill unemployment assistance to which such individual was not entitled, except that no single deduction may exceed 50 percent of the weekly benefit amount from which such deduction is made.

(B) OPPORTUNITY FOR HEARING.—No repayment shall be required, and no deduction shall be made, until a deter-

mination has been made, notice thereof and an opportunity for a fair hearing has been given to the individual, and the determination has become final.

(5) REVIEW.—Any determination by a State agency under this subsection shall be subject to review in the same manner and to the same extent as determinations under the State unemployment compensation law, and only in that manner and to that extent.

(g) PAYMENTS TO STATES.—

(1) BENEFITS.—There shall be paid to each State that has entered into an agreement under this section an amount equal to 100 percent of the oil spill unemployment assistance paid to individuals by the State under such agreement.

(2) CERTIFICATION.—The Secretary shall from time to time certify to the Secretary of the Treasury for payment to each State the sums payable to such State under this section. Upon receipt of the certification from the Secretary, the Secretary of the Treasury shall make payments to the State in accordance with such certification, by transfers from the general fund of the United States Treasury.

(i) RELATIONSHIP WITH INCOME REPLACEMENT PAYMENTS FOR LOST WAGES OR SELF EMPLOYMENT INCOME BY THE RESPONSIBLE PARTY.—

(1) The total combined amount an individual receives of oil spill unemployment assistance and payments by the responsible party for either lost wages or self-employment income shall not exceed the greater of—

(A) the total amount of unemployment assistance that an individual is entitled to receive under subsection (a), as determined by the State agency; or

(B) the liability of the responsible party to such individual for lost wages or self-employment income.

(2) If a responsible party or the Oil Spill Liability Trust Fund under the Oil Pollution Act of 1990 (33 U.S.C. 2701 et seq.) makes a payment to the individual for lost wages related to unemployment resulting from a covered incident, and an individual has previously received unemployment assistance under this section for such period of unemployment, the responsible party or the Oil Spill Liability Trust Fund shall subtract from such payment the amount of such unemployment assistance and shall reimburse such subtracted amount to the United States for deposit in the general fund of the Treasury. If a responsible party fails to reimburse such subtracted amount pursuant to this paragraph, the Secretary of the Treasury shall request the Attorney General to bring a civil action against the responsible party or a guarantor in an appro-

appropriate district court to recover the amount of the demand, plus all costs incurred in obtaining payment including prejudgment interest, attorneys fees, and any other administrative and adjudicative costs involved.

(3) If a responsible party or the Oil Spill Liability Trust Fund has made a payment to an individual for lost wages related to unemployment resulting from a covered incident, the amount of such payment shall be subtracted from the unemployment assistance under this section that the individual subsequently receives for such period of unemployment.

(4) Any individual's receipt of unemployment assistance under this section related to unemployment resulting from a covered incident shall be conditional on the individual taking appropriate actions, as determined by the Secretary, to seek payment for lost wages for such period of unemployment under the Oil Pollution Act of 1990 (33 U.S.C. 2701 et seq.) from the responsible party or the Oil Spill Liability Trust Fund.

(5) Any individual, as a condition of receiving oil spill unemployment assistance, shall provide informed consent to the sharing of benefit information between the State agency and the responsible party (or its claim processor) or the Oil Spill Liability Trust Fund, as appropriate, for the purpose of determining eligibility and to avoid duplicate payments as deemed necessary.

(6) If the Secretary determines the actions described in paragraphs (2) through (5) have not succeeded in avoiding duplicate payments, the Secretary may take such other actions as the Secretary determines necessary in order to avoid duplicate payments, consistent with the responsible party or the Oil Spill Liability Trust Fund making payments to individuals for lost wages related to unemployment resulting from a covered incident.

(7) The Secretary may take such actions as the Secretary determines are necessary for implementing this section, including entering into agreements with States that have agreements with the Secretary to administer this program, and the responsible party with respect to each State's administration of this program and payments made by the responsible party to claimants for lost wages and self-employment income to establish processes for—

(A) the coordination of payment of oil spill unemployment assistance under this section and payments for lost wages and self employment income by the responsible party or the Oil Spill Liability Trust Fund so as to minimize duplicate payments to claimants, including methods to—

(i) prevent duplicate payments, such as developing methods for claims processing that identify eligibility for both types of payments so as to ensure the individual receives no more than the amount specified in paragraph (1) of this subsection;

(ii) document that individuals who received either oil spill unemployment assistance or payments by the responsible party or the Oil Spill Liability Trust Fund

prior to execution of the agreement were unemployed as a result of the oil spill; and

(iii) ensure prompt and accurate payment of oil spill unemployment assistance under this section or payment of claims by the responsible party or the Oil Spill Liability Trust Fund;

(B) sharing and protecting information regarding an individual's claim for oil spill unemployment assistance or claims for replacement of wages that is necessary to coordinate benefit payments and claims by the responsible party or the Oil Spill Liability Trust Fund under subparagraph (A);

(C) reimbursement by the responsible party to the Federal Government and States for payment of oil spill unemployment assistance to individuals whose unemployment was the result of a covered incident and for the administration of this program, which may include the responsible party developing a special fund for use by the States to pay benefits under this program, in accordance with the process developed under subparagraph (A) with a periodic reconciliation process to make future claims unnecessary;

(D) ensuring that the responsible party shall make benefit information available to government organizations upon request, subject to the safeguards applicable to confidential unemployment compensation information in Federal law and regulations, which shall apply to the Secretary, the State agencies administering the oil spill unemployment assistance program, the responsible party, and the Oil Spill Liability Trust Fund; and

(E) developing similar agreements with the responsible party to coordinate payments of unemployment compensation under State law related to a covered incident and payments made by the responsible party or the Oil Spill Liability Trust Fund.

(8) The procedures developed under this section may be employed by States to coordinate payments of unemployment compensation under State law related to a covered incident and payments made by the responsible party or the Oil Spill Liability Trust Fund.

(j) LIABILITY OF RESPONSIBLE PARTIES.—Each responsible party under the Oil Pollution Act of 1990 (33 U.S.C. 2701 et seq.) is liable for any costs, net of any payments by the responsible party to the United States under subsection (i), incurred by the United States under this section and shall, upon the demand of the Secretary of the Treasury, reimburse the general fund of the Treasury for these costs as well as the costs of the United States in administering its responsibilities under this section. If a responsible party fails to pay a demand of the Secretary of the Treasury pursuant to this subsection, the Secretary shall request the Attorney General to bring a civil action against the responsible party or a guarantor in an appropriate district court to recover the amount of the demand, plus all costs incurred in obtaining payment including prejudgment interest, attorneys fees, and any other administrative and adjudicative costs involved. Such reimbursement shall be without regard to

limits of liability under section 1004 of the Oil Pollution Act of 1990 (33 U.S.C. 2704).

(k) **EFFECTIVE DATE.**—This section shall take effect immediately upon enactment of this Act and shall apply to all responsible parties under the Oil Pollution Act of 1990 (33 U.S.C. 2701 et seq.), including any party determined to be liable under such Act for any incident that occurred prior to the enactment of this section.

CHAPTER 2

PRESERVE ACCESS TO AFFORDABLE GENERICS ACT

SHORT TITLE

SEC. 4201. This chapter may be cited as the “Preserve Access to Affordable Generics Act”.

UNLAWFUL COMPENSATION FOR DELAY

SEC. 4202. (a) IN GENERAL.—The Federal Trade Commission Act (15 U.S.C. 44 et seq.) is amended—

(1) by redesignating section 28 as section 29; and

(2) by inserting before section 29, as redesignated, the following:

“SEC. 28. PRESERVING ACCESS TO AFFORDABLE GENERICS.

“(a) IN GENERAL.—

“(1) ENFORCEMENT PROCEEDING.—The Federal Trade Commission may initiate a proceeding to enforce the provisions of this section against the parties to any agreement resolving or settling, on a final or interim basis, a patent infringement claim, in connection with the sale of a drug product.

“(2) PRESUMPTION.—

“(A) IN GENERAL.—Subject to subparagraph (B), in such a proceeding, an agreement shall be presumed to have anticompetitive effects and be unlawful if—

“(i) an ANDA filer receives anything of value; and

“(ii) the ANDA filer agrees to limit or forego research, development, manufacturing, marketing, or sales of the ANDA product for any period of time.

“(B) EXCEPTION.—The presumption in subparagraph (A) shall not apply if the parties to such agreement demonstrate by clear and convincing evidence that the procompetitive benefits of the agreement outweigh the anticompetitive effects of the agreement.

“(b) COMPETITIVE FACTORS.—In determining whether the settling parties have met their burden under subsection (a)(2)(B), the fact finder shall consider—

“(1) the length of time remaining until the end of the life of the relevant patent, compared with the agreed upon entry date for the ANDA product;

“(2) the value to consumers of the competition from the ANDA product allowed under the agreement;

“(3) the form and amount of consideration received by the ANDA filer in the agreement resolving or settling the patent infringement claim;

“(4) the revenue the ANDA filer would have received by winning the patent litigation;

“(5) the reduction in the NDA holder’s revenues if it had lost the patent litigation;

“(6) the time period between the date of the agreement conveying value to the ANDA filer and the date of the settlement of the patent infringement claim; and

“(7) any other factor that the fact finder, in its discretion, deems relevant to its determination of competitive effects under this subsection.

“(c) LIMITATIONS.—In determining whether the settling parties have met their burden under subsection (a)(2)(B), the fact finder shall not presume—

“(1) that entry would not have occurred until the expiration of the relevant patent or statutory exclusivity; or

“(2) that the agreement’s provision for entry of the ANDA product prior to the expiration of the relevant patent or statutory exclusivity means that the agreement is pro-competitive, although such evidence may be relevant to the fact finder’s determination under this section.

“(d) EXCLUSIONS.—Nothing in this section shall prohibit a resolution or settlement of a patent infringement claim in which the consideration granted by the NDA holder to the ANDA filer as part of the resolution or settlement includes only one or more of the following:

“(1) The right to market the ANDA product in the United States prior to the expiration of—

“(A) any patent that is the basis for the patent infringement claim; or

“(B) any patent right or other statutory exclusivity that would prevent the marketing of such drug.

“(2) A payment for reasonable litigation expenses not to exceed \$7,500,000.

“(3) A covenant not to sue on any claim that the ANDA product infringes a United States patent.

“(e) REGULATIONS AND ENFORCEMENT.—

“(1) REGULATIONS.—The Federal Trade Commission may issue, in accordance with section 553 of title 5, United States Code, regulations implementing and interpreting this section. These regulations may exempt certain types of agreements described in subsection (a) if the Commission determines such agreements will further market competition and benefit consumers. Judicial review of any such regulation shall be in the United States District Court for the District of Columbia pursuant to section 706 of title 5, United States Code.

“(2) ENFORCEMENT.—A violation of this section shall be treated as a violation of section 5.

“(3) JUDICIAL REVIEW.—Any person, partnership or corporation that is subject to a final order of the Commission, issued in an administrative adjudicative proceeding under the author-

ity of subsection (a)(1), may, within 30 days of the issuance of such order, petition for review of such order in the United States Court of Appeals for the District of Columbia Circuit or the United States Court of Appeals for the circuit in which the ultimate parent entity, as defined at 16 C.F.R. 801.1(a)(3), of the NDA holder is incorporated as of the date that the NDA is filed with the Secretary of the Food and Drug Administration, or the United States Court of Appeals for the circuit in which the ultimate parent entity of the ANDA filer is incorporated as of the date that the ANDA is filed with the Secretary of the Food and Drug Administration. In such a review proceeding, the findings of the Commission as to the facts, if supported by evidence, shall be conclusive.

“(f) ANTITRUST LAWS.—Nothing in this section shall be construed to modify, impair, or supersede the applicability of the antitrust laws as defined in subsection (a) of the first section of the Clayton Act (15 U.S.C. 12(a)) and of section 5 of this Act to the extent that section 5 applies to unfair methods of competition. Nothing in this section shall modify, impair, limit or supersede the right of an ANDA filer to assert claims or counterclaims against any person, under the antitrust laws or other laws relating to unfair competition.

“(g) PENALTIES.—

“(1) FORFEITURE.—Each person, partnership or corporation that violates or assists in the violation of this section shall forfeit and pay to the United States a civil penalty sufficient to deter violations of this section, but in no event greater than 3 times the value received by the party that is reasonably attributable to a violation of this section. If no such value has been received by the NDA holder, the penalty to the NDA holder shall be sufficient to deter violations, but in no event greater than 3 times the value given to the ANDA filer reasonably attributable to the violation of this section. Such penalty shall accrue to the United States and may be recovered in a civil action brought by the Federal Trade Commission, in its own name by any of its attorneys designated by it for such purpose, in a district court of the United States against any person, partnership or corporation that violates this section. In such actions, the United States district courts are empowered to grant mandatory injunctions and such other and further equitable relief as they deem appropriate.

“(2) CEASE AND DESIST.—

“(A) IN GENERAL.—If the Commission has issued a cease and desist order with respect to a person, partnership or corporation in an administrative adjudicative proceeding under the authority of subsection (a)(1), an action brought pursuant to paragraph (1) may be commenced against such person, partnership or corporation at any time before the expiration of 1 year after such order becomes final pursuant to section 5(g).

“(B) EXCEPTION.—In an action under subparagraph (A), the findings of the Commission as to the material facts in the administrative adjudicative proceeding with respect to such person’s, partnership’s or corporation’s violation of this section shall be conclusive unless—

“(i) the terms of such cease and desist order expressly provide that the Commission’s findings shall not be conclusive; or

“(ii) the order became final by reason of section 5(g)(1), in which case such finding shall be conclusive if supported by evidence.

“(3) CIVIL PENALTY.—In determining the amount of the civil penalty described in this section, the court shall take into account—

“(A) the nature, circumstances, extent, and gravity of the violation;

“(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, any effect on the ability to continue doing business, profits earned by the NDA holder, compensation received by the ANDA filer, and the amount of commerce affected; and

“(C) other matters that justice requires.

“(4) REMEDIES IN ADDITION.—Remedies provided in this subsection are in addition to, and not in lieu of, any other remedy provided by Federal law. Nothing in this paragraph shall be construed to affect any authority of the Commission under any other provision of law.

CHAPTER 4

PUBLIC SAFETY EMPLOYER-EMPLOYEE COOPERATION ACT

SHORT TITLE

SEC. 4401. This chapter may be cited as the “Public Safety Employer-Employee Cooperation Act of 2010”.

DECLARATION OF PURPOSE AND POLICY

SEC. 4402. The Congress declares that the following is the policy of the United States:

(1) Labor-management relationships and partnerships are based on trust, mutual respect, open communication, bilateral consensual problem solving, and shared accountability. Labor-management cooperation fully utilizes the strengths of both parties to best serve the interests of the public, operating as a team, to carry out the public safety mission in a quality work environment. In many public safety agencies, it is the union that provides the institutional stability as elected leaders and appointees come and go.

(2) State and local public safety officers play an essential role in the efforts of the United States to detect, prevent, and respond to terrorist attacks, and to respond to natural disasters, hazardous materials, and other mass casualty incidents. State and local public safety officers, as first responders, are a component of our Nation’s National Incident Management System, developed by the Department of Homeland Security to coordinate response to and recovery from terrorism, major natural disasters, and other major emergencies. Public safety employer-employee cooperation is essential in meeting these needs and is, therefore, in the National interest.

(3) The Federal Government needs to encourage conciliation, mediation, and voluntary arbitration to aid and encourage employers and the representatives of their employees to reach and maintain agreements concerning rates of pay, hours, and working conditions, and to make all reasonable efforts through negotiations to settle their differences by mutual agreement reached through collective bargaining or by such methods as may be provided for in any applicable agreement for the settlement of disputes.

(4) The absence of adequate cooperation between public safety employers and employees has implications for the security

of employees and can affect interstate and intrastate commerce. The lack of such labor-management cooperation can detrimentally impact the upgrading of police and fire services of local communities, the health and well-being of public safety officers, and the morale of the fire and police departments. Additionally, these factors could have significant commercial repercussions. Moreover, providing minimal standards for collective bargaining negotiations in the public safety sector can prevent industrial strife between labor and management that interferes with the normal flow of commerce.

(5) Many States and localities already provide public safety officers with collective bargaining rights comparable to or greater than the rights and responsibilities set forth in this chapter, and such State and local laws should be respected.

(B) devotes a majority of time at work to exercising such authority.

DETERMINATION OF RIGHTS AND RESPONSIBILITIES

SEC. 4404. (a) DETERMINATION.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Authority shall make a determination as to whether a State substantially provides for the rights and responsibilities described in subsection (b).

(2) CONSIDERATION OF ADDITIONAL OPINIONS.—In making the determination described in paragraph (1), the Authority shall consider the opinions of affected employers and labor organizations. In the case where the Authority is notified by an affected employer and labor organization that both parties agree that the law applicable to such employer and labor organization substantially provides for the rights and responsibilities described in subsection (b), the Authority shall give such agreement weight to the maximum extent practicable in making the Authority’s determination under this subsection.

(3) LIMITED CRITERIA.—In making the determination described in paragraph (1), the Authority shall be limited to the application of the criteria described in subsection (b) and shall not require any additional criteria.

(4) SUBSEQUENT DETERMINATIONS.—

(A) IN GENERAL.—A determination made pursuant to paragraph (1) shall remain in effect unless and until the Authority issues a subsequent determination, in accordance with the procedures set forth in subparagraph (B).

(B) PROCEDURES FOR SUBSEQUENT DETERMINATIONS.—

Upon establishing that a material change in State law or its interpretation has occurred, an employer or a labor organization may submit a written request for a subsequent determination. If satisfied that a material change in State law or its interpretation has occurred, the Authority shall issue a subsequent determination not later than 30 days after receipt of such request.

(5) JUDICIAL REVIEW.—Any person or employer aggrieved by a determination of the Authority under this section may, during the 60-day period beginning on the date on which the determination was made, petition any United States Court of Appeals in the circuit in which the person or employer resides or transacts business or in the District of Columbia circuit, for judicial review. In any judicial review of a determination by the Authority, the procedures contained in subsections (c) and (d) of section 7123 of title 5, United States Code, shall be followed.

(b) RIGHTS AND RESPONSIBILITIES.—In making a determination described in subsection (a), the Authority shall consider a State's law to substantially provide the required rights and responsibilities unless such law fails to provide rights and responsibilities comparable to or greater than the following:

(1) Granting public safety officers the right to form and join a labor organization, which may exclude management employees, supervisory employees, and confidential employees, that is, or seeks to be, recognized as the exclusive bargaining representative of such employees.

(2) Requiring public safety employers to recognize the employees' labor organization (freely chosen by a majority of the employees), to agree to bargain with the labor organization, and to commit any agreements to writing in a contract or memorandum of understanding.

(3) Providing for the right to bargain over hours, wages, and terms and conditions of employment.

(4) Making available an interest impasse resolution mechanism, such as fact-finding, mediation, arbitration, or comparable procedures.

(5) Requiring enforcement of all rights, responsibilities, and protections provided by State law and enumerated in this section, and of any written contract or memorandum of understanding between a labor organization and a public safety employer, through—

(A) a State administrative agency, if the State so chooses; and

(B) at the election of an aggrieved party, the State courts.

(c) COMPLIANCE WITH REQUIREMENTS.—If the Authority determines, acting pursuant to its authority under subsection (a), that a State substantially provides rights and responsibilities described in subsection (b), then this chapter shall not preempt State law.

(d) FAILURE TO MEET REQUIREMENTS.—

(1) IN GENERAL.—If the Authority determines, acting pursuant to its authority under subsection (a), that a State does not substantially provide for the rights and responsibilities described in subsection (b), then such State shall be subject to the regulations and procedures described in section 3405 beginning on the later of—

(A) the date that is 2 years after the date of enactment of this Act;

(B) the date that is the last day of the first regular session of the legislature of the State that begins after the date of the enactment of this Act; or

(C) in the case of a State receiving a subsequent determination under subsection (a)(4), the date that is the last day of the first regular session of the legislature of the State that begins after the date the Authority made the determination.

(2) PARTIAL FAILURE.—If the Authority makes a determination that a State does not substantially provide for the rights and responsibilities described in subsection (b) solely because the State law substantially provides for such rights and responsibilities for certain categories of public safety officers covered by this chapter but not others, the Authority shall identify those categories of public safety officers that shall be subject to the regulations and procedures described in section 4405, pursuant to section 4408(b)(3) and beginning on the appropriate date described in paragraph (1), and those categories of public safety officers that shall remain subject to State law.

ROLE OF FEDERAL LABOR RELATIONS AUTHORITY

SEC. 4405. (a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Authority shall issue regulations in accordance with the rights and responsibilities described in section 4404(b) establishing collective bargaining procedures for employers and public safety officers in States which the Authority has determined, acting pursuant to section 4404(a), do not substantially provide for such rights and responsibilities.

(b) ROLE OF THE FEDERAL LABOR RELATIONS AUTHORITY.—The Authority, to the extent provided in this chapter and in accordance with regulations prescribed by the Authority, shall—

(1) determine the appropriateness of units for labor organization representation;

(2) supervise or conduct elections to determine whether a labor organization has been selected as an exclusive representative by a voting majority of the employees in an appropriate unit;

(3) resolve issues relating to the duty to bargain in good faith;

(4) conduct hearings and resolve complaints of unfair labor practices;

(5) resolve exceptions to the awards of arbitrators;

(6) protect the right of each employee to form, join, or assist any labor organization, or to refrain from any such activity, freely and without fear of penalty or reprisal, and protect each employee in the exercise of such right; and

(7) take such other actions as are necessary and appropriate to effectively administer this chapter, including issuing subpoenas requiring the attendance and testimony of witnesses and the production of documentary or other evidence from any place in the United States, and administering oaths, taking or ordering the taking of depositions, ordering responses to written interrogatories, and receiving and examining witnesses.

(c) ENFORCEMENT.—

(1) AUTHORITY TO PETITION COURT.—The Authority may petition any United States Court of Appeals with jurisdiction over the parties, or the United States Court of Appeals for the District of Columbia Circuit, to enforce any final orders under this section, and for appropriate temporary relief or a restraining order. Any petition under this section shall be conducted in accordance with subsections (c) and (d) of section 7123 of title 5, United States Code.

(2) PRIVATE RIGHT OF ACTION.—Unless the Authority has filed a petition for enforcement as provided in paragraph (1), any party has the right to file suit in any appropriate district court of the United States to enforce compliance with the regulations issued by the Authority pursuant to subsection (b), and to enforce compliance with any order issued by the Authority pursuant to this section. The right provided by this subsection to bring a suit to enforce compliance with any order issued by the Authority pursuant to this section shall terminate upon the filing of a petition seeking the same relief by the Authority.

STRIKES AND LOCKOUTS PROHIBITED

SEC. 4406. (a) IN GENERAL.—Subject to subsection (b), an employer, public safety officer, or labor organization may not engage in a lockout, sickout, work slowdown, strike, or any other organized job action that will measurably disrupt the delivery of emergency services and is designed to compel an employer, public safety officer, or labor organization to agree to the terms of a proposed contract.

(b) NO PREEMPTION.—Nothing in this section shall be construed to preempt any law of any State or political subdivision of any State with respect to strikes by public safety officers.

EXISTING COLLECTIVE BARGAINING UNITS AND AGREEMENTS

SEC. 4407. A certification, recognition, election-held, collective bargaining agreement or memorandum of understanding which has been issued, approved, or ratified by any public employee relations board or commission or by any State or political subdivision or its agents (management officials) and is in effect on the day before the date of enactment of this Act shall not be invalidated by the enactment of this Act.

CONSTRUCTION AND COMPLIANCE

SEC. 4408. (a) CONSTRUCTION.—Nothing in this chapter shall be construed—

(1) to preempt or limit the remedies, rights, and procedures of any law of any State or political subdivision of any State that provides greater or comparable rights and responsibilities

than the rights and responsibilities described in section 4404(b);

(2) to prevent a State from enforcing a right-to-work law that prohibits employers and labor organizations from negotiating provisions in a labor agreement that require union membership or payment of union fees as a condition of employment;

(3) to preempt or limit any State law in effect on the date of enactment of this Act that provides for the rights and responsibilities described in section 4404(b) solely because such State law permits an employee to appear on the employee's own behalf with respect to the employee's employment relations with the public safety agency involved;

(4) to preempt or limit any State law in effect on the date of enactment of this Act that provides for the rights and responsibilities described in section 4404(b) solely because such State law excludes from its coverage employees of a State militia or national guard;

(5) to permit parties in States subject to the regulations and procedures described in section 4405 to negotiate provisions that would prohibit an employee from engaging in part-time employment or volunteer activities during off-duty hours;

(6) to prohibit a State from exempting from coverage under this chapter a political subdivision of the State that has a population of less than 5,000 or that employs less than 25 full-time employees; or

(7) to preempt or limit the laws or ordinances of any State or political subdivision of a State that provide for the rights and responsibilities described in section 4404(b) solely because such law or ordinance does not require bargaining with respect to pension, retirement, or health benefits.

For purposes of paragraph (6), the term "employee" includes each and every individual employed by the political subdivision except any individual elected by popular vote or appointed to serve on a board or commission.

(b) COMPLIANCE.—

(1) ACTIONS OF STATES.—Nothing in this chapter or the regulations promulgated under this chapter shall be construed to require a State to rescind or preempt the laws or ordinances of any of the State's political subdivisions if such laws provide rights and responsibilities for public safety officers that are comparable to or greater than the rights and responsibilities described in section 4404(b).

(2) ACTIONS OF THE AUTHORITY.—Nothing in this chapter or the regulations promulgated under this chapter shall be construed to preempt—

(A) the laws or ordinances of any State or political subdivision of a State, if such laws provide collective bargaining rights for public safety officers that are comparable to or greater than the rights enumerated in section 4404(b);

(B) the laws or ordinances of any State or political subdivision of a State that provide for the rights and responsibilities described in section 4404(b) with respect to certain categories of public safety officers covered by this Act solely because such rights and responsibilities have not

been extended to other categories of public safety officers covered by this chapter; or

(C) the laws or ordinances of any State or political subdivision of a State that provide for the rights and responsibilities described in section 4404(b), solely because such laws or ordinances provide that a contract or memorandum of understanding between a public safety employer and a labor organization must be presented to a legislative body as part of the process for approving such contract or memorandum of understanding.

(3) LIMITED ENFORCEMENT POWER.—In the case of a law described in paragraph (2)(B), the Authority shall only exercise the powers provided in section 4405 with respect to those categories of public safety officers who have not been afforded the rights and responsibilities described in section 4404(b).

(4) EXCLUSIVE ENFORCEMENT PROVISION.—Notwithstanding any other provision of the chapter, and in the absence of a waiver of a State’s sovereign immunity, the Authority shall have the exclusive power to enforce the provisions of this chapter with respect to employees of a State.

(6) an assessment of the effect of the continuing United States military presence on the ability of al Qaeda and related terrorist organizations to obtain resources, recruit personnel, and continue operations targeted at the United States and its allies.

(c) PLAN WITH TIMETABLE REQUIRED.—Not later than April 4, 2011, the President shall submit to Congress a plan for the safe, orderly, and expeditious redeployment of the Armed Forces from Afghanistan, including military and security-related contractors, together with a timetable for the completion of that redeployment and information regarding variables that could alter that timetable.

(d) STATUS UPDATES.—Not later than 90 days after the date of the submittal of the plan required by subsection (c), and every 90 days thereafter, the President shall submit to Congress a report setting forth the current status of the plan for redeploying the Armed Forces from Afghanistan.

(e) OVERSIGHT OF CONTRACTORS ENGAGED IN ACTIVITIES RELATING TO AFGHANISTAN.—

(1) RECOMMENDATIONS REQUIRED.—Not later than 90 days after the date of the enactment of this Act, the Special Inspector General for Afghanistan Reconstruction shall, in consultation with the Inspector General of the Department of Defense, the Inspector General of the United States Agency for International Development, and the Inspector General of the Department of State—

(A) issue recommendations on measures to increase oversight of contractors engaged in activities relating to Afghanistan that have a record of engaging in waste, fraud, or abuse;

(B) report on the status of efforts of the Department of Defense, the United States Agency for International Development, and the Department of State to implement existing recommendations regarding oversight of such contractors; and

SEC. 310. (a) LIMITATION ON FUNDS.—None of the funds available to the Department of Defense in the Department of Defense Appropriations Act, 2011 may be obligated or expended in a manner that is inconsistent with the President's policy announced on December 1, 2009, to begin the orderly withdrawal of United States troops from Afghanistan after July 1, 2011, unless the Congress approves a joint resolution as specified in subsection (b).

(b) JOINT RESOLUTION.—For purposes of this section, the term "joint resolution" means a joint resolution introduced in either House of the Congress after receipt by the Congress of the national intelligence estimate required under section 309 of this Act, the matter after the resolving clause of which is as follows: "That the Congress approves the obligation and expenditure of funds appropriated in the Department of Defense Appropriations Act, 2011 for United States combat operations in Afghanistan after July 1, 2011, even if the plan submitted on April 4, 2011, is inconsistent with the intention to begin the process of orderly withdrawal of United States troops from such combat operations in Afghanistan."

(c) EXPEDITED PROCEDURES IN THE HOUSE.—

(1) A joint resolution in the House of Representatives shall be referred to the Committee on Appropriations.

(2) If the committee has not reported the joint resolution at the end of 20 legislative days after its introduction, the committee shall be discharged from further consideration of the joint resolution, and the joint resolution shall be placed on the appropriate calendar of the House.

(3) When the committee has reported a joint resolution or been discharged from further consideration, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consid-

eration of the joint resolution. The motion is highly privileged in the House. The motion is not subject to amendment, or to a motion to postpone, or to a motion to proceed to the consideration of other business. A motion to reconsider the vote by which the motion is agreed to or not agreed to shall not be in order.

(4) Debate on the joint resolution shall be limited to not more than 9 hours, which shall be divided equally between those favoring and those opposing the joint resolution. An amendment to, or motion to recommit, the joint resolution is not in order. A motion to reconsider the vote by which the joint resolution is agreed to or not agreed to is not in order.

(5) Motions to postpone and motions to proceed to the consideration of other business shall be decided without debate.

(6) Appeals from the decisions of the Chair relating to the application of the rules of the House to the procedure relating to the joint resolution shall be decided without debate.

(d) EXPEDITED PROCEDURES IN THE SENATE.—[To be supplied.]

(e) CONGRESSIONAL RULEMAKING.—Subsections (c) and (d) are enacted by the Congress—

(1) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedures to be followed in that House in the case of joint resolutions described in subsection (b), and they supersede other rules only to the extent that they are inconsistent with such other rules; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedures of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

SEC. 311. Nothing in section 309 or 310 shall be construed so as to limit or prohibit any authority of the President to—

(1) attack al Qaeda forces wherever they are located;

(2) gather, provide, and share intelligence with allies operating in Afghanistan and Pakistan; or

(3) modify the military strategy and operations of the Armed Forces as such Armed Forces redeploy pursuant to a timetable and strategy developed under section 309(c).
