Public Law 111–123
111th Congress

An Act
To permit continued financing of Government operations.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONTINUED FINANCING OF GOVERNMENT OPERATIONS.

Subsection (b) of section 3101 of title 31, United States Code, is amended by striking the dollar amount contained therein and inserting “$12,394,000,000,000”.

Approved December 28, 2009.
