## A BILL

To amend the Public Health Service Act to establish direct care registered nurse-to-patient staffing ratio requirements in hospitals, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; FINDINGS.**

4 (a) SHORT TITLE.—This Act may be cited as the  
5 “Nurse Staffing Standards for Patient Safety and Quality  
6 Care Act of 2011”.

1 (b) FINDINGS.—Congress finds the following:

2 (1) The Federal Government has a substantial  
3 interest in promoting quality care and improving the  
4 delivery of health care services to patients in health  
5 care facilities in the United States.

6 (2) Recent changes in health care delivery sys-  
7 tems that have resulted in higher acuity levels  
8 among patients in health care facilities increase the  
9 need for improved quality measures in order to pro-  
10 tect patient care and reduce the incidence of medical  
11 errors.

12 (3) Inadequate and poorly monitored registered  
13 nurse staffing practices that result in too few reg-  
14 istered nurses providing direct care jeopardize the  
15 delivery of quality health care services.

16 (4) Numerous studies have shown that patient  
17 outcomes are directly correlated to direct care reg-  
18 istered nurse staffing levels, including a 2002 Joint  
19 Commission on Accreditation of Healthcare Organi-  
20 zations report that concluded that the lack of direct  
21 care registered nurses contributed to nearly a quar-  
22 ter of the unanticipated problems that result in in-  
23 jury or death to hospital patients.

24 (5) Requirements for direct care registered  
25 nurse staffing ratios will help address the registered

1 nurse shortage in the United States by aiding in re-  
2 cruitment of new registered nurses and improving  
3 retention of registered nurses who are considering  
4 leaving direct patient care because of demands cre-  
5 ated by inadequate staffing.

6 (6) Establishing adequate minimum direct care  
7 registered nurse-to-patient ratios that take into ac-  
8 count patient acuity measures will improve the deliv-  
9 ery of quality health care services and guarantee pa-  
10 tient safety.

11 (7) Establishing safe staffing standards for di-  
12 rect care registered nurses is a critical component of  
13 assuring that there is adequate hospital staffing at  
14 all levels to improve the delivery of quality care and  
15 protect patient safety.

16 **SEC. 2. MINIMUM DIRECT CARE REGISTERED NURSE**  
17 **STAFFING REQUIREMENT.**

18 (a) MINIMUM DIRECT CARE REGISTERED NURSE  
19 STAFFING REQUIREMENTS.—The Public Health Service  
20 Act (42 U.S.C. 201 et seq.) is amended by adding at the  
21 end the following new title:

1 **“TITLE XXXIV—MINIMUM DI-**  
2 **RECT CARE REGISTERED**  
3 **NURSE STAFFING REQUIRE-**  
4 **MENT**

5 **“SEC. 3401. MINIMUM NURSE STAFFING REQUIREMENT.**

6 “(a) STAFFING PLAN.—

7 “(1) IN GENERAL.—A hospital shall implement  
8 a staffing plan that—

9 “(A) provides adequate, appropriate, and  
10 quality delivery of health care services and pro-  
11 tects patient safety; and

12 “(B) is consistent with the requirements of  
13 this title.

14 “(2) EFFECTIVE DATES.—

15 “(A) IMPLEMENTATION OF STAFFING  
16 PLAN.—Subject to subparagraph (B), the re-  
17 quirements under paragraph (1) shall take ef-  
18 fect not later than 1 year after the date of the  
19 enactment of this title.

20 “(B) APPLICATION OF MINIMUM DIRECT  
21 CARE REGISTERED NURSE-TO-PATIENT RA-  
22 TIOS.—The requirements under subsection (b)  
23 shall take effect as soon as practicable, as de-  
24 termined by the Secretary, but not later than 2  
25 years after the date of the enactment of this

1 title, or in the case of a hospital in a rural area  
2 (as defined in section 1886(d)(2)(D) of the So-  
3 cial Security Act), not later than 4 years after  
4 the date of the enactment of this title.

5 “(b) MINIMUM DIRECT CARE REGISTERED NURSE-  
6 TO-PATIENT RATIOS.—

7 “(1) IN GENERAL.—Except as provided in para-  
8 graph (4) and other provisions of this section, a hos-  
9 pital’s staffing plan shall provide that, at all times  
10 during each shift within a unit of the hospital, a di-  
11 rect care registered nurse may be assigned to not  
12 more than the following number of patients in that  
13 unit:

14 “(A) One patient in trauma emergency  
15 units.

17 provided that a minimum of 1 additional person  
18 serves as a scrub assistant in such unit.

21 gency critical care and intensive care units,

23 acute respiratory care units, postanesthesia  
24 units, and burn units.

1           “(D) Three patients in emergency room  
2 units, pediatrics units, stepdown units, telem-  
3 etry units, antepartum units, and combined

10 and skilled nursing units.

11           “(G) Six patients in postpartum (3 cou-  
12 plets) units and well-baby nursery units.

13           “(2) SIMILAR UNITS WITH DIFFERENT  
14 NAMES.—The Secretary may apply minimum direct  
15 care registered nurse-to-patient ratios established in  
16 paragraph (1) for a hospital unit referred to in such  
17 paragraph to a type of hospital unit not referred to  
18 in such paragraph if such type of hospital unit pro-  
19 vides a level of care to patients whose needs are  
20 similar to the needs of patients cared for in the hos-  
21 pital unit referred to in such paragraph.

22           “(3) RESTRICTIONS.—

23           “(A) PROHIBITION AGAINST AVERAGING.—  
24 A hospital shall not average the number of pa-  
25 tients and the total number of direct care reg-

1           istered nurses assigned to patients in a hospital  
2           unit during any 1 shift or over any period of  
3           time for purposes of meeting the requirements  
4           under this subsection.

5           “(B) PROHIBITION AGAINST IMPOSITION  
6           OF MANDATORY OVERTIME REQUIREMENTS.—A  
7           hospital shall not impose mandatory overtime  
8           requirements to meet the hospital unit direct  
9           care registered nurse-to-patient ratios required  
10          under this subsection.

11          “(C) RELIEF DURING ROUTINE AB-  
12          SENCES.—A hospital shall ensure that only a  
13          direct care registered nurse may relieve another  
14          direct care registered nurse during breaks,  
15          meals, and other routine, expected absences  
16          from a hospital unit.

17          “(4) ADJUSTMENT OF RATIOS.—

18                 “(A) IN GENERAL.—If necessary to protect  
19                 patient safety, the Secretary may prescribe reg-  
20                 ulations that—

21                         “(i) increase minimum direct care reg-  
22                         istered nurse-to-patient ratios under this  
23                         subsection to further limit the number of  
24                         patients that may be assigned to each di-  
25                         rect care nurse; or

1                   “(ii) add minimum direct care reg-  
2                   istered nurse-to-patient ratios for units not  
3                   referred to in paragraphs (1) and (2).

4                   “(B) CONSULTATION.—Such regulations  
5                   shall be prescribed after consultation with af-

7                   “(5) RELATIONSHIP TO STATE-IMPOSED RA-  
8                   TIOS.—Nothing in this title shall preempt State  
9                   standards that the Secretary determines to be at  
10                  least equivalent to Federal requirements for a staff-  
11                  ing plan established under this title. Minimum direct  
12                  care registered nurse-to-patient ratios established  
13                  under this subsection shall not preempt State re-  
14                  quirements that the Secretary determines are at  
15                  least equivalent to Federal requirements for a staff-  
16                  ing plan established under this title.

17                  “(6) EXEMPTION IN EMERGENCIES.—The re-  
18                  quirements established under this subsection shall  
19                  not apply during a state of emergency if a hospital  
20                  is requested or expected to provide an exceptional  
21                  level of emergency or other medical services. The  
22                  Secretary shall issue guidance to hospitals that de-  
23                  scribes situations that constitute a state of emer-  
24                  gency for purposes of the exemption under this para-  
25                  graph.

1       “(c) DEVELOPMENT AND REEVALUATION OF STAFF-  
2   ING PLAN.—

3               “(1) CONSIDERATIONS IN DEVELOPMENT OF  
4   PLAN.—In developing the staffing plan, a hospital  
5   shall provide for direct care registered nurse-to-pa-  
6   tient ratios above the minimum direct care reg-  
7   istered nurse-to-patient ratios required under sub-  
8   section (b) if appropriate based upon consideration  
9   of the following factors:

10               “(A) The number of patients and acuity  
11   level of patients as determined by the applica-  
12   tion of an acuity system (as defined in section  
13   3406(1)), on a shift-by-shift basis.

14               “(B) The anticipated admissions, dis-  
15   charges, and transfers of patients during each  
16   shift that impacts direct patient care.

17               “(C) Specialized experience required of di-  
18   rect care registered nurses on a particular unit.

19               “(D) Staffing levels and services provided  
20   by licensed vocational or practical nurses, li-  
21   censed psychiatric technicians, certified nurse  
22   assistants, or other ancillary staff in meeting  
23   direct patient care needs not required by a di-  
24   rect care registered nurse.

1           “(E) The level of technology available that  
2 affects the delivery of direct patient care.

11 tual staffing in each unit for each shift.

12           “(3) ANNUAL REEVALUATION OF PLAN AND  
13 ACUITY SYSTEM.—

14           “(A) IN GENERAL.—A hospital shall annu-

18 ments; and

19           “(ii) the accuracy of its acuity system.

20           “(B) UPDATE.—A hospital shall update its  
21 staffing plan and acuity system to the extent

23           “(4) TRANSPARENCY.—

24           “(A) IN GENERAL.—Any acuity-based pa-  
25 tient classification system adopted by a hospital

1 under this section shall be transparent in all re-  
2 spects, including disclosure of detailed docu-  
3 mentation of the methodology used to predict  
4 nursing staffing, identifying each factor, as-  
5 sumption, and value used in applying such  
6 methodology.

7 “(B) PUBLIC AVAILABILITY.—The Sec-  
8 retary shall establish procedures to provide that  
9 the documentation submitted under subsection  
10 (e) is available for public inspection in its en-  
11 tirety.

12 “(5) REGISTERED NURSE PARTICIPATION.—A  
13 staffing plan of a hospital shall be developed and  
14 subsequent reevaluations shall be conducted under  
15 this subsection on the basis of input from direct care  
16 registered nurses at the hospital or, where such  
17 nurses are represented through collective bargaining,  
18 from the applicable recognized or certified collective  
19 bargaining representative of such nurses. Nothing in  
20 this title shall be construed to permit conduct pro-  
21 hibited under the National Labor Relations Act or  
22 under the Federal Labor Relations Act.

23 “(d) ACUITY TOOL.—

24 “(1) IN GENERAL.—Not later than 2 years  
25 after the date of enactment of this title, the Sec-

1       retary shall develop a process to establish a national  
2       acuity tool that provides a transparent method for

4       the minimum hospital unit direct care registered  
5       nurse-to-patient ratios required under subsection  
6       (b).

7               “(2) IMPLEMENTATION.—Each hospital unit  
8       shall adopt and implement the national acuity tool  
9       described in paragraph (1), and provide staffing  
10       based on such tool. Any additional direct care reg-  
11       istered nursing staffing above the hospital unit di-  
12       rect care registered nurse-to-patient ratios described  
13       in subsection (b) shall be assigned in a manner de-  
14       termined by such national acuity tool.

15              “(e) SUBMISSION OF PLAN TO SECRETARY.—A hos-  
16       pital shall submit to the Secretary its staffing plan and

21              “(a) POSTING REQUIREMENTS.—In each unit, a hos-

1           “(2) includes actual direct care registered  
2 nurse-to-patient ratios during each shift; and

3           “(3) is visible, conspicuous, and accessible to

25 beneficiaries that are attributable to compliance with re-

1 requirements imposed under sections 3401 through 3403.  
2 The amount of such payment adjustments shall take into  
3 account recommendations contained in the report sub-

19 clude recommendations on the need, if any, to adjust reim-  
20 bursement for Medicare payments under subsection (a).

21 **“SEC. 3405. WHISTLEBLOWER AND PATIENT PROTECTIONS.**

22 “(a) OBJECTION TO OR REFUSAL OF ASSIGNMENT.—

18           “(2) NO FILING OF COMPLAINT.—No hospital  
19 shall file a complaint or a report against a nurse

2 may (without regard to whether a complaint has been filed  
3 under subsection (d) of this section or subsection (b) of  
4 section 3406) bring a cause of action in a United States  
5 district court. A nurse who prevails on the cause of action

16 For any complaint filed, the Secretary shall—

17           “(1) receive and investigate the complaint;

18           “(2) determine whether a violation of this title  
19 as alleged in the complaint has occurred; and

20           “(3) if such a violation has occurred, issue an  
21 order that the complaining nurse or individual shall  
22 not suffer any discharge, retaliation, discrimination,

24 or subsection (f).

25           “(e) TOLL-FREE TELEPHONE NUMBER.—

1           “(1) IN GENERAL.—The Secretary shall provide

6           “(2) NOTICE TO PATIENTS.—A hospital shall

18                 good faith, individually or in conjunction with an-  
19                 other person or persons, has presented a grievance  
20                 or complaint, or has initiated or cooperated in any  
21                 investigation or proceeding of any governmental en-  
22                 tity, regulatory agency, or private accreditation  
23                 body, made a civil claim or demand, or filed an ac-

1           “(2) GOOD FATH DEFINED.—For purposes of  
2 this subsection, an individual shall be deemed to be  
3 acting in good faith if the individual reasonably be-  
4 lieves—

5           “(A) the information reported or disclosed  
6 is true; and

7           “(B) a violation of this title has occurred  
8 or may occur.

9           “(g) PROHIBITION ON INTERFERENCE WITH  
10 RIGHTS.—
