

112TH CONGRESS
2^D SESSION

H. R. 3641

IN THE SENATE OF THE UNITED STATES

AUGUST 1, 2012

Received

AN ACT

To establish Pinnacles National Park in the State of California as a unit of the National Park System, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Pinnacles National
3 Park Act”.

4 **SEC. 2. FINDINGS.**

5 The Congress makes the following findings:

6 (1) Pinnacles National Monument was estab-
7 lished by Presidential Proclamation 796 on January
8 16, 1908, for the purposes of protecting its rock for-
9 mations, and expanded by Presidential Proclamation
10 1660 of May 7, 1923; Presidential Proclamation
11 1704 of July 2, 1924; Presidential Proclamation
12 1948 of April 13, 1931; Presidential Proclamation
13 2050 of July 11, 1933; Presidential Proclamation
14 2528 of December 5, 1941; Public Law 94–567; and
15 Presidential Proclamation 7266 of January 11,
16 2000.

17 (2) While the extraordinary geology of Pin-
18 nacles National Monument has attracted and en-
19 thralled visitors for well over a century, the ex-
20 panded Monument now serves a critical role in pro-
21 tecting other important natural and cultural re-
22 sources and ecological processes. This expanded role
23 merits recognition through legislation.

24 (3) Pinnacles National Monument provides the
25 best remaining refuge for floral and fauna species
26 representative of the central California coast and

1 Pacific coast range, including 32 species holding spe-
2 cial Federal or State status, not only because of its
3 multiple ecological niches but also because of its
4 long-term protected status with 14,500 acres of Con-
5 gressionally designated wilderness.

6 (4) Pinnacles National Monument encompasses
7 a unique blend of California heritage from pre-
8 historic and historic Native Americans to the arrival
9 of the Spanish, followed by 18th and 19th century
10 settlers, including miners, cowboys, vaqueros, ranch-
11 ers, farmers, and homesteaders.

12 (5) Pinnacles National Monument is the only
13 National Park System site within the ancestral home
14 range of the California Condor. The reintroduction
15 of the condor to its traditional range in California
16 is important to the survival of the species, and as a
17 result, the scientific community with centers at the
18 Los Angeles Zoo and San Diego Zoo in California
19 and Buenos Aires Zoo in Argentina looks to Pin-
20 nacles National Monument as a leader in California
21 Condor recovery, and as an international partner for
22 condor recovery in South America.

23 (6) The preservation, enhancement, economic
24 and tourism potential and management of the cen-
25 tral California coast and Pacific coast range's impor-

1 tant natural and cultural resources requires coopera-
2 tion and partnerships among local property owners,
3 Federal, State, and local government entities and
4 the private sector.
