To amend title 38, United States Code, to direct the Secretary of Veterans Affairs to enter into contracts with health care providers to improve access to health care for veterans who have difficulty receiving treatment at a health care facility of the Department of Veterans Affairs, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

DECEMBER 16, 2011

Mr. SCHILLING (for himself, Mr. HULTGREN, Mr. MCKINLEY, Mr. SCHOCK, and Mr. WALSH of Illinois) introduced the following bill; which was referred to the Committee on Veterans' Affairs

A BILL

To amend title 38, United States Code, to direct the Secretary of Veterans Affairs to enter into contracts with health care providers to improve access to health care for veterans who have difficulty receiving treatment at a health care facility of the Department of Veterans Affairs, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; SENSE OF CONGRESS.**

4 (a) **SHORT TITLE.**—This Act may be cited as the
5 “Enhanced Veteran Healthcare Experience Act of 2011”.

1 (b) SENSE OF CONGRESS.—It is the sense of Con-
2 gress that—

3 (1) the current health care system of the De-
4 partment of Veterans Affairs is neither fiscally effi-
5 cient nor effective in providing easily accessible
6 treatment for all veterans;

7 (2) health care can be provided more efficiently
8 to provide veterans with care that is available closer
9 to where they live and to allow veterans more flexi-
10 bility in choosing their own doctors; and

11 (3) better health care can be provided to vet-
12 erans at little-to-no increased cost to the taxpayer by
13 replacing the fee-based care system of the Depart-
14 ment with the veterans enhanced care program, as
15 described under section 2, and reprogramming funds
16 to this program.

17 **SEC. 2. ENHANCED CONTRACT CARE AUTHORITY FOR**
18 **HEALTH CARE NEEDS OF VETERANS.**

6 (a).

7 “(2) The Secretary includes care coordinators
8 of a non-Department provider described in sub-
