1 **TITLE II—PATHWAY TO JOB CRE-**
2 **ATION THROUGH A SIMPLER,**
3 **FAIRER TAX CODE ACT**

4 **SEC. 201. SHORT TITLE.**

5 This title may be cited as the “Pathway to Job Cre-
6 ation through a Simpler, Fairer Tax Code Act of 2012”.

7 **SEC. 202. FINDINGS AND PURPOSES.**

8 (a) FINDINGS.—Congress finds that the following
9 problems exist with the Internal Revenue Code of 1986
10 (in this section referred to as the “tax code”):

11 (1) The tax code is unfair, containing hundreds
12 of provisions that only benefit certain special inter-
13 ests, resulting in a system of winners and losers.

14 (2) The tax code violates the fundamental prin-
15 ciple of equal justice by subjecting families in similar
16 circumstances to significantly different tax bills.

17 (3)(A) Many tax preferences, sometimes re-
18 ferred to as “tax expenditures,” are similar to gov-
19 ernment spending—instead of markets directing eco-
20 nomic resources to their most efficient uses, the
21 Government directs resources to other uses, creating
22 a drag on economic growth and job creation.

23 (B) The exclusions, deductions, credits, and
24 special rules that make up such tax expenditures
25 amount to over \$1 trillion per year, nearly matching

1 the total amount of annual revenue that is generated
2 from the income tax itself.

3 (C) In some cases, tax subsidies can literally
4 take the form of spending through the tax code, re-
5 distributing taxes paid by some Americans to indi-
6 viduals and businesses who do not pay any income
7 taxes at all.

8 (4) The failure to adopt a permanent tax code
9 with stable statutory tax policy has created greater
10 economic uncertainty. Tax rates have been scheduled
11 to increase sharply in 3 of the last 5 years, requiring
12 the enactment of repeated temporary extensions. Ad-
13 ditionally, approximately 70 other, more targeted tax
14 provisions expired in 2011 or are currently sched-
15 uled to expire by the end of 2012.

16 (5) Since 2001, there have been nearly 4,500
17 changes made to the tax code, averaging more than
18 one each day over the past decade.

19 (6) The tax code's complexity leads nearly nine
20 out of ten families either to hire tax preparers (60
21 percent) or purchase software (29 percent) to file
22 their taxes, while 71 percent of unincorporated busi-
23 nesses are forced to pay someone else to prepare
24 their taxes.

1 (7) The cost of complying with the tax code is
2 too burdensome, forcing individuals, families, and
3 employers to spend over six billion hours and over
4 \$160 billion per year trying to comply with the law
5 and pay the actual tax owed.

6 (8) Compliance with the current tax code is a
7 financial hardship for employers that falls dispropor-
8 tionately on small businesses, which spend an aver-
9 age of \$74 per hour on tax-related compliance, mak-
10 ing it the most expensive paperwork burden they en-
11 counter.

12 (9) Small businesses have been responsible for
13 two-thirds of the jobs created in the United States
14 over the past 15 years, and approximately half of
15 small-business profits are taxed at the current top 2
16 individual rates.

17 (10) The historic range for tax revenues col-
18 lected by the Federal government has averaged 18
19 to 19 percent of Gross Domestic Product (GDP),
20 but will rise to 21.2 percent of GDP under current
21 law—a level never reached, let alone sustained, in
22 the Nation’s history.

23 (11) The current tax code is highly punitive,
24 with a top Federal individual income tax rate of 35
25 percent (which is set to climb to over 40 percent in

1 2013 when taking into account certain hidden
2 rates), meaning some Americans could face a com-
3 bined local, State and Federal tax rate of 50 per-
4 cent.

5 (12) The tax code contains harmful provisions,
6 such as the Alternative Minimum Tax (AMT), which
7 was initially designed to affect only the very highest-
8 income taxpayers but now threatens more than 30
9 million middle-class households because of a flawed
10 design.

11 (13) As of April 1, 2012, the United States
12 achieved the dubious distinction of having the high-
13 est corporate tax rate (39.2 percent for Federal and
14 State combined) in the developed world.

15 (14) The United States corporate tax rate is
16 more than 50 percent higher than the average rate
17 of member states of the Organization for Economic
18 Cooperation and Development (OECD)—a factor
19 that discourages employers and investors from locat-
20 ing jobs and investments in the United States.

21 (15) The United States has become an outlier
22 in that it still uses a “worldwide” system of tax-
23 ation—one that has not been substantially reformed
24 in 50 years, when the United States accounted for

1 nearly half of global economic output and had no se-
2 rious competitors around the world.

3 (16) The combination of the highest corporate
4 tax rate with an antiquated “worldwide” system sub-
5 jects American companies to double taxation when
6 they attempt to compete with foreign companies in
7 overseas markets and then reinvest their earnings in
8 the United States.

9 (17) The Nation’s outdated tax code has con-
10 tributed to the fact that the world’s largest compa-
11 nies are more likely to be headquartered overseas
12 today than at any point in the last 50 years: In
13 1960, 17 of the world’s 20 largest companies were
14 based in the United States; by 2010, that number
15 sank to a mere six out of 20.

16 (18) The United States has one of the highest
17 levels of taxation on capital—taxing it once at the
18 corporate level and then again at the individual
19 level—with integrated tax rates on certain invest-
20 ment income already reaching roughly 50 percent
21 (and scheduled to reach nearly 70 percent in 2013).

22 (19) The United States’ overall taxation of cap-
23 ital is higher than all but four of the 38 countries
24 that make up the OECD and the BRIC (Brazil,
25 Russia, India and China).

1 (b) PURPOSES.—It is the purpose of this Act to pro-
2 vide for enactment of comprehensive tax reform in 2013
3 that—

4 (1) protects taxpayers by creating a fairer, sim-
5 pler, flatter tax code for individuals and families
6 by—

7 (A) lowering marginal tax rates and broad-
8 ening the tax base;

9 (B) eliminating special interest loopholes;

10 (C) reducing complexity in the tax code,
11 making tax compliance easier and less costly;

12 (D) repealing the Alternative Minimum
13 Tax;

14 (E) maintaining modern levels of progres-
15 sivity so as to not overburden any one group or
16 further erode the tax base;

17 (F) making it easier for Americans to save;

18 and

19 (G) reducing the tax burdens imposed on
20 married couples and families;

21 (2) is comprehensive (addressing both indi-
22 vidual and corporate rates), so as to have the max-
23 imum economic impact by benefitting employers and
24 their employees regardless of how a business is
25 structured;

1 (3) results in tax revenue consistent with his-
2 torical norms;

3 (4) spurs greater investment, innovation and
4 job creation, and therefore increases economic activ-
5 ity and the size of the economy on a dynamic basis
6 as compared to the current tax code; and

7 (5) makes American workers and businesses
8 more competitive by—

9 (A) creating a stable, predictable tax code
10 under which families and employers are best
11 able to plan for the future;

12 (B) keeping taxes on small businesses low;

13 (C) reducing America’s corporate tax rate,
14 which is currently the highest in the industri-
15 alized world;

16 (D) maintaining a level of parity between
17 individual and corporate rates to reduce eco-
18 nomic distortions;

19 (E) promoting innovation in the United
20 States;

21 (F) transitioning to a globally competitive
22 territorial tax system;

23 (G) minimizing the double taxation of in-
24 vestment and capital; and

1 (H) reducing the impact of taxes on busi-
2 ness decision-making to allow such decisions to
3 be driven by their economic potential.

4 **SEC. 203. EXPEDITED CONSIDERATION OF A MEASURE PRO-**
5 **VIDING FOR COMPREHENSIVE TAX REFORM.**

6 (a) DEFINITION.—For purposes of this section, the
7 term “tax reform bill” means a bill of the 113th Con-
8 gress—

10 by the chair of the Committee on Ways and Means
11 not later than April 30, 2013, or the first legislative
12 day thereafter if the House is not in session on that
13 day, the title of which is as follows: “A bill to pro-

15 (2) which is the subject of a certification under
16 subsection (b).

17 (b) CERTIFICATION.—The chair of the Joint Com-

23 income tax brackets into not more than two brackets
24 of 10 and not more than 25 percent;

1 (2) a reduction in the corporate tax rate to not
2 greater than 25 percent;

3 (3) a repeal of the Alternative Minimum Tax;

4 (4) a broadening of the tax base to maintain
5 revenue between 18 and 19 percent of the economy;
6 and

7 (5) a change from a “worldwide” to a “terri-
8 torial” system of taxation.

9 (c) EXPEDITED CONSIDERATION IN THE HOUSE OF
10 REPRESENTATIVES.—

11 (1) Any committee of the House of Representa-
12 tives to which the tax reform bill is referred shall re-
13 port it to the House not later than 20 calendar days
14 after the date of its introduction. If a committee
15 fails to report the tax reform bill within that period,
16 such committee shall be automatically discharged
17 from further consideration of the bill.

18 (2) If the House has not otherwise proceeded to
19 the consideration of the tax reform bill upon the ex-
20 piration of 15 legislative days after the bill has been
21 placed on the Union Calendar, it shall be in order

23 expiration of an additional 2 legislative days, any
24 Member), to offer one motion that the House resolve
25 into the Committee of the Whole House on the state

1 of the Union for the consideration of the tax reform
2 bill. The previous question shall be considered as or-

12 shall be placed on the calendar.

13 (2) MOTION TO PROCEED.—Notwithstanding
14 rule XXII of the Standing Rules of the Senate, it is
15 in order, not later than 2 days of session after the

20 bill. It shall also be in order for any Member of the
21 Senate to move to proceed to the consideration of
22 the tax reform bill at any time after the conclusion
23 of such 2-day period. A motion to proceed is in order
24 even though a previous motion to the same effect
25 has been disagreed to. All points of order against

1 the motion to proceed to the tax reform bill are
2 waived. The motion to proceed is not debatable. The
3 motion is not subject to a motion to postpone.

8 Senate;

13 agree to the request of the House for a conference,
14 and the motion to authorize the Chair to appoint
15 conferees on the part of the Senate shall be agreed
16 to; and

17 (3) the Chair shall then be authorized to ap-

23 House of Representatives and Senate, respectively, and as
24 such is deemed a part of the rules of each House, respec-
25 tively, or of that House to which they specifically apply,

1 and such procedures supersede other rules only to the ex-
2 tent that they are inconsistent with such rules; and with
3 full recognition of the constitutional right of either House
4 to change the rules (so far as relating to the procedures
5 of that House) at any time, in the same manner, and to
6 the same extent as any other rule of that House.
