on the Judiciary

MARCH 14, 2011

Committee discharged; considered and agreed to

RESOLUTION

Designating March 11, 2011, as “World Plumbing Day”.

Whereas the industry of plumbing plays an important role in
safeguarding the public health of the people of the United
States and the world;

Whereas 884,000,000 people around the world do not have
access to safe drinking water;

Whereas 2,600,000,000 people around the world live without
adequate sanitation facilities;

Whereas the lack of sanitation is the largest cause of infec-
tion in the world;

Whereas in the developing world, 24,000 children under the age of 5 die every day from preventable causes, such as diarrhea contracted from unclean water;

Whereas safe and efficient plumbing helps save money and reduces future water supply costs and infrastructure costs;

Whereas the installation of modern plumbing systems must be accomplished in a specific, safe manner by trained professionals in order to prevent widespread disease, which can be crippling and deadly to the community;

Whereas the people of the United States rely on plumbing professionals to maintain, repair, and rebuild the aging water infrastructure of the United States; and

Whereas Congress and plumbing professionals across the United States and the world are committed to safeguarding public health: Now, therefore, be it

- 1 *Resolved*, That the Senate designates March 11,
- 2 2011, as “World Plumbing Day”.
