

hope before Congress is asked to extend this Act again, the Peruvian government will have addressed this concern so that it will not be an issue when a further extension is requested.

FEBRUARY 8, 2011.

Hon. HILLARY CLINTON,
Secretary, Department of State,
Washington, DC.

Hon. TIMOTHY F. GEITHNER,
Secretary, Department of Treasury,
Washington, DC.

DEAR MADAM SECRETARY AND MR. SECRETARY: We are writing you to raise a serious concern relating to the treatment of a U.S.-based company by the Government of Peru. We understand that this company has received disparate treatment by that Government and is apparently the subject of a possible expropriation. We understand that the Department of State is aware of this situation and that it has already expressed its concern to the Government of Peru.

As we understand it, Doe Run Peru ("DRP"), owned by the Renco Group, a U.S.-based holding company, owns a smelter in Peru that has been in operation for almost 100 years, though DRP has only operated the smelter since 1997. At the time that DRP acquired the smelter from the Government of Peru, DRP agreed to assume certain environmental upgrade costs associated with the smelter, and the Government of Peru assumed soil remediation costs for cleaning up the surrounding community. We understand that by 2009 DRP had invested \$315 million in meeting the terms of the agreement, and, during this same period of time, and up until this date, the Government of Peru has spent nothing to fulfill its obligations.

While DRP has proposed good faith negotiations, to date the Government of Peru has refused to enter such discussions. Though DRP has completed eight and a half of the nine environmental commitments contained in the 1997 agreement, DRP has indicated its willingness to take further and additional steps, but for whatever reason the Government of Peru refuses to enter such negotiations.

We urge the Treasury Department and the State Department to work together on this matter as it raises very serious issues, particularly since the U.S. provides major funding to the Inter-American Development Bank that in turn is quite active in Peru. A de facto expropriation would raise questions about the appropriateness of further IDB investment in Peru. We would hope that your two Departments would communicate on this matter with the IDB and express the concerns of this Government and the consequences that might flow from an expropriation by the Government of Peru.

Sincerely,

DONALD M. PAYNE,
Member of Congress.

TRIBUTE TO BOB WILSON

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 11, 2011

Mr. CLYBURN. Mr. Speaker, I rise today to pay tribute to an outstanding member of the Florence sporting community, Mr. Bob Wilson. For over 30 years, Mr. Wilson has been passionately involved in the sport of basketball in my district. In honor of his unwavering commitment, later this month Mr. Wilson, a former player and coach at Francis Marion University (FMU), will be inducted into the University's Athletic Hall of Fame.

As a player, Mr. Wilson made an exceptional contribution to the University's basketball team. After transferring from Western Kentucky University in 1978, he played two seasons for the Patriots from 1978 to 1980. Wilson appeared in 58 games, assisting the team to a combined 42–19 win-loss record. He averaged an impressive 15.2 points and 5.0 rebounds per game. At the end of his career, Mr. Wilson owned the Patriot men's record for free-throw accuracy. To this day, despite playing only two seasons, Mr. Wilson ranks 22nd on the career scoring list with 880 points.

The 1979–80 season was a professional highlight in Mr. Wilson's basketball career. As co-captain, he scored a career-high 33 points in a win over Coastal Carolina in 1979. He also won the Francis Marion Coaches' Award and was voted the "Best Shooter" by the coaches in District Six of the National Association of Intercollegiate Athletics (NAIA). That season the Patriots also recorded a 24–7 mark, which was the best the school had achieved to that date.

At the conclusion of his playing career, Mr. Wilson was named as part of the Francis Marion University All-Decade Team for the 1970s. He also graduated from FMU with a B.A. Degree in History in 1982 and later a Master's Degree in Education in 1991.

Reflecting his love and passion for the game, Mr. Wilson returned to Francis Marion as an assistant coach for eight seasons. In his tenure as part of the coaching staff, Francis Marion achieved a 142–100 mark and the program's only appearance in the NAIA National Tournament in 1991.

Mr. Wilson has subsequently taught in Florence School District One and has taught and coached at both West Florence and Wilson

high schools. In his four seasons coaching at Wilson he guided them to a 76–31 mark and the 2007 AAA State Championship.

Mr. Wilson will be inducted into the Hall of Fame in a ceremony that will take place during the Homecoming activities on Saturday the 26th of February in the Smith University Center gymnasium on campus. Another Florence resident, Ms. Kim Slawson Hawkins, will also be inducted at the ceremony. Mr. Hawkins and Ms. Wilson will join 35 other members in the Francis Marion University Athletic Hall of Fame, which has been in existence since 1991.

Mr. Speaker, I ask you and my colleagues to join me in recognizing the significant contributions that Mr. Bob Wilson has made as an athlete and coach for the past three decades. I applaud and thank him for his services to the youth of my district and to the broader South Carolina sporting community.

HONORING MARSHALL FAULK

HON. CEDRIC L. RICHMOND

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 11, 2011

Mr. RICHMOND. Mr. Speaker, around this time last year, New Orleanians celebrated the Saints' Super Bowl victory. This year, we are celebrating Mr. Marshall Faulk's recent induction into the Pro Football Hall of Fame. Despite Louisiana's rich football heritage, Marshall is the first native New Orleanian to receive the honor and we are very proud of him.

Marshall Faulk is one of the best hybrid running backs and receivers in the world, which is why he was inducted into the Hall of Fame in his first year of eligibility. During his 12 years in the National Football League, split among the Indianapolis Colts and St. Louis Rams, he earned amazing statistics and awards. Marshall ranks fourth all-time in total yards from scrimmage. His 6,875 receiving yards are the most ever by a running back. Marshall's 136 career touchdowns, 100 of which are rushing, rank seventh of all-time. He has won three Offensive Player of the Year awards, was recognized in 2000 recognition as the NFL's Most Valuable Player, and called the "greatest show on turf" when the Rams won the Super Bowl in 2000.

A graduate of Carver High School, Marshall is really dedicated to New Orleans. He became a three-time consensus All-American at San Diego State and then the No. 2 overall pick in the NFL draft by the Colts, but began as a humble kid in the 9th Ward with a dream. I was touched to learn that, as a kid, Marshall sold popcorn at the Superdome to get closer to the football world. He recognized his gift and studied his craft—even as a stadium vendor.

After Katrina, Marshall toured his childhood neighborhood, the 9th Ward, and then donated \$70,000 to Desire Street Ministries, a youth organization near the old housing development site. He understands that it takes the entire New Orleans community to rebuild our hometown.

I applaud Marshall Faulk for his induction into the Pro Football Hall of Fame and, on behalf of all New Orleanians, wish him well.
