**FULL-YEAR CONTINUING  
APPROPRIATIONS ACT, 2011**

SPEECH OF

**HON. JAMES P. McGOVERN**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 15, 2011*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 1) making appropriations for the Department of Defense and the other departments and agencies of the Government for the fiscal year ending September 30, 2011, and for other purposes:

Mr. McGOVERN. Mr. Chair, I wish to express my strong support for the Sustainable Communities Initiative and oppose any cuts to this important economic development program in H.R. 1.

The Sustainable Communities Initiative illustrates a successful partnership among government agencies to invest in our local economies. At a time when there's so much talk of making government work better, this initiative is a shining example of cutting red tape and fostering collaboration among similar community interests.

Through this initiative, the Departments of Transportation, Housing and Urban Development and the Environmental Protection Agency award competitive grants to communities for innovative projects that connect the creation of good jobs, sustainable housing and efficient modes of transportation.

In just the short time that this initiative has been in existence, it has awarded numerous competitive grants to communities across the country.

In 2010, a total of 630 communities requested \$1.2 billion in finding and HUD awarded 61 grants worth \$69 million. Clearly, communities see the great potential benefits for the projects funded by this unique initiative.

Although my hometown of Worcester, Massachusetts was not a grantee in the last round of awards, it earned the designation of "preferred sustainability status." Eliminating funding for the Sustainable Communities Initiative would prevent Worcester and dozens of communities across the country from having the opportunity to receive grants to meet their multiple economic, environmental and community needs.

Furthermore, language in H.R. 1 to rescind unobligated funds would threaten projects in communities that were recently awarded grants.

Mr. Chair, cutting funding for the Sustainable Communities Initiative would be harmful to job creation efforts and would take away a vital tool to help communities transition to a 21st century economy.

I urge my colleagues to support the Sustainable Communities Initiative and oppose any cuts to this program.

SPEECH OF

**HON. DORIS O. MATSUI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 15, 2011*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 1) making appropriations for the Department of Defense and the other departments and agencies of the Government for the fiscal year ending September 30, 2011, and for other purposes:

Ms. MATSUI. Mr. Chair, I rise today in opposition to the C.R. put forward by my Republican colleagues, and specifically to the defunding of Title X family planning programs authorized under the Public Health Service Act.

Begun in 1970 by President Nixon, Title X funding provides for voluntary family planning projects, and is essential to protecting women's health services. Currently, Title X is our Nation's only program dedicated to providing low-income Americans with family planning and reproductive health services.

My colleagues on the other side of the aisle are attempting to misconstrue Title X as federal subsidizing of abortion. However, Title X does not provide for abortion services. But it does cover essential health care for millions of families and women. From birth control to cancer screenings, approximately five million Americans rely upon Title X programs every year.

We simply cannot afford to cut lifesaving and preventive care services for those who would not otherwise have access to such care, especially in our current economic climate.

I urge my colleagues to vote against the defunding of these vital health programs contained in Title X by voting against the C.R.

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 17, 2011*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the long and distinguished life of Mrs. Flora Bush Stigler. Born June 28, 1935, in Carroll County, Mississippi she was the 9th of 10 children born to the late Charlie and Susie Bush. She attended Ware school in Carroll County and Knox High School in Winona, MS. Upon completing her studies she received a music scholarship in choir from Rust College in Holly Springs, Mississippi. While at Rust College, she majored in education, with a concentration in history. She also did further studies at Mississippi State University. She taught one year in Pelahatchie, MS and twenty-nine years at J. Z. George High School. She retired in 1986. While at J. Z. George, she taught 7th grade history and later taught 11 grade history. Of course, she was known for her no-nonsense atmosphere in the classroom. She carefully cultivated her students' natural abilities while demanding and commanding discipline. She ensured and assured each child that edu-

cation is and would be the key to success. She retired from education after 30 years of service.

As a member of Helm Chapel Church, she serves diligently as Director of Christian Education and Music Director for both the adult and the youth choir. She also served many years as director of Prater Day Care Center of Helm Chapel CME Church, the first day care center in our area.

In April 2008, she received her Golden Degree from Rust College. She is politically active, serving as County Coordinator for Congressman BENNIE G. THOMPSON, and treasurer of the Carroll County Voters' League. Currently at age 75, she is still working with people in the community by way of managing a state program known as "Meals on Wheels" for seven counties, (Attala, Carroll, Grenada, Holmes, Leflore, Montgomery and Yalobusha) through North Central Planning and Development District.

She is the mother of three daughters, a grandmother of 6, a great grandmother of 7 and a person who never meets a stranger. Today, as in past years, she is known for her community service. She is an "active" and vocal member of the PTO at J. Z. George High School.

RECOGNIZING H. DOUGLAS  
CHAFFIN AS THE MICHIGAN  
BANKERS ASSOCIATION 2011  
BANKER OF THE YEAR

**HON. JOHN D. DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 17, 2011*

Mr. DINGELL. Mr. Speaker, I rise today to recognize H. Douglas Chaffin's being named the Michigan Bankers Association (MBA) 2011 Banker of the Year. Doug serves as the President and CEO of Monroe Bank and Trust (MBT), a locally owned and operated community bank headquartered in Monroe, Michigan. He has been with Monroe Bank and Trust since 2001 and assumed the role of CEO in 2004.

Doug has guided Monroe Bank and Trust with a steady hand through the turmoil of the current recession. In a time of great uncertainty and anxiety, he has led the bank with dignity and grace. Due to his keen instincts, high character and responsible management, Monroe Bank and Trust not only has weathered the financial maelstrom but, unlike its national counterparts, continued without interruption to lend to a community in dire need. Doug's vast knowledge of the financial industry and sage counsel have helped inform me for years, and his expert testimony to the House Subcommittee on Oversight and Investigations of the Committee on Financial Services in November 2009 helped bring a community bank's valuable perspective to the financial regulatory reform debate.

Doug's role in the community extends far beyond the walls of his bank. He is a community leader in every sense. Doug has served as the past chairman of the Michigan Bankers Association. He also serves on the board of directors for the Monroe County Industrial Development Corporation, City of Monroe Downtown Development Authority, The Foundation at Monroe County Community College, and Mercy Memorial Hospital System.
