Mr. RUNYAN. Mr. Speaker, I rise today in recognition of James Green. A senior wrestler at Willingboro High School, James Green won the 145-pound division of the New Jersey State Interscholastic Athletic Association (NJSIAA) Wrestling State Championship Meet on Sunday March 6, 2011 at Atlantic City's Boardwalk Hall.

James Green is the first wrestler in Willingboro High School history to win a NJSIAA Wrestling State Championship. Only 30 seconds into the championship match, James had his first take-down. He went on to have five more take-downs and a reversal in the second period, which enabled him to achieve this historic victory.

I ask you to join me in thanking James' coaches and teammates, as well as the teachers and student body of Willingboro High School, members of the Willingboro community and most especially James' family in lending their support to this incredible student-athlete. TRIBUTE TO LIEUTENANT GEN-
ERAL WALLACE "CHIP"
GREGSON

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2011

Ms. BORDALLO. Mr. Speaker, I rise today to recognize and pay tribute to Lieutenant General Wallace "Chip" Gregson, a retired Marine, for his more than forty years of public service. He most recently served as the Assistant Secretary of Defense for Asian and Pacific Security Affairs since 2009, and will leave this post on April 1, 2011. His contributions to our military's posture in the Asia-Pacific region and leadership on a wide variety of issues will be missed by many.

Before he retired from active duty in 2005, General Gregson served as Commanding General of Marine Corps Forces Pacific and Marine Corps Forces Central Command, where he managed more than 70,000 Marines and Sailors in the Middle East, Afghanistan, East Africa, Asia, and the United States. Prior to his command of Marine Corps Forces in Japan, he was Director of Asia-Pacific Policy in the Office of the Under Secretary of Defense for Policy. He has also served as the Chief Operating Officer for the U.S. Olympics Committee.

General Gregson graduated from the U.S. Naval Academy in 1968, and received his first assignment the following year as a reconnaissance battalion officer in the Vietnam conflict. He later earned master's degrees in strategic planning from the U.S. Naval War College and international relations from Salve Regina College. He has also served as a military fellow for the Council on Foreign Relations, and was awarded an honorary doctorate in public service from the University of Maryland.

Throughout his career, the general's exemplary service earned him numerous awards and military decorations—including the Purple Heart. In his recent position with the Department of Defense, General Gregson recognized the strategic importance of Guam, indeed the entire region to our nation's economic and political security. He was a vanguard in leading efforts within the Department of Defense to address the needs of Guam so that the realignment of Marines from the III Marine Expeditionary Force from Okinawa, Japan is successful. He also immediately worked within the Department of Defense to address glaring issues with the realignment roadmap that could have been detrimental to the readiness of U.S. Marines in the Asia-Pacific region.

Further, General Gregson was instrumental in the development of the "Green Guam" concept which aims to conduct the realignment of Marines in an environmental responsible manner. Further it seeks to develop long-term economic and environmental sustainability benefits from this action. I also appreciated his efforts to provide a responsible framework in the most recent Quadrennial Defense Review to address broader training issues for all servicemen and women in the Pacific. I look forward to working with his predecessor and U.S. Pacific Command to continue addressing these matters.

General Gregson distinguished himself as an exceptional leader during his career in the Marines and as an Assistant Secretary of De-

fense. His commitment and dedication will be remembered for many years to come. I trust my fellow members of the House will join me in wishing the very best to the good general, his wife Cindy, and their two sons, on their future endeavors.

TRINITY OXFORD CHURCH IN
NORTHEAST PHILADELPHIA, PA
CELEBRATING ITS 300TH ANNI-
VERSARY YEAR

HON. ALLYSON Y. SCHWARTZ

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2011

Ms. SCHWARTZ. Mr. Speaker, I rise today to honor and celebrate the momentous 300th anniversary of the Trinity Church Oxford, one of the oldest churches in the United States, constructed in 1711 in what is now the Lawncrest neighborhood of Northeast Philadelphia.

The church's congregation pre-dates the building. A marble stone in the west wall of Church states that Church of England services were first held on the site in 1698 in a log meeting house that belonged to the Oxford Society of Friends. The Church still has in its possession the original land conveyance deed dated January 30, 1700. Queen Anne of England presented a solid silver communion chalice to the Church in 1713.

While small in physical dimensions, Trinity Church Oxford carries a rich history of rectors related to some of the most beloved people and institutions in our local and national history, including:

Rev. Aneas Ross (rector 1742–1758), the father-in-law of Betsy Ross and the brother of George Ross, signer of the Declaration of Independence.

Rev. Dr. William Smith (rector 1766–1779, 1791–1798), who helped found the University of Pennsylvania

Rev. John Hobart (rector 1798–1801), who became bishop of New York in the new Protestant Episcopal Church formed after Independence and founded Hobart College.

Rev. Edward Buchanan (rector 1854–1882) who was the brother of President James Buchanan. The church school is named in his honor.

Frank Furness, acclaimed American architect who designed additions to the church in the mid-19th Century, decorated with Tiffany windows and elaborate woodwork.

At first tied to the Church to England, after independence Trinity's rectors helped to organize the Diocese of Pennsylvania of the new Protestant Episcopal Church and the church was admitted to its Convention in 1786.

As our nation grew and became more industrialized, Trinity Church Oxford welcomed industrialists and working class families to its congregation. A neighborhood that began as farmland and homes for gentry developed into a residential community for working people. With a parish house added in 1928 and a community center in 1962, Trinity Church Oxford holds true to its religious precepts of service, today housing a childcare center and hosting the Philadelphia Police Athletic League.

Mr. Speaker, I ask that my colleagues join me in celebrating the generation of rectors

and parishioners of Trinity Church Oxford who have dedicated themselves to sustaining their spiritual home and ensuring its contribution to history and community.

A TRIBUTE TO THE WILLIAMSBURG PASSOVER FOOD DISTRIBUTION

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2011

Mr. TOWNS. Mr. Speaker, I rise today to recognize an important event occurring in my hometown of Brooklyn, New York on April 10, 2011. The United Jewish Organizations of Williamsburg in conjunction with the Metropolitan Council on Jewish Poverty will be holding their annual Passover Food Distribution for poor Williamsburg families.

For families in need, Passover is one of the most difficult times to get by. Special Kosher for Passover food must be bought and there must be enough of it for all the holiday meals. Many poor Williamsburg families, most of whom have large households, would not be able to have a festive and joyous Passover without the UJO—Met Council Passover food distribution. Thousands and thousands of pounds of fruits, vegetables, chicken and grape juice are distributed to about 3000 families.

I also would like to note the assistance of Health Plus for their support of this special distribution and recognize in particular their CEO Tom Early, Director of Communications Kathryn Soman and Senior Community Relations Coordinator Jonathan Zalisky for their tireless efforts to make the distribution a success for the Brooklyn families that depend on it.

Mr. Speaker, I urge my colleagues to join me in recognizing the annual Williamsburg Passover Food Distribution.

IN RECOGNITION OF THE ANNUAL GREATER CLEVELAND BENCHBAR MEMORIAL PROGRAM

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2011

Mr. KUCINICH. Mr. Speaker, I rise to remember the judges and attorneys who served the people of Northeast Ohio who died in 2010. These men and women will be remembered on Monday April 4, 2011, by the U.S. District Court for the Northern District of Ohio and the Cleveland Metropolitan Bar Association at the Annual Greater Cleveland Bench-Bar Memorial Program at the Howard Metzenbaum U.S. Courthouse in Cleveland.

Ours is a "government of laws, not of men." This is a quote from John Adams and a concept that goes back to ancient Greece and is the root of our democratic principles. But the laws are not mere words on paper or the brick and mortar of which our courthouses are built. The law is made alive by the men and women who practice it every day in our municipal, state and federal courts. Through their professionalism, knowledge, and passion for the institutions of our democracy, they ensure that the people are given the full opportunity for the just resolution of their cases and controversies. We remember those professionals who, until their passing in 2010, gave life to

the democratic principles or our great legal institutions.

We remember the Honorable Ann Aldrich, Frank D. Aquila, the Honorable Sam H. Bell, the Honorable Frank D. Celebrezze, James P. Conway, John R. Crombie, James H. Dempsey, Jr., Charles M. Driggs, Donald W. Farley, Stanley M. Fisher, Martin F. Franey, David R. Fullmer, Judd H. Gross, Irwin S. Haiman, J. Richard Hamilton, J. Bruce Hunsicker, Denise A. Jackson, Aaron Jacobson, Richard Leukart, James T. Lynn, Stanley B. Kent, Kenneth W. Kleinman, William I. Kohn, the Honorable Alvin I. Krenzler, George W. Lutjen, Howard A. Marken, the Honorable Thomas J. Moyer, the Honorable August Pryatel, Richard C. Renkert, Mark J. Savage, John E. Schoonover, Kenneth F. Seminatore, John E. Smeltz, Terry Ronald Smith, Marvin Sorin, Phillip P. Taylor, Stanley Tolliver, Michael R. Tucker, Nicholas Valentino, John R. Vintilla, Edmond A. Wigley, Allan J. Zambie, Robert I. Zashin, and the Honorable Joseph A. Zingales.

Mr. Speaker and honored colleagues, let us remember the great men and women of the law who left our physical world last year but also left their legacy of principle and passion for the law alive in our hands. Let us hope that today's attorneys and judges follow in their footsteps so that all of the people continue to share in the great institution of the law which makes our democracy great.

STATEMENT TO CONGRATULATE MAERSK ON THE FIVE YEAR ANNIVERSARY OF THEIR SWITCH TO LOW-SULFUR FUEL

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2011

Ms. RICHARDSON. Mr. Speaker, today marks the five year anniversary of Maersk Line's voluntary switch to low-sulfur Marine Gas Oil for the main and auxiliary engines for their 188 ships docked in California ports. As a representative of the 37th District of California, home to the largest port complex in the country, I applaud them and thank them for being an example of corporate responsibility to the citizens of the world.

Maersk Line is the largest container shipment company in the world. Founded in 1904, Maersk operates over 550 vessels and employs 24,500 people in 125 countries across the globe.

This voluntary action increased costs for the company by \$20 million, but the 60,000 barrels of low-sulfur fuel that they used have led to short and long-term health benefits for the people of my District and throughout Southern California. In the past five years, this switch has reduced their ship's contribution to air pollution by 3700 tons through lowering their Sulfur-Dioxide levels by 95%, their Nitrogen Oxide levels by 6%, and their Particle Matter levels by 86%.

I would like to thank Maersk again for making this incredible change and look forward to seeing what they accomplish in the future.
