

(1) DUTY OF COMPTROLLER GENERAL OF THE UNITED STATES.—Not later than 3 years after the date of establishment of the Citizens' Advisory Committee, and every 3 years thereafter, the Comptroller General of the United States shall submit to the President and the appropriate committees of Congress a report that contains a description of, for the period covered by the report, the operations and expenditures of the Citizens' Advisory Committee in carrying out this section (including any recommendation of the Comptroller General of the United States).

(2) DUTY OF CITIZENS' ADVISORY COMMITTEE.—Not later than 2 years after the date of establishment of the Citizens' Advisory Committee, and every 2 years thereafter, the Citizens' Advisory Committee shall submit to the appropriate committees of Congress a report that contains, for the period covered by the report, a description of—

(A) the extent of achievement of safe operations in the Gulf of oil and gas activities;

(B) unresolved problems and concerns with operations, activities, and plans; and

(C) the operations and expenditures, needs, issues, and recommendations of the Citizens' Advisory Committee.

SEC. 9. SCIENTIFIC ADVISORY COMMITTEE.

(a) ESTABLISHMENT.—There is established the Scientific Advisory Committee to provide advice to the Council regarding the science behind the Plan and long-term monitoring and restoration of the Gulf coast ecosystem.

(b) MEMBERSHIP.—The Scientific Advisory Committee shall be composed of 16 members, of whom—

(1) 10 shall be voting members, of whom—

(A) with respect to the State of Alabama, 2 members shall be appointed by the State, of whom—

(i) 1 shall be a scientist employed by an institution of higher education located in the State; and

(ii) 1 shall be a representative of the environmental protection or quality agency of the State;

(B) with respect to the State of Florida, 2 members shall be appointed by the State, of whom—

(i) 1 shall be a scientist employed by an institution of higher education located in the State; and

(ii) 1 shall be a representative of the environmental protection or quality agency of the State;

(C) with respect to the State of Louisiana, 2 members shall be appointed by the State, of whom—

(i) 1 shall be a scientist employed by an institution of higher education located in the State; and

(ii) 1 shall be a representative of the environmental protection or quality agency of the State;

(D) with respect to the State of Mississippi, 2 members shall be appointed by the State, of whom—

(i) 1 shall be a scientist employed by an institution of higher education located in the State; and

(ii) 1 shall be a representative of the environmental protection or quality agency of the State; and

(E) with respect to the State of Texas, 2 members shall be appointed by the State, of whom—

(i) 1 shall be a scientist employed by an institution of higher education located in the State; and

(ii) 1 shall be a representative of the environmental protection or quality agency of the State; and

(2) 4 shall be nonvoting members, of whom—

(A) 1 member shall be appointed by the Administrator of the National Oceanic and Atmospheric Administration;

(B) 1 member shall be appointed by the Administrator of the Environmental Protection Agency;

(C) 1 member shall be appointed by the Director of the National Institute for Standards and Technology; and

(D) 1 member shall be appointed by the Secretary of the Interior.

(c) DUTIES.—Not later than 2 years after the date of enactment of this Act, and biennially thereafter, the Scientific Advisory Committee shall prepare and submit to the Council a report that describes, for the period covered by the report, the science regarding—

(1) impacts to the Gulf and Gulf coast from the Gulf oil spill;

(2) the progress of restoration activities for the Gulf and Gulf coast; and

(3) the implementation of the Plan.

SEC. 10. EFFECT ON OTHER LAW.

Nothing in this section supersedes or otherwise affects any provision of Federal law, including, in particular, laws providing recovery for injury to natural resources under the Oil Pollution Act of 1990 (33 U.S.C 2701 et seq.).

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 145—DESIGNATING APRIL 15, 2011, AS “NATIONAL TEA PARTY DAY”

Mr. VITTER (for himself and Mr. LEE) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 145

Whereas the deficit, as of April 15, 2011, is the third consecutive deficit in excess of \$1,000,000,000,000 in 3 years, and in the history of the United States;

Whereas the taxpayers of the United States understand that the so-called “Stimulus Bill”, the American Recovery and Reinvestment Act of 2009 (Public Law 111–5), included a laundry list of spending projects that has only increased our national debt;

Whereas passage of the American Recovery and Reinvestment Act of 2009 (Public Law 111–5) was undertaken with guarantees of restricting unemployment to levels equal to or less than 8 percent, yet unemployment rates have consistently exceeded 8 percent;

Whereas Congress should pass, and the States should ratify, a balanced budget amendment to the Constitution to ensure structural reform that will force Congress and the President to balance the budget;

Whereas future bailouts of Wall Street have been codified by the Dodd–Frank Wall Street Reform and Consumer Protection Act (Public Law 111–203);

Whereas the taxpayers of the United States understand that the bailouts of Wall Street by the United States Government have been ineffective and a waste of taxpayer funding;

Whereas the Federal Government must borrow approximately 40 cents of every dollar of Federal spending, causing our Nation to continue on an unsustainable path of increasing debt;

Whereas Congress should enact permanently lower tax rates and a simpler tax code so that taxpayers and business owners no longer face heavy compliance costs and the uncertainty of tax rates that increase automatically;

Whereas the taxpayers of the United States agree that the United States Govern-

ment should stop wasteful spending, reduce the tax burden on families and businesses, and focus on policies that will lead to job creation and economic growth; and

Whereas taxpayers in the United States are expressing their opposition to efforts to raise taxes, the unsustainable debt, the failure to enact systematic budget reforms, and skyrocketing spending by the United States Government by organizing “Taxed Enough Already” parties, also known as “TEA” parties; Now, therefore, be it

Resolved, That the Senate designates April 15, 2011, as “National TEA Party Day”.

SENATE RESOLUTION 146—EXPRESSING THE SENSE OF THE SENATE THAT IT IS NOT IN THE VITAL INTEREST OF THE UNITED STATES TO INTERVENE MILITARILY IN LIBYA, CALLING ON NATO TO ENSURE THAT MEMBER STATES DEDICATE THE RESOURCES NECESSARY TO ENSURE THAT OBJECTIVES AS OUTLINED IN THE UNITED NATIONS RESOLUTIONS 1970 AND 1973 ARE ACCOMPLISHED, AND TO URGE MEMBERS OF THE ARAB LEAGUE WHO HAVE YET TO PARTICIPATE IN OPERATIONS OVER LIBYA TO PROVIDE ADDITIONAL MILITARY AND FINANCIAL ASSISTANCE

Mr. ENSIGN (for himself, Mrs. HUTCHISON, and Mr. MANCHIN) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 146

Whereas, on March 28, 2011, President Barack Obama, in an address to the Nation, said “. . . at my direction, America led an effort with our allies at the United Nations Security Council to pass a historic resolution that authorized a no-fly zone to stop the regime's attacks from the air and further authorized all necessary measures to protect the Libyan people”;

Whereas, in that same address to the Nation, President Obama said he ordered military action to prevent “. . . a massacre that would have reverberated across the region and stained the conscience of the world”;

Whereas, on March 19, 2011, following passage of United Nations Resolution 1973, the United States began conducting air and sea strikes against Libya in what was labeled Operation Odyssey Dawn;

Whereas President Obama has not sought from Congress authorization for the use of military force against Libya;

Whereas passage of a non-binding, simple resolution by the Senate is not equivalent to an authorization for the use of military force, passed by both the House and the Senate and signed by the President;

Whereas Senate Resolution 85 (112th Congress) should not be interpreted as an expression of congressional consent for United States military intervention in Libya;

Whereas, on March 31, 2011, the United States Armed Forces transferred command of air operations over Libya to the North Atlantic Treaty Organization (NATO) under Operation Unified Protector;

Whereas, at the time of the transfer to NATO, the United States had conducted 1,206 sorties and launched 216 Tomahawk missiles, while other NATO forces had conducted 784 sorties and launched 7 Tomahawk missiles;

Whereas the United States Armed Forces have performed and continue to perform
