CONGRATULATING KOREAN CULTURAL CENTER

(Mr. DOLD asked and was given permission to address the House for 1 minute.)

Mr. DOLD. Madam Speaker, I rise today to congratulate the Korean Cultural Center of Chicago on the grand opening of a new cultural center in Wheeling. Because of the hard work and determination of the Korean Cul-

tural Center, its president, Younghee Kang, and her staff, and its board of directors and supporters, we now have a focal point for the Korean-American community in the Chicago area.

The story of the Korean immigrant is an important part of Illinois' history, and we are fortunate to now have a facility that is a repository and exhibition of that story. The new cultural center will add a rich cultural tradition to the village of Wheeling, and will also benefit the neighboring communities. I hope it will also serve to strengthen the important relationship between the United States and the Republic of Korea.

The opening of this new center is the culmination of many years of effort and is a cause for great celebration. Congratulations and best wishes on many years of success.

RESPONSIBILITY TO PROTECT

(Mr. GARAMENDI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GARAMENDI. Madam Speaker, America's intervention in Libya was initially based on the international community's "Responsibility to Protect," a mandate agreed upon in the wake of the horrific Rwanda genocide. This important international doctrine calls for international intervention in a country where a government is unable or unwilling to protect its civilians, or is actively assaulting and killing inhabitants in that country.

I agree with this doctrine and America's initial response to the Qadhafi threat to wipe out a large segment of the Libyan population. For 3 months, the U.S. and U.N. have engaged in military action. At this time, it is unclear if the mission is any longer one that fulfills the Responsibility to Protect doctrine, or if it has changed into a larger and/or different role. Given the continued military action and the lack of clarity of the U.S. mission's goal, I support House Resolution 292, which requires the administration to provide information on the American military, diplomatic, and humanitarian activities in Libya and seeks clarity on America's objective and strategy to achieve that goal.

COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore (Ms. BUERKLE) laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK, HOUSE OF REPRESENTATIVES, Washington, DC, May 25, 2011.

Hon. John A. Boehner,

 $\label{thm:continuous} The \ Speaker, \ House \ of \ Representatives, \\ Washington, \ DC.$

DEAR MR. SPEAKER: Pursuant to 44 U.S.C. 2702, I hereby appoint as a member of the Advisory Committee on the Records of Congress the following person: Dr. Sharon Leon, Fairfax, Virginia.

YUMA, COLORADO, CELEBRATES 125TH YEAR

(Mr. GARDNER asked and was given permission to address the House for 1 minute.)

Mr. GARDNER. Madam Speaker, in the late 1880s, landmen circulated flyers throughout the country about a place in the Republican River Valley with fertile soil and plenty of open land—a place named Yuma, Colorado. By 1886, the town had established itself a school, churches, and a thriving ranching community.

This year Yuma celebrates its 125th year, a community defined by the cycles of Mother Nature and the Ogallala Aquifer, made vibrant by agriculture and energized by businessmen and -women who are constantly looking for new ways to be successful.

A little town on the high plains of Colorado, population just over 3,000 people, Yuma has been home to a U.S. Open PGA champion; an Emmy winner; a National Book Award finalist; a Medal of Honor recipient; professional football players; some of the Nation's leading farmers, ranchers, and business owners; and, yes, even a Member of the United States Congress.

Yuma lies in the heart of Colorado agriculture. Yuma County is often the Nation's leader in corn production. It has weathered the boom and bust of farm prices, hailstorms, drought, and wind. For a small town, it seems like no matter where you go, you find someone who is either from there, lived there, or has family there. In many ways, it is one of the biggest little towns in the Nation.

From its Old Thresher celebration in the fall and the Yuma County Fair to high school sports and academics, it is an incredible place to live, to raise a family, to grow, and to do business. I am proud to call Yuma, Colorado, home. Congratulations on 125 years, and here's to wishing the people of that great town many more years of success.

RAISING THE DEBT CEILING

(Mr. CARNEY asked and was given permission to address the House for 1 minute.)

Mr. CARNEY. Madam Speaker, this week the Democratic and Republican caucuses met with President Obama to discuss the need to increase the debt ceiling. The President said we need to raise the debt ceiling soon, and I agree. Defaulting on our debt is not an option for a great Nation like ours. No one wants to send the economy into another tailspin. Now is the time to restore fiscal discipline. That is what the American people, the global financial markets, and U.S. creditors expect, and that is why I support the attachment
