We agree that to effectively rid ourselves of foreign oil we need an all-of-the-above approach to energy development, and our laws should follow suit as this industry develops.

Both sides of the aisle don’t often agree on ways to strengthen our energy independence and on ways to create jobs; however, this bill affords us the opportunity to do just that.

I’m proud to have bipartisan support for this bill and want to thank both the distinguished chairman from the State of Washington (Mr. HASTINGS) and the distinguished gentleman from New Jersey (Mr. HOLT), who helped us on this bill.

Mr. LUJAN. Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield back my time and urge adoption of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 2360.

The question was taken.

Mr. HASTINGS of Washington. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. The SPEAKER pro tempore. The SPEAKER pro tempore. The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.
