□ 1854

Messrs. RAHALL, KUCINICH, AL GREEN of Texas, and MORAN changed their vote from “yea” to “nay.”

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated against:

Mr. FILNER. Mr. Speaker, on rollcall 12, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted “nay.”

Mr. GUTIERREZ. Mr. Speaker, I was unavoidably absent for a vote in the House Chamber today. Had I been present, I would have voted “nay” on rollcall vote No. 12.

NOTICE OF INTENTION TO OFFER MOTION TO INSTRUCT CONFEREES ON H.R. 3630, TEMPORARY PAYROLL TAX CUT CONTINUATION ACT OF 2011

Mr. MICHAUD. Mr. Speaker, under rule XXII, clause 7(c), I hereby an-

nounce my intention to offer a motion to instruct on H.R. 3630, the conference report to extend the payroll tax, unemployment insurance, and SGR payments for doctors.

The form of the motion is as follows:

Mr. Michaud moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the bill H.R. 3630 be instructed to recede from section 2123 of the House bill, relating to allowing a waiver of requirements under section 3304(a)(4) of the Internal Revenue Code of 1986, including a requirement that all money withdrawn from the unemployment fund of the State shall be used solely in the payment of unemployment compensation.

PRESIDENT'S ACTIONS THREATEN OUR NATIONAL SECURITY

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, last Thursday, the President's plans were revealed to cut almost 80,000 army troops and 20,000 marines. This action will weaken our military's ability to protect us from increasing global threats.

This decision is another prime example of how the President and his administration continue to put American families at risk. Throughout our history, we have learned the consequences of downsizing our military, leading to surprise attacks.

I look forward to working with House Armed Services Committee Chairman BUCK MCKEON to stop the execution of these drastic cuts which will decimate our military capabilities and threaten the security of America's servicemembers.

I would also like to offer my sympathy to the family of Aiken Public Safety Master Corporal Sandra Rogers, who sacrificed her life while on duty Saturday.

In conclusion, God bless our troops and we will never forget September the 11th in the global war on terrorism.

TISSUE ENGINEERING AT TEXAS CHILDREN'S HOSPITAL

(Mr. OLSON asked and was given permission to address the House for 1 minute.)

Mr. OLSON. Mr. Speaker, over the past 50 years, engineers, scientists, and clinicians have made amazing advances in the design and implementation of artificial organs. However, despite these advances, the gap between the number of patients waiting for an organ transplant and the number of available organs is widening.
