

for the automatic termination of a national emergency, unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13396 of February 7, 2006, with respect to the situation in or in relation to Côte d'Ivoire is to continue in effect beyond February 7, 2012.

The situation in or in relation to Côte d'Ivoire, which has been addressed by the United Nations Security Council in Resolution 1572 of November 15, 2004, and subsequent resolutions, has resulted in the massacre of large numbers of civilians, widespread human rights abuses, significant political violence and unrest, and fatal attacks against international peacekeeping forces. Since the inauguration of President Alassane Ouattara in May 2011, the Government of Côte d'Ivoire and its people have made significant advances in the promotion of democratic, social, and economic development. Although considerable progress has been made, the situation in or in relation to Côte d'Ivoire continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency and related measures under Executive Order 13396 of February 7, 2006, Blocking Property of Certain Persons Contributing to the Conflict in Côte d'Ivoire.

**REPORT RELATIVE TO THE
ISSUANCE OF AN EXECUTIVE
ORDER TO TAKE ADDITIONAL
STEPS WITH RESPECT TO THE
NATIONAL EMERGENCY ORIGINAL-
LY DECLARED ON MARCH 15,
1995 IN EXECUTIVE ORDER 12957
WITH RESPECT TO IRAN—PM 39**

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), I hereby report that I have issued an Executive Order (the "order") that takes additional steps with respect to the national emergency declared in Executive Order 12957 of March 15, 1995.

In Executive Order 12957, the President found that the actions and policies of the Government of Iran threaten the national security, foreign pol-

icy, and economy of the United States. To deal with that threat, the President in Executive Order 12957 declared a national emergency and imposed prohibitions on certain transactions with respect to the development of Iranian petroleum resources. To further respond to that threat, Executive Order 12959 of May 6, 1995, imposed comprehensive trade and financial sanctions on Iran. Executive Order 13059 of August 19, 1997, consolidated and clarified the previous orders. To take additional steps with respect to the national emergency declared in Executive Order 12957 and to implement section 105(a) of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Public Law 111-195) (22 U.S.C. 8501 *et seq.*) (CISADA), I issued Executive Order 13553 on September 28, 2010, to impose sanctions on officials of the Government of Iran and other persons acting on behalf of the Government of Iran determined to be responsible for or complicit in certain serious human rights abuses. To take further additional steps with respect to the threat posed by Iran and to provide implementing authority for a number of the sanctions set forth in the Iran Sanctions Act of 1996 (Public Law 104-172) (50 U.S.C. 1701 note) (ISA), as amended by CISADA, I issued Executive Order 13574 on May 23, 2011, to authorize the Secretary of the Treasury to implement certain sanctions imposed by the Secretary of State pursuant to ISA, as amended by CISADA. Finally, to take additional steps with respect to the threat posed by Iran, I issued Executive Order 13590 on November 20, 2011, to authorize the Secretary of State to impose sanctions on persons providing certain goods, services, technology, information, or support that contribute either to Iran's development of petroleum resources or to Iran's production of petrochemicals, and to authorize the Secretary of the Treasury to implement some of those sanctions.

I have determined that additional sanctions are warranted, particularly in light of the deceptive practices of the Central Bank of Iran and other Iranian banks to conceal transactions of sanctioned parties, the deficiencies in Iran's anti-money laundering regime and the weaknesses in its implementation, and the continuing and unacceptable risk posed to the international financial system by Iran's activities.

The order also implements section 1245(c) of the National Defense Authorization Act for Fiscal Year 2012 (Public Law 112-81) (NDAA) by blocking the property and interests in property of Iranian financial institutions pursuant to IEEPA.

The order blocks the property and interests in property of the following:

The Government of Iran, including the Central Bank of Iran;

Any Iranian financial institution, including the Central Bank of Iran; and

Persons determined by the Secretary of the Treasury, in consultation with the Secretary of State, to be owned or

controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the order.

The prohibitions of the order do not apply to property and interests in property of the Government of Iran that were blocked pursuant to Executive Order 12170 of November 14, 1979, and thereafter made subject to the transfer directives set forth in Executive Order 12281 of January 19, 1981, and implementing regulations thereunder. In addition, nothing in the order prohibits transactions for the conduct of the official business of the Federal Government by employees, grantees, or contractors thereof.

I have delegated to the Secretary of the Treasury the authority, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the blocking-related purposes of the order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the order.

I have also delegated certain functions and authorities conferred by section 1245 of the NDAA to the Secretary of the Treasury and the Secretary of State in consultation with other appropriate agencies as specified in the order.

I am enclosing a copy of the Executive Order I have issued.

BARACK OBAMA.

POM-0964. A joint memorial adopted by the Legislature of the State of Washington requesting the adoption of federal legislation relative to sellers, regardless of nexus, collecting states' sales tax; to the Committee on Finance.

SUBSTITUTE SENATE JOINT MEMORIAL No. 8009

To the Honorable Barack Obama, President of the United States, and to the President of the Senate and the Speaker of the House of Representatives, and to the Senate and House of Representatives of the United States, in Congress assembled:

We, your Memorialists, the Senate and House of Representatives of the State of Washington, in legislative session assembled, respectfully represent and petition as follows:

Whereas, The 1967 *Bellas Hess* and the 1992 *Quill* United States Supreme Court decisions denied states the authority to require the collection of sales and use taxes by out-of-state sellers that have no physical presence in the taxing state; and

Whereas, This puts local, in-state sellers, whether electronic or brick and mortar, at a competitive disadvantage in making sales, because they must collect the sales tax and most remote sellers do not collect sales tax; and

Whereas, The combined weight of the inability to collect sales and use taxes on remote sales through traditional carriers and the tax erosion due to electronic commerce threatens the future viability of the sales
