IN RECOGNITION OF THE CAREER AND ACHIEVEMENTS OF SEYMOUR S. LEVANDER

HON. GARY L. ACKERMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, August 1, 2012

Mr. ACKERMAN. Mr. Speaker, I rise today to honor the exceptional achievements and outstanding career of Seymour S. Levander. Sy, as his friends and family know him, will turn 89 years old later this year, is a beloved father and grandfather. Sy, the son of immi-

grant refugees from Europe, began his version of the American Dream growing up in the Bronx, graduating from James Madison High School in 1941. He continued his academic studies at Cooper Union University, graduating in 1944 and teaching electrical engineering there for a short time.

Sy then started designing and selling equipment for the building trade, which was booming at that time in post-war America. In the 1950s, Sy, seeing an opportunity, struck out on his own and started his own business which he owned and ran until he sold the firm at the age of 66 at his wife Ellenore's request. However, retirement didn't take with Sy, and he continued to work. At the tender young age of 71, he started a new engineering and sales firm with younger partners where he continues his storied career in the construction industry to this day, still going in to work at age 88. Sy's knowledge, work ethic, and old-fashioned integrity are the stuff of legend in the industry. Over the years, he has been honored several times by ASHRAE, the nationwide building technology society, as well as other industry organizations.

Sy has also been a terrific community leader and a fighter for the underdog throughout his life. Through his businesses and a lifetime of charitable endeavors, he has created opportunities for people from all walks of life and backgrounds. In addition, he and his beloved wife Ellenore, who unfortunately passed away this year after 67 years of marriage, were founders of the Pelham Jewish Center, which has been a primary focus of his energies and care for many years.

Mr. Speaker, while he has many achievements to his name, Sy is most proud of his two children, a doctor and a lawyer; his daughter-in-law, an architect; and his four grandchildren, who are, respectively, the first trumpet for the San Francisco Opera and a music professor at Berkley, a doctor interning at Stony Brook University Medical Center, a law student and Human Rights Fellow at Columbia University Law School, and a rising junior at Dartmouth College. I ask all of our colleagues to rise and join me in honoring Seymour S. Levander.
