

Mr. Speaker, the example set by this young woman and her supportive family demonstrates the rewards of hard work, dedication and perseverance. I am honored to represent Brett and her family in the United States Congress. I know that all of my colleagues in the House will join me in congratulating her on obtaining the Gold Award, and I wish her continued success in her future education and career.

IN SUPPORT OF USPTO'S  
NATIONAL TRADEMARK EXPO

**HON. JAMES P. MORAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Mr. MORAN. Mr. Speaker, I rise today to express my support of the United States Patent and Trademark Office's (USPTO) National Trademark Expo. In a time of ongoing challenges for the American and global economy, I want to join the USPTO in its efforts to recognize the vital role that trademarks play in the economy.

The USPTO disseminates trademark information at the Expo to educate the public about the important role that trademarks play in our society and the global marketplace. This year's two-day event will be held on Friday, October 19th, from 10:00 a.m. to 5:00 p.m., and Saturday, October 20th, from 10:00 a.m. to 4 p.m., at the USPTO headquarters in Alexandria, Virginia.

A broad cross-section of America's large corporations, small businesses, governmental agencies, and non-profit organizations will highlight a wealth of valuable information about trademarks: from the various types of trademarks available and their benefits. The Expo will also feature educational seminars, as well as children's workshops and activities. Exhibitors at the National Trademark Expo will include: 5-hour ENERGY; 1000 Cranes, LLC; ABA Section of Intellectual Property Law; AIPLA, Creativity in Bloom; American Girl; The American National Red Cross; Caterpillar Inc.; CMG; Cricket Wireless; Department of the Army; GEICO; Girl Scout Council of the Nation's Capital; The Hershey Company; HiT Entertainment; Hooray for Books!; Idaho Potato Commission; Indian Arts and Crafts Board; International Trademark Association (Unreal Campaign); Mattel; NASA Goddard Space Flight Center; NASCAR, Inc.; NBC Learn; NumbersAlive!; The Pepsom Group; Rita's Ice, Custard, Happiness; Rutgers, The State University of New Jersey; Travelers; Under Armour; United States Air Force; UPS; U.S. Department of Energy; U.S. Government IPR Agencies; Department of Commerce, National IPR Coordination Center, and Customs and Border Protection; Valvoline; Wormwatcher; and Zipcar.

On average, people are exposed to 1,500 trademarks each day. In a time of globalization, counterfeit goods pose an increasing threat to American businesses and jobs, and trademarks assist the public in discerning between authentic and counterfeit merchandise. Counterfeit goods cost the United States billions of dollars and countless jobs annually, as well as undermine consumer confidence in brand integrity when purchasers encounter knock-off goods of inferior quality.

I applaud the USPTO for its continued efforts to educate the public on the important role of trademarks and the benefits of federal registration through the National Trademark Expo. I urge my colleagues to join me in recognizing the USPTO, at this time when trademark protection and intellectual property rights play an increasingly important role in our global economy. And, I encourage the public and my fellow Members of Congress and staff to bring their family and friends to this free, family-friendly event.

HONORING ROY DRIVER

**HON. MICHAEL H. MICHAUD**

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Mr. MICHAUD. Mr. Speaker, I rise today to recognize the achievements of Roy Driver who will be retiring after 32 years of outstanding work for the Vet Centers and the Department of Veterans Affairs.

Roy has dedicated more than 30 years to improving the lives of veterans and their families. Prior to his time with the Vet Centers, Roy served in the U.S. Coast Guard from 1960–1970 as a Sonar/Oceanographic Technician. He has attended the Greater Hartford Community College, Central Connecticut State College and Southern Connecticut State College. From 1974 to 1978 he served as a Veterans Affairs Coordinator for two colleges in Connecticut.

In 1980, he was the Team Leader of the Hartford Connecticut Vet Center, one of the first in the nation. During his time in Hartford, two additional Vet Centers were opened as satellites. Maine veterans were fortunate that in 1991, Roy moved to the Portland, Maine Vet Center, where he remained until 2004, when he became Team Leader of the Lewiston Vet Center.

It is always with some lingering sadness that I pass along my best wishes for the retirement of people like Roy. Throughout his career, he has been an important part of the lives of many combat veterans and their families, helping them to work through the issues that resulted from their service to our nation. You can never truly quantify the work of such an individual. On behalf of the people of Maine, I congratulate Roy and wish him the best of luck on his retirement and in his future endeavors.

Mr. Speaker, please join me in honoring Roy Driver for his unwavering dedication to our veterans and their families.

IN HONOR OF ARCHCARE AT TERENCE CARDINAL COOKE HEALTH CARE CENTER ON THE OCCASION OF THE 4TH ANNUAL "STEPPING UP IN FAITH FOR HIV AND AIDS" COMMUNITY EVENTS WEEK

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Mrs. MALONEY. Mr. Speaker, I rise to pay special tribute to ArchCare at Terence Car-

dinal Cooke Health Care Center, a faith-based, multi-specialty nursing facility in East Harlem, which has been serving the community since 1978. During the 4th Annual "Stepping Up in Faith for HIV and AIDS" Community Events Week, the Health Care Center is sponsoring "A Sacred NYC HIV & AIDS Conversation" among faith-based organizations, community-based organizations, Faith in Action Advocates, and the NYC Department of Health and Mental Hygiene. The discussion will focus on the theme "Turning the Tide Together—as we move forward with HIV and AIDS Prevention and Care in our Faith and Secular Partnership."

In 1989, ArchCare at Terence Cardinal Cooke Health Care Center created the first long term care facility in New York State to provide comprehensive residential health care services to people living with AIDS and HIV. In their 156-bed unit, residents have access to a continuum of medical services, including dentists, dietitians, occupational and physical therapists, and social workers. At all stages of care, residents and their families are encouraged to participate in case conferences to discuss treatment plans. The Discrete Unit provides treatment with the hope that residents will be able to return to the community and live independently.

According to United Nations estimates, there are more than 33 million people living with HIV in the world. In 2011 alone, some 2.7 million people became newly infected with the virus, and an estimated 2 million people died from AIDS. In the United States, New York remains an epicenter of the disease, with the five boroughs alone accounting for 15.5% of the entire AIDS caseload in the United States, meaning that our city has more persons living with AIDS than the entire state of California.

ArchCare and the Terence Cardinal Cooke Health Care Center have long fought on the front lines of the fight against AIDS and HIV, taking action to ensure that their patients are provided with access to vital healthcare services, and afforded protection of their basic human rights without fear of reprisal or discrimination. Not only does ArchCare provide quality, comprehensive care, but it also offers an environment of peace, tranquility and community.

The Terence Cardinal Cooke Health Care Center is named in honor of New York's former Archbishop, and its mission is driven by Terence Cardinal Cooke's words: "The 'gift of life', God's special gift, is no less beautiful when it is accompanied by illness or weakness, hunger or poverty, mental or physical handicaps, loneliness or old age."

Mr. Speaker, I ask that my colleagues join me in paying tribute to ArchCare and Terence Cardinal Cooke Health Center's years of commitment to the fight against HIV and AIDS through exceptional care for all patients and vital education events. In so doing, we honor the dedication to compassionate service of the staff at Terence Cardinal Cooke, and hope that they serve as an inspiration to health care providers across the country.

A TRIBUTE TO JEANETTE  
THORSBAKKEN

**HON. TOM LATHAM**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Mr. LATHAM. Mr. Speaker, I rise today to recognize and congratulate Jeanette Thorsbakken on the recent celebration of her 100th birthday. Jeanette celebrated a century of life yesterday, September 18th, 2012.

Our world has changed a great deal during the course of Jeanette's life. Since her birth, we have revolutionized air travel and walked on the moon. We have invented the television, cellular phones and the internet. We have fought in wars overseas, seen the rise and fall of Soviet communism and witnessed the birth of new democracies. Jeanette has lived through eighteen United States Presidents and twenty-two Governors of Iowa. In her lifetime, the population of the United States has more than tripled.

Today, Jeanette resides in Story City, Iowa where she likes to spend her time playing solitaire on the computer and assembling jigsaw puzzles. Jeanette also greatly enjoys visits with her family and sharing stories of the many changes she has witnessed in her life.

Mr. Speaker, it is an honor to represent Jeanette in the United States Congress and it is my pleasure to wish her a very happy 100th birthday. I invite my colleagues in the House to join me in congratulating Ms. Thorsbakken on reaching this incredible milestone, and wishing her even more health and happiness in the years to come.

CELEBRATING HISPANIC HERITAGE MONTH AND THE FIRST ANNUAL VIVA BREVARD FESTIVAL

**HON. BILL POSEY**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Mr. POSEY. Mr. Speaker, on September 15th families and businesses across the nation will begin observing National Hispanic Heritage Month in order to recognize the many outstanding contributions to our nation that are made by Americans of Hispanic descent. One celebration taking place in the City of Palm Bay, Florida, will be the First Annual Viva Brevard festival.

Al Día Today along with local businesses, non-profit organizations, and residents of Brevard County will gather together on Saturday October 13, 2012, near the Ted Whitlock Community Center in Palm Bay Regional Park to commemorate Hispanic Heritage Month with a day full of great Latin American cuisine, culture and entertainment.

Throughout Hispanic Heritage Month we also honor Hispanic Americans for their strong tradition of service in our Armed Forces. These proud patriots have fought in every war since our founding, and many have earned the Medal of Honor for their courage.

Hispanic service men and women have shown their love for the United States by answering the call to serve, and we owe them and their families a tremendous debt of gratitude. Their patriotism and valor have added to the character and strength of our nation.

The first Hispanic American to serve in the U.S. Congress represented Florida. Joseph Marion Hernández was born in St. Augustine when Florida was a Spanish colony. In 1822 when Florida became a U.S. Territory, Hernández transferred his allegiance to the United States and was elected a Delegate to the U.S. House of Representatives serving in our nation's Seventeenth Congress. He also served as a brigadier general and was the presiding officer of Florida's Territorial House of Representatives.

There have been many Hispanic Americans with notable achievements in science and medicine. The first Hispanic American Astronaut, Franklin Chang-Díaz of Costa Rican descent, earned his doctorate in applied physics from MIT and flew an astounding seven Shuttle Missions. Astronaut Ellen Ochoa was the first Hispanic female in space, flying four Shuttle missions.

Hispanic Americans have been awarded the Nobel Prize for Physics and Medicine, the Medal of Honor; have won the Pulitzer, Oscar and Tony Awards, achieved sports fame, and have been inducted into the Rock and Roll Hall of Fame.

National Hispanic Heritage Month is an opportunity to celebrate the spirit and accomplishments of Hispanic Americans everywhere and events like the Viva Brevard festival provide an opportunity to share and experience the diversity of cultures from Latin American countries and bring us all closer together as a community.

HONORING CONGRESSMAN JERRY COSTELLO

SPEECH OF

**HON. RUSS CARNAHAN**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 12, 2012*

Mr. CARNAHAN. Mr. Speaker, I rise today in recognition of my colleague and Illinois neighbor Congressman JERRY F. COSTELLO for his tireless efforts in representing part of the St. Louis metro area in Southern Illinois.

His 24 years in the House of Representatives have been distinguished by his exceptional ability to achieve and selfless resolve to advance our nation and our bi-state region.

JERRY's civic work began well before his tenure in Congress. This was apparent even in college, where his eagerness to serve the community he called home led him to divide time between his studies and a job as a full time law enforcement officer. He chose to follow this path after college, and his ingenuity and knowledge of the regional court system made him prominent throughout Illinois. His devotion, practicality, and unwavering focus on his community would see his election as chief executive of one of Illinois' largest counties and eventual rise to Congress.

His career has been marked by leadership and consistent achievement, particularly in the field of transportation, where his record is as extensive as it is impressive. In 2005, he took the lead role to secure \$150 million for a new Mississippi River bridge as part of one of the biggest earmarks in U.S. history because of its classification as a project of national significance. He brought MetroLink to Southern Illinois, a new transportation network that has

improved infrastructure and simultaneously boosted and connected the regional economy. I have been proud to serve alongside Congressman COSTELLO on the Transportation and Infrastructure Committee and the Science Committee and I know all his colleagues on both sides of the aisle will deeply miss his leadership and knowledge. Furthermore, his constituents will miss his devotion to improving their lives, creating jobs, and bettering the region's infrastructure.

JERRY's accomplishments exemplify his commitment to issues ranging from safety to poverty, from the economy to defense. His efforts have benefitted not just his district, but the nation as a whole. Beginning in 1995, for example, JERRY undertook a decade-long endeavor to save Illinois' Scott Air Force Base from closure. Continuous efforts to improve base facilities and funding to keep it off the closure list eventually prevailed. The Air Force base is now one of the largest employers in the St. Louis region and ranks among the nation's most important with the operation of the Air Mobility Command.

As the Chairman and Ranking Member of the House Aviation Subcommittee, he has led the effort to modernize our aviation system and helped pass a bill this year that secured the place of our aviation system as the best and safest in the world for years to come. Several years later, he helped write the Airline Safety and Pilot Training Improvement Act of 2009. The bill requires pilots to now log more hours and undergo more rigorous training before being able to pilot commercial airplanes.

This coming January, my good friend JERRY will be retiring.

His decades of service have provided Illinois, the St. Louis bi-state region, and Congress a guiding voice that will be sorely missed. He retires with a legacy that the next generation of American leaders should hope to emulate.

I have been proud to serve alongside JERRY in Congress, serving the same region, and serving on two committees together. I have seen firsthand the incredible work he has done, and the stamp he has left on this place and the impression he has made on all of us who have had the good fortune to work alongside him. While JERRY will no longer be in Congress, I have no doubt that he will continue to serve his community and his country.

Mr. Speaker, please join me in congratulating JERRY COSTELLO on a successful career and wishing him and his family all the best as he retires. Thank you, JERRY.

RECOGNIZING SONIA GUTIERREZ

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 19, 2012*

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in recognizing the many accomplishments and contributions of Sonia Gutierrez, who for 40 years has served the residents of the District of Columbia with passion and dedication as one of this city's most productive and prominent education leaders and one of its most distinguished leaders. Mrs. Gutierrez, a talented institution builder, is best known as the founder and president of the Carlos Rosario
