CELEBRATING 100 YEARS OF COOPERATIVE EDUCATION AT THE ROCHESTER INSTITUTE OF TECHNOLOGY

HON. LOUISE McINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 19, 2012

Ms. SLAUGHTER. Mr. Speaker, it is my esteemed honor to celebrate the Rochester Institute of Technology's 100th year of Cooperative Education. I am joined by the Honorable KATHY HOCHUL and the Honorable TOM REED as we congratulate the Rochester Institute of Technology (RIT). RIT is home to our nation's fourth oldest established Cooperative Education Program. Cooperative Education provides students with the opportunity to enrich their traditional higher education experience by alternating periods of full-time study with periods of full-time, for credit, paid employment appropriate to their educational and career goals. It is a true testament to the progressiveness of Rochester region to be home to this longstanding educational program.

Established in 1912, RIT's Cooperative Education has grown to be nationally recognized as one of the nation's top programs by U.S. News and World Report and the Office of Cooperative Education and Career Services. RIT offers one of the largest programs in the world with more than 3,800 students completing nearly 5,800 quarterly work assignments with more than 2,000 employer partners throughout the U.S. and in 40 other countries around the world each year.

In the Cooperative Education program, RIT encourages students to explore their interests through hands-on experience while they are still working towards their degree. By providing students with the opportunity to experience their field of interest outside the classroom, RIT's graduates are better equipped to enter full-time jobs and thrive.

Cooperative Education is a required component in several of RIT's colleges including the Kate Gleason College of Engineering, the Golisano College of Computing and Information Sciences, The Saunders College of Business, and the College of Applied Science and Technology.

Through Cooperative Education programs, our universities ensure that American students are trained in best practices and have in-depth knowledge of the cutting edge technologies of today's global world. RIT's program and others like it are crucial to ensuring that the next generation of American professionals can compete and win in a globalized world.

Through the support of RIT faculty and administration, countless students have expanded their knowledge and skills in the Co-

operative Education program. They've been exposed to unique experiences and unparalleled knowledge that has prepared them for successful careers. For one hundred years, RIT has dedicated itself to providing these unique learning opportunities, and helped to prepare America's next generation for years of success to come.

Today I stand with Representatives HOCHUL and REED to congratulate the Rochester Institute of Technology on its 100th anniversary of enriching countless students through Cooperative Education. I ask my colleagues to join me in celebration of this momentous occasion.

HONORING THE FRANCO AMERICAN WAR VETERANS

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 19, 2012

Mr. MICHAUD. Mr. Speaker, I rise today to recognize the Franco American War Veterans (FAWV) on their 80th Anniversary, and Post 31 of Lewiston, Maine on their 25th Anniversary.

In early 1932, veterans of World War I began meeting in Massachusetts to establish a veteran's organization for veterans of French descent. They gathered signatures and were granted a charter by the Commonwealth of Massachusetts. In the succeeding years, posts were formed around Massachusetts, and quickly expanded to Rhode Island, Connecticut, New Hampshire, and Maine.

This year, Post 31 of Lewiston, Maine celebrates its 25th Anniversary. Post 31 is an integral part of the Lewiston/Auburn community. Members of the Post have served as national officers in FAWV, and as leaders in the community. Among their many accomplishments, members of Post 31, through their work on the L/A Veterans' Council, helped establish and maintain the Veterans' Park in Lewiston and helped convince the Department of Veterans' Affairs to locate its new community based outpatient clinic in Lewiston. In addition, the Post 31 Color Guard participates in many ceremonies each year, and their presence helps enhance the ceremony.

Mr. Speaker, please join me in congratulating the Franco American War Veterans on their 80th Anniversary and Post 31 of Lewiston, Maine, on their 25th Anniversary.
