IN RECOGNITION OF THE DAVID WEBSTER GREENER WAY TO WORK DAY

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES Friday, September 21, 2012

Mr. KUCINICH. Mr. Speaker, I rise to recognize September 25, 2012, as the Cleveland Metropolitan Bar Association's (CMBA) 4th Annual "David Webster Greener Way to Work Day," and to remember David Webster, legal scholar, litigator, entrepreneur, and environmentalist, who died at age 46 from cancer on March 13, 2009, but whose achievements were many in his short life.

David Webster overcame alcoholism at a young age and went on to sponsor others in recovery. He accomplished much and saw life as an adventure. At Case Western Reserve School of Law, he graduated magna cum laude and was an editor of Law Review, where he met his wife Beth.

Upon graduation from law school, David became a commercial lawyer with broad experience, in matters involving banking, commodity trading, securities, technology, real estate, intellectual property, and his passion, environmental law. Merging his knowledge of commodity trading and environmental law, he founded INHALE, which later became the Clean Air Conservancy, an organization which worked within the manufacturing economy and the commodities market to reduce air pollution by acquiring and retiring pollution allowances. Outside Magazine dubbed the Clean Air Conservancy one of the 10 best small environmental non-profits.

David Webster was an aggressive litigator who took on music giant Sony and won a judgment of more than \$5 million for the late Cleveland music producer Steve Popovich over credit for Meatloaf's hottest album, "Bat out of Hell." He was a founding partner of the law firm Webster & Dubyak and was also actively involved in the Cuyahoga County Bar Association, the Federal Bar Association, and the American Bar Association. He was a driving force behind the merger of the Cuyahoga County and the Cleveland Bar Associations and was the President-elect of the merged CMBA at the time of his passing.

Mr. Speaker and colleagues, please join me in recognizing Tuesday September 25, 2012 as the 4th Annual David Webster Greener Way to Work Day. The CMBA encourages us to find a greener way to travel to and from work, whether through public transportation, biking, walking or carpooling. The CMBA will honor David's memory with a noon luncheon at the CMBA to recognize law firms and offices for their commitment to implement sustainable practices, reduce waste, and shrink their carbon footprints. Please join me in honoring the memory of David Webster by joining with the CMBA in taking action to protect our environment.

IN RECOGNITION OF JOAN RECHNITZ AND BOB RECHNITZ

HON. FRANK PALLONE, JR.

OF NEW JERSEY IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2012

Mr. PALLONE. Mr. Speaker, I rise today to recognize Joan Rechnitz and Bob Rechnitz for their work in preserving New Jersey's pristine natural habitats. Their work with the Monmouth Conservation Foundation has been instrumental in helping to ensure that all New Jerseyans are able to enjoy the picturesque beauty of our county and State for generations to come.

Over the past 35 years, the Monmouth Conservation Foundation has worked to protect over 6,500 acres of land in Monmouth County. Joan and Bob Rechnitz have long been strong advocates and supporters of the foundation and the environment, which includes Bob's tenure as a member of the foundation's advisory board, and Joan's time as a board member of Monmouth County's "Friends of the Parks" organization. In addition to Joan and Bob Rechnitz's work with the Monmouth Conservation Foundation and "Friends of the Parks," both have been actively involved in promoting the arts in Monmouth County. In 1994, Joan and Bob Rechnitz founded the Two River Theater Company in an effort to provide Monmouth County residents with educational and community programs aimed at promoting the appreciation and advancement of arts. Joan and Bob Rechnitz's work through the Two River Theater Company, the Monmouth Conservation Foundation, and Monmouth County "Friends of the Parks" has resulted in a greater appreciation of the environment and the arts. It is my pleasure to join the Monmouth Conservation Foundation in honoring their work in showcasing and promoting the appreciation of art in nature and nature in art.

Mr. Speaker, please join me in leading this body in recognition of Joan and Bob Rechnitz for their work in artistic and environmental advocacy. I would like to extend my appreciation and gratitude for their work on behalf of Monmouth County, and I look forward to hearing of their future successes and endeavors.

COMMEMORATING THE 100TH YEAR OF THE LAKE COUNTY RAILROAD

HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2012

Mr. WALDEN. Mr. Speaker, I rise today to recognize and commemorate the 100th year of the Lake County Railroad, a 55-mile stretch of track connecting the neighboring communities of Alturas, California and Lakeview, Oregon.

Since its completion in January 1912 as part of the Nevada-California-Oregon Railway, this rail line has been a vital economic lifeline to the region, transporting Lake County's abundant agricultural and natural resources to markets around this great nation and the world. The arrival of the NCO Railway was heralded at the time as "the most important epoch in the history of Lakeview and Lake County." Despite the limitations of its narrowgauged tracks, the railroad spurred the growth of the livestock, mineral, and timber industries, brought in scores of new settlers, and turned a dusty frontier town into a vibrant community. Along with a passenger depot which still stands today, the railroad ushered in a building boom that saw the construction of a new opera house, high school, and even a sewer system.

In 1927, the line was sold to Southern Pacific, which quickly converted it to standardgauge operations. As a result, Lakeview changed from a commercial center to an industrial hub containing up to ten lumber mills and remanufacturing plants. For nearly 60 years, rail-related trade in the region thrived as millions of board feet of ponderosa pine were carried to market via railcar.

With the beginning of the demise of the timber industry in the Northwest in the early 1980s, Southern Pacific announced plans to abandon the line. Recognizing the economic impact abandonment of the line would have on communities served by the railroad and appreciating its historic significance, Lake County purchased the line in 1986. In 1996, the county took over direct operations and established the Lake County Railroad.

Today, timber shipments have largely been replaced by loads of perlite, but the importance of the line has never been more pronounced. Reliable transportation brings industry and jobs, especially in rural Oregon.

While it has not been an easy task, the business and government leaders of Lake County have maintained and strengthened the Lake County Railroad with a tenacity and dedication that rivals those who first established the railroad. I am proud to have personally supported, advocated for, and been deeply involved in their many efforts to fuel this economic engine. And I will continue to do so.

On October 6, Lake County, Oregon, and the Town of Lakeview will celebrate the Centennial of the Lake County Railroad. Ten years ago, I had the pleasure of being on hand, with my son, to share in the community's previous celebration of the line. While unfortunately I cannot be there again to mark this momentous occasion, this record honors those efforts of my good friends in preserving the history of and building a future for railroads in America.

My fellow colleagues, please join me in congratulating the Lake County Railroad on 100 years of excellent service.

RECOGNIZING NATIONAL WORK AND FAMILY MONTH

HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES Friday, September 21, 2012

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I rise today to recognize the month of October as National Work and Family Month.
