Mr. Speaker, I am confident that the Secretary of State Hilary Clinton and the Secretary of Education Arne Duncan would agree with me that to compete in today's global economy, students need an international education paired with studying foreign languages. The State Department and the Department of Education should be commended for developing and supporting International Education Week.

HONORING STEVE STANFIELD-SWITZER

**HON. HEATH SHULER**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2012*

Mr. SHULER. Mr. Speaker, I rise today to honor several of the volunteers who have served in my District office over the past six years while I have been in office. A Member of Congress' most important responsibility is to provide excellent constituent services and these volunteers have assisted my staff in providing the exceptional assistance so many have come to expect from our District team. I take great pride in the work that each one has done on my behalf and on behalf of everyone in the 11th Congressional District of North Carolina.

These volunteers have always treated our constituents with the utmost respect and always made sure their needs were met in a timely fashion. I owe a debt of gratitude to each one of them for the support and friendship they have shown to me during my years of service in Congress.

Steve Stanfield-Switzer played a valuable role as a volunteer in my District office. I could always count on Steve to make sure visitors to our District office knew they were respected and recognized. Constituents were often comforted by Steve's calm confidence when they visited or called in need of critical assistance. Steve showed a particular interest in assisting our veterans and became a valuable resource to our staff in diagnosing their problems and helping to point them in the right direction.

Steve should be proud of the service he has provided to our District and country. It has been an honor to serve with him and as I retire from office I wish him the very best in the future. Western North Carolina is a better place because of his efforts.

Mr. Speaker, I ask my colleagues to join me in recognizing and thanking Steve Stanfield-Switzer for his hard work on behalf of all of Western North Carolina and to wish him continued success in his future endeavors.

HONORING WORK OF CHARLES  
"CHUCK" MOSHER

**HON. JEFF DENHAM**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2012*

Mr. DENHAM. Mr. Speaker, I rise today to honor the dedicated work of Charles "Chuck"

Mosher, M.D., M.P.H. as the County Health Officer for Mariposa County. Serving in this position since 1988, Dr. Mosher has worked vigorously to make positive changes in the community.

Dr. Mosher is a graduate of the University of Notre Dame. He received his Medical Degree from the New York Medical College and continued his education at the University of Washington. While there, he earned his Master's in Public Health.

Chuck has dedicated his career to improving the health of those around him. While he was a physician, he volunteered for the Peace Corps in both Paraguay and Washington, D.C. He served as the Director of Emergency Medicine for the State of Georgia; and here in the Central Valley, he continued his career as the Emergency Medical Services Medical Director and Health Officer for Merced County. In addition, Chuck has passionately met the needs of his community through his general private practice in Mariposa County. He also served as Chief of Staff for the John C. Fremont Hospital.

On November 7, 1988, Dr. Mosher was appointed Mariposa County Health Officer. In this position, he dedicated his time to managing the day-to-day operations and budget of the Health Department, serving the public health needs of the residents and tourists in Mariposa County. This dedication to fulfill the public health needs of so many people makes Dr. Mosher an invaluable asset to the community.

As Public Health Officer, Dr. Mosher's duties not only covered infectious and communicable diseases, including measles and whooping cough outbreaks, Hantavirus, and H1N1 influenza; but everything from hazardous materials, air quality, aging septic systems, toxic chemicals, underground storage tanks, endemic rabies, several wildfires, sewage spills into the Merced River, floods, and anthrax exposure. He even increased public awareness by writing a regular column in the local newspaper and speaking to local service clubs and schools.

During Chuck's long, distinguished career, he has accomplished ambitious changes in the emergency medical services, which include contracting with professional ambulance companies, and coordinating and conducting emergency drills along with other public agencies. He is a member of the Mariposa Emergency Medical Care Committee and the Quality Improvement Subcommittee. Chuck has overseen and maintained involvement and communications with numerous regional health and safety related committees and agencies.

Working within a community facing many unique challenges, Dr. Mosher directed the enforcement of state and county health and sanitation laws and regulations and oversaw environmental health. He worked to educate and protect rural areas with the state's implementation of septic tank regulations and effectively transitioned the environmental and nursing staff from the state to the county with the reorganization of the department.

Dr. Mosher's sense of citizenship and volunteerism was recognized for his role in maintaining public safety during the post 9/11 events of 2001. He organized clinic services, dental health programs, community health resources, emergency medical services, and public health education—including the Child

Health and Disability Prevention Program. He wrote grants and contributed to the Smart Start Visiting Nurse program and Tobacco Cessation program. His dedicated work to these programs, as well as others, has improved the lives of countless individuals.

Mr. Speaker, please join me in honoring Dr. Charles Mosher for his outstanding commitment to serve the health needs of those in his community. In his retirement, he plans to continue with his passion of writing and possibly travel to serve in other less developed countries. Dr. Mosher is a true public servant, and I wish him continued success in his future endeavors.

**HON. GUS M. BILIRAKIS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2012*

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor Walter Hilgart both for his service to our nation and for his continued service to the community.

Growing up during the Great Depression in Wisconsin, Mr. Hilgart began his service career in the U.S. Army. By the end of World War II, he had flown 22 combat missions with the Army Air Forces. He then left the service but quickly enlisted again—this time with the U.S. Air Force. By the end of his service with the Air Force, he had risen to the top enlisted grade of chief master sergeant.

Mr. Hilgart's service did not end there. As a retiree, he began substitute teaching in Pasco County, Florida. He is now a familiar face on Gulf High School's campus, even celebrating his 90th birthday in conjunction with the school's 90th birthday. During his time in the classroom, he encourages students to make the most of their education. Many students are so captivated by his life experiences that they work to quickly complete their assignments so there is time to hear his stories.

Mr. Hilgart's dedication to country and community are truly inspiring. Throughout his life, he has selflessly demonstrated qualities of putting others before himself. His legacy will certainly live on through the many students he has inspired for years to come.
