IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mr. SHULER. Mr. Speaker, I rise today to honor the members of my Congressional Staff who have served with me over the past six years while I have been in office. A Member of Congress' most important responsibility is to provide exceptional constituent services and my Staff is second to none in providing the best assistance to everyone in our District. I take great pride in the work that each one has done on my behalf and on behalf of everyone in the 11th Congressional District of North Carolina.

Each District Staff member has shown a strong sense of dedication in meeting the needs of each and every one of our constituents. They often go well beyond the call to make sure each constituent is treated fairly and respectfully by our government agencies and that they receive appropriate resolution. I owe a debt of gratitude to each one of them for the support and friendship which they have shown me while I have served in Congress.

Erica Edwards has served as a member of my District staff since October of 2008. Erica provided valuable guidance to individuals seeking assistance from the Social Security Administration. Erica's background working with the Department of Social Services at the county level provided our constituents with an additional level of expertise and hands-on experience to effectively serve a broader spectrum of constituents in their greatest time of need.

Erica should be proud of the service she has provided to our District and country. It has been an honor to serve with Erica and as I retire from office I wish her the very best in the future. Western North Carolina is a better place because of her efforts and I will cherish the memories of serving with Erica and the team by my side.

Mr. Speaker, I ask my colleagues to join me in recognizing and thanking Erica Edwards for her hard work on behalf of all of Western North Carolina and to wish her continued success in her future endeavors.

Mr. SHULER. Mr. Speaker, I rise today to honor the members of my Congressional Staff who have served with me over the past six years while I have been in office. A Member of Congress' most important responsibility is to provide exceptional constituent services and my team is second to none in providing the best assistance to all in our District. My Washington, D.C. office is also tasked with researching, processing, analyzing, and making recommendations on an infinite number of reports, policies, and legislation. I could not ask for a more talented or dedicated team, and I take great pride in the work that each staff member has done not only on my behalf, but also on behalf of the 11th Congressional District of North Carolina and the United States.

Having grown up in the 11th Congressional District, Blakely was proud to help represent her hometown District in our nation's Capitol. She was especially passionate about issues surrounding higher education and focused on policies that would help to ensure that all students have access to a high-quality, affordable education.
