ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There is 1 minute remaining.

□ 1802

So (two-thirds being in the affirmative) the rules were suspended and the Senate amendments were concurred in.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILER. Mr. Speaker, on rollcall 607, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted "yea."

GENERAL LEAVE

Mr. POE of Texas. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H. Res. 808.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

URGING PASSAGE OF FARM BILL

(Mr. JOHNSON of Illinois asked and was given permission to address the House for 1 minute.)

Mr. JOHNSON of Illinois. Mr. Speaker, I rise today to urge this House to come together and support a new comprehensive farm bill. Farmers in my district are the most efficient producers in the world; however, their productivity and efficiency could be hindered if this body does not act on a new farm bill.

After facing a historic drought this year, farmers saw a tremendous drop in yields. Crop insurance was there to keep them afloat; however, there is so much uncertainty that, if we don't act soon, the producers in my district and across the country could be facing unjust consequences when going to buy their seed, fertilizer, and other inputs for the 2013 crop.

There are differences between the bill that was passed by the House Ag Committee, of which I'm a member, as compared to that of the Senate. That's why we need to bring the House bill to the floor for a vote, so that we can go to conference committee and work out our differences just as we did last year in the highway bill.

Certainty is what the farmers need right now in order to continue to produce the safest and most affordable food in the world. I urge both sides to come together and pass a new 5-year farm bill before the end of the year.

VIOLENCE IN THE MIDDLE EAST

The SPEAKER pro tempore (Mr. TIP-TON). Under the Speaker's announced policy of January 5, 2011, the gentleman from Texas (Mr. GOHMERT) is recognized for 60 minutes as the designee of the majority leader.

Mr. GOHMERT. Mr. Speaker, violence is continuing to erupt in the Middle East. Unfortunately, it remains true that for every action there is a reaction. So when this administration decided to push its ally, President Mubarak, out of leadership in Egypt, it was assisting in creating instability around our other ally, Israel. And that instability continues to grow.

One of the things that was helpful from Egypt while President Mubarak was in charge, at least there were some efforts to restrict the transfer of rockets into the Gaza Strip. So there were some tunnels that would be found. The tunnels had to be kept small, so they were able to get smaller rockets into Gaza. But now that there is a new regime, apparently the bigger rockets are getting into Gaza, and they pose more and more of a threat as they continue to be fired into Israel.

The action is not only the fall of an ally, President Mubarak, but the assistance in bringing to power in Egypt the Muslim Brotherhood. They want to see Israel gone, and they would also not mind seeing the United States gone.
