23 **SEC. 7. PERIODIC REVIEW OF RULES.**

24 Section 610 of title 5, United States Code, is amend-  
25 ed to read as follows:

1 **“§ 610. Periodic review of rules**

2       “(a) Not later than 180 days after the enactment of  
3 the Regulatory Flexibility Improvements Act of 2013,  
4 each agency shall publish in the Federal Register and  
5 place on its website a plan for the periodic review of rules  
6 issued by the agency which the head of the agency deter-  
7 mines have a significant economic impact on a substantial  
8 number of small entities. Such determination shall be  
9 made without regard to whether the agency performed an  
10 analysis under section 604. The purpose of the review  
11 shall be to determine whether such rules should be contin-  
12 ued without change, or should be amended or rescinded,  
13 consistent with the stated objectives of applicable statutes,  
14 to minimize any adverse significant economic impacts or  
15 maximize any beneficial significant economic impacts on  
16 a substantial number of small entities. Such plan may be  
17 amended by the agency at any time by publishing the revi-  
18 sion in the Federal Register and subsequently placing the  
19 amended plan on the agency’s website.

20       “(b) The plan shall provide for the review of all such  
21 agency rules existing on the date of the enactment of the  
22 Regulatory Flexibility Improvements Act of 2013 within  
23 10 years of the date of publication of the plan in the Fed-  
24 eral Register and for review of rules adopted after the date  
25 of enactment of the Regulatory Flexibility Improvements  
26 Act of 2013 within 10 years after the publication of the

1 final rule in the Federal Register. If the head of the agen-  
2 cy determines that completion of the review of existing  
3 rules is not feasible by the established date, the head of  
4 the agency shall so certify in a statement published in the  
5 Federal Register and may extend the review for not longer  
6 than 2 years after publication of notice of extension in  
7 the Federal Register. Such certification and notice shall  
8 be sent to the Chief Counsel for Advocacy of the Small  
9 Business Administration and the Congress.

10       “(c) The plan shall include a section that details how  
11 an agency will conduct outreach to and meaningfully in-  
12 clude small businesses for the purposes of carrying out  
13 this section. The agency shall include in this section a plan  
14 for how the agency will contact small businesses and gath-  
15 er their input on existing agency rules.

16       “(d) Each agency shall annually submit a report re-  
17 garding the results of its review pursuant to such plan  
18 to the Congress, the Chief Counsel for Advocacy of the  
19 Small Business Administration, and, in the case of agen-  
20 cies other than independent regulatory agencies (as de-  
21 fined in section 3502(5) of title 44) to the Administrator  
22 of the Office of Information and Regulatory Affairs of the  
23 Office of Management and Budget. Such report shall in-  
24 clude the identification of any rule with respect to which  
25 the head of the agency made a determination described

1 in paragraph (5) or (6) of subsection (e) and a detailed  
2 explanation of the reasons for such determination.

3 “(e) In reviewing a rule pursuant to subsections (a)  
4 through (d), the agency shall amend or rescind the rule  
5 to minimize any adverse significant economic impact on  
6 a substantial number of small entities or disproportionate  
7 economic impact on a specific class of small entities, or  
8 maximize any beneficial significant economic impact of the  
9 rule on a substantial number of small entities to the great-  
10 est extent possible, consistent with the stated objectives  
11 of applicable statutes. In amending or rescinding the rule,  
12 the agency shall consider the following factors:

13 “(1) The continued need for the rule.

14 “(2) The nature of complaints received by the  
15 agency from small entities concerning the rule.

16 “(3) Comments by the Regulatory Enforcement  
17 Ombudsman and the Chief Counsel for Advocacy of  
18 the Small Business Administration.

19 “(4) The complexity of the rule.

20 “(5) The extent to which the rule overlaps, du-  
21 plicates, or conflicts with other Federal rules and,  
22 unless the head of the agency determines it to be in-  
23 feasible, State, territorial, and local rules.

24 “(6) The contribution of the rule to the cumu-  
25 lative economic impact of all Federal rules on the

1 class of small entities affected by the rule, unless the  
2 head of the agency determines that such calculations  
3 cannot be made and reports that determination in  
4 the annual report required under subsection (d).

5 “(7) The length of time since the rule has been  
6 evaluated or the degree to which technology, eco-  
7 nomic conditions, or other factors have changed in  
8 the area affected by the rule.

9 “(f) The agency shall publish in the Federal Register  
10 and on its website a list of rules to be reviewed pursuant  
11 to such plan. Such publication shall include a brief de-  
12 scription of the rule, the reason why the agency deter-  
13 mined that it has a significant economic impact on a sub-  
14 stantial number of small entities (without regard to wheth-  
15 er it had prepared a final regulatory flexibility analysis  
16 for the rule), and request comments from the public, the  
17 Chief Counsel for Advocacy of the Small Business Admin-  
18 istration, and the Regulatory Enforcement Ombudsman  
19 concerning the enforcement of the rule.”.
