## AN ACT

To grant the Congressional Gold Medal, collectively, to the Monuments Men, in recognition of their heroic role in the preservation, protection, and restitution of monuments, works of art, and artifacts of cultural importance during and following World War II.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Monuments Men Rec-  
3 ognition Act of 2014”.

4 **SEC. 2. FINDINGS.**

5 The Congress finds the following:

6 (1) On June 23, 1943, President Franklin D.  
7 Roosevelt formed the “American Commission for the  
8 Protection and Salvage of Artistic and Historic  
9 Monuments in War Areas”.

10 (2) The Commission established the Monu-  
11 ments, Fine Arts, and Archives (“MFAA”) Section  
12 under the Allied Armies.

13 (3) The men and women serving in the MFAA  
14 Section were referred to as the “Monuments Men”.

15 (4) These individuals had expertise as museum  
16 directors, curators, art historians, artists, architects,  
17 and educators.

18 (5) In December 1943, General Dwight D. Ei-  
19 senhower empowered the Monuments Men by issuing  
20 orders to all commanders that stated they must re-  
21 spect monuments “so far as war allows”.

22 (6) Initially the Monuments Men were intended  
23 to protect and temporarily repair the monuments,  
24 churches, and cathedrals of Europe suffering dam-  
25 age due to combat.

1           (7) Hitler and the Nazis engaged in a pre-medi-  
2           tated, mass theft of art and stored priceless works  
3           in thousands of art repositories throughout Europe.

4           (8) The Monuments Men adapted their mission  
5           to identify, preserve, catalogue, and repatriate al-  
6           most 5,000,000 artistic and cultural items which  
7           they discovered.

8           (9) This magnitude of cultural preservation was  
9           unprecedented during a time of conflict.

10          (10) The Monuments Men grew to no more  
11          than 350 individuals and joined front line military  
12          forces; two Monuments Men lost their lives in action.

13          (11) Following the Allied victory, the Monu-  
14          ments Men remained abroad to rebuild cultural life  
15          in Europe through organizing art exhibitions and  
16          concerts.

17          (12) Many of the Monuments Men became re-  
18          nowned directors and curators of preeminent inter-  
19          national cultural institutions, professors at institu-  
20          tions of higher education, and founders of artistic  
21          associations both before and after the war.

22          (13) The Monuments Men Foundation for the  
23          Preservation of Art was founded in 2007 to honor  
24          the legacy of the men and women who served as  
25          Monuments Men.

1           (14) There are only five surviving members of  
2           the Monuments Men as of December 2013.

3 **SEC. 3. CONGRESSIONAL GOLD MEDAL.**

6           ments Men, and that preference should be given to  
7           locations affiliated with the Smithsonian Institution.

8   **SEC. 4. DUPLICATE MEDALS.**

9           The Secretary may strike and sell duplicates in  
10          bronze of the gold medal struck pursuant to section 3  
11          under such regulations as the Secretary may prescribe, at  
12          a price sufficient to cover the cost thereof, including labor,  
13          materials, dies, use of machinery, and overhead expenses,  
14          and the cost of the gold medal.
