TITLE VIII

GENERAL PROVISIONS

SEC. 8001. No part of any appropriation contained in this Act shall be used for publicity or propaganda purposes not authorized by the Congress.

SEC. 8002. During the current fiscal year, provisions of law prohibiting the payment of compensation to, or employment of, any person not a citizen of the United States shall not apply to personnel of the Department of Defense: Provided, That salary increases granted to direct and indirect hire foreign national employees of the Department of Defense funded by this Act shall not be at a rate in excess
of the percentage increase authorized by law for civilian
employees of the Department of Defense whose pay is
computed under the provisions of section 5332 of title 5,
United States Code, or at a rate in excess of the percent-
age increase provided by the appropriate host nation to
its own employees, whichever is higher: Provided further,
That this section shall not apply to Department of De-
fense foreign service national employees serving at United
States diplomatic missions whose pay is set by the Depart-
ment of State under the Foreign Service Act of 1980: Pro-
vided further; That the limitations of this provision shall
not apply to foreign national employees of the Department
of Defense in the Republic of Turkey.

Sec. 8003. No part of any appropriation contained
in this Act shall remain available for obligation beyond
the current fiscal year, unless expressly so provided herein.

Sec. 8004. No more than 20 percent of the appro-
priations in this Act which are limited for obligation dur-
ing the current fiscal year shall be obligated during the
last 2 months of the fiscal year: Provided, That this sec-
tion shall not apply to obligations for support of active
duty training of reserve components or summer camp
training of the Reserve Officers’ Training Corps.
Sec. 8005. Upon determination by the Secretary of Defense that such action is necessary in the national interest, he may, with the approval of the Office of Management and Budget, transfer not to exceed $5,000,000,000 of working capital funds of the Department of Defense or funds made available in this Act to the Department of Defense for military functions (except military construction) between such appropriations or funds or any subdivision thereof, to be merged with and to be available for the same purposes, and for the same time period, as the appropriation or fund to which transferred: Provided, That such authority to transfer may not be used unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which funds are requested has been denied by the Congress: Provided further, That the Secretary of Defense shall notify the Congress promptly of all transfers made pursuant to this authority or any other authority in this Act: Provided further, That no part of the funds in this Act shall be available to prepare or present a request to the Committees on Appropriations for reprogramming of funds, unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no
case where the item for which reprogramming is requested has been denied by the Congress; Provided further, That a request for multiple reprogrammings of funds using authority provided in this section shall be made prior to June 30, 2015; Provided further, That transfers among military personnel appropriations shall not be taken into account for purposes of the limitation on the amount of funds that may be transferred under this section.

SEC. 8006. (a) With regard to the list of specific programs, projects, and activities (and the dollar amounts and adjustments to budget activities corresponding to such programs, projects, and activities) contained in the tables titled "Explanation of Project Level Adjustments" in the explanatory statement regarding this Act, the obligation and expenditure of amounts appropriated or otherwise made available in this Act for those programs, projects, and activities for which the amounts appropriated exceed or are less than the amounts requested are hereby required by law to be carried out in the manner provided by such tables to the same extent as if the tables were included in the text of this Act.

(b) Amounts specified in the referenced tables described in subsection (a) shall not be treated as subdivisions of appropriations for purposes of section 8005 of this Act; Provided, That section 8005 shall apply when trans-
fers of the amounts described in subsection (a) occur between appropriation accounts.

Sec. 8007. (a) Not later than 60 days after enactment of this Act, the Department of Defense shall submit a report to the congressional defense committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2015: Provided, That the report shall include—

(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and the fiscal year enacted level;

(2) a delineation in the table for each appropriation both by budget activity and program, project, and activity as detailed in the Budget Appendix; and

(3) an identification of items of special congressional interest.

(b) Notwithstanding section 8005 of this Act, none of the funds provided in this Act shall be available for reprogramming or transfer until the report identified in subsection (a) is submitted to the congressional defense committees, unless the Secretary of Defense certifies in writing to the congressional defense committees that such
reprogramming or transfer is necessary as an emergency requirement.

(TRANSFER OF FUNDS)

Sec. 8008. During the current fiscal year, cash balances in working capital funds of the Department of Defense established pursuant to section 2208 of title 10, United States Code, may be maintained in only such amounts as are necessary at any time for cash disbursements to be made from such funds: Provided, That transfers may be made between such funds: Provided further, That transfers may be made between such funds: Provided further, That transfers may be made between working capital funds and the "Foreign Currency Fluctuations, Defense" appropriation and the "Operation and Maintenance" appropriation accounts in such amounts as may be determined by the Secretary of Defense, with the approval of the Office of Management and Budget, except that such transfers may not be made unless the Secretary of Defense has notified the Congress of the proposed transfer. Except in amounts equal to the amounts appropriated to working capital funds in this Act, no obligations may be made against a working capital fund to procure or increase the value of war reserve material inventory, unless the Secretary of Defense has notified the Congress prior to any such obligation.
Sec. 8009. Funds appropriated by this Act may not be used to initiate a special access program without prior notification 30 calendar days in advance to the congressional defense committees.

Sec. 8010. None of the funds provided in this Act shall be available to initiate: (1) a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year of the contract or that includes an unfunded contingent liability in excess of $20,000,000; or (2) a contract for advance procurement leading to a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year, unless the congressional defense committees have been notified at least 30 days in advance of the proposed contract award: Provided, That no part of any appropriation contained in this Act shall be available to initiate a multiyear contract for which the economic order quantity advance procurement is not funded at least to the limits of the Government's liability: Provided further, That no part of any appropriation contained in this Act shall be available to initiate multiyear procurement contracts for any systems or component thereof if the value of the multiyear contract would exceed $500,000,000 unless specifically provided in this Act: Provided further, That no multiyear procurement contract can be termi-
nated without 10-day prior notification to the congres-

sional defense committees. Provided further, That the exe-
cution of multiyear authority shall require the use of a
present value analysis to determine lowest cost compared
to an annual procurement. Provided further, That none of
the funds provided in this Act may be used for a multiyear
contract executed after the date of the enactment of this
Act unless in the case of any such contract—

(1) the Secretary of Defense has submitted to
Congress a budget request for full funding of units
to be procured through the contract and, in the case
of a contract for procurement of aircraft, that in-
cludes, for any aircraft unit to be procured through
the contract for which procurement funds are re-
quested in that budget request for production be-
yond advance procurement activities in the fiscal
year covered by the budget, full funding of procure-
ment of such unit in that fiscal year;

(2) cancellation provisions in the contract do
not include consideration of recurring manufacturing
costs of the contractor associated with the produc-
tion of unfunded units to be delivered under the con-
tract;
(3) the contract provides that payments to the contractor under the contract shall not be made in advance of incurred costs on funded units; and

(4) the contract does not provide for a price adjustment based on a failure to award a follow-on contract.

Sec. 8011. Within the funds appropriated for the operation and maintenance of the Armed Forces, funds are hereby appropriated pursuant to section 401 of title 10, United States Code, for humanitarian and civic assistance costs under chapter 20 of title 10, United States Code. Such funds may also be obligated for humanitarian and civic assistance costs incidental to authorized operations and pursuant to authority granted in section 401 of chapter 20 of title 10, United States Code, and these obligations shall be reported as required by section 401(d) of title 10, United States Code: Provided, That funds available for operation and maintenance shall be available for providing humanitarian and similar assistance by using Civic Action Teams in the Trust Territories of the Pacific Islands and freely associated states of Micronesia, pursuant to the Compact of Free Association as authorized by Public Law 99–239: Provided further, That upon a determination by the Secretary of the Army that such action is beneficial for graduate medical education programs con-
ducted at Army medical facilities located in Hawaii; the Secretary of the Army may authorize the provision of medical services at such facilities and transportation to such facilities, on a nonreimbursable basis, for civilian patients from American Samoa, the Commonwealth of the Northern Mariana Islands, the Marshall Islands, the Federated States of Micronesia, Palau, and Guam.

Sec. 8012. (a) During fiscal year 2015, the civilian personnel of the Department of Defense may not be managed on the basis of any end-strength, and the management of such personnel during that fiscal year shall not be subject to any constraint or limitation (known as an end-strength) on the number of such personnel who may be employed on the last day of such fiscal year.

(b) The fiscal year 2016 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 2016 Department of Defense budget request shall be prepared and submitted to the Congress as if subsections (a) and (b) of this provision were effective with regard to fiscal year 2016.

(c) As required by section 1107 of the National Defense Authorization Act for Fiscal Year 2014 (Public Law 113–66; 10 U.S.C. 2358 note) civilian personnel at the Department of Army Science and Technology Reinvention
Laboratories may not be managed on the basis of the Table of Distribution and Allowances, and the management of the workforce strength shall be done in a manner consistent with the budget available with respect to such Laboratories.

(d) Nothing in this section shall be construed to apply to military (civilian) technicians.

Sec. 8013. None of the funds made available by this Act shall be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before the Congress.

Sec. 8014. None of the funds appropriated by this Act shall be available for the basic pay and allowances of any member of the Army participating as a full-time student and receiving benefits paid by the Secretary of Veterans Affairs from the Department of Defense Education Benefits Fund when time spent as a full-time student is credited toward completion of a service commitment. Provided, That this section shall not apply to those members who have reenlisted with this option prior to October 1, 1987: Provided further, That this section applies only to active components of the Army.

(TRANSFER OF FUNDS)

Sec. 8015. Funds appropriated in title III of this Act for the Department of Defense Pilot Mentor-Protege Pro-
gram may be transferred to any other appropriation contained in this Act solely for the purpose of implementing a Mentor-Protege Program developmental assistance agreement pursuant to section 831 of the National Defense Authorization Act for Fiscal Year 1991 (Public Law 101–510; 10 U.S.C. 2302 note), as amended, under the authority of this provision or any other transfer authority contained in this Act.

SEC. 8016. None of the funds in this Act may be available for the purchase by the Department of Defense (and its departments and agencies) of welded shipboard anchor and mooring chain 4 inches in diameter and under unless the anchor and mooring chain are manufactured in the United States from components which are substantially manufactured in the United States: Provided, That for the purpose of this section, the term “manufactured” shall include cutting, heat treating, quality control, testing of chain and welding (including the forging and shot blasting process): Provided further, That for the purpose of this section substantially all of the components of anchor and mooring chain shall be considered to be produced or manufactured in the United States if the aggregate cost of the components produced or manufactured in the United States exceeds the aggregate cost of the components produced or manufactured outside the United States: Pro-
vided further; That when adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis; the Secretary of the service responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations that such an acquisition must be made in order to acquire capability for national security purposes.

SEC. 8017. None of the funds available to the Department of Defense in the current fiscal year or any fiscal year hereafter may be used to demilitarize or dispose of M-1 Carbines, M-1 Garand rifles, M-14 rifles, .22 caliber rifles, .30 caliber rifles, or M-1911 pistols, or to demilitarize or destroy small arms ammunition or ammunition components that are not otherwise prohibited from commercial sale under Federal law, unless the small arms ammunition or ammunition components are certified by the Secretary of the Army or designee as unserviceable or unsafe for further use.

SEC. 8018. No more than $500,000 of the funds appropriated or made available in this Act shall be used during a single fiscal year for any single relocation of an organization, unit, activity or function of the Department of Defense into or within the National Capital Region: Provided, That the Secretary of Defense may waive this re-
striction on a case-by-case basis by certifying in writing to the congressional defense committees that such a relocation is required in the best interest of the Government.

Sec. 8019. Of the funds made available in this Act, $15,000,000 shall be available for incentive payments authorized by section 504 of the Indian Financing Act of 1974 (25 U.S.C. 1544); Provided, That a prime contractor or a subcontractor at any tier that makes a subcontract award to any subcontractor or supplier as defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code, shall be considered a contractor for the purposes of being allowed additional compensation under section 504 of the Indian Financing Act of 1974 (25 U.S.C. 1544) whenever the prime contract or subcontract amount is over $500,000 and involves the expenditure of funds appropriated by an Act making appropriations for the Department of Defense with respect to any fiscal year; Provided further, That notwithstanding section 1906 of title 41, United States Code, this section shall be applicable to any Department of Defense acquisition of supplies or services, including any contract and any subcontract at any tier for acquisition of commercial items produced or manufactured, in whole or in part, by any subcontractor

•HR 4870 RS
or supplier defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code.

Sec. 8020. Funds appropriated by this Act for the Defense Media Activity shall not be used for any national or international political or psychological activities.

Sec. 8021. During the current fiscal year, the Department of Defense is authorized to incur obligations of not to exceed $350,000,000 for purposes specified in section 2350j(e) of title 10, United States Code, in anticipation of receipt of contributions, only from the Government of Kuwait, under that section. Provided, That upon receipt, such contributions from the Government of Kuwait shall be credited to the appropriations or fund which incurred such obligations.

Sec. 8022. (a) Of the funds made available in this Act, not less than $39,500,000 shall be available for the Civil Air Patrol Corporation, of which—

(1) $27,400,000 shall be available from "Operation and Maintenance, Air Force" to support Civil Air Patrol Corporation operation and maintenance, readiness, counter-drug activities, and drug demand reduction activities involving youth programs;
(2) $10,400,000 shall be available from "Air-
craft Procurement, Air Force"; and

(3) $1,700,000 shall be available from "Other 
Procurement, Air Force" for vehicle procurement.

(b) The Secretary of the Air Force should waive reim-
bursement for any funds used by the Civil Air Patrol for 
counter-drug activities in support of Federal, State, and 
local government agencies.

SEC. 8023. (a) None of the funds appropriated in this 
Act are available to establish a new Department of De-
fense (department) federally funded research and develop-
ment center (FFRDC), either as a new entity, or as a 
separate entity administrated by an organization man-
aging another FFRDC, or as a nonprofit membership cor-
poration consisting of a consortium of other FFRDCs and 
other nonprofit entities.

(b) No member of a Board of Directors, Trustees, 
Overseers, Advisory Group, Special Issues Panel, Visiting 
Committee, or any similar entity of a defense FFRDC, 
and no paid consultant to any defense FFRDC, except 
when acting in a technical advisory capacity, may be com-
pensated for his or her services as a member of such enti-
ty, or as a paid consultant by more than one FFRDC in 
a fiscal year: Provided, That a member of any such entity 
referred to previously in this subsection shall be allowed
travel expenses and per diem as authorized under the Federal Joint Travel Regulations, when engaged in the performance of membership duties.

(e) Notwithstanding any other provision of law, none of the funds available to the department from any source during fiscal year 2015 may be used by a defense FFRDC, through a fee or other payment mechanism, for construction of new buildings, for payment of cost sharing for projects funded by Government grants, for absorption of contract overruns, or for certain charitable contributions, not to include employee participation in community service and/or development.

(d) Notwithstanding any other provision of law, of the funds available to the department during fiscal year 2015, not more than 5,750 staff years of technical effort (staff years) may be funded for defense FFRDCs: Provided, That of the specific amount referred to previously in this subsection, not more than 1,125 staff years may be funded for the defense studies and analysis FFRDCs: Provided further, That this subsection shall not apply to staff years funded in the National Intelligence Program (NIP) and the Military Intelligence Program (MIP).

(e) The Secretary of Defense shall, with the submission of the department’s fiscal year 2016 budget request, submit a report presenting the specific amounts of staff
years of technical effort to be allocated for each defense

FFRDC during that fiscal year and the associated budget

estimates.

(f) Notwithstanding any other provision of this Act, the total amount appropriated in this Act for FFRDCs is hereby reduced by $40,000,000.

SEC. 8024. None of the funds appropriated or made available in this Act shall be used to procure carbon, alloy, or armor steel plate for use in any Government-owned facility or property under the control of the Department of Defense which were not melted and rolled in the United States or Canada: Provided, That these procurement restrictions shall apply to any and all Federal Supply Class 9515, American Society of Testing and Materials (ASTM) or American Iron and Steel Institute (AISI) specifications of carbon, alloy or armor steel plate: Provided further, That the Secretary of the military department responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes: Provided further, That these restrictions shall not apply to
contracts which are in being as of the date of the enactment of this Act.

Sec. 8025. For the purposes of this Act, the term "congressional defense committees" means the Armed Services Committee of the House of Representatives; the Armed Services Committee of the Senate; the Subcommittee on Defense of the Committee on Appropriations of the Senate; and the Subcommittee on Defense of the Committee on Appropriations of the House of Representatives.

Sec. 8026. During the current fiscal year, the Department of Defense may acquire the modification, depot maintenance and repair of aircraft, vehicles and vessels as well as the production of components and other Defense-related articles, through competition between Department of Defense depot maintenance activities and private firms: Provided, That the Senior Acquisition Executive of the military department or Defense Agency concerned, with power of delegation, shall certify that successful bids include comparable estimates of all direct and indirect costs for both public and private bids: Provided further, That Office of Management and Budget Circular A–76 shall not apply to competitions conducted under this section.
Sec. 8027.  (a)(1) If the Secretary of Defense, after consultation with the United States Trade Representative, determines that a foreign country which is party to an agreement described in paragraph (2) has violated the terms of the agreement by discriminating against certain types of products produced in the United States that are covered by the agreement, the Secretary of Defense shall rescind the Secretary's blanket waiver of the Buy American Act with respect to such types of products produced in that foreign country.

(2) An agreement referred to in paragraph (1) is any reciprocal defense procurement memorandum of understanding, between the United States and a foreign country pursuant to which the Secretary of Defense has prospectively waived the Buy American Act for certain products in that country.

(b) The Secretary of Defense shall submit to the Congress a report on the amount of Department of Defense purchases from foreign entities in fiscal year 2015. Such report shall separately indicate the dollar value of items for which the Buy American Act was waived pursuant to any agreement described in subsection (a)(2), the Trade Agreement Act of 1979 (19 U.S.C. 2501 et seq.), or any international agreement to which the United States is a party.
(a) For purposes of this section, the term "Buy American Act" means chapter 83 of title 41, United States Code.

Sec. 8029. (a) Notwithstanding any other provision of law, the Secretary of the Air Force may convey at no cost to the Air Force, without consideration, to Indian tribes located in the States of Nevada, Idaho, North Dakota, South Dakota, Montana, Oregon, Minnesota, and Washington relocatable military housing units located at Grand Forks Air Force Base, Malmstrom Air Force Base, Mountain Home Air Force Base, Ellsworth Air Force Base, and Minot Air Force Base that are excess to the needs of the Air Force.

(b) The Secretary of the Air Force shall convey, at no cost to the Air Force, military housing units under subsection (a) in accordance with the request for such units that are submitted to the Secretary by the Operation Walking Shield Program on behalf of Indian tribes located
in the States of Nevada, Idaho, North Dakota, South Dakota, Montana, Oregon, Minnesota, and Washington. Any such conveyance shall be subject to the condition that the housing units shall be removed within a reasonable period of time, as determined by the Secretary.

(c) The Operation Walking Shield Program shall resolve any conflicts among requests of Indian tribes for housing units under subsection (a) before submitting requests to the Secretary of the Air Force under subsection (b).

(d) In this section, the term "Indian tribe" means any recognized Indian tribe included on the current list published by the Secretary of the Interior under section 104 of the Federally Recognized Indian Tribe Act of 1994 (Public Law 103–454; 108 Stat. 4792; 25 U.S.C. 479a–1).

SEC. 8030. During the current fiscal year, appropriations which are available to the Department of Defense for operation and maintenance may be used to purchase items having an investment item unit cost of not more than $250,000.

SEC. 8031. (a) During the current fiscal year, none of the appropriations or funds available to the Department of Defense Working Capital Funds shall be used for the purchase of an investment item for the purpose of acquir-
ing a new inventory item for sale or anticipated sale during the current fiscal year or a subsequent fiscal year to customers of the Department of Defense Working Capital Funds if such an item would not have been chargeable to the Department of Defense Business Operations Fund during fiscal year 1994 and if the purchase of such an investment item would be chargeable during the current fiscal year to appropriations made to the Department of Defense for procurement.

(b) The fiscal year 2016 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 2016 Department of Defense budget shall be prepared and submitted to the Congress on the basis that any equipment which was classified as an end item and funded in a procurement appropriation contained in this Act shall be budgeted for in a proposed fiscal year 2016 procurement appropriation and not in the supply management business area or any other area or category of the Department of Defense Working Capital Funds.

Sec. 8032. None of the funds appropriated by this Act for programs of the Central Intelligence Agency shall remain available for obligation beyond the current fiscal year, except for funds appropriated for the Reserve for Contingencies, which shall remain available until Sep-
September 30, 2016: Provided, That funds appropriated, transferred, or otherwise credited to the Central Intelligence Agency Central Services Working Capital Fund during this or any prior or subsequent fiscal year shall remain available until expended: Provided further, That any funds appropriated or transferred to the Central Intelligence Agency for advanced research and development acquisition, for agent operations, and for covert action programs authorized by the President under section 503 of the National Security Act of 1947 (50 U.S.C. 3093) shall remain available until September 30, 2016.

Sec. 8033. Notwithstanding any other provision of law, funds made available in this Act for the Defense Intelligence Agency may be used for the design, development, and deployment of General Defense Intelligence Program intelligence communications and intelligence information systems for the Services, the Unified and Specified Commands, and the component commands.

Sec. 8034. Of the funds appropriated to the Department of Defense under the heading "Operation and Maintenance, Defense-Wide," not less than $12,000,000 shall be made available only for the mitigation of environmental impacts; including training and technical assistance to tribes, related administrative support, the gathering of information, documenting of environmental damage, and de-
veloping a system for prioritization of mitigation and cost

to complete estimates for mitigation, on Indian lands re-
sulting from Department of Defense activities.

Sec. 8035. (a) None of the funds appropriated in this
Act may be expended by an entity of the Department of
Defense unless the entity, in expending the funds, com-
plies with the Buy American Act. For purposes of this
subsection, the term “Buy American Act” means chapter
83 of title 41, United States Code.

(b) If the Secretary of Defense determines that a per-
son has been convicted of intentionally affixing a label
bearing a “Made in America” inscription to any product
sold in or shipped to the United States that is not made
in America, the Secretary shall determine, in accordance
with section 2410f of title 10, United States Code, wheth-
er the person should be debarred from contracting with
the Department of Defense.

(c) In the case of any equipment or products pur-
chased with appropriations provided under this Act, it is
the sense of the Congress that any entity of the Depart-
ment of Defense, in expending the appropriation, purchase
only American-made equipment and products; provided
that American-made equipment and products are cost-
competitive, quality competitive, and available in a timely
fashion.
Sec. 8036. None of the funds appropriated by this Act shall be available for a contract for studies, analysis, or consulting services entered into without competition on the basis of an unsolicited proposal unless the head of the activity responsible for the procurement determines—

(1) as a result of thorough technical evaluation, only one source is found fully qualified to perform the proposed work;

(2) the purpose of the contract is to explore an unsolicited proposal which offers significant scientific or technological promise; represents the product of original thinking, and was submitted in confidence by one source; or

(3) the purpose of the contract is to take advantage of unique and significant industrial accomplishment by a specific concern, or to insure that a new product or idea of a specific concern is given financial support. Provided, That this limitation shall not apply to contracts in an amount of less than $25,000, contracts related to improvements of equipment that is in development or production, or contracts as to which a civilian official of the Department of Defense, who has been confirmed by the Senate, determines that the award of such contract is in the interest of the national defense.
Sec. 8037. (a) Except as provided in subsections (b) and (c), none of the funds made available by this Act may be used—

(1) to establish a field operating agency; or

(2) to pay the basic pay of a member of the Armed Forces or civilian employee of the department who is transferred or reassigned from a headquarters activity if the member or employee’s place of duty remains at the location of that headquarters.

(b) The Secretary of Defense or Secretary of a military department may waive the limitations in subsection (a), on a case-by-case basis, if the Secretary determines, and certifies to the Committees on Appropriations of the House of Representatives and the Senate that the granting of the waiver will reduce the personnel requirements or the financial requirements of the department.

(c) This section does not apply to—

(1) field operating agencies funded within the National Intelligence Program;

(2) an Army field operating agency established to eliminate, mitigate, or counter the effects of improvised explosive devices, and, as determined by the Secretary of the Army, other similar threats;

(3) an Army field operating agency established to improve the effectiveness and efficiencies of bio-
metric activities and to integrate common biometric
technologies throughout the Department of Defense;
or

(4) an Air Force field operating agency estab-
lished to administer the Air Force Mortuary Affairs
Program and Mortuary Operations for the Depart-
ment of Defense and authorized Federal entities.

Sec. 8038. (a) None of the funds appropriated by
this Act shall be available to convert to contractor per-
formance an activity or function of the Department of De-
fense that, on or after the date of the enactment of this
Act, is performed by Department of Defense civilian em-
ployees unless—

(1) the conversion is based on the result of a
public-private competition that includes a most effi-
cient and cost effective organization plan developed
by such activity or function;

(2) the Competitive Sourcing Official deter-
mines that, over all performance periods stated in
the solicitation of offers for performance of the ac-
tivity or function, the cost of performance of the ac-
tivity or function by a contractor would be less costly
to the Department of Defense by an amount that
equals or exceeds the lesser of—
(A) 10 percent of the most efficient organization's personnel-related costs for performance of that activity or function by Federal employees; or

(B) $10,000,000; and

(3) the contractor does not receive an advantage for a proposal that would reduce costs for the Department of Defense by—

(A) not making an employer-sponsored health insurance plan available to the workers who are to be employed in the performance of that activity or function under the contract; or

(B) offering to such workers an employer-sponsored health benefits plan that requires the employer to contribute less towards the premium or subscription share than the amount that is paid by the Department of Defense for health benefits for civilian employees under chapter 89 of title 5, United States Code.

(b)(1) The Department of Defense, without regard to subsection (a) of this section or subsection (a), (b), or (c) of section 2461 of title 10, United States Code, and notwithstanding any administrative regulation, requirement, or policy to the contrary shall have full authority to enter into a contract for the performance of any com-
commercial or industrial type function of the Department of Defense that—

(A) is included on the procurement list established pursuant to section 2 of the Javits-Wagner-O'Day Act (section 8503 of title 41, United States Code);

(B) is planned to be converted to performance by a qualified nonprofit agency for the blind or by a qualified nonprofit agency for other severely handicapped individuals in accordance with that Act; or

(C) is planned to be converted to performance by a qualified firm under at least 51 percent ownership by an Indian tribe, as defined in section 4(e) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b(e)), or a Native Hawaiian Organization, as defined in section 8(a)(15) of the Small Business Act (41 U.S.C. 637(a)(15)).

(2) This section shall not apply to depot contracts or contracts for depot maintenance as provided in sections 2469 and 2474 of title 10, United States Code.

(e) The conversion of any activity or function of the Department of Defense under the authority provided by this section shall be credited toward any competitive or outsourcing goal, target, or measurement that may be established by statute, regulation, or policy and is deemed
to be awarded under the authority of, and in compliance
with, subsection (h) of section 2304 of title 10, United
States Code, for the competition or outsourcing of com-
mercial activities.

(RESCissions)

“Research, Development, Test and Evaluation, Army”, 2014/2015, $5,000,000; and

“Research, Development, Test and Evaluation, Navy”, 2014/2015, $105,400,000:

Provided, That no amounts may be canceled from amounts that were designated by the Congress for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985, as amended:

Sec. 8040. None of the funds available in this Act may be used to reduce the authorized positions for military technicians (dual status) of the Army National Guard, Air National Guard, Army Reserve and Air Force
Reserve for the purpose of applying any administratively imposed civilian personnel ceiling, freeze, or reduction on military technicians (dual status); unless such reductions are a direct result of a reduction in military force structure.

Sec. 8041. None of the funds appropriated or otherwise made available in this Act may be obligated or expended for assistance to the Democratic People’s Republic of Korea unless specifically appropriated for that purpose.

Sec. 8042. Funds appropriated in this Act for operation and maintenance of the Military Departments; Combatant Commands and Defense Agencies shall be available for reimbursement of pay, allowances and other expenses which would otherwise be incurred against appropriations for the National Guard and Reserve when members of the National Guard and Reserve provide intelligence or counterintelligence support to Combatant Commands, Defense Agencies and Joint Intelligence Activities, including the activities and programs included within the National Intelligence Program and the Military Intelligence Program:

Provided, That nothing in this section authorizes deviation from established Reserve and National Guard personnel and training procedures.

Sec. 8043. During the current fiscal year, none of the funds appropriated in this Act may be used to reduce
the civilian medical and medical support personnel assigned to military treatment facilities below the September 30, 2003, level. Provided, That the Service Surgeons General may waive this section by certifying to the congressional defense committees that the beneficiary population is declining in some catchment areas and civilian strength reductions may be consistent with responsible resource stewardship and capitation-based budgeting.

SEC. 8044. (a) None of the funds available to the Department of Defense for any fiscal year for drug interdiction or counter-drug activities may be transferred to any other department or agency of the United States except as specifically provided in an appropriations law.

(b) None of the funds available to the Central Intelligence Agency for any fiscal year for drug interdiction or counter-drug activities may be transferred to any other department or agency of the United States except as specifically provided in an appropriations law.

SEC. 8045. None of the funds appropriated by this Act may be used for the procurement of ball and roller bearings other than those produced by a domestic source and of domestic origin. Provided, That the Secretary of the military department responsible for such procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of
the House of Representatives and the Senate, that ade-
quate domestic supplies are not available to meet Depart-
ment of Defense requirements on a timely basis and that
such an acquisition must be made in order to acquire ca-
pability for national security purposes: Provided further,
That this restriction shall not apply to the purchase of
"commercial items", as defined by section 4(12) of the
Office of Federal Procurement Policy Act, except that the
restriction shall apply to ball or roller bearings purchased
as end items:

Sec. 8046. None of the funds in this Act may be
used to purchase any supercomputer which is not manu-
factured in the United States, unless the Secretary of De-
fense certifies to the congressional defense committees
that such an acquisition must be made in order to acquire
capability for national security purposes that is not avail-
able from United States manufacturers.

Sec. 8047. None of the funds made available in this
or any other Act may be used to pay the salary of any
officer or employee of the Department of Defense who ap-
proves or implements the transfer of administrative re-
sponsibilities or budgetary resources of any program,
project, or activity financed by this Act to the jurisdiction
of another Federal agency not financed by this Act with-
out the express authorization of Congress: Provided, That
this limitation shall not apply to transfers of funds ex-
pressly provided for in Defense Appropriations Acts, or
provisions of Acts providing supplemental appropriations
for the Department of Defense.

Sec. 8048. (a) Notwithstanding any other provision
of law, none of the funds available to the Department of
Defense for the current fiscal year may be obligated or
expended to transfer to another nation or an international
organization any defense articles or services (other than
intelligence services) for use in the activities described in
subsection (b) unless the congressional defense commit-
tees, the Committee on Foreign Affairs of the House of
Representatives, and the Committee on Foreign Relations
of the Senate are notified 15 days in advance of such
transfer.

(b) This section applies to—

(1) any international peacekeeping or peace-en-
forcement operation under the authority of chapter
VI or chapter VII of the United Nations Charter
under the authority of a United Nations Security
Council resolution; and

(2) any other international peacekeeping, peace-
 enforcement, or humanitarian assistance operation.

(c) A notice under subsection (a) shall include the
following:
(1) A description of the equipment, supplies, or services to be transferred.

(2) A statement of the value of the equipment, supplies, or services to be transferred.

(3) In the case of a proposed transfer of equipment or supplies—

   (A) a statement of whether the inventory requirements of all elements of the Armed Forces (including the reserve components) for the type of equipment or supplies to be transferred have been met; and

   (B) a statement of whether the items proposed to be transferred will have to be replaced and, if so, how the President proposes to provide funds for such replacement.

SEC. 8049. None of the funds available to the Department of Defense under this Act shall be obligated or expended to pay a contractor under a contract with the Department of Defense for costs of any amount paid by the contractor to an employee when—

(1) such costs are for a bonus or otherwise in excess of the normal salary paid by the contractor to the employee; and

(2) such bonus is part of restructuring costs associated with a business combination.
Sec. 8050. During the current fiscal year, no more than $30,000,000 of appropriations made in this Act under the heading “Operation and Maintenance, Defense-Wide” may be transferred to appropriations available for the pay of military personnel, to be merged with, and to be available for the same time period as the appropriations to which transferred, to be used in support of such personnel in connection with support and services for eligible organizations and activities outside the Department of Defense pursuant to section 2012 of title 10, United States Code.

Sec. 8051. During the current fiscal year, in the case of an appropriation account of the Department of Defense for which the period of availability for obligation has expired or which has closed under the provisions of section 1552 of title 31, United States Code, and which has a negative unliquidated or unexpended balance, an obligation or an adjustment of an obligation may be charged to any current appropriation account for the same purpose as the expired or closed account if—

(1) the obligation would have been properly chargeable (except as to amount) to the expired or closed account before the end of the period of availability or closing of that account,
(2) the obligation is not otherwise properly chargeable to any current appropriation account of the Department of Defense; and

(3) in the case of an expired account, the obligation is not chargeable to a current appropriation of the Department of Defense under the provisions of section 1405(b)(8) of the National Defense Authorization Act for Fiscal Year 1991, Public Law 101–510, as amended (31 U.S.C. 1551 note): Provided; That in the case of an expired account, if subsequent review or investigation discloses that there was not in fact a negative unliquidated or unexpended balance in the account, any charge to a current account under the authority of this section shall be reversed and recorded against the expired account: Provided further; That the total amount charged to a current appropriation under this section may not exceed an amount equal to 1 percent of the total appropriation for that account.

Sec. 8052. (a) Notwithstanding any other provision of law, the Chief of the National Guard Bureau may permit the use of equipment of the National Guard Distance Learning Project by any person or entity on a space-available, reimbursable basis. The Chief of the National Guard
Bureau shall establish the amount of reimbursement for such use on a case-by-case basis.

(b) Amounts collected under subsection (a) shall be credited to funds available for the National Guard Distance Learning Project and be available to defray the costs associated with the use of equipment of the project under that subsection. Such funds shall be available for such purposes without fiscal year limitation.

SEC. 8053. Using funds made available by this Act or any other Act, the Secretary of the Air Force, pursuant to a determination under section 2690 of title 10, United States Code, may implement cost-effective agreements for required heating facility modernization in the Kaiserslautern Military Community in the Federal Republic of Germany: Provided, That in the City of Kaiserslautern and at the Rhine Ordnance Barracks area, such agreements will include the use of United States anthracite as the base load energy for municipal district heat to the United States Defense installations: Provided further, That at Landstuhl Army Regional Medical Center and Ramstein Air Base, furnished heat may be obtained from private, regional or municipal services, if provisions are included for the consideration of United States coal as an energy source.
Sec. 8054. None of the funds appropriated in title IV of this Act may be used to procure end-items for delivery to military forces for operational training, operational use or inventory requirements: Provided, That this restriction does not apply to end-items used in development, prototyping, and test activities preceding and leading to acceptance for operational use: Provided further, That this restriction does not apply to programs funded within the National Intelligence Program: Provided further, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so.

Sec. 8055. (a) The Secretary of Defense may, on a case-by-case basis, waive with respect to a foreign country each limitation on the procurement of defense items from foreign sources provided in law if the Secretary determines that the application of the limitation with respect to that country would invalidate cooperative programs entered into between the Department of Defense and the foreign country, or would invalidate reciprocal trade agreements for the procurement of defense items entered into under section 2531 of title 10, United States Code, and the country does not discriminate against the same or similar
defense items produced in the United States for that country.

(b) Subsection (a) applies with respect to—

(1) contracts and subcontracts entered into on or after the date of the enactment of this Act; and

(2) options for the procurement of items that are exercised after such date under contracts that are entered into before such date if the option prices are adjusted for any reason other than the application of a waiver granted under subsection (a).

(c) Subsection (a) does not apply to a limitation regarding construction of public vessels, ball and roller bearings, food, and clothing or textile materials as defined by section 11 (chapters 50–65) of the Harmonized Tariff Schedule and products classified under headings 4010, 4202, 4203, 6401 through 6406, 6505, 7019, 7218 through 7229, 7304.41 through 7304.49, 7306.40, 7502 through 7508, 8105, 8108, 8109, 8211, 8215, and 9404.

Sec. 8056. (a) In General.—(1) None of the funds made available by this Act may be used for any training, equipment, or other assistance for the members of a unit of a foreign security force if the Secretary of Defense has credible information that the unit has committed a gross violation of human rights.
(2) The Secretary of Defense, in consultation with the Secretary of State, shall ensure that prior to a decision to provide any training, equipment, or other assistance to a unit of a foreign security force full consideration is given to any credible information available to the Department of State relating to human rights violations by such unit.

(b) Exception.—The prohibition in subsection (a)(1) shall not apply if the Secretary of Defense, after consultation with the Secretary of State, determines that the government of such country has taken all necessary corrective steps, or if the equipment or other assistance is necessary to assist in disaster relief operations or other humanitarian or national security emergencies.

(c) Waiver.—The Secretary of Defense, after consultation with the Secretary of State, may waive the prohibition in subsection (a)(1) if the Secretary of Defense determines that such waiver is required by extraordinary circumstances.

(d) Procedures.—The Secretary of Defense shall establish, and periodically update, procedures to ensure that any information in the possession of the Department of Defense about gross violations of human rights by units of foreign security forces is shared on a timely basis with the Department of State.
(e) REPORT.—Not more than 15 days after the application of any exception under subsection (b) or the exercise of any waiver under subsection (c), the Secretary of Defense shall submit to the appropriate congressional committees a report—

(1) in the case of an exception under subsection (b), providing notice of the use of the exception and stating the grounds for the exception; and

(2) in the case of a waiver under subsection (c),

describing the information relating to the gross violation of human rights; the extraordinary or other circumstances that necessitate the waiver; the purpose and duration of the training, equipment, or other assistance; and the United States forces and the foreign security force unit involved.

(f) DEFINITION.—For purposes of this section the term "appropriate congressional committees" means the congressional defense committees and the Committees on Appropriations.

Sec. 8057. None of the funds appropriated or otherwise made available by this or other Department of Defense Appropriations Acts may be obligated or expended for the purpose of performing repairs or maintenance to military family housing units of the Department of Defense, including areas in such military family housing
units that may be used for the purpose of conducting official Department of Defense business.

Sec. 8058. Notwithstanding any other provision of law, funds appropriated in this Act under the heading "Research, Development, Test and Evaluation; Defense-Wide" for any new start advanced concept technology demonstration project or joint capability demonstration project may only be obligated 45 days after a report, including a description of the project, the planned acquisition and transition strategy and its estimated annual and total cost, has been provided in writing to the congressional defense committees: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying to the congressional defense committees that it is in the national interest to do so.

Sec. 8059. The Secretary of Defense shall provide a classified quarterly report beginning 30 days after enactment of this Act, to the House and Senate Appropriations Committees, Subcommittees on Defense on certain matters as directed in the classified annex accompanying this Act.

Sec. 8060. During the current fiscal year, none of the funds available to the Department of Defense may be used to provide support to another department or agency of the United States if such department or agency is more
than 90 days in arrears in making payment to the Department of Defense for goods or services previously provided to such department or agency on a reimbursable basis: Provided, That this restriction shall not apply if the department is authorized by law to provide support to such department or agency on a nonreimbursable basis, and is providing the requested support pursuant to such authority: Provided further, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so.

Sec. 8061. Notwithstanding section 12310(b) of title 10, United States Code, a Reserve who is a member of the National Guard serving on full-time National Guard duty under section 502(f) of title 32, United States Code, may perform duties in support of the ground-based elements of the National Ballistic Missile Defense System.

Sec. 8062. None of the funds provided in this Act may be used to transfer to any nongovernmental entity ammunition held by the Department of Defense that has a center-fire cartridge and a United States military nomenclature designation of "armor penetrator", "armor piercing (AP)", "armor piercing incendiary (API)", or "armor-piercing incendiary tracer (API-T)", except to an
entity performing demilitarization services for the Department of Defense under a contract that requires the entity to demonstrate to the satisfaction of the Department of Defense that armor piercing projectiles are either: (1) rendered incapable of reuse by the demilitarization process; or (2) used to manufacture ammunition pursuant to a contract with the Department of Defense or the manufacture of ammunition for export pursuant to a License for Permanent Export of Unclassified Military Articles issued by the Department of State.

Sec. 8063. Notwithstanding any other provision of law, the Chief of the National Guard Bureau, or his designee, may waive payment of all or part of the consideration that otherwise would be required under section 2667 of title 10, United States Code, in the case of a lease of personal property for a period not in excess of 1 year to any organization specified in section 508(d) of title 32, United States Code, or any other youth, social, or fraternal nonprofit organization as may be approved by the Chief of the National Guard Bureau, or his designee, on a case-by-case basis.

Sec. 8064. None of the funds appropriated by this Act shall be used for the support of any nonappropriated funds activity of the Department of Defense that procures malt beverages and wine with nonappropriated funds for
resale (including such alcoholic beverages sold by the
drink) on a military installation located in the United
States unless such malt beverages and wine are procured
within that State, or in the case of the District of Colum-
bia, within the District of Columbia, in which the military
installation is located: Provided, That in a case in which
the military installation is located in more than one State,
purchases may be made in any State in which the installa-
tion is located: Provided further, That such local procure-
ment requirements for malt beverages and wine shall
apply to all alcoholic beverages only for military installa-
tions in States which are not contiguous with another
State: Provided further, That alcoholic beverages other
than wine and malt beverages, in contiguous States and
the District of Columbia shall be procured from the most
competitive source, price and other factors considered.

(including transfer of funds)

Sec. 8065: Of the amounts appropriated in this Act
under the heading “Operation and Maintenance, Army”;
$106,189,900 shall remain available until expended: Pro-
vided, That notwithstanding any other provision of law,
the Secretary of Defense is authorized to transfer such
funds to other activities of the Federal Government: Pro-
vided further, That the Secretary of Defense is authorized
to enter into and carry out contracts for the acquisition
of real property, construction, personal services, and operations related to projects carrying out the purposes of this section. Provided further, That contracts entered into under the authority of this section may provide for such indemnification as the Secretary determines to be necessary. Provided further, That projects authorized by this section shall comply with applicable Federal, State, and local law to the maximum extent consistent with the national security, as determined by the Secretary of Defense.

Sec. 8066. Section 8106 of the Department of Defense Appropriations Act, 1997 (titles I through VIII of the matter under subsection 101(b) of Public Law 104–208, 110 Stat. 3009–111, 10 U.S.C. 113 note) shall continue in effect to apply to disbursements that are made by the Department of Defense in fiscal year 2015.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8067. During the current fiscal year, not to exceed $200,000,000 from funds available under “Operation and Maintenance, Defense-Wide” may be transferred to the Department of State “Global Security Contingency Fund”: Provided, That this transfer authority is in addition to any other transfer authority available to the Department of Defense: Provided further, That the Secretary of Defense shall, not fewer than 30 days prior to making transfers to the Department of State “Global Security
Contingency Fund'', notify the congressional defense com-
mittees in writing with the source of funds and a detailed
justification, execution plan, and timeline for each pro-
posed project.

Sec. 8068. In addition to amounts provided else-
where in this Act, $4,000,000 (increased by $16,000,000)
is hereby appropriated to the Department of Defense, to
remain available for obligation until expended: Provided,
That notwithstanding any other provision of law, that
upon the determination of the Secretary of Defense that
it shall serve the national interest, these funds shall be
available only for a grant to the Fisher House Foundation,
Inc., only for the construction and furnishing of additional
Fisher Houses to meet the needs of military family mem-
bers when confronted with the illness or hospitalization of
an eligible military beneficiary.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8069. Of the amounts appropriated in this Act
under the headings “Procurement, Defense-Wide” and
“Research, Development, Test and Evaluation, Defense-
Wide”, $619,814,000 shall be for the Israeli Cooperative
Programs: Provided, That of this amount, $350,972,000
shall be for the Secretary of Defense to provide to the Gov-
ernment of Israel for the procurement of the Iron Dome
defense system to counter short-range rocket threats;
$137,934,000 shall be for the Short Range Ballistic Missile Defense (SRBMD) program, including cruise missile defense research and development under the SRBMD program; $74,707,000 shall be for an upper-tier component to the Israeli Missile Defense Architecture; and $56,201,000 shall be for the Arrow System Improvement Program including development of a long range, ground and airborne, detection suite. Provided further, That funds made available under this provision for production of missiles and missile components may be transferred to appropriations available for the procurement of weapons and equipment, to be merged with and to be available for the same time period and the same purposes as the appropriation to which transferred. Provided further, That the transfer authority provided under this provision is in addition to any other transfer authority contained in this Act.

Sec. 8070. None of the funds available to the Department of Defense may be obligated to modify command and control relationships to give Fleet Forces Command operational and administrative control of United States Navy forces assigned to the Pacific fleet. Provided, That the command and control relationships which existed on October 1, 2004, shall remain in force unless changes are specifically authorized in a subsequent Act. Provided fur-
ther, That this section does not apply to administrative control of Navy Air and Missile Defense Command.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8071. Of the amounts appropriated in this Act under the heading "Shipbuilding and Conversion; Navy", $1,007,285,000 shall be available until September 30, 2015, to fund prior year shipbuilding cost increases: Provided, That upon enactment of this Act, the Secretary of the Navy shall transfer funds to the following appropriations in the amounts specified: Provided further, That the amounts transferred shall be merged with and be available for the same purposes as the appropriations to which transferred to:

(1) Under the heading "Shipbuilding and Conversion; Navy", 2008/2015: Carrier Replacement Program $663,000,000;

(2) Under the heading "Shipbuilding and Conversion; Navy", 2009/2015: LPD–17 Amphibious Transport Dock Program $54,096,000;

(7) Under the heading “Shipbuilding and Conversion, Navy”, 2011/2015: Joint High Speed Vessel  
$9,340,000;

(8) Under the heading “Shipbuilding and Conversion, Navy”, 2012/2015: CVN Refueling Overhauls Program $54,000,000;

(9) Under the heading “Shipbuilding and Conversion, Navy”, 2012/2015: Joint High Speed Vessel  
$2,620,000; and

(10) Under the heading “Shipbuilding and Conversion, Navy”, 2013/2015: Joint High Speed Vessel  
$2,040,000.

Sec. 8072. Funds appropriated by this Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 3094) during fiscal year 2015 until the enactment of the Intelligence Authorization Act for Fiscal Year 2015.
SEC. 8073. None of the funds provided in this Act shall be available for obligation or expenditure through a reprogramming of funds that creates or initiates a new program, project, or activity unless such program, project, or activity must be undertaken immediately in the interest of national security and only after written prior notification to the congressional defense committees.

SEC. 8074. The budget of the President for fiscal year 2016 submitted to the Congress pursuant to section 1105 of title 31, United States Code, shall include separate budget justification documents for costs of United States Armed Forces’ participation in contingency operations for the Military Personnel accounts, the Operation and Maintenance accounts, the Procurement accounts, and the Research, Development, Test and Evaluation accounts: Provided, That these documents shall include a description of the funding requested for each contingency operation, for each military service, to include all Active and Reserve components, and for each appropriations account: Provided further, That these documents shall include estimated costs for each element of expense or object class, a reconciliation of increases and decreases for each contingency operation, and programmatic data including, but not limited to, troop strength for each Active and Reserve component, and estimates of the major weapons systems
deployed in support of each contingency. Provided further,

That these documents shall include budget exhibits OP-
5 and OP–32 (as defined in the Department of Defense
Financial Management Regulation) for all contingency op-
erations for the budget year and the two preceding fiscal
years.

Sec. 8075. None of the funds in this Act may be
used for research, development, test, evaluation, procure-
ment, or deployment of nuclear armed interceptors of a
missile defense system.

Sec. 8076. In addition to the amounts appropriated
or otherwise made available elsewhere in this Act,
$44,000,000 is hereby appropriated to the Department of
Defense: Provided, That upon the determination of the
Secretary of Defense that it shall serve the national inter-
est, the Secretary shall make grants in the amounts speci-
fied as follows: $20,000,000 to the United Service Organi-
izations and $24,000,000 to the Red Cross.

Sec. 8077. None of the funds appropriated or made
available in this Act shall be used to reduce or disestablish
the operation of the 53rd Weather Reconnaissance Squad-
ron of the Air Force Reserve, if such action would reduce
the WC–130 Weather Reconnaissance mission below the
levels funded in this Act: Provided, That the Air Force
shall allow the 53rd Weather Reconnaissance Squadron to
perform other missions in support of national defense re-
quirements during the non-hurricane season.

Sec. 8078. None of the funds provided in this Act
shall be available for integration of foreign intelligence in-
formation unless the information has been lawfully col-
lected and processed during the conduct of authorized for-
ign intelligence activities. Provided, That information
pertaining to United States persons shall only be handled
in accordance with protections provided in the Fourth
Amendment of the United States Constitution as imple-
mented through Executive Order No. 12333.

Sec. 8079. (a) At the time members of reserve com-
ponents of the Armed Forces are called or ordered to ac-
tive duty under section 12302(a) of title 10, United States
Code, each member shall be notified in writing of the ex-
pected period during which the member will be mobilized.

(b) The Secretary of Defense may waive the require-
ments of subsection (a) in any case in which the Secretary
determines that it is necessary to do so to respond to a
national security emergency or to meet dire operational
requirements of the Armed Forces.

Sec. 8080. For purposes of section 7108 of title 41,
United States Code, any subdivision of appropriations
made under the heading "Shipbuilding and Conversion,
Navy," that is not closed at the time reimbursement is
made shall be available to reimburse the Judgment Fund and shall be considered for the same purposes as any subdivision under the heading "Shipbuilding and Conversion, Navy" appropriations in the current fiscal year or any prior fiscal year.

Sec. 8081. (a) None of the funds appropriated by this Act may be used to transfer research and development, acquisition, or other program authority relating to current tactical unmanned aerial vehicles (TUAVs) from the Army.

(b) The Army shall retain responsibility for and operational control of the MQ-1C Gray Eagle Unmanned Aerial Vehicle (UAV) in order to support the Secretary of Defense in matters relating to the employment of unmanned aerial vehicles.

Sec. 8082. Up to $15,000,000 of the funds appropriated under the heading "Operation and Maintenance, Navy" may be made available for the Asia Pacific Regional Initiative Program for the purpose of enabling the Pacific Command to execute Theater Security Cooperation activities such as humanitarian assistance, and payment of incremental and personnel costs of training and exercising with foreign security forces. Provided, That funds made available for this purpose may be used, notwithstanding any other funding authorities for humanitarian
assistance, security assistance or combined exercise expenses. Provided further, That funds may not be obligated to provide assistance to any foreign country that is otherwise prohibited from receiving such type of assistance under any other provision of law.

Sec. 8083. None of the funds appropriated by this Act for programs of the Office of the Director of National Intelligence shall remain available for obligation beyond the current fiscal year, except for funds appropriated for research and technology, which shall remain available until September 30, 2016.

Sec. 8084. For purposes of section 1553(b) of title 31, United States Code, any subdivision of appropriations made in this Act under the heading “Shipbuilding and Conversion, Navy” shall be considered to be for the same purpose as any subdivision under the heading “Shipbuilding and Conversion, Navy” appropriations in any prior fiscal year, and the 1 percent limitation shall apply to the total amount of the appropriation.

Sec. 8085. (a) Not later than 60 days after the date of enactment of this Act, the Director of National Intelligence shall submit a report to the congressional intelligence committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2015. Provided, That the report shall include—
(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and the fiscal year enacted level;

(2) a delineation in the table for each appropriation by Expenditure Center and project; and

(3) an identification of items of special congressional interest.

Sec. 8086: None of the funds made available by this Act may be used to eliminate, restructure or realign Army Contracting Command—New Jersey or make disproportionate personnel reductions at any Army Contracting Command—New Jersey sites without 30-day prior notification to the congressional defense committees.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8087: Of the funds appropriated in the Intelligence Community Management Account for the Program Manager for the Information Sharing Environment, $20,000,000 is available for transfer by the Director of National Intelligence to other departments and agencies for purposes of Government-wide information sharing activities: Provided, That funds transferred under this provision are to be merged with and available for the same purposes and time period as the appropriation to which trans-
ferred: Provided further, That the Office of Management and Budget must approve any transfers made under this provision.

Sec. 8088. (a) None of the funds provided for the National Intelligence Program in this or any prior appropriations Act shall be available for obligation or expenditure through a reprogramming or transfer of funds in accordance with section 102A(d) of the National Security Act of 1947 (50 U.S.C. 3024(d)) that—

(1) creates a new start effort;

(2) terminates a program with appropriated funding of $10,000,000 or more;

(3) transfers funding into or out of the National Intelligence Program; or

(4) transfers funding between appropriations,

unless the congressional intelligence committees are notified 30 days in advance of such reprogramming of funds;

this notification period may be reduced for urgent national security requirements.

(b) None of the funds provided for the National Intelligence Program in this or any prior appropriations Act shall be available for obligation or expenditure through a reprogramming or transfer of funds in accordance with section 102A(d) of the National Security Act of 1947 (50
U.S.C. 3024(d)) that results in a cumulative increase or
decrease of the levels specified in the classified annex ac-
companying the Act unless the congressional intelligence
committees are notified 30 days in advance of such re-
programming of funds; this notification period may be re-
duced for urgent national security requirements.

Sec. 8089. The Director of National Intelligence
shall submit to Congress each year, at or about the time
that the President’s budget is submitted to Congress that
year under section 1105(a) of title 31, United States
Code; a future-years intelligence program (including asso-
ciated annexes) reflecting the estimated expenditures and
proposed appropriations included in that budget. Any such
future-years intelligence program shall cover the fiscal
year with respect to which the budget is submitted and
at least the four succeeding fiscal years.

Sec. 8090. For the purposes of this Act, the term
“congressional intelligence committees” means the Perma-

nent Select Committee on Intelligence of the House of
Representatives; the Select Committee on Intelligence of
the Senate; the Subcommittee on Defense of the Com-
mittee on Appropriations of the House of Representatives;
and the Subcommittee on Defense of the Committee on
Appropriations of the Senate.
Sec. 8091. The Department of Defense shall continue to report incremental contingency operations costs for Operation Enduring Freedom on a monthly basis and any other operation designated and identified by the Secretary of Defense for the purposes of section 127a of title 10, United States Code, on a semi-annual basis in the Cost of War Execution Report as prescribed in the Department of Defense Financial Management Regulation Department of Defense Instruction 7000.14, Volume 12, Chapter 23 “Contingency Operations”, Annex 1, dated September 2005.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8092. During the current fiscal year, not to exceed $11,000,000 from each of the appropriations made in title II of this Act for “Operation and Maintenance, Army”, “Operation and Maintenance, Navy”, and “Operation and Maintenance, Air Force” may be transferred by the military department concerned to its central fund established for Fisher Houses and Suites pursuant to section 2493(d) of title 10, United States Code.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8093. Funds appropriated by this Act for operation and maintenance may be available for the purpose of making remittances and transfers to the Defense Acqui-
sition Workforce Development Fund in accordance with section 1705 of title 10, United States Code.

Sec. 8094. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public website of that agency any report required to be submitted by the Congress in this or any other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains proprietary information.

(c) The head of the agency posting such report shall do so only after such report has been made available to the requesting Committee or Committees of Congress for no less than 45 days.

Sec. 8095. (a) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract for an amount in excess of $1,000,000, unless the contractor agrees not to—

(1) enter into any agreement with any of its employees or independent contractors that requires, as a condition of employment, that the employee or independent contractor agree to resolve through arbitration any claim under title VII of the Civil
Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention; or

(2) take any action to enforce any provision of an existing agreement with an employee or independent contractor that mandates that the employee or independent contractor resolve through arbitration any claim under title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention.

(b) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract unless the contractor certifies that it requires each covered subcontractor to agree not to enter into, and not to take any action to enforce any provision of, any agreement as described in paragraphs (1) and (2) of subsection (a), with respect to any employee or independent contractor performing work related to such subcontract.

For purposes of this subsection, a "covered subcon-
tractor'' is an entity that has a subcontract in excess of
$1,000,000 on a contract subject to subsection (a).

(c) The prohibitions in this section do not apply with
respect to a contractor’s or subcontractor’s agreements
with employees or independent contractors that may not
be enforced in a court of the United States.

(d) The Secretary of Defense may waive the application
of subsection (a) or (b) to a particular contractor or
subcontractor for the purposes of a particular contract or
subcontract if the Secretary or the Deputy Secretary per-
sonally determines that the waiver is necessary to avoid
harm to national security interests of the United States,
and that the term of the contract or subcontract is not
longer than necessary to avoid such harm. The determina-
tion shall set forth with specificity the grounds for the
waiver and for the contract or subcontract term selected,
and shall state any alternatives considered in lieu of a
waiver and the reasons each such alternative would not
avoid harm to national security interests of the United
States. The Secretary of Defense shall transmit to Con-
gress, and simultaneously make public, any determination
under this subsection not less than 15 business days be-
fore the contract or subcontract addressed in the deter-
mination may be awarded.
Sec. 8096. From within the funds appropriated for operation and maintenance for the Defense Health Program in this Act, up to $146,857,000, shall be available for transfer to the Joint Department of Defense-Department of Veterans Affairs Medical Facility Demonstration Fund in accordance with the provisions of section 1704 of the National Defense Authorization Act for Fiscal Year 2010, Public Law 111–84. Provided, That for purposes of section 1704(b), the facility operations funded are operations of the integrated Captain James A. Lovell Federal Health Care Center, consisting of the North Chicago Veterans Affairs Medical Center, the Navy Ambulatory Care Center, and supporting facilities designated as a combined Federal medical facility as described by section 706 of Public Law 110–417. Provided further, That additional funds may be transferred from funds appropriated for operation and maintenance for the Defense Health Program to the Joint Department of Defense-Department of Veterans Affairs Medical Facility Demonstration Fund upon written notification by the Secretary of Defense to the Committees on Appropriations of the House of Representa-
Sec. 8097. The Office of the Director of National Intelligence shall not employ more Senior Executive employees than are specified in the classified annex.

Sec. 8098. None of the funds appropriated or otherwise made available by this Act may be obligated or expended to pay a retired general or flag officer to serve as a senior mentor advising the Department of Defense unless such retired officer files a Standard Form 278 (or successor form concerning public financial disclosure under part 2634 of title 5, Code of Federal Regulations) to the Office of Government Ethics.

Sec. 8099. Appropriations available to the Department of Defense may be used for the purchase of heavy and light armored vehicles for the physical security of personnel or for force protection purposes up to a limit of $250,000 per vehicle, notwithstanding price or other limitations applicable to the purchase of passenger carrying vehicles.

Sec. 8100. Of the amounts appropriated for "Operation and Maintenance, Defense-Wide" the following amounts shall be available to the Secretary of Defense, for the following authorized purposes, notwithstanding any other provision of law, acting through the Office of Economic Adjustment of the Department of Defense, to make grants, conclude cooperative agreements, and sup-
plement other Federal funds, to remain available until ex-
pended, to support critical existing and enduring military
installations and missions on Guam, as well as any poten-
tial Department of Defense growth, $80,596,000 for ad-
dressing the need for civilian water and wastewater im-
provements. Provided, That the Secretary of Defense
shall, not fewer than 15 days prior to obligating funds for
the forgoing purposes, notify the congressional defense
committees in writing of the details of any such obligation.

SEC. 8101. None of the funds made available by this
Act may be used by the Secretary of Defense to take bene-
cficial occupancy of more than 3,000 parking spaces (other
than handicap-reserved spaces) to be provided by the
BRAC 133 project. Provided, That this limitation may be
waived in part if: (1) the Secretary of Defense certifies
to Congress that levels of service at existing intersections
in the vicinity of the project have not experienced failing
levels of service as defined by the Transportation Research
Board Highway Capacity Manual over a consecutive 90-
day period; (2) the Department of Defense and the Vir-
ginia Department of Transportation agree on the number
of additional parking spaces that may be made available
to employees of the facility subject to continued 90-day
traffic monitoring; and (3) the Secretary of Defense noti-
fies the congressional defense committees in writing at
least 14 days prior to exercising this waiver of the number
of additional parking spaces to be made available.

Sec. 8102. The Secretary of Defense shall report
quarterly the numbers of civilian personnel end strength
by appropriation account for each and every appropriation
account used to finance Federal civilian personnel salaries
to the congressional defense committees within 15 days
after the end of each fiscal quarter.

Sec. 8103. (a) None of the funds appropriated in this
or any other Act may be used to take any action to mod-
ify—

(1) the appropriations account structure for the
National Intelligence Program budget, including
through the creation of a new appropriation or new
appropriations account;

(2) how the National Intelligence Program
budget request is presented, organized, and managed
within the Department of Defense budget;

(3) how the National Intelligence Program ap-
propriations are apportioned to the executing agen-
cies; or

(4) how the National Intelligence Program ap-
propriations are allotted, obligated and disbursed.

(b) The Director of National Intelligence and the Sec-
retary of Defense may jointly, only for the purposes of
achieving auditable financial statements and improving fiscal reporting, study and develop detailed proposals for alternative financial management processes. Such study shall include a comprehensive counterintelligence risk assessment to ensure that none of the alternative processes will adversely affect counterintelligence.

(a) Upon development of the detailed proposals defined under subsection (b), the Director of National Intelligence and the Secretary of Defense shall—

(1) provide the proposed alternatives to all affected agencies;

(2) receive certification from all affected agencies attesting that the proposed alternatives will help achieve auditability, improve fiscal reporting, and will not adversely affect counterintelligence; and

(3) not later than 30 days after receiving all necessary certifications under paragraph (2), present the proposed alternatives and certifications to the congressional defense and intelligence committees.

(d) This section shall not be construed to alter or affect the application of section 924 of the National Defense Authorization Act for Fiscal Year 2014 to the amounts made available by this Act.

(e) The Director of National Intelligence shall carry out a merger of the Foreign Counterintelligence Program
into the General Defense Intelligence Program: Provided,
That such merger shall not go into effect until 30 days
after the Director submits to the congressional intelligence
committees a written notification of such merger.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8104. Upon a determination by the Director of
National Intelligence that such action is necessary and in
the national interest, the Director may, with the approval
of the Office of Management and Budget, transfer not to
exceed $2,000,000,000 of the funds made available in this
Act for the National Intelligence Program: Provided, That
such authority to transfer may not be used unless for
higher priority items, based on unforeseen intelligence re-
quirements, than those for which originally appropriated
and in no case where the item for which funds are re-
quested has been denied by the Congress: Provided further,
That a request for multiple reprogrammings of funds
using authority provided in this section shall be made
prior to June 30, 2015:

(INCLUDING TRANSFER OF FUNDS)

Sec. 8105. There is appropriated $540,000,000 for
the "Ship Modernization, Operations and Sustainment
Fund", to remain available until September 30, 2021:
Provided, That the Secretary of the Navy shall transfer
funds from the "Ship Modernization, Operations and
Sustainment Fund’ to appropriations for military personnel; operation and maintenance; research, development, test and evaluation; and procurement, only for the purposes of manning, operating, sustaining, equipping and modernizing the Ticonderoga-class guided missile cruisers CG–63, CG–64, CG–65, CG–66, CG–67, CG–68, CG–69, CG–70, CG–71, CG–72, CG–73, and the Whidbey Island-class dock landing ships LSD–41, LSD–42, and LSD–46. Provided further, That funds transferred shall be merged with and be available for the same purposes and for the same time period as the appropriation to which they are transferred. Provided further, That the transfer authority provided herein shall be in addition to any other transfer authority available to the Department of Defense. Provided further, That the Secretary of the Navy shall, not less than 30 days prior to making any transfer from the ‘‘Ship Modernization, Operations and Sustainment Fund’’, notify the congressional defense committees in writing of the details of such transfer. Provided further, That the Secretary of the Navy shall transfer and obligate funds from the ‘‘Ship Modernization, Operations and Sustainment Fund’’ for modernization of not more than two Ticonderoga-class guided missile cruisers as detailed above in fiscal year 2015. Provided further, That no more than six Ticonderoga-class guided missile cruisers shall be
in a phased modernization at any time: Provided further, That the Secretary of the Navy shall contract for the required modernization equipment in the year prior to inducting a Ticonderoga-class cruiser for modernization: Provided further, That the prohibition in section 2244a(a) of title 10, United States Code, shall not apply to the use of any funds transferred pursuant to this section.

Sec. 8106. Notwithstanding any other provision of this Act, to reflect savings due to favorable foreign exchange rates; the total amount appropriated in this Act is hereby reduced by $545,100,000.

Sec. 8107. None of the funds appropriated or otherwise made available in this or any other Act may be used to transfer, release, or assist in the transfer or release to or within the United States, its territories, or possessions Khalid Sheikh Mohammed or any other detainee who—

(1) is not a United States citizen or a member of the Armed Forces of the United States; and

(2) is or was held on or after June 24, 2009, at the United States Naval Station, Guantanamo Bay, Cuba, by the Department of Defense.

Sec. 8108. (a) None of the funds appropriated or otherwise made available in this or any other Act may be used to construct, acquire, or modify any facility in the United States, its territories, or possessions to house any
individual described in subsection (a) for the purposes of
detention or imprisonment in the custody or under the ef-
fective control of the Department of Defense.

(b) The prohibition in subsection (a) shall not apply
to any modification of facilities at United States Naval
Station, Guantanamo Bay, Cuba.

(c) An individual described in this subsection is any
individual who, as of June 24, 2009, is located at United
States Naval Station, Guantanamo Bay, Cuba, and who—

(1) is not a citizen of the United States or a
member of the Armed Forces of the United States;
and

(2) is—

(A) in the custody or under the effective
control of the Department of Defense; or

(B) otherwise under detention at United
States Naval Station, Guantanamo Bay, Cuba.

Sec. 8109. None of the funds made available by this
Act may be used to enter into a contract, memorandum
of understanding, or cooperative agreement with, make a
grant to, or provide a loan or loan guarantee to, any cor-
poration that any unpaid Federal tax liability that has
been assessed, for which all judicial and administrative
remedies have been exhausted or have lapsed, and that
is not being paid in a timely manner pursuant to an agree-
ment with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless the agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interests of the Government.

SEC. 8110. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless the agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interests of the Government.

SEC. 8111. None of the funds made available by this Act may be used in contravention of section 1590 of 1591 of title 18, United States Code, or in contravention of the requirements of section 106(g) or (h) of the Trafficking Victims Protection Act of 2000 (22 U.S.C. 7104(g) or (h)).

SEC. 8112. None of the funds made available by this Act for excess defense articles, assistance under section
115

1. 1206 of the National Defense Authorization Act for Fiscal Year 2006 (Public Law 109–163; 119 Stat. 3456), or peacekeeping operations for the countries designated in 2013 to be in violation of the standards of the Child Soldiers Prevention Act of 2008 may be used to support any military training or operation that includes child soldiers, as defined by the Child Soldiers Prevention Act of 2008 (Public Law 110–457; 22 U.S.C. 2370c–1), unless such assistance is otherwise permitted under section 404 of the Child Soldiers Prevention Act of 2008.

Sec. 8113. None of the funds made available by this Act may be used in contravention of the War Powers Resolution (50 U.S.C. 1541 et seq.).

Sec. 8114. None of the funds made available by this Act may be used by the Department of Defense or any other Federal agency to lease or purchase new light duty vehicles, for any executive fleet, or for an agency's fleet inventory, except in accordance with Presidential Memorandum Federal Fleet Performance, dated May 24, 2011.

Sec. 8115. None of the funds made available by this Act may be used to enter into a contract with any person or other entity listed in the Excluded Parties List System (EPLS)/System for Award Management (SAM) as having been convicted of fraud against the Federal Government.
Sec. 8116. (a) None of the funds made available by this Act may be used to enter into a contract (or sub-contract at any tier under such a contract), memorandum of understanding, or cooperative agreement with, to make a grant to, or to provide a loan or loan guarantee to Rosoboronexport.

(b) The Secretary of Defense may waive the limitation in subsection (a) if the Secretary, in consultation with the Secretary of State and the Director of National Intelligence, certifies in writing to the congressional defense committees, to the best of the Secretary’s knowledge, the following:

(1) Rosoboronexport has ceased the transfer of lethal military equipment to, and the maintenance of existing lethal military equipment for, the Government of the Syrian Arab Republic.

(2) The armed forces of the Russian Federation have withdrawn from Crimea, other than armed forces present on military bases subject to agreements in force between the Government of the Russian Federation and the Government of Ukraine.

(3) The Government of the Russian Federation has withdrawn substantially all of the armed forces of the Russian Federation from the immediate vicinity of the eastern border of Ukraine.
(4) Agents of the Russian Federation have ceased taking active measures to destabilize the control of the Government of Ukraine over eastern Ukraine.

(c)(1) The Inspector General of the Department of Defense shall conduct a review of any action involving Rosoboronexport with respect to which a waiver is issued by the Secretary of Defense pursuant to subsection (b).

(2) A review conducted under paragraph (1) shall assess the accuracy of the factual and legal conclusions made by the Secretary of Defense in the waiver covered by the review, including—

   (A) whether there is any viable alternative to Rosoboronexport for carrying out the functions for which funds will be obligated;

   (B) whether the Secretary has previously used an alternative vendor for carrying out the same functions regarding the military equipment in question, and what vendor was previously used;

   (C) whether other explanations for the issuance of the waiver are supportable; and

   (D) any other matter with respect to the waiver the Inspector General considers appropriate.

(3) Not later than 90 days after the date on which a waiver is issued by the Secretary of Defense pursuant
to subsection (b), the Inspector General shall submit to
the congressional defense committees a report containing
the results of the review conducted under paragraph (1)
with respect to such waiver.

Sec. 8117. None of the funds made available in this
Act may be used for the purchase or manufacture of a
flag of the United States unless such flags are treated as
covered items under section 2533a(b) of title 10, United
States Code.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8118. Of the amounts appropriated in this Act
under the heading "Operation and Maintenance, Defense-
Wide", up to $5,709,000 shall be available for transfer
to the Army, Navy, Marine Corps, and Air Force, includ-
ing Reserve and National Guard, to support high priority
Sexual Assault Prevention and Response Program require-
ments and activities, including the training and funding
of personnel: Provided, That funds transferred under this
 provision are to be merged with and available for the same
purposes and time period as the appropriation to which
transferred: Provided further, That the transfer authority
provided under this heading is in addition to any other
transfer authority provided elsewhere in this Act.

Sec. 8119. None of the funds appropriated in this;
or any other Act, may be obligated or expended by the
United States Government for the direct personal benefit of the President of Afghanistan.

Sec. 8120. (a) Of the funds appropriated in this Act for the Department of Defense, amounts may be made available, under such regulations as the Secretary may prescribe, to local military commanders appointed by the Secretary of Defense, or by an officer or employee designated by the Secretary, to provide at their discretion ex gratia payments in amounts consistent with subsection (d) of this section for damage, personal injury, or death that is incident to combat operations of the Armed Forces in a foreign country.

(b) An ex gratia payment under this section may be provided only if—

(1) the prospective foreign civilian recipient is determined by the local military commander to be friendly to the United States;

(2) a claim for damages would not be compensable under chapter 163 of title 10, United States Code (commonly known as the ‘‘Foreign Claims Act’’); and

(3) the property damage, personal injury, or death was not caused by action by an enemy.

(c) Nature of Payments.—Any payments provided under a program under subsection (a) shall not be consid-
ered an admission or acknowledgement of any legal obligation to compensate for any damage, personal injury, or death.

(d) AMOUNT OF PAYMENTS.—If the Secretary of Defense determines a program under subsection (a) to be appropriate in a particular setting, the amounts of payments, if any, to be provided to civilians determined to have suffered harm incident to combat operations of the Armed Forces under the program should be determined pursuant to regulations prescribed by the Secretary and based on an assessment, which should include such factors as cultural appropriateness and prevailing economic conditions.

(e) LEGAL ADVICE.—Local military commanders shall receive legal advice before making ex gratia payments under this subsection. The legal advisor, under regulations of the Department of Defense, shall advise on whether an ex gratia payment is proper under this section and applicable Department of Defense regulations.

(f) WRITTEN RECORD.—A written record of any ex gratia payment offered or denied shall be kept by the local commander and on a timely basis submitted to the appropriate office in the Department of Defense as determined by the Secretary of Defense.
(g) REPORT.—The Secretary of Defense shall report to the congressional defense committees on an annual basis the efficacy of the ex gratia payment program including the number of types of cases considered, amounts offered, the response from ex gratia payment recipients, and any recommended modifications to the program.

(h) LIMITATION.—Nothing in this section shall be deemed to provide any new authority to the Secretary of Defense.

Sec. 8121. None of the funds available to the Department of Defense shall be used to conduct any environmental impact study, environmental assessment, or other environmental study related to Minuteman III silos that contain a missile as of the date of the enactment of this Act.

Sec. 8122. None of the funds made available by this Act may be used to cancel the avionics modernization program of record for C–130 aircraft.

Sec. 8123. None of the funds made available by this Act may be used by the Secretary of the Air Force to reduce the force structure at Lajes Field, Azores, Portugal, below the force structure at such Air Force Base as of October 1, 2013, except in accordance with section 1048 of the National Defense Authorization Act for Fiscal Year 2015.
SEC. 8124. None of the Operation and Maintenance funds made available in this Act may be used in contravention of section 41106 of title 49, United States Code.

SEC. 8125. None of the funds made available by this Act may be used to fund the performance of a flight demonstration team at a location outside of the United States:

*Provided, That* this prohibition applies only if a performance of a flight demonstration team at a location within the United States was canceled during the current fiscal year due to insufficient funding.

SEC. 8126. None of the funds appropriated or otherwise made available by this Act or any other Act may be used by the Department of Defense or a component thereof in contravention of section 1246(c) of the National Defense Authorization Act for Fiscal Year 2014, relating to limitations on providing certain missile defense information to the Russian Federation.

SEC. 8127. None of the funds made available by this Act may be used by the National Security Agency to—

(2) acquire, monitor, or store the contents (as such term is defined in section 2510(8) of title 18, United States Code) of any electronic communication of a United States person from a provider of electronic communication services to the public pursuant to section 501 of the Foreign Intelligence Surveillance Act of 1978.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8128. From amounts appropriated in this Act for "Operation and Maintenance, Navy", up to $291,000,000 may be transferred to the Ready Reserve Force, Maritime Administration account of the United States Department of Transportation, to be merged with, and to be available for the same purposes and the same time period as such account, for expenses related to the National Defense Reserve Fleet established under section 11 of the Merchant Ship Sales Act of 1946 (50 U.S.C. App. 1744): Provided, That the transfer authority provided under this provision is in addition to any other transfer authority provided elsewhere in this Act.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8129. Of the amounts appropriated for "Operation and Maintenance, Navy", up to $1,000,000 shall be available for transfer to the John C. Stennis Center for Public Service Development Trust Fund established under

(INCLUDING TRANSFER OF FUNDS)

Sec. 8130. In addition to amounts provided elsewhere in this Act for pay for military personnel, including active duty, reserve and National Guard personnel, $533,500,000 is hereby appropriated to the Department of Defense and made available for transfer only to military personnel accounts: Provided, That the transfer authority provided under this heading is in addition to any other transfer authority provided elsewhere in this Act.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8131. In addition to amounts provided elsewhere in this Act for basic allowance for housing for military personnel, including active duty, reserve and National Guard personnel, $244,700,000 is hereby appropriated to the Department of Defense and made available for transfer only to military personnel accounts: Provided, That the transfer authority provided under this heading is in addition to any other transfer authority provided elsewhere in this Act.

Sec. 8132. None of the funds made available by this Act may be used to reduce, convert, decommission, or otherwise move to nondeployed status (except warm status), or prepare to reduce, convert, decommission, or otherwise
move to nondeployed status (except warm status), any Minuteman III ballistic missile silo that contains a deployed missile as of the date of the enactment of this Act: Provided, That "warm status" means a status that enables any such silo to remain a fully functioning element of the interconnected and redundant command and control system of a missile field and be made fully operational with a deployed missile.

SEC. 8133. None of the funds made available by this Act may be obligated or expended to divest E–3 airborne warning and control system aircraft, or disestablish any units of the active or reserve component associated with such aircraft: Provided, That not later than 90 days following the date of enactment of this Act, the Secretary of the Air Force shall submit to the congressional defense committees a report providing a detailed explanation of how the Secretary will meet the priority requirements of the commanders of the combatant commands related to airborne warning and control with a fleet of fewer than 31 E–3 aircraft.

SEC. 8134. None of the funds made available by this Act may be obligated or expended to implement the Arms Trade Treaty until the Senate approves a resolution of ratification for the Treaty.
(INCLUDING TRANSFER OF FUNDS)

SEC. 8135. In addition to amounts provided elsewhere in this Act, there is appropriated $139,000,000, for an additional amount for "Operation and Maintenance, Defense-Wide", to remain available until expended: Provided, That such funds shall only be available to the Secretary of Defense, acting through the Office of Economic Adjustment of the Department of Defense, or for transfer to the Secretary of Education, notwithstanding any other provision of law, to make grants, conclude cooperative agreements, or supplement other Federal funds to construct, renovate, repair, or expand elementary and secondary public schools on military installations in order to address capacity or facility condition deficiencies at such schools: Provided further, That in making such funds available, the Office of Economic Adjustment or the Secretary of Education shall give priority consideration to those military installations with schools having the most serious capacity or facility condition deficiencies as determined by the Secretary of Defense: Provided further, That funds may not be made available for a school unless its enrollment of Department of Defense-connected children is greater than 50 percent.

SEC. 8136. None of the funds made available by this Act may be used to transfer AH–64 Attack helicopters
from the Army National Guard to the active Army: Provided, That this section shall continue in effect through
the date of enactment of the National Defense Authorization Act for Fiscal Year 2015.

(INCLUDING TRANSFER OF FUNDS)

Sec. 8137. In addition to amounts appropriated in
title II or otherwise made available elsewhere in this Act,
$1,000,000,000 is hereby appropriated to the Department
of Defense and made available for transfer to the opera-
tion and maintenance accounts of the Army, Navy, Ma-
rine Corps, and Air Force (including National Guard and
reserve) for purposes of improving military readiness: Pro-
vided, That the transfer authority provided under this pro-
vision is in addition to any other transfer authority pro-
vided elsewhere in this Act.

Sec. 8138. Of the amounts made available under the
heading “Operation and Maintenance, Defense-Wide” in
title II and “Operation and Maintenance” in title IX of
this Act, not to exceed $50,000,000 may be obligated for
activities authorized under section 1208 of the Ronald W.
Year 2005 (Public Law 112–81; 125 Stat. 1621): Pro-
vided, That none of the funds made available in this Act
may be used under such section 1208 to initiate support
for, or expand support to, foreign forces, irregular forces,
groups, or individuals unless the congressional defense committees are notified in accordance with the direction contained in the classified annex accompanying this Act, not less than 15 days before initiating such support. Provided further, That, none of the funds made available in this Act may be used under such section 1208 for any activity that is not in support of an ongoing military operation being conducted by United States Special Operations Forces to combat terrorism: Provided further, That the Secretary of Defense may waive the prohibitions in the preceding provisos if the Secretary determines that such waiver is required by extraordinary circumstances and, by not later than 72 hours after making such waiver, notifies the congressional defense committees of such waiver.

Sec. 8139. None of the funds appropriated or otherwise made available by this Act or any other Act may be used in contravention of section 1035 of the National Defense Authorization Act for Fiscal Year 2014.

Sec. 8140. None of the funds made available by this Act may be used to implement the changes to hair standards and grooming policies for female members of the Armed Forces, as contained in paragraph 3–2 of Army Regulation 670–1, issued on March 31, 2014.

GENERAL PROVISIONS—THIS TITLE

Sec. 9001. Notwithstanding any other provision of law, funds made available in this title are in addition to amounts appropriated or otherwise made available for the Department of Defense for fiscal year 2015.

(INCLUDING TRANSFER OF FUNDS)

Sec. 9002. Upon the determination of the Secretary of Defense that such action is necessary in the national interest, the Secretary may, with the approval of the Office of Management and Budget, transfer up to $4,000,000,000 between the appropriations or funds made available to the Department of Defense in this title: Provided, That the Secretary shall notify the Congress promptly of each transfer made pursuant to the authority in this section: Provided further, That the authority provided in this section is in addition to any other transfer authority available to the Department of Defense and is subject to the same terms and conditions as the authority provided in the Department of Defense Appropriations Act, 2015.

Sec. 9003. Supervision and administration costs and costs for design during construction associated with a construction project funded with appropriations available for

•HR 4870 RS
operation and maintenance, "Afghanistan Infrastructure Fund," or the "Afghanistan Security Forces Fund" provided in this Act and executed in direct support of overseas contingency operations in Afghanistan, may be obligated at the time a construction contract is awarded. Provided, That for the purpose of this section, supervision and administration costs and costs for design during construction include all in-house Government costs.

Sec. 9004. From funds made available in this title, the Secretary of Defense may purchase for use by military and civilian employees of the Department of Defense in the U.S. Central Command area of responsibility: (a) passenger motor vehicles up to a limit of $75,000 per vehicle; and (b) heavy and light armored vehicles for the physical security of personnel or for force protection purposes up to a limit of $250,000 per vehicle, notwithstanding price or other limitations applicable to the purchase of passenger carrying vehicles.

Sec. 9005. Not to exceed $15,000,000 of the amount appropriated in this title under the heading "Operation and Maintenance" may be used, notwithstanding any other provision of law, to fund the Commander's Emergency Response Program (CERP), for the purpose of enabling military commanders in Afghanistan to respond to urgent, small-scale, humanitarian relief and reconstruc-
tion requirements within their areas of responsibility. Provided, That each project (including any ancillary or related elements in connection with such project) executed under this authority shall not exceed $10,000,000. Provided further, That not later than 45 days after the end of each fiscal year quarter, the Secretary of Defense shall submit to the congressional defense committees a report regarding the source of funds and the allocation and use of funds during that quarter that were made available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein. Provided further, That, not later than 30 days after the end of each month, the Army shall submit to the congressional defense committees monthly commitment, obligation, and expenditure data for the Commander’s Emergency Response Program in Afghanistan. Provided further, That not less than 15 days before making funds available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein for a project with a total anticipated cost for completion of $5,000,000 or more, the Secretary shall submit to the congressional defense committees a written notice containing each of the following:

(1) The location, nature and purpose of the proposed project, including how the project is in-
tended to advance the military campaign plan for
the country in which it is to be carried out.

(2) The budget, implementation timeline with
milestones, and completion date for the proposed
project, including any other CERP funding that has
been or is anticipated to be contributed to the com-
pletion of the project.

(3) A plan for the sustainment of the proposed
project, including the agreement with either the host
nation; a non-Department of Defense agency of the
United States Government or a third-party contrib-
utor to finance the sustainment of the activities and
maintenance of any equipment or facilities to be pro-
vided through the proposed project.

Sec. 9006. Funds available to the Department of De-
fense for operation and maintenance may be used, not-
withstanding any other provision of law, to provide sup-
plies, services, transportation, including airlift and sealift,
and other logistical support to coalition forces supporting
military and stability operations in Afghanistan: Provided,
That the Secretary of Defense shall provide quarterly re-
ports to the congressional defense committees regarding
support provided under this section.

Sec. 9007. None of the funds appropriated or other-
wise made available by this or any other Act shall be obli-
gated or expended by the United States Government for a purpose as follows:

(1) To establish any military installation or base for the purpose of providing for the permanent stationing of United States Armed Forces in Iraq.

(2) To exercise United States control over any oil resource of Iraq.

(3) To establish any military installation or base for the purpose of providing for the permanent stationing of United States Armed Forces in Afghanistan.

SEC. 9008. None of the funds made available in this Act may be used in contravention of the following laws enacted or regulations promulgated to implement the United Nations Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (done at New York on December 10, 1984):

(1) Section 2340A of title 18, United States Code.

(2) Section 2242 of the Foreign Affairs Reform and Restructuring Act of 1998 (division G of Public Law 105–277; 112 Stat. 2681–822; 8 U.S.C. 1231 note) and regulations prescribed thereto, including regulations under part 208 of title 8, Code of Fed-
eral Regulations, and part 95 of title 22, Code of Federal Regulations.

(3) Sections 1002 and 1003 of the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Public Law 109–148).

Sec. 9009. None of the funds provided for the “Afghanistan Security Forces Fund” (ASFF) may be obligated prior to the approval of a financial and activity plan by the Afghanistan Resources Oversight Council (AROC) of the Department of Defense: Provided, That the AROC must approve the requirement and acquisition plan for any service requirements in excess of $50,000,000 annually and any non-standard equipment requirements in excess of $100,000,000 using ASFF: Provided further, That the AROC must approve all projects and the execution plan under the “Afghanistan Infrastructure Fund” (AIF) and any project in excess of $5,000,000 from the Commander’s Emergency Response Program (CERP): Provided further, That the Department of Defense must certify to the congressional defense committees that the AROC has convened and approved a process for ensuring compliance with the requirements in the preceding pro-
visors and accompanying report language for the ASFF, AIF, and CERP.

Sec. 9010. Funds made available in this title to the Department of Defense for operation and maintenance may be used to purchase items having an investment unit cost of not more than $250,000; Provided, That, upon determination by the Secretary of Defense that such action is necessary to meet the operational requirements of a Commander of a Combatant Command engaged in contingency operations overseas, such funds may be used to purchase items having an investment item unit cost of not more than $500,000.

Sec. 9011. From funds made available to the Department of Defense in this title under the heading “Operation and Maintenance” up to $150,000,000 may be used by the Secretary of Defense, notwithstanding any other provision of law, to support United States Government transition activities in Iraq by funding the operations and activities of the Office of Security Cooperation in Iraq and security assistance teams, including life support, transportation and personal security, and facilities renovation and construction, and site closeout activities prior to returning sites to the Government of Iraq; Provided, That to the extent authorized under the National Defense Authorization Act for Fiscal Year 2015, the operations and activi-
ties that may be carried out by the Office of Security Co-
operation in Iraq may, with the concurrence of the Sec-
retary of State, include non-operational training activities
in support of Iraqi Minister of Defense and Counter Ter-
rorism Service personnel in an institutional environment
to address capability gaps, integrate processes relating to
intelligence, air sovereignty, combined arms, logistics and
maintenance, and to manage and integrate defense-related
institutions: Provided further, That not later than 30 days
following the enactment of this Act, the Secretary of De-
fense and the Secretary of State shall submit to the con-
gressional defense committees a plan for transitioning any
such training activities that they determine are needed
after the end of fiscal year 2015, to existing or new con-
tracts for the sale of defense articles or defense services
consistent with the provisions of the Arms Export Control
Act (22 U.S.C. 2751 et seq.): Provided further, That not
less than 15 days before making funds available pursuant
to the authority provided in this section, the Secretary of
Defense shall submit to the congressional defense commit-
tees a written notification containing a detailed justifica-
tion and timeline for the operations and activities of the
Office of Security Cooperation in Iraq at each site where
such operations and activities will be conducted during fis-

cal year 2015.
Sec. 9012. (a) None of the funds appropriated or otherwise made available by this Act under the heading "Operation and Maintenance" for payments under section 1233 of Public Law 110–181 for reimbursement to the Government of Pakistan may be made available unless the Secretary of Defense, in coordination with the Secretary of State, certifies to the Committees on Appropriations that the Government of Pakistan is—

(1) cooperating with the United States in counterterrorism efforts against the Haqqani Network, the Quetta Shura Taliban, Lashkar e-Tayyiba, Jaish-e-Mohammed, Al Qaeda, and other domestic and foreign terrorist organizations, including taking steps to end support for such groups and prevent them from basing and operating in Pakistan and carrying out cross border attacks into neighboring countries;

(2) not supporting terrorist activities against United States or coalition forces in Afghanistan, and Pakistan’s military and intelligence agencies are not intervening extra-judicially into political and judicial processes in Pakistan;

(3) dismantling improvised explosive device (IED) networks and interdicting precursor chemicals used in the manufacture of IEDs;
(4) preventing the proliferation of nuclear-related material and expertise;

(5) implementing policies to protect judicial independence and due process of law;

(6) issuing visas in a timely manner for United States visitors engaged in counterterrorism efforts and assistance programs in Pakistan; and

(7) providing humanitarian organizations access to detainees, internally displaced persons, and other Pakistani civilians affected by the conflict.

(b) The Secretary of Defense, in coordination with the Secretary of State, may waive the restriction in paragraph (a) on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so: Provided, That if the Secretary of Defense, in coordination with the Secretary of State, exercises the authority of the previous proviso, the Secretaries shall report to the Committees on Appropriations on both the justification for the waiver and on the requirements of this section that the Government of Pakistan was not able to meet: Provided further, That such report may be submitted in classified form if necessary.

SEC. 9013. None of the funds made available by this Act may be used with respect to Syria in contravention
1 of the War Powers Resolution (50 U.S.C. 1541 et seq.),
2 including for the introduction of United States armed or
3 military forces into hostilities in Syria; into situations in
4 Syria where imminent involvement in hostilities is clearly
5 indicated by the circumstances; or into Syrian territory,
6 airspace, or waters while equipped for combat, in con-
7 travention of the congressional consultation and reporting
8 requirements of sections 3 and 4 of that law (50 U.S.C.
9 1542 and 1543).

10 Sec. 9014. None of the funds made available by this
11 Act for the “Afghanistan Infrastructure Fund” may be

TITLE VIII

GENERAL PROVISIONS

Sec. 8001. No part of any appropriation contained
in this Act shall be used for publicity or propaganda pur-
poses not authorized by the Congress.

Sec. 8002. During the current fiscal year, provisions
of law prohibiting the payment of compensation to, or em-
ployment of, any person not a citizen of the United States
shall not apply to personnel of the Department of Defense:
Provided, That salary increases granted to direct and indi-
rect hire foreign national employees of the Department of
Defense funded by this Act shall not be at a rate in excess
of the percentage increase authorized by law for civilian
employees of the Department of Defense whose pay is com-
puted under the provisions of section 5332 of title 5, United
States Code, or at a rate in excess of the percentage increase
provided by the appropriate host nation to its own employ-
ees, whichever is higher: Provided further, That this section
shall not apply to Department of Defense foreign service

•HR 4870 RS
national employees serving at United States diplomatic
missions whose pay is set by the Department of State under
the Foreign Service Act of 1980: Provided further, That the
limitations of this provision shall not apply to foreign na-
tional employees of the Department of Defense in the Re-
public of Turkey.

Sec. 8003. No part of any appropriation contained
in this Act shall remain available for obligation beyond the
current fiscal year, unless expressly so provided herein.

Sec. 8004. No more than 20 percent of the appropria-
tions in this Act which are limited for obligation during
the current fiscal year shall be obligated during the last 2
months of the fiscal year: Provided, That this section shall
not apply to obligations for support of active duty training
of reserve components or summer camp training of the Re-
serve Officers’ Training Corps.

(TRANSFER OF FUNDS)

Sec. 8005. Upon determination by the Secretary of
Defense that such action is necessary in the national inter-
est, he may, with the approval of the Office of Management
and Budget, transfer not to exceed $4,500,000,000 of work-
ing capital funds of the Department of Defense or funds
made available in this Act to the Department of Defense
for military functions (except military construction) be-
tween such appropriations or funds or any subdivision
thereof, to be merged with and to be available for the same purposes, and for the same time period, as the appropriation or fund to which transferred: Provided, That such authority to transfer may not be used unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which funds are requested has been denied by the Congress: Provided further, That the Secretary of Defense shall notify the Congress promptly of all transfers made pursuant to this authority or any other authority in this Act: Provided further, That no part of the funds in this Act shall be available to prepare or present a request to the Committees on Appropriations for reprogramming of funds, unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which reprogramming is requested has been denied by the Congress: Provided further, That a request for multiple reprogrammings of funds using authority provided in this section shall be made prior to June 30, 2015: Provided further, That transfers among military personnel appropriations shall not be taken into account for purposes of the limitation on the amount of funds that may be transferred under this section.
SEC. 8006. (a) With regard to the list of specific programs, projects, and activities (and the dollar amounts and adjustments to budget activities corresponding to such programs, projects, and activities) contained in the tables titled “Committee Recommended Adjustments” in the explanatory statement regarding this Act, the obligation and expenditure of amounts appropriated or otherwise made available in this Act for those programs, projects, and activities for which the amounts appropriated exceed the amounts requested are hereby required by law to be carried out in the manner provided by such tables to the same extent as if the tables were included in the text of this Act.

(b) Amounts specified in the referenced tables described in subsection (a) shall not be treated as subdivisions of appropriations for purposes of section 8005 of this Act: Provided, That section 8005 shall apply when transfers of the amounts described in subsection (a) occur between appropriation accounts.

SEC. 8007. (a) Not later than 60 days after enactment of this Act, the Department of Defense shall submit a report to the congressional defense committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2015: Provided, That the report shall include—
(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and the fiscal year enacted level;

(2) a delineation in the table for each appropriation both by budget activity and program, project, and activity as detailed in the Budget Appendix; and

(3) an identification of items of special congressional interest.

(b) Notwithstanding section 8005 of this Act, none of the funds provided in this Act shall be available for reprogramming or transfer until the report identified in subsection (a) is submitted to the congressional defense committees, unless the Secretary of Defense certifies in writing to the congressional defense committees that such reprogramming or transfer is necessary as an emergency requirement.

(TRANSFER OF FUNDS)

SEC. 8008. During the current fiscal year, cash balances in working capital funds of the Department of Defense established pursuant to section 2208 of title 10, United States Code, may be maintained in only such amounts as are necessary at any time for cash disbursements to be made from such funds: Provided, That transfers may be made between such funds: Provided further, That transfers may be
made between working capital funds and the “Foreign Currency Fluctuations, Defense” appropriation and the “Operation and Maintenance” appropriation accounts in such amounts as may be determined by the Secretary of Defense, with the approval of the Office of Management and Budget, except that such transfers may not be made unless the Secretary of Defense has notified the Congress of the proposed transfer. Except in amounts equal to the amounts appropriated to working capital funds in this Act, no obligations may be made against a working capital fund to procure or increase the value of war reserve material inventory, unless the Secretary of Defense has notified the Congress prior to any such obligation.

Sec. 8009. Funds appropriated by this Act may not be used to initiate a special access program without prior notification 30 calendar days in advance to the congressional defense committees.

Sec. 8010. None of the funds provided in this Act shall be available to initiate: (1) a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year of the contract or that includes an unfunded contingent liability in excess of $20,000,000; or (2) a contract for advance procurement leading to a multiyear contract that employs economic order quantity procurement in excess of $20,000,000 in any one year, un-
less the congressional defense committees have been notified at least 30 days in advance of the proposed contract award:

Provided, That no part of any appropriation contained in this Act shall be available to initiate a multiyear contract for which the economic order quantity advance procurement is not funded at least to the limits of the Government’s liability: Provided further, That no part of any appropriation contained in this Act shall be available to initiate multiyear procurement contracts for any systems or component thereof if the value of the multiyear contract would exceed $500,000,000 unless specifically provided in this Act: Provided further, That no multiyear procurement contract can be terminated without 30-day prior notification to the congressional defense committees: Provided further, That the execution of multiyear authority shall require the use of a present value analysis to determine lowest cost compared to an annual procurement: Provided further, That none of the funds provided in this Act may be used for a multiyear contract executed after the date of the enactment of this Act unless in the case of any such contract—

(1) the Secretary of Defense has submitted to Congress a budget request for full funding of units to be procured through the contract and, in the case of a contract for procurement of aircraft, that includes, for any aircraft unit to be procured through the con-
tract for which procurement funds are requested in
that budget request for production beyond advance
procurement activities in the fiscal year covered by
the budget, full funding of procurement of such unit
in that fiscal year;

(2) cancellation provisions in the contract do not
include consideration of recurring manufacturing
costs of the contractor associated with the production
of unfunded units to be delivered under the contract;

(3) the contract provides that payments to the
contractor under the contract shall not be made in
advance of incurred costs on funded units; and

(4) the contract does not provide for a price ad-
justment based on a failure to award a follow-on con-
tact.

SEC. 8011. Within the funds appropriated for the oper-
ation and maintenance of the Armed Forces, funds are here-
by appropriated pursuant to section 401 of title 10, United
States Code, for humanitarian and civic assistance costs
under chapter 20 of title 10, United States Code. Such funds
may also be obligated for humanitarian and civic assist-
ance costs incidental to authorized operations and pursuant
to authority granted in section 401 of chapter 20 of title
10, United States Code, and these obligations shall be re-
ported as required by section 401(d) of title 10, United
States Code: Provided, That funds available for operation and maintenance shall be available for providing humanitarian and similar assistance by using Civic Action Teams in the Trust Territories of the Pacific Islands and freely associated states of Micronesia, pursuant to the Compact of Free Association as authorized by Public Law 99–239: Provided further, That upon a determination by the Secretary of the Army that such action is beneficial for graduate medical education programs conducted at Army medical facilities located in Hawaii, the Secretary of the Army may authorize the provision of medical services at such facilities and transportation to such facilities, on a non-reimbursable basis, for civilian patients from American Samoa, the Commonwealth of the Northern Mariana Islands, the Marshall Islands, the Federated States of Micronesia, Palau, and Guam.

Sec. 8012. (a) During fiscal year 2015, the civilian personnel of the Department of Defense may not be managed on the basis of any end-strength, and the management of such personnel during that fiscal year shall not be subject to any constraint or limitation (known as an end-strength) on the number of such personnel who may be employed on the last day of such fiscal year.

(b) The fiscal year 2016 budget request for the Department of Defense as well as all justification material and
other documentation supporting the fiscal year 2016 Department of Defense budget request shall be prepared and submitted to the Congress as if subsections (a) and (b) of this provision were effective with regard to fiscal year 2016.

(c) Nothing in this section shall be construed to apply to military (civilian) technicians.

Sec. 8013. None of the funds made available by this Act shall be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before the Congress.

Sec. 8014. None of the funds appropriated by this Act shall be available for the basic pay and allowances of any member of the Army participating as a full-time student and receiving benefits paid by the Secretary of Veterans Affairs from the Department of Defense Education Benefits Fund when time spent as a full-time student is credited toward completion of a service commitment: Provided, That this section shall not apply to those members who have reenlisted with this option prior to October 1, 1987: Provided further, That this section applies only to active components of the Army.

(TRANSFER OF FUNDS)

Sec. 8015. Funds appropriated in title III of this Act for the Department of Defense Pilot Mentor-Protégé Program may be transferred to any other appropriation con-
tained in this Act solely for the purpose of implementing a Mentor-Protégé Program developmental assistance agreement pursuant to section 831 of the National Defense Authorization Act for Fiscal Year 1991 (Public Law 101–510; 10 U.S.C. 2302 note), as amended, under the authority of this provision or any other transfer authority contained in this Act.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8016. In addition to amounts provided elsewhere in this Act, there is appropriated $139,000,000, for an additional amount for “Operation and Maintenance, Defense-Wide”, to remain available until expended: Provided, That such funds shall only be available to the Secretary of Defense, acting through the Office of Economic Adjustment of the Department of Defense, or for transfer to the Secretary of Education, notwithstanding any other provision of law, to make grants, conclude cooperative agreements, or supplement other Federal funds to construct, renovate, repair, or expand elementary and secondary public schools on military installations in order to address capacity or facility condition deficiencies at such schools: Provided further, That in making such funds available, the Office of Economic Adjustment or the Secretary of Education shall give priority consideration to those military installations with schools having the most serious capacity or facility condi-
tion deficiencies as determined by the Secretary of Defense:

Provided further, That such grants shall be accompanied by a reasonable cost sharing agreement.

SEC. 8017. None of the funds available to the Department of Defense may be used to demilitarize or dispose of M–1 Carbines, M–1 Garand rifles, M–14 rifles, .22 caliber rifles, .30 caliber rifles, or M–1911 pistols, or to demilitarize or destroy small arms ammunition or ammunition components that are not otherwise prohibited from commercial sale under Federal law, unless the small arms ammunition or ammunition components are certified by the Secretary of the Army or designee as unserviceable, unsuitable, or unsafe for further use.

SEC. 8018. No more than $500,000 of the funds appropriated or made available in this Act shall be used during a single fiscal year for any single relocation of an organization, unit, activity or function of the Department of Defense into or within the National Capital Region: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the congressional defense committees that such a relocation is required in the best interest of the Government.

SEC. 8019. Of the funds appropriated in this Act, up to $15,000,000 may be made available for incentive payments authorized by section 504 of the Indian Financing
Act of 1974 (25 U.S.C. 1544): Provided, That a prime contractor or a subcontractor at any tier that makes a subcontract award to any subcontractor or supplier as defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code, shall be considered a contractor for the purposes of being allowed additional compensation under section 504 of the Indian Financing Act of 1974 (25 U.S.C. 1544) whenever the prime contract or subcontract amount is over $500,000 and involves the expenditure of funds appropriated by an Act making Appropriations for the Department of Defense with respect to any fiscal year: Provided further, That notwithstanding section 1906 of title 41, United States Code, this section shall be applicable to any Department of Defense acquisition of supplies or services, including any contract and any subcontract at any tier for acquisition of commercial items produced or manufactured, in whole or in part, by any subcontractor or supplier defined in section 1544 of title 25, United States Code, or a small business owned and controlled by an individual or individuals defined under section 4221(9) of title 25, United States Code.
Sec. 8020. Funds appropriated by this Act for the Defense Media Activity shall not be used for any national or international political or psychological activities.

Sec. 8021. During the current fiscal year, the Department of Defense is authorized to incur obligations of not to exceed $350,000,000 for purposes specified in section 2350j(c) of title 10, United States Code, in anticipation of receipt of contributions, only from the Government of Kuwait, under that section: Provided, That upon receipt, such contributions from the Government of Kuwait shall be credited to the appropriations or fund which incurred such obligations.

Sec. 8022. (a) Of the funds made available in this Act, not less than $37,800,000 shall be available for the Civil Air Patrol Corporation, of which—

(1) $27,400,000 shall be available from “Operation and Maintenance, Air Force” to support Civil Air Patrol Corporation operation and maintenance, readiness, counterdrug activities, and drug demand reduction activities involving youth programs; and

(2) $10,400,000 shall be available from “Aircraft Procurement, Air Force”.

(b) The Secretary of the Air Force should waive reimbursement for any funds used by the Civil Air Patrol for
counter-drug activities in support of Federal, State, and local government agencies.

SEC. 8023. (a) None of the funds appropriated in this Act are available to establish a new Department of Defense (department) federally funded research and development center (FFRDC), either as a new entity, or as a separate entity administrated by an organization managing another FFRDC, or as a nonprofit membership corporation consisting of a consortium of other FFRDCs and other nonprofit entities.

(b) No member of a Board of Directors, Trustees, Overseers, Advisory Group, Special Issues Panel, Visiting Committee, or any similar entity of a defense FFRDC, and no paid consultant to any defense FFRDC, except when acting in a technical advisory capacity, may be compensated for his or her services as a member of such entity, or as a paid consultant by more than one FFRDC in a fiscal year: Provided, That a member of any such entity referred to previously in this subsection shall be allowed travel expenses and per diem as authorized under the Federal Joint Travel Regulations, when engaged in the performance of membership duties.

(c) Notwithstanding any other provision of law, none of the funds available to the department from any source during fiscal year 2015 may be used by a defense FFRDC,
through a fee or other payment mechanism, for construction of new buildings, for payment of cost sharing for projects funded by Government grants, for absorption of contract overruns, or for certain charitable contributions, not to include employee participation in community service and/or development.

(d) Notwithstanding any other provision of law, of the funds available to the department during fiscal year 2015, not more than 5,750 staff years of technical effort (staff years) may be funded for defense FFRDCs: Provided, That of the specific amount referred to previously in this subsection, not more than 1,125 staff years may be funded for the defense studies and analysis FFRDCs: Provided further, That this subsection shall not apply to staff years funded in the National Intelligence Program (NIP) and the Military Intelligence Program (MIP).

(e) The Secretary of Defense shall, with the submission of the department’s fiscal year 2016 budget request, submit a report presenting the specific amounts of staff years of technical effort to be allocated for each defense FFRDC during that fiscal year and the associated budget estimates.

(f) Notwithstanding any other provision of this Act, the total amount appropriated in this Act for FFRDCs is hereby reduced by $40,000,000.
SEC. 8024. None of the funds appropriated or made available in this Act shall be used to procure carbon, alloy, or armor steel plate for use in any Government-owned facility or property under the control of the Department of Defense which were not melted and rolled in the United States or Canada: Provided, That these procurement restrictions shall apply to any and all Federal Supply Class 9515, American Society of Testing and Materials (ASTM) or American Iron and Steel Institute (AISI) specifications of carbon, alloy or armor steel plate: Provided further, That the Secretary of the military department responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes: Provided further, That these restrictions shall not apply to contracts which are in being as of the date of the enactment of this Act.

SEC. 8025. For the purposes of this Act, the term “congressional defense committees” means the Armed Services Committee of the House of Representatives, the Armed Services Committee of the Senate, the Subcommittee on Defense of the Committee on Appropriations of the Senate, and the
Sec. 8026. During the current fiscal year, the Department of Defense may acquire the modification, depot maintenance and repair of aircraft, vehicles and vessels as well as the production of components and other Defense-related articles, through competition between Department of Defense depot maintenance activities and private firms: Provided, That the Senior Acquisition Executive of the military department or Defense Agency concerned, with power of delegation, shall certify that successful bids include comparable estimates of all direct and indirect costs for both public and private bids: Provided further, That Office of Management and Budget Circular A–76 shall not apply to competitions conducted under this section.

Sec. 8027. (a)(1) If the Secretary of Defense, after consultation with the United States Trade Representative, determines that a foreign country which is party to an agreement described in paragraph (2) has violated the terms of the agreement by discriminating against certain types of products produced in the United States that are covered by the agreement, the Secretary of Defense shall rescind the Secretary's blanket waiver of the Buy American Act with respect to such types of products produced in that foreign country.
(2) An agreement referred to in paragraph (1) is any reciprocal defense procurement memorandum of understanding, between the United States and a foreign country pursuant to which the Secretary of Defense has prospectively waived the Buy American Act for certain products in that country.

(b) The Secretary of Defense shall submit to the Congress a report on the amount of Department of Defense purchases from foreign entities in fiscal year 2015. Such report shall separately indicate the dollar value of items for which the Buy American Act was waived pursuant to any agreement described in subsection (a)(2), the Trade Agreement Act of 1979 (19 U.S.C. 2501 et seq.), or any international agreement to which the United States is a party.

(c) For purposes of this section, the term “Buy American Act” means chapter 83 of title 41, United States Code.

Sec. 8028. During the current fiscal year, amounts contained in the Department of Defense Overseas Military Facility Investment Recovery Account established by section 2921(c)(1) of the National Defense Authorization Act of 1991 (Public Law 101–510; 10 U.S.C. 2687 note) shall be available until expended for the payments specified by section 2921(c)(2) of that Act.

Sec. 8029. (a) Notwithstanding any other provision of law, the Secretary of the Air Force may convey at no

(b) The Secretary of the Air Force shall convey, at no cost to the Air Force, military housing units under subsection (a) in accordance with the request for such units that are submitted to the Secretary by the Operation Walking Shield Program on behalf of Indian tribes located in the States of Nevada, Idaho, North Dakota, South Dakota, Montana, Oregon, Minnesota, and Washington. Any such conveyance shall be subject to the condition that the housing units shall be removed within a reasonable period of time, as determined by the Secretary.

(c) The Operation Walking Shield Program shall resolve any conflicts among requests of Indian tribes for housing units under subsection (a) before submitting requests to the Secretary of the Air Force under subsection (b).

(d) In this section, the term “Indian tribe” means any recognized Indian tribe included on the current list published by the Secretary of the Interior under section 104

SEC. 8030. During the current fiscal year, appropriations which are available to the Department of Defense for operation and maintenance may be used to purchase items having an investment item unit cost of not more than $250,000.

SEC. 8031. (a) During the current fiscal year, none of the appropriations or funds available to the Department of Defense Working Capital Funds shall be used for the purchase of an investment item for the purpose of acquiring a new inventory item for sale or anticipated sale during the current fiscal year or a subsequent fiscal year to customers of the Department of Defense Working Capital Funds if such an item would not have been chargeable to the Department of Defense Business Operations Fund during fiscal year 1994 and if the purchase of such an investment item would be chargeable during the current fiscal year to appropriations made to the Department of Defense for procurement.

(b) The fiscal year 2016 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 2016 Department of Defense budget shall be prepared and submitted to the Congress on the basis that any equipment which was
classified as an end item and funded in a procurement appropriation contained in this Act shall be budgeted for in a proposed fiscal year 2016 procurement appropriation and not in the supply management business area or any other area or category of the Department of Defense Working Capital Funds.

SEC. 8032. None of the funds appropriated by this Act for programs of the Central Intelligence Agency shall remain available for obligation beyond the current fiscal year, except for funds appropriated for the Reserve for Contingencies, which shall remain available until September 30, 2016: Provided, That funds appropriated, transferred, or otherwise credited to the Central Intelligence Agency Central Services Working Capital Fund during this or any prior or subsequent fiscal year shall remain available until expended: Provided further, That any funds appropriated or transferred to the Central Intelligence Agency for advanced research and development acquisition, for agent operations, and for covert action programs authorized by the President under section 503 of the National Security Act of 1947, as amended, shall remain available until September 30, 2016.

SEC. 8033. Notwithstanding any other provision of law, funds made available in this Act for the Defense Intelligence Agency may be used for the design, development, and
deployment of General Defense Intelligence Program intelligence communications and intelligence information systems for the Services, the Unified and Specified Commands, and the component commands.

SEC. 8034. Of the funds appropriated to the Department of Defense under the heading “Operation and Maintenance, Defense-Wide”, not less than $12,000,000 may be made available only for the mitigation of environmental impacts, including training and technical assistance to tribes, related administrative support, the gathering of information, documenting of environmental damage, and developing a system for prioritization of mitigation and cost to complete estimates for mitigation, on Indian lands resulting from Department of Defense activities.

SEC. 8035. (a) None of the funds appropriated in this Act may be expended by an entity of the Department of Defense unless the entity, in expending the funds, complies with the Buy American Act. For purposes of this subsection, the term “Buy American Act” means chapter 83 of title 41, United States Code.

(b) If the Secretary of Defense determines that a person has been convicted of intentionally affixing a label bearing a “Made in America” inscription to any product sold in or shipped to the United States that is not made in America, the Secretary shall determine, in accordance with sec-
tion 2410f of title 10, United States Code, whether the per-
son should be debarred from contracting with the Depart-
ment of Defense.

(c) In the case of any equipment or products purchased
with appropriations provided under this Act, it is the sense
of the Congress that any entity of the Department of De-
fense, in expending the appropriation, purchase only Amer-
ican-made equipment and products, provided that Amer-
ican-made equipment and products are cost-competitive,
quality competitive, and available in a timely fashion.

SEC. 8036. None of the funds appropriated by this Act
shall be available for a contract for studies, analysis, or
consulting services entered into without competition on the
basis of an unsolicited proposal unless the head of the activ-
ity responsible for the procurement determines—

(1) as a result of thorough technical evaluation,
only one source is found fully qualified to perform the
proposed work;

(2) the purpose of the contract is to explore an
unsolicited proposal which offers significant scientific
or technological promise, represents the product of
original thinking, and was submitted in confidence
by one source; or

(3) the purpose of the contract is to take advan-
tage of unique and significant industrial accomplish-
ment by a specific concern, or to insure that a new product or idea of a specific concern is given financial support: Provided, That this limitation shall not apply to contracts in an amount of less than $25,000, contracts related to improvements of equipment that is in development or production, or contracts as to which a civilian official of the Department of Defense, who has been confirmed by the Senate, determines that the award of such contract is in the interest of the national defense.

Sec. 8037. (a) Except as provided in subsections (b) and (c), none of the funds made available by this Act may be used—

(1) to establish a field operating agency; or

(2) to pay the basic pay of a member of the Armed Forces or civilian employee of the department who is transferred or reassigned from a headquarters activity if the member or employee’s place of duty remains at the location of that headquarters.

(b) The Secretary of Defense or Secretary of a military department may waive the limitations in subsection (a), on a case-by-case basis, if the Secretary determines, and certifies to the Committees on Appropriations of the House of Representatives and the Senate that the granting of the
waiver will reduce the personnel requirements or the financial requirements of the department.

(c) This section does not apply to—

(1) field operating agencies funded within the National Intelligence Program;

(2) an Army field operating agency established to eliminate, mitigate, or counter the effects of improvised explosive devices, and, as determined by the Secretary of the Army, other similar threats;

(3) an Army field operating agency established to improve the effectiveness and efficiencies of biometric activities and to integrate common biometric technologies throughout the Department of Defense; or

(4) an Air Force operating agency established to administer the Air Force Mortuary Affairs Program and Mortuary Operations for the Department of Defense and authorized Federal entities.

SEC. 8038. (a) None of the funds appropriated by this Act shall be available to convert to contractor performance an activity or function of the Department of Defense that, on or after the date of the enactment of this Act, is performed by Department of Defense civilian employees unless—

(1) the conversion is based on the result of a public-private competition that includes a most efficient
and cost effective organization plan developed by such
activity or function;

(2) the Competitive Sourcing Official determines
that, over all performance periods stated in the soliciti-
tion of offers for performance of the activity or
function, the cost of performance of the activity or
function by a contractor would be less costly to the
Department of Defense by an amount that equals or
exceeds the lesser of—

(A) 10 percent of the most efficient organi-
zation’s personnel-related costs for performance
of that activity or function by Federal employ-
ees; or

(B) $10,000,000; and

(3) the contractor does not receive an advantage
for a proposal that would reduce costs for the Depart-
ment of Defense by—

(A) not making an employer-sponsored
health insurance plan available to the workers
who are to be employed in the performance of
that activity or function under the contract; or

(B) offering to such workers an employer-
sponsored health benefits plan that requires the
employer to contribute less towards the premium
or subscription share than the amount that is
paid by the Department of Defense for health
benefits for civilian employees under chapter 89
of title 5, United States Code.

(b)(1) The Department of Defense, without regard to
subsection (a) of this section or subsection (a), (b), or (c)
of section 2461 of title 10, United States Code, and notwith-
standing any administrative regulation, requirement, or
policy to the contrary shall have full authority to enter into
a contract for the performance of any commercial or indu-
trial type function of the Department of Defense that—

(A) is included on the procurement list estab-
lished pursuant to section 2 of the Javits-Wagner-
O’Day Act (section 8503 of title 41, United States
Code);

(B) is planned to be converted to performance by
a qualified nonprofit agency for the blind or by a
qualified nonprofit agency for other severely handi-
capped individuals in accordance with that Act; or

(C) is planned to be converted to performance by
a qualified firm under at least 51 percent ownership
by an Indian tribe, as defined in section 4(e) of the
Indian Self-Determination and Education Assistance
Act (25 U.S.C. 450b(e)), or a Native Hawaiian Orga-
nization, as defined in section 8(a)(15) of the Small
Business Act (15 U.S.C. 637(a)(15)).
(2) This section shall not apply to depot contracts or contracts for depot maintenance as provided in sections 2469 and 2474 of title 10, United States Code.

(c) The conversion of any activity or function of the Department of Defense under the authority provided by this section shall be credited toward any competitive or outsourcing goal, target, or measurement that may be established by statute, regulation, or policy and is deemed to be awarded under the authority of, and in compliance with, subsection (h) of section 2304 of title 10, United States Code, for the competition or outsourcing of commercial activities.

(RESCISSIONS)

SEC. 8039. Of the funds appropriated in Department of Defense Appropriations Acts, the following funds are hereby rescinded from the following accounts and programs in the specified amounts: Provided, That no amounts may be rescinded from amounts that were designated by the Congress for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985, as amended:

SEC. 8040. None of the funds available in this Act may be used to reduce the authorized positions for military technicians (dual status) of the Army National Guard, Air National Guard, Army Reserve and Air Force Reserve for the purpose of applying any administratively imposed civilian personnel ceiling, freeze, or reduction on military technicians (dual status), unless such reductions are a direct result of a reduction in military force structure.

SEC. 8041. None of the funds appropriated or otherwise made available in this Act may be obligated or expended for assistance to the Democratic People’s Republic of Korea unless specifically appropriated for that purpose.

SEC. 8042. Funds appropriated in this Act for operation and maintenance of the Military Departments, Combatant Commands and Defense Agencies shall be available for reimbursement of pay, allowances and other expenses which would otherwise be incurred against appropriations for the National Guard and Reserve when members of the National Guard and Reserve provide intelligence or counterintelligence support to Combatant Commands, Defense Agencies and Joint Intelligence Activities, including the ac-
tivities and programs included within the National Intel-
genence Program and the Military Intelligence Program:
Provided, That nothing in this section authorizes deviation
from established Reserve and National Guard personnel and
training procedures.

Sec. 8043. Of the amounts appropriated for “Working
Capital Fund, Army”, $225,000,000 shall be for the Indus-
trial Mobilization Capacity account.

Sec. 8044. (a) None of the funds available to the De-
partment of Defense for any fiscal year for drug interdic-
tion or counter-drug activities may be transferred to any
other department or agency of the United States except as
specifically provided in an appropriations law.

(b) None of the funds available to the Central Intel-
genence Agency for any fiscal year for drug interdiction or
counter-drug activities may be transferred to any other de-
partment or agency of the United States except as specifi-
cally provided in an appropriations law.

Sec. 8045. In addition to the amounts appropriated
or otherwise made available elsewhere in this Act,
$20,000,000 is hereby appropriated to the Department of
Defense: Provided, That upon the determination of the Sec-
retary of Defense that it shall serve the national interest,
the Secretary shall make a grant in the amount specified
as follows: $20,000,000 to the United Service Organizations.
SEC. 8046. None of the funds in this Act may be used to purchase any supercomputer which is not manufactured in the United States, unless the Secretary of Defense certifies to the congressional defense committees that such an acquisition must be made in order to acquire capability for national security purposes that is not available from United States manufacturers.

SEC. 8047. Notwithstanding any other provision in this Act, the Small Business Innovation Research program and the Small Business Technology Transfer program set-asides shall be taken proportionally from all programs, projects, or activities to the extent they contribute to the extramural budget.

SEC. 8048. (a) Notwithstanding any other provision of law, none of the funds available to the Department of Defense for the current fiscal year and hereafter may be obligated or expended to transfer to another nation or an international organization any defense articles or services (other than intelligence services) for use in the activities described in subsection (b) unless the congressional defense committees, the Committee on Foreign Affairs of the House of Representatives, and the Committee on Foreign Relations of the Senate are notified 15 days in advance of such transfer.

(b) This section applies to—
(1) any international peacekeeping or peace-enforcement operation under the authority of chapter VI or chapter VII of the United Nations Charter under the authority of a United Nations Security Council resolution; and

(2) any other international peacekeeping, peace-enforcement, or humanitarian assistance operation.

(c) A notice under subsection (a) shall include the following:

(1) A description of the equipment, supplies, or services to be transferred.

(2) A statement of the value of the equipment, supplies, or services to be transferred.

(3) In the case of a proposed transfer of equipment or supplies—

(A) a statement of whether the inventory requirements of all elements of the Armed Forces (including the reserve components) for the type of equipment or supplies to be transferred have been met; and

(B) a statement of whether the items proposed to be transferred will have to be replaced and, if so, how the President proposes to provide funds for such replacement.
SEC. 8049. None of the funds available to the Department of Defense under this Act shall be obligated or expended to pay a contractor under a contract with the Department of Defense for costs of any amount paid by the contractor to an employee when—

(1) such costs are for a bonus or otherwise in excess of the normal salary paid by the contractor to the employee; and

(2) such bonus is part of restructuring costs associated with a business combination.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8050. During the current fiscal year, no more than $30,000,000 of appropriations made in this Act under the heading “Operation and Maintenance, Defense-Wide” may be transferred to appropriations available for the pay of military personnel, to be merged with, and to be available for the same time period as the appropriations to which transferred, to be used in support of such personnel in connection with support and services for eligible organizations and activities outside the Department of Defense pursuant to section 2012 of title 10, United States Code.

SEC. 8051. During the current fiscal year, in the case of an appropriation account of the Department of Defense for which the period of availability for obligation has expired or which has closed under the provisions of section...
1552 of title 31, United States Code, and which has a negative unliquidated or unexpended balance, an obligation or an adjustment of an obligation may be charged to any current appropriation account for the same purpose as the expired or closed account if—

(1) the obligation would have been properly chargeable (except as to amount) to the expired or closed account before the end of the period of availability or closing of that account;

(2) the obligation is not otherwise properly chargeable to any current appropriation account of the Department of Defense; and

(3) in the case of an expired account, the obligation is not chargeable to a current appropriation of the Department of Defense under the provisions of section 1405(b)(8) of the National Defense Authorization Act for Fiscal Year 1991, Public Law 101–510, as amended (31 U.S.C. 1551 note): Provided, That in the case of an expired account, if subsequent review or investigation discloses that there was not in fact a negative unliquidated or unexpended balance in the account, any charge to a current account under the authority of this section shall be reversed and recorded against the expired account: Provided further, That the total amount charged to a current appro-
appropriation under this section may not exceed an amount equal to 1 percent of the total appropriation for that account.

SEC. 8052. (a) Notwithstanding any other provision of law, the Chief of the National Guard Bureau may permit the use of equipment of the National Guard Distance Learning Project by any person or entity on a space-available, reimbursable basis. The Chief of the National Guard Bureau shall establish the amount of reimbursement for such use on a case-by-case basis.

(b) Amounts collected under subsection (a) shall be credited to funds available for the National Guard Distance Learning Project and be available to defray the costs associated with the use of equipment of the project under that subsection. Such funds shall be available for such purposes without fiscal year limitation.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8053. Of the funds appropriated in this Act under the heading “Operation and Maintenance, Defense-wide”, $25,000,000 shall be for continued implementation and expansion of the Sexual Assault Special Victims’ Counsel Program, and $5,709,000 shall be for support of high priority Sexual Assault Prevention and Response Program requirements and activities, including the training and funding of personnel: Provided, That the funds are made
available for transfer to the Department of the Army, the
Department of the Navy, and the Department of the Air
Force: Provided further, That funds transferred shall be
merged with and available for the same purposes and for
the same time period as the appropriations to which the
funds are transferred: Provided further, That this transfer
authority is in addition to any other transfer authority
provided in this Act.

SEC. 8054. None of the funds appropriated in title IV
of this Act may be used to procure end-items for delivery
to military forces for operational training, operational use
or inventory requirements: Provided, That this restriction
does not apply to end-items used in development, proto-
typing, and test activities preceding and leading to accept-
ance for operational use: Provided further, That this restric-
tion does not apply to programs funded within the National
Intelligence Program: Provided further, That the Secretary
of Defense may waive this restriction on a case-by-case basis
by certifying in writing to the Committees on Appropria-
tions of the House of Representatives and the Senate that
it is in the national security interest to do so.

SEC. 8055. (a) The Secretary of Defense may, on a
case-by-case basis, waive with respect to a foreign country
each limitation on the procurement of defense items from
foreign sources provided in law if the Secretary determines
that the application of the limitation with respect to that
country would invalidate cooperative programs entered into
between the Department of Defense and the foreign country,
or would invalidate reciprocal trade agreements for the pro-
curement of defense items entered into under section 2531
of title 10, United States Code, and the country does not
discriminate against the same or similar defense items pro-
duced in the United States for that country.

(b) Subsection (a) applies with respect to—

(1) contracts and subcontracts entered into on or
after the date of the enactment of this Act; and

(2) options for the procurement of items that are
exercised after such date under contracts that are en-
tered into before such date if the option prices are ad-
justed for any reason other than the application of a
waiver granted under subsection (a).

(c) Subsection (a) does not apply to a limitation re-
garding construction of public vessels, ball and roller bear-
ings, food, and clothing or textile materials as defined by
section 11 (chapters 50–65) of the Harmonized Tariff
Schedule and products classified under headings 4010,
4202, 4203, 6401 through 6406, 6505, 7019, 7218 through
7229, 7304.41 through 7304.49, 7306.40, 7502 through
7508, 8105, 8108, 8109, 8211, 8215, and 9404.

Sec. 8056. (a) In General.—
(1) None of the funds made available by this Act may be used for any training, equipment, or other assistance for the members of a unit of a foreign security force if the Secretary of Defense has credible information that the unit has committed a gross violation of human rights.

(2) The Secretary of Defense, in consultation with the Secretary of State, shall ensure that prior to a decision to provide any training, equipment, or other assistance to a unit of a foreign security force full consideration is given to any credible information available to the Department of State relating to human rights violations by such unit.

(b) EXCEPTION.—The prohibition in subsection (a)(1) shall not apply if the Secretary of Defense, after consultation with the Secretary of State, determines that the government of such country has taken all necessary corrective steps.

(c) WAIVER.—The Secretary of Defense, after consultation with the Secretary of State, may waive the provisions of subsections (a)(1) and (a)(2) if the Secretary of Defense determines that such waiver is required by extraordinary circumstances, or if the training, equipment, or other assistance is necessary to assist in disaster relief operations or other humanitarian or national security emergencies.
(d) PROCEDURES.—The Secretary of Defense shall est-
establish, and periodically update, procedures to ensure that
any information in the possession of the Department of De-
fense about gross violations of human rights by units of for-
egn security forces is shared on a timely basis with the
Department of State.

(e) REPORT.—Not more than 15 days after the appli-
cation of any exception under subsection (b) or the exercise
of any waiver under subsection (c), the Secretary of Defense
shall submit to the appropriate congressional committees a
report—

(1) in the case of an exception under subsection
(b), providing notice of the use of the exception and
stating the grounds for the exception; and

(2) in the case of a waiver under subsection (c),
describing the information relating to the gross viola-
tion of human rights; the extraordinary or other cir-
cumstances that necessitate the waiver; the purpose
and duration of the training, equipment, or other as-
sistance; and the United States forces and the foreign
security force unit involved.

(f) DEFINITION.—For purposes of this section the term
“appropriate congressional committees” means the congress-
sional defense Committees and the Committees on Approp-
riations.
Sec. 8057. None of the funds appropriated or otherwise made available by this or other Department of Defense Appropriations Acts may be obligated or expended for the purpose of performing repairs or maintenance to military family housing units of the Department of Defense, including areas in such military family housing units that may be used for the purpose of conducting official Department of Defense business.

Sec. 8058. Notwithstanding any other provision of law, funds appropriated in this Act under the heading “Research, Development, Test and Evaluation, Defense-Wide” for any new start advanced concept technology demonstration project or joint capability demonstration project may only be obligated 45 days after a report, including a description of the project, the planned acquisition and transition strategy and its estimated annual and total cost, has been provided in writing to the congressional defense committees: Provided, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying to the congressional defense committees that it is in the national interest to do so.

Sec. 8059. The Secretary of Defense shall provide a classified quarterly report beginning 30 days after enactment of this Act, to the House and Senate Appropriations
Committees, Subcommittees on Defense on certain matters as directed in the classified annex accompanying this Act.

SEC. 8060. During the current fiscal year and hereafter, none of the funds available to the Department of Defense may be used to provide support to another department or agency of the United States if such department or agency is more than 90 days in arrears in making payment to the Department of Defense for goods or services previously provided to such department or agency on a reimbursable basis: Provided, That this restriction shall not apply if the department is authorized by law to provide support to such department or agency on a nonreimbursable basis, and is providing the requested support pursuant to such authority: Provided further, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that it is in the national security interest to do so.

SEC. 8061. Notwithstanding section 12310(b) of title 10, United States Code, a member of the National Guard serving on full-time National Guard duty under section 502(f) of title 32, United States Code, may perform duties in support of the ground-based elements of the National Ballistic Missile Defense System.
SEC. 8062. None of the funds provided in this Act may be used to transfer to any nongovernmental entity ammunition held by the Department of Defense that has a center-fire cartridge and a United States military nomenclature designation of “armor penetrator”, “armor piercing (AP)”, “armor piercing incendiary (API)”, or “armor-piercing incendiary tracer (API–T)”, except to an entity performing demilitarization services for the Department of Defense under a contract that requires the entity to demonstrate to the satisfaction of the Department of Defense that armor piercing projectiles are either: (1) rendered incapable of reuse by the demilitarization process; or (2) used to manufacture ammunition pursuant to a contract with the Department of Defense or the manufacture of ammunition for export pursuant to a License for Permanent Export of Unclassified Military Articles issued by the Department of State.

SEC. 8063. In specifying the amounts requested for the Department of the Army for Arlington National Cemetery, Virginia, the budget of the President submitted to Congress shall request such amounts in the Cemeterial Expenses, Army appropriation, and shall not request such amounts in the Operation and Maintenance, Army appropriation.

SEC. 8064. None of the funds appropriated by this Act shall be used for the support of any nonappropriated funds
activity of the Department of Defense that procures malt beverages and wine with nonappropriated funds for resale (including such alcoholic beverages sold by the drink) on a military installation located in the United States unless such malt beverages and wine are procured within that State, or in the case of the District of Columbia, within the District of Columbia, in which the military installation is located: Provided, That in a case in which the military installation is located in more than one State, purchases may be made in any State in which the installation is located: Provided further, That such local procurement requirements for malt beverages and wine shall apply to all alcoholic beverages only for military installations in States which are not contiguous with another State: Provided further, That alcoholic beverages other than wine and malt beverages, in contiguous States and the District of Columbia shall be procured from the most competitive source, price and other factors considered.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8065. Of the amounts appropriated in this Act under the heading “Operation and Maintenance, Army”, $106,189,900 shall remain available until expended: Provided, That notwithstanding any other provision of law, the Secretary of Defense is authorized to transfer such funds to other activities of the Federal Government: Provided fur-
ther, That the Secretary of Defense is authorized to enter
into and carry out contracts for the acquisition of real
property, construction, personal services, and operations re-
lated to projects carrying out the purposes of this section:
Provided further, That contracts entered into under the au-
thority of this section may provide for such indemnification
as the Secretary determines to be necessary: Provided fur-
ther, That projects authorized by this section shall comply
with applicable Federal, State, and local law to the max-
imum extent consistent with the national security, as deter-
mined by the Secretary of Defense.
SEC. 8066. (a) None of the funds appropriated in this
or any other Act may be used to take any action to mod-
ify—

(1) the appropriations account structure for the
National Intelligence Program budget, including
through the creation of a new appropriation account;

(2) how the National Intelligence Program budg-
et request is presented in the unclassified P–1, R–1,
and O–1 documents supporting the Department of
Defense 2016 budget request;

(3) the process by which the National Intelligence
Program appropriations are apportioned to the exe-
cuting agencies; or
(4) the process by which the National Intelligence Program appropriations are allotted, obligated and disbursed.

(b) Nothing in section (a) shall be construed to prohibit the merger of programs or changes to the National Intelligence Program budget at or below the Expenditure Center level, provided such change is otherwise in accordance with section (a).

(c) The Director of National Intelligence and the Secretary of Defense may jointly, only for the purposes of achieving auditable financial statements and improving fiscal reporting, study and develop detailed proposals for alternative financial management processes. Such study shall include a comprehensive counterintelligence risk assessment to ensure that none of the alternative processes will adversely affect counterintelligence.

(d) Upon development of alternative financial management processes that meet the priorities established in this section, the Office of the Director of National Intelligence shall, prior to taking any other action—

(1) provide the proposed alternatives to all affected agencies;

(2) receive certification from all affected agencies attesting that the proposed alternatives will help
achieve auditability, improve fiscal reporting, and will not adversely affect counterintelligence; and

(3) not later than 30 days after receiving all necessary certifications under paragraph (2), present the proposed alternatives and certifications to the congressional defense and intelligence committees.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8067. During the current fiscal year, not to exceed $200,000,000 from funds available under “Operation and Maintenance, Defense-Wide” may be transferred to the Department of State “Global Security Contingency Fund”: Provided, That this transfer authority is in addition to any other transfer authority available to the Department of Defense: Provided further, That the Secretary of Defense shall, not fewer than 30 days prior to making transfers to the Department of State “Global Security Contingency Fund”, notify the congressional defense committees in writing with the source of funds and a detailed justification, execution plan, and timeline for each proposed project.

SEC. 8068. The Secretary of Defense shall issue regulations to prohibit the sale of any tobacco or tobacco-related products in military resale outlets in the United States, its territories and possessions at a price below the most competitive price in the local community: Provided, That such regulations shall direct that the prices of tobacco or tobacco-
related products in overseas military retail outlets shall be within the range of prices established for military retail system stores located in the United States.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8069. Of the amounts appropriated in this Act under the headings “Procurement, Defense-Wide” and “Research, Development, Test and Evaluation, Defense-Wide”, $621,575,000 shall be for the Israeli Cooperative Programs: Provided, That of this amount, $350,972,000 shall be for the Secretary of Defense to provide to the Government of Israel for the procurement of the Iron Dome defense system to counter short-range rocket threats, subject to the U.S.-Israel Iron Dome Procurement Agreement, as amended, $137,934,000 shall be for the Short Range Ballistic Missile Defense (SRBMD) program, including cruise missile defense research and development under the SRBMD program, of which $15,000,000 shall be for production activities of SRBMD missiles in the United States and in Israel to meet Israel’s defense requirements consistent with each nation’s laws, regulations, and procedures, $76,468,000 shall be available for an upper-tier component to the Israeli Missile Defense Architecture, and $56,201,000 shall be for the Arrow System Improvement Program including development of a long range, ground and airborne, detection suite: Provided further, That funds made available under
this provision for production of missiles and missile compo-
ents may be transferred to appropriations available for
the procurement of weapons and equipment, to be merged
with and to be available for the same time period and the
same purposes as the appropriation to which transferred:
Provided further, That the transfer authority provided
under this provision is in addition to any other transfer
authority contained in this Act.

SEC. 8070. None of the funds made available by this
Act may be used by the Department of Defense to grant
an enlistment waiver for an offense within offense code 433
(rape, sexual abuse, sexual assault, criminal sexual abuse,
incest, or other sex crimes), as specified in Table 1 of the
memorandum from the Under Secretary of Defense with the
subject line “Directive-Type Memorandum (DTM) 08–
018—‘Enlistment Waivers’”, dated June 27, 2008 (incor-
porating Change 3, March 20, 2013).

Sec. 8072. Funds appropriated by this Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 3094) during fiscal year 2015 until the enactment of the Intelligence Authorization Act for Fiscal Year 2015.

Sec. 8073. None of the funds provided in this Act shall be available for obligation or expenditure through a reprogramming of funds that creates or initiates a new program, project, or activity unless such program, project, or activity must be undertaken immediately in the interest of national security and only after written prior notification to the congressional defense committees.

Sec. 8074. The budget of the President for fiscal year 2016 submitted to the Congress pursuant to section 1105
of title 31, United States Code, shall include separate budget
justification documents for costs of United States Armed
Forces’ participation in contingency operations for the
Military Personnel accounts, the Operation and Mainte-
nance accounts, the Procurement accounts, and the Re-
search, Development, Test and Evaluation accounts: Pro-
vided, That these documents shall include a description of
the funding requested for each contingency operation, for
each military service, to include all Active and Reserve
components, and for each appropriations account: Provided
further, That these documents shall include estimated costs
for each element of expense or object class, a reconciliation
of increases and decreases for each contingency operation,
and programmatic data including, but not limited to, troop
strength for each Active and Reserve component, and esti-
mates of the major weapons systems deployed in support
of each contingency: Provided further, That these documents
shall include budget exhibits OP–5 and OP–32 (as defined
in the Department of Defense Financial Management Regu-
lation) for all contingency operations for the budget year
and the two preceding fiscal years.

Sec. 8075. None of the funds in this Act may be used
for research, development, test, evaluation, procurement or
deployment of nuclear armed interceptors of a missile de-
fense system.
SEC. 8076. Notwithstanding any other provision of this Act, to reflect savings due to favorable foreign exchange rates, the total amount appropriated in this Act is hereby reduced by $300,000,000.

SEC. 8077. None of the funds appropriated or made available in this Act shall be used to reduce or disestablish the operation of the 53rd Weather Reconnaissance Squadron of the Air Force Reserve, if such action would reduce the WC–130 Weather Reconnaissance mission below the levels funded in this Act: Provided, That the Air Force shall allow the 53rd Weather Reconnaissance Squadron to perform other missions in support of national defense requirements during the non-hurricane season.

SEC. 8078. None of the funds provided in this Act shall be available for integration of foreign intelligence information unless the information has been lawfully collected and processed during the conduct of authorized foreign intelligence activities: Provided, That information pertaining to United States persons shall only be handled in accordance with protections provided in the Fourth Amendment of the United States Constitution as implemented through Executive Order No. 12333.

SEC. 8079. Of the amounts appropriated for “Missile Procurement, Air Force”, $125,000,000 shall be available for the acceleration of a competitively awarded Evolved Ex-
pendable Launch Vehicle mission: Provided, That competi-
tions shall be open to all certified providers of Evolved Ex-
pendable Launch Vehicle-class systems: Provided further,
That competitions shall consider bids from two or more cer-
tified providers: Provided further, That notwithstanding
any other provision of law, such providers may compete
any certified launch vehicle in their inventory.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8080. The Secretary of Defense may transfer
funds from any available Department of the Navy appro-
priation to any available Navy ship construction appro-
priation for the purpose of liquidating necessary changes
resulting from inflation, market fluctuations, or rate adjust-
ments for any ship construction program appropriated in
law: Provided, That the Secretary may transfer not to ex-
ceed $50,000,000 under the authority provided by this sec-
tion: Provided further, That the Secretary may not transfer
any funds until 30 days after the proposed transfer has been
reported to the Committees on Appropriations of the House
of Representatives and the Senate, unless a response from
the Committees is received sooner: Provided further, That
any funds transferred pursuant to this section shall retain
the same period of availability as when originally appro-
priated: Provided further, That the transfer authority pro-
vided by this section is in addition to any other transfer
authority contained elsewhere in this Act.

SEC. 8081. (a) None of the funds appropriated by this
Act may be used to transfer research and development, ac-
quision, or other program authority relating to current
tactical unmanned aerial vehicles (TUAVs) from the Army.

(b) The Army shall retain responsibility for and oper-
ational control of the MQ–1C Gray Eagle Unmanned Aerial
Vehicle (UAV) in order to support the Secretary of Defense
in matters relating to the employment of unmanned aerial
vehicles.

SEC. 8082. Up to $15,000,000 of the funds appro-
priated under the heading “Operation and Maintenance,
Navy” may be made available for the Asia Pacific Regional
Initiative Program for the purpose of enabling the Pacific
Command to execute Theater Security Cooperation activi-
ties such as humanitarian assistance, and payment of in-
cremental and personnel costs of training and exercising
with foreign security forces: Provided, That funds made
available for this purpose may be used, notwithstanding
any other funding authorities for humanitarian assistance,
security assistance or combined exercise expenses: Provided
further, That funds may not be obligated to provide assist-
ance to any foreign country that is otherwise prohibited
from receiving such type of assistance under any other provision of law.

SEC. 8083. None of the funds appropriated by this Act for programs of the Office of the Director of National Intelligence shall remain available for obligation beyond the current fiscal year, except for funds appropriated for research and technology, which shall remain available until September 30, 2016.

SEC. 8084. For purposes of section 1553(b) of title 31, United States Code, any subdivision of appropriations made in this Act under the heading “Shipbuilding and Conversion, Navy” shall be considered to be for the same purpose as any subdivision under the heading “Shipbuilding and Conversion, Navy” appropriations in any prior fiscal year, and the 1 percent limitation shall apply to the total amount of the appropriation.

SEC. 8085. (a) Not later than 60 days after the date of enactment of this Act, the Director of National Intelligence shall submit a report to the congressional intelligence committees to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2015: Provided, That the report shall include—

(1) a table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to
enacted rescissions, if appropriate, and the fiscal year
enacted level;

(2) a delineation in the table for each appropriation
by Expenditure Center and project; and

(3) an identification of items of special congres-
sional interest.

(b) None of the funds provided for the National Intel-
ligence Program in this Act shall be available for re-
programming or transfer until the report identified in sub-
section (a) is submitted to the congressional intelligence
committees, unless the Director of National Intelligence cer-
tifies in writing to the congressional intelligence committees
that such reprogramming or transfer is necessary as an
emergency requirement.

SEC. 8086. During the current fiscal year and here-
after, none of the funds made available by this Act for excess
defense articles, assistance under section 1206 of the Na-
tional Defense Authorization Act for Fiscal Year 2006 (Pub-
lic Law 109–163; 119 Stat. 3456), or peacekeeping oper-
ations for the countries designated in 2013 to be in viola-
tion of the standards of the Child Soldiers Prevention Act
of 2008 may be used to support any military training or
operation that includes child soldiers, as defined by the
Child Soldiers Prevention Act of 2008 (Public Law 110–
457; 22 U.S.C. 2370c–1), unless such assistance is otherwise

(INCLUDING TRANSFER OF FUNDS)

SEC. 8087. Of the funds appropriated in the Intelligence Community Management Account for the Program Manager for the Information Sharing Environment, $20,000,000 is available for transfer by the Director of National Intelligence to other departments and agencies for purposes of Government-wide information sharing activities: Provided, That funds transferred under this provision are to be merged with and available for the same purposes and time period as the appropriation to which transferred: Provided further, That the Office of Management and Budget must approve any transfers made under this provision.

SEC. 8088. (a) None of the funds provided for the National Intelligence Program in this or any prior appropriations Act shall be available for obligation or expenditure through a reprogramming or transfer of funds in accordance with section 102A(d) of the National Security Act of 1947 (50 U.S.C. 403–1(d)) that—

(1) creates a new start effort;

(2) terminates a program with appropriated funding of $10,000,000 or more;

(3) transfers funding into or out of the National Intelligence Program; or
(4) transfers funding between appropriations,

unless the congressional intelligence committees are notified
30 days in advance of such reprogramming of funds; this
notification period may be reduced for urgent national se-
curity requirements.

(b) None of the funds provided for the National Intel-
ligence Program in this or any prior appropriations Act
shall be available for obligation or expenditure through a
reprogramming or transfer of funds in accordance with sec-
tion 102A(d) or the National Security Act of 1947 (50
U.S.C. 403–1(d)) that results in a cumulative increase or
decrease of the levels specified in the classified annex accom-
ppanying the Act unless the congressional intelligence com-
mittees are notified 30 days in advance of such reprogram-
ming of funds; this notification period may be reduced for
urgent national security requirements.

SEC. 8089. The Director of National Intelligence shall
submit to Congress each year, at or about the time that
the President’s budget is submitted to Congress that year
under section 1105(a) of title 31, United States Code, a fu-
ture-years intelligence program (including associated an-
nexes) reflecting the estimated expenditures and proposed
appropriations included in that budget. Any such future-
years intelligence program shall cover the fiscal year with
respect to which the budget is submitted and at least the
four succeeding fiscal years.

SEC. 8090. For the purposes of this Act, the term “con-
gressional intelligence committees” means the Permanent
Select Committee on Intelligence of the House of Represent-
atives, the Select Committee on Intelligence of the Senate,
the Subcommittee on Defense of the Committee on Approp-
riations of the House of Representatives, and the Sub-
committee on Defense of the Committee on Appropriations
of the Senate.

SEC. 8091. The Department of Defense shall continue
to report incremental contingency operations costs for Oper-
ation Enduring Freedom on a monthly basis and any other
operation designated and identified by the Secretary of De-
fense for the purposes of section 127a of title 10, United
States Code, on a semi-annual basis in the Cost of War
Execution Report as prescribed in the Department of De-
fense Financial Management Regulation Department of De-
fense Instruction 7000.14, Volume 12, Chapter 23 “Conting-

SEC. 8092. During the current fiscal year, not to ex-
ceed $11,000,000 from each of the appropriations made in
title II of this Act for “Operation and Maintenance, Army”,
“Operation and Maintenance, Navy”, and “Operation and
Maintenance, Air Force” may be transferred by the military department concerned to its central fund established for Fisher Houses and Suites pursuant to section 2493(d) of title 10, United States Code.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8093. Funds appropriated by this Act for operation and maintenance may be available for the purpose of making remittances and transfer to the Defense Acquisition Workforce Development Fund in accordance with section 1705 of title 10, United States Code.

SEC. 8094. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public Web site of that agency any report required to be submitted by the Congress in this or any other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains proprietary information.

(c) The head of the agency posting such report shall do so only after such report has been made available to the requesting Committee or Committees of Congress for no less than 45 days.
Sec. 8095. (a) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract for an amount in excess of $1,000,000, unless the contractor agrees not to—

(1) enter into any agreement with any of its employees or independent contractors that requires, as a condition of employment, that the employee or independent contractor agree to resolve through arbitration any claim under title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention; or

(2) take any action to enforce any provision of an existing agreement with an employee or independent contractor that mandates that the employee or independent contractor resolve through arbitration any claim under title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention.
(b) None of the funds appropriated or otherwise made available by this Act may be expended for any Federal contract unless the contractor certifies that it requires each covered subcontractor to agree not to enter into, and not to take any action to enforce any provision of, any agreement as described in paragraphs (1) and (2) of subsection (a), with respect to any employee or independent contractor performing work related to such subcontract. For purposes of this subsection, a “covered subcontractor” is an entity that has a subcontract in excess of $1,000,000 on a contract subject to subsection (a).

(c) The prohibitions in this section do not apply with respect to a contractor’s or subcontractor’s agreements with employees or independent contractors that may not be enforced in a court of the United States.

(d) The Secretary of Defense may waive the application of subsection (a) or (b) to a particular contractor or subcontractor for the purposes of a particular contract or subcontract if the Secretary or the Deputy Secretary personally determines that the waiver is necessary to avoid harm to national security interests of the United States, and that the term of the contract or subcontract is not longer than necessary to avoid such harm. The determination shall set forth with specificity the grounds for the waiver and for the contract or subcontract term selected, and
shall state any alternatives considered in lieu of a waiver and the reasons each such alternative would not avoid harm to national security interests of the United States. The Secretary of Defense shall transmit to Congress, and simultaneously make public, any determination under this subsection not less than 15 business days before the contract or subcontract addressed in the determination may be awarded.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8096. From within the funds appropriated for operation and maintenance for the Defense Health Program in this Act, up to $146,857,000, shall be available for transfer to the Joint Department of Defense-Department of Veterans Affairs Medical Facility Demonstration Fund in accordance with the provisions of section 1704 of the National Defense Authorization Act for Fiscal Year 2010, Public Law 111–84: Provided, That for purposes of section 1704(b), the facility operations funded are operations of the integrated Captain James A. Lovell Federal Health Care Center, consisting of the North Chicago Veterans Affairs Medical Center, the Navy Ambulatory Care Center, and supporting facilities designated as a combined Federal medical facility as described by section 706 of Public Law 110–417: Provided further, That additional funds may be transferred from funds appropriated for operation and maintenance for
the Defense Health Program to the Joint Department of De-
fense-Department of Veterans Affairs Medical Facility
Demonstration Fund upon written notification by the Sec-
retary of Defense to the Committees on Appropriations of
the House of Representatives and the Senate.

SEC. 8097. (a) The Secretary of Defense shall submit
annual reports to the Department of Defense Inspector Gen-
eral regarding the costs and contracting procedures related
to each conference held by the Department of Defense during
fiscal year 2015 for which the cost to the United States Gov-
ernment was more than $100,000.

(b) Each report submitted shall include, for each con-
ference described in subsection (a) held during the applica-
ble period—

(1) a description of its purpose;

(2) the number of participants attending;

(3) a detailed statement of the costs to the United
States Government, including—

(A) the cost of any food or beverages;

(B) the cost of any audio-visual services;

(C) the cost of employee or contractor travel
to and from the conference; and

(D) a discussion of the methodology used to
determine which costs relate to the conference; and
(4) a description of the contracting procedures used including—

(A) whether contracts were awarded on a competitive basis; and

(B) a discussion of any cost comparison conducted by the departmental component or office in evaluating potential contractors for the conference.

(c) Within 15 days of the date of a conference held by the Department of Defense funded by this Act during fiscal year 2015 for which the cost to the United States Government was more than $20,000, the Secretary of Defense shall notify the Department of Defense Inspector General of the date, location, and number of employees attending such conference.

(d) A grant or contract funded by amounts appropriated by this or any other appropriations Act to the Department of Defense may not be used for the purpose of defraying the costs of a conference described in subsection (c) that is not directly and programmatically related to the purpose for which the grant or contract was awarded, such as a conference held in connection with planning, training, assessment, review, or other routine purposes related to a project funded by the grant or contract.
(e) None of the funds made available in this Act may be used for travel and conference activities that are not in compliance with Office of Management and Budget Memorandum M–12–12 dated May 11, 2012.

SEC. 8098. None of the funds appropriated or otherwise made available by this Act and hereafter may be obligated or expended to pay a retired general or flag officer to serve as a senior mentor advising the Department of Defense unless such retired officer files a Standard Form 278 (or successor form concerning public financial disclosure under part 2634 of title 5, Code of Federal Regulations) to the Office of Government Ethics.

SEC. 8099. Appropriations available to the Department of Defense may be used for the purchase of heavy and light armored vehicles for the physical security of personnel or for force protection purposes up to a limit of $250,000 per vehicle, notwithstanding price or other limitations applicable to the purchase of passenger carrying vehicles.

SEC. 8100. None of the funds appropriated or otherwise made available by this Act or any other Act may be used by the Department of Defense or a component thereof in contravention of section 1266 of the National Defense Authorization Act for Fiscal Year 2015, as reported in the Senate, relating to limitations on providing certain missile defense information to the Russian Federation.
SEC. 8101. None of the funds made available by this Act may be used by the Secretary of Defense to take beneficial occupancy of more than 3,000 parking spaces (other than handicap-reserved spaces) to be provided by the BRAC 133 project: Provided, That this limitation may be waived in part if:

(a) the Secretary of Defense certifies to Congress that levels of service at existing intersections in the vicinity of the project have not experienced failing levels of service as defined by the Transportation Research Board Highway Capacity Manual over a consecutive 90-day period;

(b) the Department of Defense and the Virginia Department of Transportation agree on the number of additional parking spaces that may be made available to employees of the facility subject to continued 90-day traffic monitoring; and

(c) the Secretary of Defense notifies the congressional defense committees in writing at least 14 days prior to exercising this waiver of the number of additional parking spaces to be made available.

SEC. 8102. The Secretary of Defense shall require, consistent with applicable international agreements, that the exchange store system—

(1) shall either become a signatory to, or otherwise abide by, the applicable requirements and terms
set forth in the Accord on Fire and Building Safety in Bangladesh for the purchase of garments manufactured in Bangladesh for the private label brands of the exchange store system; and

(2) shall provide, to the maximum extent practicable, a preference to retail suppliers that are signatories to the Accord on Fire and Building Safety in Bangladesh for the purchase of garments manufactured in Bangladesh from retail suppliers.

SEC. 8103. The Secretary of Defense shall require that agreements for the licensing of logos, marks and other insignia which are trademarked by the Department of Defense or a branch of the military contain a requirement that licensees, who source from or manufacture garments and apparel in Bangladesh, shall become a signatory to, or otherwise abide by, the applicable requirements and terms set forth in the Accord on Fire and Building Safety in Bangladesh: Provided, That the requirement imposed by this section shall take effect no later than 90 days after enactment of this Act.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8104. Upon a determination by the Director of National Intelligence that such action is necessary and in the national interest, the Director may, with the approval of the Office of Management and Budget, transfer not to
exceed $2,000,000,000 of the funds made available in this Act for the National Intelligence Program: Provided, That such authority to transfer may not be used unless for higher priority items, based on unforeseen intelligence requirements, than those for which originally appropriated and in no case where the item for which funds are requested has been denied by the Congress: Provided further, That a request for multiple reprogrammings of funds using authority provided in this section shall be made prior to June 30, 2015.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8105. The Secretary of the Navy shall transfer funds from the “Ship Modernization, Operations and Sustainment Fund” to appropriations for military personnel; operation and maintenance; research, development, test and evaluation; and procurement, only for the purposes of manning, operating, sustaining, equipping and modernizing the Ticonderoga-class guided missile cruisers CG–63, CG–64, CG–65, CG–66, CG–67, CG–68, CG–69, CG–70, CG–71, CG–72, CG–73, and the Whidbey Island-class dock landing ships LSD–41, LSD–42, and LSD–46: Provided, That funds transferred shall be merged with and be available for the same purposes and for the same time period as the appropriation to which they are transferred: Provided further, That the transfer authority provided herein...
shall be in addition to any other transfer authority available to the Department of Defense: Provided further, That the Secretary of the Navy shall, not less than 30 days prior to making any transfer from the “Ship Modernization, Operations and Sustainment Fund”, notify the congressional defense committees in writing of the details of such transfer: Provided further, That the Secretary of the Navy shall transfer and obligate funds from the “Ship Modernization, Operations and Sustainment Fund” for modernization of two Ticonderoga-class guided missile cruisers as detailed above in fiscal year 2015: Provided further, That no more than six Ticonderoga-class guided missile cruisers shall be in a phased modernization at any time: Provided further, That the prohibition in section 2244a(a) of title 10, United States Code, shall not apply to the use of any funds transferred pursuant to this section.

Sec. 8106. None of the funds appropriated in this Act may be obligated or expended by the Secretary of a military department in contravention of the provisions of section 352 of the National Defense Authorization Act for Fiscal Year 2014 to adopt any new camouflage pattern design or uniform fabric for any combat or camouflage utility uniform or family of uniforms for use by an Armed Force.

Sec. 8107. (a) None of the funds appropriated or otherwise made available in this Act may be used to transfer,
release, or assist in the transfer or release to or within the United States, its territories, or possessions Khalid Sheikh Mohammed or any other detainee who—

(1) is not a United States citizen or a member of the Armed Forces of the United States; and

(2) is or was held on or after June 24, 2009, at the United States Naval Station, Guantánamo Bay, Cuba, by the Department of Defense.

(b) This section shall continue in effect through the date of enactment of an Act authorizing appropriations for fiscal year 2015 for military activities of the Department of Defense.

SEC. 8108. None of the funds appropriated or otherwise made available in this Act may be used to transfer any individual detained at United States Naval Station Guantánamo Bay, Cuba, to the custody or control of the individual’s country of origin, any other foreign country, or any other foreign entity except in accordance with section 1035 of the National Defense Authorization Act for Fiscal Year 2014.

SEC. 8109. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that any unpaid Federal tax liability that has
been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interests of the Government.

Sec. 8110. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interests of the Government.

Sec. 8111. None of the funds made available by this Act to carry out voluntary military education programs may be disbursed or delivered to an institution of higher education (or other postsecondary educational institution) on behalf of a student, or to a student to be used to attend
the institution, unless the institution certifies to the Secretary of Defense that it will not use revenues derived from educational assistance funds provided in any form under any Federal law for advertising, marketing or student recruitment activities (other than activities required or specifically authorized by title IV of the Higher Education Act of 1965 or otherwise specified by the Secretary of Defense).

SEC. 8112. (a) PROHIBITION REGARDING VOLUNTARY MILITARY EDUCATION PROGRAM ASSISTANCE.—None of the funds made available by this Act to carry out voluntary military education programs may be disbursed or delivered on behalf of a student to a proprietary institution of higher education (as defined in section 102(b) of the Higher Education Act of 1965 (20 U.S.C. 1002(b))), or to a student to be used to attend such institution, until the institution demonstrates to the Secretary of Defense that the institution derives not less than 10 percent of such institution’s revenues from sources other than funds provided under title IV of such Act (20 U.S.C. 1070 et seq.) and funds provided under such voluntary military education programs, as calculated in a manner to be determined by such Secretary and consistent with section 487(d)(1) of such Act.

(b) VOLUNTARY MILITARY EDUCATION PROGRAMS DEFINED.—In this section, the term “voluntary military education programs” means—
(1) the programs to assist military spouses in achieving education and training for extended employment and portable career opportunities under section 1784a of title 10, United States Code (commonly referred to as “MyCAA”); and

(2) the authority to pay tuition for off-duty training or education of members of the Armed Forces under section 2005 or 2007 of title 10, United States Code.

SEC. 8113. (a) None of the funds appropriated or otherwise made available by this or any other Act may be used by the Secretary of Defense, or any other official or officer of the Department of Defense, to enter into a contract, memorandum of understanding, or cooperative agreement with, or make a grant to, or provide a loan or loan guarantee to Rosoboronexport or any subsidiary of Rosoboronexport.

(b) The Secretary of Defense may waive the limitation in subsection (a) if the Secretary, in consultation with the Secretary of State and the Director of National Intelligence, determines that it is in the vital national security interest of the United States to do so, and certifies in writing to the congressional defense committees that, to the best of the Secretary’s knowledge:
(1) Rosoboronexport has ceased the transfer of lethal military equipment to, and the maintenance of existing lethal military equipment for, the Government of the Syrian Arab Republic;

(2) The armed forces of the Russian Federation have withdrawn from Crimea, other than armed forces present on military bases subject to agreements in force between the Government of the Russian Federation and the Government of Ukraine; and

(3) Agents of the Russian Federation have ceased taking active measures to destabilize the control of the Government of Ukraine over eastern Ukraine.

Sec. 8114. None of the funds appropriated in this or any other Act may be obligated or expended by the United States Government for the direct personal benefit of the President of Afghanistan.

Sec. 8115. (a) Of the funds appropriated in this Act for the Department of Defense, amounts may be made available, under such regulations as the Secretary may prescribe, to local military commanders appointed by the Secretary of Defense, or by an officer or employee designated by the Secretary, to provide at their discretion ex gratia payments in amounts consistent with subsection (d) of this section for damage, personal injury, or death that is incident to combat operations of the Armed Forces in a foreign country.
(b) An ex gratia payment under this section may be provided only if—

(1) the prospective foreign civilian recipient is determined by the local military commander to be friendly to the United States;

(2) a claim for damages would not be compensable under chapter 163 of title 10, United States Code (commonly known as the “Foreign Claims Act”); and

(3) the property damage, personal injury, or death was not caused by action by an enemy.

(c) Nature of Payments.—Any payments provided under a program under subsection (a) shall not be considered an admission or acknowledgement of any legal obligation to compensate for any damage, personal injury, or death.

(d) Amount of Payments.—If the Secretary of Defense determines a program under subsection (a) to be appropriate in a particular setting, the amounts of payments, if any, to be provided to civilians determined to have suffered harm incident to combat operations of the Armed Forces under the program should be determined pursuant to regulations prescribed by the Secretary and based on an assessment, which should include such factors as cultural appropriateness and prevailing economic conditions.
(e) **LEGAL ADVICE.**—Local military commanders shall receive legal advice before making ex gratia payments under this subsection. The legal advisor, under regulations of the Department of Defense, shall advise on whether an ex gratia payment is proper under this section and applicable Department of Defense regulations.

(f) **WRITTEN RECORD.**—A written record of any ex gratia payment offered or denied shall be kept by the local commander and on a timely basis submitted to the appropriate office in the Department of Defense as determined by the Secretary of Defense.

(g) **REPORT.**—The Secretary of Defense shall report to the congressional defense committees on an annual basis the efficacy of the ex gratia payment program including the number of types of cases considered, amounts offered, the response from ex gratia payment recipients, and any recommended modifications to the program.

(h) **LIMITATION.**—Nothing in this section shall be deemed to provide any new authority to the Secretary of Defense.

**SEC. 8116.** None of the funds available in this Act to the Department of Defense, other than appropriations made for necessary or routine refurbishments, upgrades or maintenance activities, shall be used to reduce or to prepare to reduce the number of deployed and non-deployed strategic
delivery vehicles and launchers below the levels set forth in
the report submitted to Congress in accordance with section 1042 of the National Defense Authorization Act for Fiscal Year 2012.

SEC. 8117. The Secretary of Defense shall post grant awards on a public Web site in a searchable format.

SEC. 8118. (a) None of the funds appropriated or otherwise made available in this or any other Act may be used to construct, acquire, or modify any facility in the United States, its territories, or possessions to house any individual described in subsection (c) for the purposes of detention or imprisonment in the custody or under the effective control of the Department of Defense.

(b) The prohibition in subsection (a) shall not apply to any modification of facilities at United States Naval Station, Guantánamo Bay, Cuba.

(c) An individual described in this subsection is any individual who, as of June 24, 2009, is located at United States Naval Station, Guantánamo Bay, Cuba, and who—

(1) is not a citizen of the United States or a member of the Armed Forces of the United States; and

(2) is—

(A) in the custody or under the effective control of the Department of Defense; or
(B) otherwise under detention at United States Naval Station, Guantánamo Bay, Cuba.

(d) This provision shall continue in effect until enactment of the National Defense Authorization Act for Fiscal Year 2015.

SEC. 8119. (a) Within 90 days of enactment of this Act, the Secretary of Defense shall submit a report to the congressional defense committees to assess whether the justification and approval requirements under section 811 of the National Defense Authorization Act for Fiscal Year 2010 (Public Law 111–84; 123 Stat. 2405) have, inconsistent with the intent of Congress—

(1) negatively impacted the ability of covered entities to be awarded sole-source contracts with the Department of Defense greater than $20,000,000;

(2) discouraged agencies from awarding contracts greater than $20,000,000 to covered entities;

and

(3) been misconstrued and/or inconsistently implemented.

(b) The Comptroller General shall analyze and report to the congressional defense committees on the sufficiency of the Department’s report in addressing the requirements; review the extent to which section 811 has negatively impacted the ability of covered entities to be awarded sole-
source contracts with the Department, discouraged agencies from awarding contracts, or been misconstrued and/or inconsistently implemented.

SEC. 8120. The Secretary of the Air Force shall designate a facility located on Scott Air Force Base, Illinois, to be named after Senator Alan J. Dixon in recognition of his significant public service achievements.

SEC. 8121. Notwithstanding section 1552 of title 31, United States Code, funds made available under the heading “OPERATION AND MAINTENANCE” under the heading “DEPARTMENT OF DEFENSE” under title III of division A of Public Law 111–5 (123 Stat. 132) and any funds made available for Fossil Energy Research and Development by the Department of Energy under title IV of the same division of Public Law 111–5 (123 Stat. 139) shall remain available for expenditure, until such funds have been expended, for the purpose of liquidating the obligations.

SEC. 8122. (a) IN GENERAL.—Except as provided in subsections (b) and (c), none of the funds appropriated or otherwise made available by this Act may be used for any Department of Defense contract with a foreign incorporated entity which is treated as an inverted domestic corporation under subsection (d) of this section, or any subsidiary of such an entity.
(b) **Waivers.**—

(1) **In General.**—The Secretary of Defense shall waive subsection (a) with respect to any contract under the authority of the Department of Defense if the Secretary determines that the waiver is required in the interest of national security.

(2) **Report to Congress.**—The Secretary of Defense shall notify the congressional defense committees not later than 14 days after exercising a waiver under paragraph (1).

(c) **Exception.**—This section shall not apply to any Department of Defense contract entered into before the date of the enactment of this Act, or to any task order issued pursuant to such contract.

(d) **Inverted Domestic Corporation.**—For purposes of this section—

(1) **In General.**—A foreign incorporated entity shall be treated as an inverted domestic corporation if, pursuant to a plan (or a series of related transactions)—

(A) the entity has, directly or indirectly, acquired—

(i) substantially all of the properties held directly or indirectly by a domestic corporation; or
(ii) substantially all of the assets of, or substantially all of the properties constituting a trade or business of, a domestic partnership; and

(B) either—

(i) after the acquisition at least 50 percent of the stock (by vote or value) of the entity is held—

(I) in the case of an acquisition with respect to a domestic corporation, by former shareholders of the domestic corporation by reason of holding stock in the domestic corporation; or

(II) in the case of an acquisition with respect to a domestic partnership, by former partners of the domestic partnership by reason of holding a capital or profits interest in the domestic partnership; or

(ii)(I) the expanded affiliated group which after the acquisition includes the entity has substantial business activities in the United States; and

(II) the management and control of the entity (or of any other member of the ex-
expanded affiliated group which after the acquisition includes the entity and to which this subclause applies under regulations prescribed by the Secretary of the Treasury or the Secretary’s delegate) occurs, directly or indirectly, primarily within the United States.

(2) **Substantial Business Activities Exception.**—A foreign incorporated entity described in paragraph (1) shall not be treated as an inverted domestic corporation if the expanded affiliated group which after the acquisition includes the entity has substantial business activities in the foreign country in which or under the law of which the entity is created or organized when compared to the total business activities of such expanded affiliated group.

(3) **Management and Control.**—

**(A) In General.**—For purposes of subclause (II) of paragraph (1)(B)(ii), the Secretary of the Treasury (or the Secretary’s delegate) shall prescribe regulations for purposes of determining cases in which the management and control of an entity is to be treated as occurring primarily within the United States.
(B) Executive officers and senior management.—Such regulations shall provide that—

(i) the management and control of an entity shall be treated as occurring primarily within the United States if substantially all of the executive officers and senior management of the entity who exercise day-to-day responsibility for making decisions involving strategic, financial, and operational policies of the entity are located primarily within the United States; and

(ii) individuals who are not executive officers and senior management of the entity (including individuals who are officers or employees of other members of the expanded affiliated group which includes the entity) shall be treated as executive officers and senior management if such individuals exercise the day-to-day responsibilities of the entity described in clause (i).

(e) Other definitions.—For purposes of this section—

(1) any term used in this section which is also used in section 835 of the Homeland Security Act of
2002 (6 U.S.C. 395) shall have the meaning given such term under such section; and

(2) rules similar to the rules of subsection (c)(1) of section 835 of such Act (6 U.S.C. 395(c)(1)) shall apply.

SEC. 8123. None of the funds in this Act may be used to require that seafood procured for the Department of Defense from sustainably managed fisheries in the United States, as determined by the National Marine Fisheries Service, be required to additionally meet sustainability certification criteria prescribed by third-party nongovernmental organizations.

SEC. 8124. None of the funds made available under this Act shall be used to suspend, terminate, or otherwise alter the Federal Excess Personal Property program or the Firefighter Property program.

SEC. 8125. (a) None of the funds appropriated or otherwise made available by this Act may be used to disestablish, or prepare to disestablish, a Senior Reserve Officers’ Training Corps program in accordance with Department of Defense Instruction Number 1215.08, dated June 26, 2006.

(b) The Secretary of Defense may not, during fiscal year 2015—
(1) downgrade any Senior Reserve Officers’ Training Corps program from a host to extension center; or

(2) place on probation any Senior Reserve Officers’ Training Corps program.

Sec. 8126. Of the amounts appropriated by title VI under the heading “DEFENSE HEALTH PROGRAM”, $7,500,000 shall be available for peer-reviewed medical research on amyotrophic lateral sclerosis (ALS).

Sec. 8127. No plan may be implemented by the Secretary of Defense, the Secretary of a military department, the Director of the Defense Finance and Accounting Service, or any other person to transfer financial management, bill paying, or accounting services functions from the Defense Finance and Accounting Service to another entity until the Secretary of Defense provides the congressional defense committees a written report on the plan and the Secretary certifies to such committees that the plan would reduce costs, increase efficiencies, and maintain the timeline for auditability of financial statements.

GENERAL PROVISIONS—THIS TITLE

SEC. 9001. Notwithstanding any other provision of law, funds made available in this title are in addition to amounts appropriated or otherwise made available for the Department of Defense for fiscal year 2015.

(INCLUDING TRANSFER OF FUNDS)

SEC. 9002. Upon the determination of the Secretary of Defense that such action is necessary in the national interest, the Secretary may, with the approval of the Office of Management and Budget, transfer up to $3,500,000,000 between the appropriations or funds made available to the Department of Defense in this title: Provided, That the Secretary shall notify the Congress promptly of each transfer made pursuant to the authority in this section: Provided further, That the authority provided in this section is in addition to any other transfer authority available to the Department of Defense and is subject to the same terms and conditions as the authority provided in the Department of Defense Appropriations Act, 2015.

SEC. 9003. Supervision and administration costs associated with a construction project funded with appropriations available for operation and maintenance or the “Af-
ghanistan Security Forces Fund” provided in this Act and executed in direct support of overseas contingency operations in Afghanistan, may be obligated at the time a construction contract is awarded: Provided, That for the purpose of this section, supervision and administration costs include all in-house Government costs.

SEC. 9004. From funds made available in this title, the Secretary of Defense may purchase for use by military and civilian employees of the Department of Defense in the U.S. Central Command area of responsibility: (a) passenger motor vehicles up to a limit of $75,000 per vehicle; and (b) heavy and light armored vehicles for the physical security of personnel or for force protection purposes up to a limit of $250,000 per vehicle, notwithstanding price or other limitations applicable to the purchase of passenger carrying vehicles.

SEC. 9005. Not to exceed $10,000,000 of the amounts appropriated in this title under the heading “Operation and Maintenance, Army” may be used, notwithstanding any other provision of law, to fund the Commander’s Emergency Response Program (CERP), for the purpose of enabling military commanders in Afghanistan to respond to urgent, small-scale, humanitarian relief and reconstruction requirements within their areas of responsibility: Provided, That each project (including any ancillary or related ele-
ments in connection with such project) executed under this authority shall not exceed $2,000,000: Provided further, that not later than 45 days after the end of each fiscal year quarter, the Secretary of Defense shall submit to the congressional defense committees a report regarding the source of funds and the allocation and use of funds during that quarter that were made available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein: Provided further, That, not later than 30 days after the end of each month, the Army shall submit to the congressional defense committees monthly commitment, obligation, and expenditure data for the Commander’s Emergency Response Program in Afghanistan: Provided further, That not less than 15 days before making funds available pursuant to the authority provided in this section or under any other provision of law for the purposes described herein for a project with a total anticipated cost for completion of $500,000 or more, the Secretary shall submit to the congressional defense committees a written notice containing each of the following:

(1) The location, nature and purpose of the proposed project, including how the project is intended to advance the military campaign plan for the country in which it is to be carried out.
(2) The budget, implementation timeline with milestones, and completion date for the proposed project, including any other CERP funding that has been or is anticipated to be contributed to the completion of the project.

(3) A plan for the sustainment of the proposed project, including the agreement with either the host nation, a non-Department of Defense agency of the United States Government or a third-party contributor to finance the sustainment of the activities and maintenance of any equipment or facilities to be provided through the proposed project.

SEC. 9006. Funds available to the Department of Defense for operation and maintenance may be used, notwithstanding any other provision of law, to provide supplies, services, transportation, including airlift and sealift, and other logistical support to coalition forces supporting military and stability operations in Afghanistan: Provided, That the Secretary of Defense shall provide quarterly reports to the congressional defense committees regarding support provided under this section.

SEC. 9007. None of the funds appropriated or otherwise made available by this or any other Act shall be obligated or expended by the United States Government for a purpose as follows:
(1) To establish any military installation or base
for the purpose of providing for the permanent sta-
tioning of United States Armed Forces in Iraq.

(2) To exercise United States control over any
oil resource of Iraq.

(3) To establish any military installation or base
for the purpose of providing for the permanent sta-
tioning of United States Armed Forces in Afghani-
stan.

SEC. 9008. None of the funds made available in this
Act may be used in contravention of the following laws en-
acted or regulations promulgated to implement the United
Nations Convention Against Torture and Other Cruel, In-
human or Degrading Treatment or Punishment (done at
New York on December 10, 1984):

(1) Section 2340A of title 18, United States
Code.

(2) Section 2242 of the Foreign Affairs Reform
and Restructuring Act of 1998 (division G of Public
note) and regulations prescribed thereto, including
regulations under part 208 of title 8, Code of Federal
Regulations, and part 95 of title 22, Code of Federal
Regulations.
(3) Sections 1002 and 1003 of the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Public Law 109–148).

SEC. 9009. None of the funds provided for the “Afghanistan Security Forces Fund” (ASFF) may be obligated prior to the approval of a financial and activity plan by the Afghanistan Resources Oversight Council (AROC) of the Department of Defense: Provided, That the AROC must approve the requirement and acquisition plan for any service requirements in excess of $50,000,000 annually and any non-standard equipment requirements in excess of $100,000,000 using ASFF: Provided further, That the AROC must approve any project in excess of $5,000,000 from the Commanders Emergency Response Program (CERP): Provided further, That the Department of Defense must certify to the congressional defense committees that the AROC has convened and approved a process for ensuring compliance with the requirements in the preceding provisos and accompanying report language for the ASFF and CERP.

SEC. 9010. Funds made available in this title to the Department of Defense for operation and maintenance may be used to purchase items having an investment unit cost of not more than $250,000: Provided, That, upon deter-
mination by the Secretary of Defense that such action is
necessary to meet the operational requirements of a Com-
mander of a Combatant Command engaged in contingency
operations overseas, such funds may be used to purchase
items having an investment item unit cost of not more than
$500,000.

SEC. 9011. From funds made available to the Depart-
ment of Defense in this title under the heading “Operation
and Maintenance, Air Force” up to $140,000,000 may be
used by the Secretary of Defense, notwithstanding any other
provision of law, to support United States Government
transition activities in Iraq by funding the operations and
activities of the Office of Security Cooperation in Iraq and
security assistance teams, including life support, transpor-
tation and personal security, and facilities renovation and
construction, and site closeout activities prior to returning
sites to the Government of Iraq: Provided, That to the extent
authorized under the National Defense Authorization Act
for Fiscal Year 2015, the operations and activities that may
be carried out by the Office of Security Cooperation in Iraq
may, with the concurrence of the Secretary of State, include
non-operational training activities in support of Iraqi Min-
ister of Defense and Counter Terrorism Service personnel
in an institutional environment to address capability gaps,
integrate processes relating to intelligence, air sovereignty,
combined arms, logistics and maintenance, and to manage
and integrate defense-related institutions: Provided further,
That not later than 30 days following the enactment of this
Act, the Secretary of Defense and the Secretary of State
shall submit to the congressional defense committees a plan
for transitioning any such training activities that they de-
termine are needed after the end of fiscal year 2015, to exist-
ing or new contracts for the sale of defense articles or de-
fense services consistent with the provisions of the Arms Ex-
port Control Act (22 U.S.C. 2751 et seq.): Provided further,
That not less than 15 days before making funds available
pursuant to the authority provided in this section, the Sec-
retary of Defense shall submit to the congressional defense
committees a written notice containing a detailed justifica-
tion and timeline for the operations and activities of the
Office of Security Cooperation in Iraq at each site where
such operations and activities will be conducted during fis-
cal year 2015.

(RESCISIONS)

SEC. 9012. Of the funds appropriated in Department
of Defense Appropriations Acts, the following funds are
hereby rescinded from the following accounts and programs
in the specified amounts: Provided, That such amounts are
designated by the Congress for Overseas Contingency Oper-
ations/Global War on Terrorism pursuant to section
251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended:

“Other Procurement, Army”, 2013/2015, $8,200,000;

“Aircraft Procurement, Army”, 2014/2016, $464,000,000; and

SEC. 9013. None of the funds made available by this Act may be used with respect to Syria in contravention of the War Powers Resolution (50 U.S.C. 1541 et seq.), including for the introduction of United States armed or military forces into hostilities in Syria, into situations in Syria where imminent involvement in hostilities is clearly indicated by the circumstances, or into Syrian territory, airspace, or waters while equipped for combat, in contravention of the congressional consultation and reporting requirements of sections 3 and 4 of that law (50 U.S.C. 1542 and 1543).

SEC. 9014. In addition to the amounts appropriated in this Act, $250,000,000 is hereby appropriated, notwithstanding any other provision of law, to conduct surface and subsurface clearance of unexploded ordnance at closed training ranges used by the Armed Forces of the United States in Afghanistan: Provided, That such funds shall be
available until September 30, 2016: Provided further, That such ranges shall not have been transferred to the Islamic Republic of Afghanistan for use by its armed forces: Provided further, That within 90 days of enactment of this Act, the Secretary of Defense shall provide to the congressional defense committees a written plan to mitigate the threat of unexploded ordnance at such ranges, including a detailed spend plan: Provided further, That the Secretary of Defense shall provide the congressional defense committees written progress reports every 180 days after the submission of the initial plan, until such funds are fully expended: Provided further, That such amount is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

Sec. 9015. The Secretary of Defense is authorized, with the concurrence of the Secretary of State, to provide assistance, including the provision of defense articles and defense services, to appropriately vetted elements of the Syrian opposition and other appropriately vetted Syrian groups or individuals for the following purposes: (1) Defending the Syrian people from attacks by the Syrian regime, facilitating the provision of essential services, and stabilizing territory controlled by the opposition; (2) Protecting the United States, its friends and allies, and the
Syrian people from threats posed by terrorists in Syria;

(3) Promoting the conditions for a negotiated settlement to end the conflict in Syria: Provided, That of the funds appropriated in this title under the heading, “Operation and Maintenance, Defense-wide”, up to $500,000,000 may be used for activities authorized by this section: Provided further, That the Secretary may accept contributions, including assistance in-kind, from foreign governments to carry out activities as authorized by this section, except that any funds so accepted by the Secretary shall not be available for obligation until a reprogramming action is submitted to the congressional defense committees: Provided further, That 15 days prior to initiating a program to transfer defense articles or provide defense services as authorized by this section, the Secretary of Defense shall provide the congressional defense committees with a report describing the details and objectives of such program, including the goals of the program, a concept of operations, the amount of assistance to be provided, the cooperation of partner nations, the number of United States Armed Forces personnel involved, and other relevant details: Provided further, That the term “appropriately vetted” as used in this section shall be construed to mean, at a minimum, assessments of possible recipients for associations with terrorist groups, commitment to the rule of law, opposition to sectarian violence,
commitment to a peaceful and democratic Syria under civilian rule, and compliance with section 8056 of this Act: Provided further, That nothing in this section shall be construed to constitute a specific statutory authorization for the introduction of the United States Armed Forces into hostilities or into situations wherein hostilities are clearly indicated by the circumstances, in accordance with section 8(a)(1) of the War Powers Resolution: Provided further, That the authority to provide assistance under this section shall terminate upon enactment of the National Defense Authorization Act for Fiscal Year 2015, or September 30, 2015.

SEC. 9016. None of the funds in this Act may be made available for the transfer of additional C–130 cargo aircraft to the Afghanistan National Security Forces or the Afghanistan Air Force until the Department of Defense provides a review to the congressional defense committees of the Afghanistan Air Force’s medium airlift requirements. The review should identify Afghanistan’s ability to utilize and maintain existing medium lift aircraft in the inventory and the best alternative platform, if necessary, to provide additional support to the Afghanistan Air Force’s current medium airlift capacity.

SEC. 9017. Each amount designated in titles IX, X, and XI of this Act by the Congress for Overseas Contingency
Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985 shall be available (or rescinded, if applicable) only if the President subsequently so designates all such amounts and transmits such designations to the Congress.
