21 ways to address the demand for trafficked  
22 children and youth and increase prosecu-

22 parent and improved financial security.

23 (b) SENSE OF THE CONGRESS.—It is the sense of  
24 the Congress that—

1           (1) establishing parenting time arrangements  
2 when obtaining child support orders is an important  
3 goal which should be accompanied by strong family  
4 violence safeguards; and

5           (2) States should use existing funding sources  
6 to support the establishment of parenting time ar-  
7 rangements, including child support incentives, Ac-

21           plicable accounting principles;

22                   “(E) be implemented in a manner that is  
23           cost-effective and improves program efficiency  
24           and effectiveness; and

1           “(F) be capable of being continually up-  
2           graded as necessary.

3           “(3) RULE OF CONSTRUCTION.—Nothing in  
4           this subsection shall be construed to require a
