2^D SESSION

H. R. 5224

To amend title 38, United States Code, to establish a scholarship program to increase the availability of physicians who provide primary health care services at medical facilities of the Department of Veterans Affairs.

IN THE HOUSE OF REPRESENTATIVES

JULY 28, 2014

Mr. McDERMOTT introduced the following bill; which was referred to the Committee on Veterans' Affairs

A BILL

To amend title 38, United States Code, to establish a scholarship program to increase the availability of physicians who provide primary health care services at medical facilities of the Department of Veterans Affairs.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Restoring the Doctors
5 of Our Country through Scholarships Veterans Affairs Act
6 of 2014” or the “RDOCS–VA Act of 2014”.

7 **SEC. 2. FINDINGS.**

8 Congress finds the following:

1 (1) Medical facilities of the Department of Vet-
2 erans Affairs are in dire need of more physicians,
3 with a particular need for doctors trained in primary
4 care specialties.

5 (2) The Health Professionals Educational As-
6 sistance Program established by chapter 76 of title
7 38, United States Code, provides educational assist-
8 ance through scholarships and loan forgiveness for a
9 range of health professionals, however, it does not
10 specifically encourage a commitment to primary care
11 by physicians employed by the Department of Vet-
12 erans Affairs.

13 (3) The Reserve Officers' Training Corps
14 (ROTC) model of education and training is a re-
15 spected and effective way of meeting the need of the
16 United States for educated and trained officers in
17 the Armed Forces, and it can be applied to train
18 and educate physicians to provide primary care serv-
19 ices.

20 (4) Congress can build off of the Health Profes-
21 sionals Educational Assistance Program and the
22 ROTC model to solve the primary care shortage by
23 providing full-tuition scholarships to students com-
24 mitted to serving the United States as primary care
25 doctors at the Department of Veterans Affairs.

1 **SEC. 3. ESTABLISHMENT OF RESTORING THE DOCTORS OF**
