

middle class. I'm proud to say that Illinois is a leader in coal production and outpaced every other State in 2012. Bucking national trends, Illinois mines produced more than 40 million tons of coal in 2012, the most since 1995. This is in large part due to southern Illinois mines and a talented and dedicated workforce.

Folks in my district are worried about jobs. They want to have faith in the southern Illinois way of life. Our coal industry in southern Illinois presents enormous economic potential; and judging by the record-setting production last year, we are well on our way to power good jobs and address domestic energy needs.

I look forward to working with my colleagues to focus on good jobs and support southern Illinois workers and coal.

HURRICANE SANDY RELIEF

(Mr. COURTNEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COURTNEY. Mr. Speaker, "Semper Paratus"—always prepared. That is the motto of the Coast Guard Academy, which is located in New London, Connecticut, which on October 29 was hit by 85-mile-per-hour winds and high tide at the height of Hurricane Sandy. It covered the entire lower half of the campus, wiped out their sailing center—which is the center that cadets must train on for 4 years as part of the core mission of the Coast Guard Academy to enhance and focus on their maritime skills. That is part of the submission by the Coast Guard for relief in the Hurricane Sandy bill, which we are going to debate and vote on, unfortunately.

Unfortunately, the Rogers' base bill cut the Coast Guard's request in half so that Coast Guard facilities in New Jersey and New York, and also the Coast Guard training facility in New London, Connecticut—which protects all of our coastal maritime country—are going to be damaged and affected.

We must, A, pass the rule; B, pass the Rogers' amendment; but, C, most importantly, pass the Frelinghuysen amendment, which will make sure that the Coast Guard Academy in New London, Connecticut, will be able to live up to its motto "Semper Paratus"—always prepared.

HURRICANE SANDY RELIEF

(Mr. PALLONE asked and was given permission to address the House for 1 minute.)

Mr. PALLONE. Mr. Speaker, I urge my colleagues to adopt the entire package today for Sandy relief. My district was devastated by the hurricane. We really are in need of this funding in order to rebuild, and we shouldn't have to delay anymore. It's, I think, into the 10th week now since the storm occurred.

Really, without this package passing today and then immediately going to the Senate to be passed there as well and signed by the President, the whole effort to try to rebuild the shore in time for the summer season—the jobs, the tourism, the economy related to that—would really be seriously jeopardized.

I would urge that my colleagues adopt not only the initial base bill, the Rogers' amendment, but also the Frelinghuysen amendment. The Frelinghuysen amendment, which is the additional \$33 billion, will let us basically do a lot of the shore protection, the beach replenishment, the dunes, the flood controls, to prevent damage from a future storm, and also provide the Community Development Block Grants, the grants that there's a lot of flexibility for the towns so they can go back and basically give grants to homeowners as well as small business.

Mr. Speaker, I have towns that are devastated. We need this bill now.

HONORING GENERAL WILLIAM H. GOURLEY WITH HEALTH CLINIC BEARING HIS NAME

(Mr. FARR asked and was given permission to address the House for 1 minute.)

Mr. FARR. Mr. Speaker, I rise today to introduce a bill to name the Department of Veterans Affairs and the Department of Defense joint clinic to be constructed in my district the William H. Gourley Federal Outpatient Clinic: A Joint VA-DOD Health Care Facility.

General Gourley was fond of championing his own special commandments, his own 10 Golden Rules. His 10th Golden Rule was: make a better Army and Corps for your subordinates to inherit. In his 36 years of service, General Gourley did just that.

Whether sharing MREs in Germany with Private Elvis Presley or serving at the Pentagon on the staff for the Joint Chiefs alongside General Colin Powell, General Gourley worked tirelessly to improve the lives of men and women in the United States military. Even in his retirement, the general's vision was to build a health care center on the site of the former Fort Ord that would serve both the needs of Active Duty and retired military personnel.

As we prepare to break ground at this new facility, it is only fitting that the joint clinic bear the name of the man who inspired its creation.

There was no objection.
