HONORING THE ACHIEVEMENTS OF FLOYD WEAVER

HON. JERRY MCNERNEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. MCNERNEY. Mr. Speaker, I ask my colleagues to join me in honoring the public service of Floyd Weaver.

Floyd Weaver's family first moved to Stockton, CA in 1938 from Phoenix, Arizona. After attending local schools in Stockton, he served in the U.S. Army during the Korean War. A proud veteran, he then dedicated his life to the social, educational, and economic advancement of community members in Northern California.

Mr. Weaver retired from the Stockton Unified School District after more than three decades of service as both a teacher and an administrator. Mr. Weaver was the first African American male principal in the Stockton Unified School District.

In addition, he served on the Stockton City Council and was also the first African American to be a two-term vice mayor for the city. In recognition of his hard work on the city council, local commissions, and his political activism, Mr. Weaver was honored with a lifetime achievement award by the Stockton Branch of the National Association for the Advancement of Colored People in 2006.

One of Mr. Weaver's proudest accomplishments was overseeing construction of the Martin Luther King Jr. plaza in downtown Stockton while he was vice mayor. He was also instrumental in changing the name of Charter Way in Stockton to Dr. Martin Luther King Jr. Blvd.

As our nation celebrates African American History Month, it is important that we recognize local heroes who helped shape our communities and states for the better. I ask my colleagues to join me in honoring the public service contributions of Floyd Weaver.

TRIBUTE TO WILLIAM D. LAUNDY

HON. WILLIAM L. OWENS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. OWENS. Mr. Speaker, I rise today to honor the 43-year career and service of a con-

stituent and my friend, William D. Laundry of the State University of New York in Plattsburgh, New York, and to congratulate him on his retirement. Mr. Laundry has served countless numbers of New York's college students in a variety of different roles at SUNY Plattsburgh, ultimately retiring as the Vice President for Student Affairs and Enrollment Management.

For more than four decades, Mr. Laundry has devoted his life to ensuring students at SUNY Plattsburgh gain an education that prepares them to lead our society. As Director of Residence Life, Director of Campus Life, Dean of Students, Associate Vice President for Student Affairs and Vice President for Student Affairs and Enrollment Management, Mr. Laundry has served as a valuable counselor and confidant to his students, guiding them through the most formative parts of college and helping them understand the lessons life teaches outside the classroom.

Mr. Laundry's influence in the Plattsburgh community spills beyond the border of the SUNY Plattsburgh campus. Whether he was officiating an alumni couple's wedding, helping a recent graduate land her dream job, or connecting an eager student to a new perspective in his service-learning experience, William Laundry has helped make our community a more vibrant and better place.

I have known Mr. Laundry personally for more than 20 years. He deserves recognition for his outstanding character and warm sense of humor, and most of all for his consistent dedication to the students, alumni, and the university, the spirit of which is etched deeply in his soul.

I wish Mr. Laundry well in what I am sure will be an active retirement. I ask that my colleagues join me in congratulating him and wishing him success in his next endeavors.

IN TRIBUTE TO LINDA LEVINE

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. VAN HOLLEN. Mr. Speaker, I rise today to recognize my constituent, Linda Levine, on her more than 30 years of outstanding service to our nation. Ms. Levine, who is retiring on February 28, 2013, has served as a Specialist in Labor Economics for the Congressional Research Service (CRS). She is the model of a dedicated public servant.

Linda received a Bachelor's of Science degree in Industrial and Labor Relations from Cornell University and a Master's degree in Labor and Industrial Relations from Michigan State University.

Linda began her career in federal service in 1976 as a labor economist at the Bureau of Labor Statistics, followed by her service as a research economist at the Communications Workers of America. Linda joined the Congressional Research Service in 1982, where she has worked for more than 30 years. During that time, Linda assisted Congress with dozens of reports, countless memoranda, and numerous consultations with Congressional staff and Members of Congress. Linda also served as Section Head of the Labor and Industries Section at CRS.

Linda's first report at CRS, entitled "The Impact of Defense Spending on Employment,"

was as relevant then as it is today. Her last report traces changes in the real value of the minimum wage. In between, Linda drafted analyses on older workers, younger workers, women in the labor force, pay equity, unemployment, job growth, and inequality. She also wrote reports on leave benefits, worker safety, green jobs, offshoring, the chained CPI, immigration policy, and many other subjects.

Mr. Speaker, I urge my colleagues to join me in congratulating Linda Levine and in extending our nation's gratitude to her for her honorable and productive service. I know that we will all miss her significant contributions to the important labor economic issues of our country and wish her well in the years to come.

SCHOOL SAFETY

HON. MICHAEL G. GRIMM

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, February 25, 2013

Mr. GRIMM. Mr. Speaker, I rise today to discuss the important issue of school safety. The tragedy in Newtown, Connecticut shocked and saddened us all. We must learn from this deplorable incident so our children and educators know their school is the one place they should feel the safest.

As we grapple with Newtown and other school tragedies, we have to discuss how these incidents could have been prevented and what steps should be taken to prevent something like Sandy Hook from happening again. As a former federal law enforcement agent, I recognize that our schools must be safe and secure, and I welcome this important discussion. I strongly believe that we must examine ways we can protect our schools through responsible security protocols, barriers, and training.

However, I must share my objection to the idea of allowing educators to carry weapons in schools. As a supporter of the Second Amendment, my objection has nothing to do with gun rights. I object to this proposal because our schools are—and must remain—a safe haven for teaching and learning. School administrators, teachers, counselors, nurses and the many other support professionals all have unique roles and responsibilities for ensuring a productive learning environment for children in their schools. We should not diminish the importance of allowing teachers to teach, principals to lead, and counselors and nurses to care by also asking that they serve as armed security.
