MORE MONEY FOR PAKISTAN,  
LESS FOR SCHOOLS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Madam Speaker, the President's sequester has gone into effect and, according to the White House, the sky is falling. The administration is on a tour de fear with the American people, yet it has the power to prioritize spending.

Who made the priority list? Pakistan. That's right, Madam Speaker. In the midst of doom and gloom of sequestration, the administration is quietly shelling out an additional \$37 million to Pakistan. That's over half of the \$67 million being cut from public education in Texas.

Pakistan is the Benedict Arnold nation in the list of countries we call allies. Pakistani leaders are continuing to vilify the United States on one hand and, with the sleight of hand, take our money—money I believe ends up in the hands of radical extremists. Pakistan plays the game of dangerous, dishonest deceit by pretending to be our ally in the war on terror while simultaneously giving a wink and a nod to extremism.

Mr. President, fund our schools, not a disloyal ally.

And that's just the way it is.

## MINIMUM WAGE

(Ms. DELAURO asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DELAURO. I rise in strong support of the Fair Minimum Wage Act, introduced by Congressman GEORGE MILLER, which will raise the minimum

wage over 3 years to \$10.10 per hour and then index the wage to inflation. It is long past time to get this done.

The minimum wage in America used to be equal to about half of average wages. Today, at \$7.25 an hour, it is barely a third. The purchasing power of the minimum wage has been dropping steadily since 1968. If the minimum wage kept up with inflation over the last 40 years, it would be at \$10.55 an hour.

This failure to keep pace particularly hurts women, who make up nearly two out of three workers making the minimum wage. At that rate, a year of full-time work comes out to \$14,500 a year. For a mom with two kids, it's over \$3,000 below the poverty line. For tipped workers, the situation is even worse. They make only \$2.13 an hour.

Low minimum wage is not just bad for workers. It's bad for business and the economy. Low wages limit consumer demand, which stalls our country's economic growth. It hurts everyone. Raising the minimum wage would not just mean a raise for 21 million workers, it would create 140,000 new jobs and boost our GDP by \$33 billion.

We've waited long enough. It's time to make sure all our workers make a decent pay for a hard day's work. I urge my colleagues to pass this legislation.

MINNETONKA GIRLS HOCKEY WINS  
STATE TITLE

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Madam Speaker, I want to congratulate the Minnetonka High School girls hockey team who recently won the Minnesota State High School Hockey Tournament, the first girls hockey team to win three consecutive State championships.

The path to achieving greatness is never uncontested, as the girls found out. The night before the championship, Madam Speaker, the Minnetonka girls played Lakeville North in a 4-hour, 17-minute marathon semifinal game that finally ended in a Minnetonka win after a goal from Amy Peterson in the sixth overtime period.

The hard work of this impressive team exemplifies what it means to be great student athletes who excel both on the ice and in the classroom. All the players and their coaches deserve great praise for their determination this season. It's an honor to represent, and recognize, such all-star athletes.

Congratulations, and go Skippers.

## RETHINK THE SEQUESTER

(Mr. BUTTERFIELD asked and was given permission to address the House for 1 minute.)

Mr. BUTTERFIELD. Madam Speaker, we are merely 5 days into the sequester, this totally engineered crisis that did not need to happen. We're already beginning to feel the impacts of sequestration.
