Today, the BGCH provides free annual BGCH membership, free year-round shuttling to and from HCHC facilities, and free hot lunches and snacks. In addition, these at-risk children receive tutoring, computer training, and homework assistance. Another partnership Mel created involved Ross Dress for Less, which provided clothes, shoes, and supplies to members of the Club for the 2010–2011 school year. Additionally, Mel partnered with Toyota of Hollywood for an annual holiday Toy Drive, and as a result of this partnership, Toyota donated a portion of their December sales to the BGCH.

I ask all Members to join me today in honoring an outstanding woman of California's 28th Congressional District, Mel Culpepper, for her exceptional service to the community.

ELLIOTT STEELE, VINCENT HOUSE, HONORED WITH AWARD OF EXCELLENCE

**HON. C. W. BILL YOUNG**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 16, 2013*

Mr. YOUNG of Florida. Mr. Speaker, Elliott Steele, the Executive Director of Vincent House, a remarkable organization in Pinellas Park, Florida, was recently honored by The National Council for Community Behavioral Healthcare with an Award of Excellence at its National Council Conference.

Specifically, Mr. Steele received the Reintegration Award for Achievement for his tireless work, and that of his wife Dianne, to found Vincent House, a clean and safe haven for people recovering from mental illness.

Vincent House helps adults living with severe and persistent mental illness achieve recovery through work partnerships within the community. The more than 600 individuals who have sought help there have been treated with the utmost dignity and respect by the staff and volunteers. As a result, they have built up in themselves a sense of new-found confidence, self-esteem, and real life social and work skills that have improved their quality of life, led to their independence, and helped them regain their pride in being able to find real-life work experiences in our community.

Vincent House was the outgrowth of the love, compassion and dedication the Steele's had for their daughter, who was diagnosed in 1993 with severe mental illness issues during her freshman year of college. The Steele's decided to devote themselves to finding a way to help those like their daughter who had lost hope and for which traditional treatments were not producing results. They each quit highly successful careers in 1999 to devote their full-time focus to the cause.

By 2003, they opened the doors on Vincent House in a small storefront in a Pinellas Park strip mall. The concept was based on programs established in several other communities where a community center or club house would create a place where those with mental illness could be surrounded in a loving and supportive environment by people who listened to their dreams and helped them reintegrate into the community through volunteer and work opportunities. Those who pass through the doors of Vincent House are not considered patients, they are considered members. And once they become a member, they are a member for life.

The Steeles were joined in their quest to help those with mental illness by Bob Dillinger, the Public Defender for Pinellas and Pasco Counties, who shares a passion for helping this underserved population. Together they found funding within the community to open Vincent House and to move into a larger, stand-alone facility two years later. It is a facility that has already almost doubled in size to meet the increasing demand for these services.

Mr. Speaker, having had the privilege to tour Vincent House and attend their annual Breakfast of Hope, I have seen and heard first-hand the success stories of those who have passed through its doors and are now proudly working in our community. Every one of those club members who walks through the

door and one day walks out that door with a positive experience and a job is better than any award Elliott and Dianne Steele can receive. It is a sense of achievement that is shared by all of Vincent House's staff, volunteers and members of the board.

Vincent House is an excellent program that I believe can be replicated in communities throughout our nation. It is my hope that my colleagues in the House will take a look at Vincent House and share information about its success with their constituents back home. It is also my hope that my colleagues will say thank you to Elliott and Diane Steele for a job well done.

HONORING THE VALLEY CRIME STOPPERS

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 16, 2013*

Mr. COSTA. Mr. Speaker, I rise today to recognize Valley Crime Stoppers for the tremendous efforts they have made to help crime victims in our Central Valley. During Crime Victims' Rights Week, we are reminded of the bravery of crime victims and we honor those who advocate on their behalf.

Valley Crime Stoppers has built strong relationships with the city of Fresno, local media, and law enforcement. After a robbery, drive-by shooting, or other crime is reported by the news, citizens are encouraged to call the police or Valley Crime Stoppers if they have any information concerning the incident. Victims and bystanders have a safe place to turn in Valley Crime Stoppers because it is an anonymous tip line. It is an unfortunate truth that victims are often fearful to share information with law enforcement because they have been threatened by their offender. Valley Crime Stoppers provides victims with an alternative, so they can tell their story without fear of retribution.

Educating and bringing awareness to residents are important missions of Valley Crime Stoppers. They have put together several campaigns that aim to lower crime in the Central Valley, including a television promotion that brings awareness to the very negative consequences of children being exposed to domestic violence. Another example of a Valley Crime Stoppers campaign is a poster that aims to keep neighborhoods safe by getting guns out of the hands of criminals. These campaigns, combined with other efforts made by Valley Crime Stoppers, have led to 9,598 arrests made and 461 guns recovered from the streets. Residents have been given the tools to act as change agents to keep the city of Fresno and the entire San Joaquin Valley safe. In addition to keeping citizens engaged, Valley Crime Stoppers pays individuals for tips that lead to a criminal arrest.

As Co-Chairman of the Victims' Rights Caucus, it is my honor to recognize the good work of Valley Crime Stoppers and to thank the board members at Valley Crime Stoppers for their support and activism. These individuals sincerely care about victims' rights and keeping our neighborhoods safe.

Mr. Speaker, I ask my colleagues to join me in recognizing Valley Crime Stoppers for their contribution to our Valley. Their advocacy for

crime victims has not gone unnoticed. Valley Crime Stoppers has truly made a difference in our Valley, and it will continue to do so for many decades to come.

RECOGNIZING W.T. WOODSON HIGH SCHOOL'S 50TH ANNIVERSARY YEAR

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 16, 2013*

Mr. CONNOLLY. Mr. Speaker, I rise to congratulate W.T. Woodson High School on the occasion of its 50th Anniversary. Since the school opened its doors in September of 1962, W.T. Woodson High School has been known for being one of the top public high schools, not only in Virginia but also in the nation. The school was named for Mr. Wilbert Tucker Woodson, who served as superintendent of Fairfax County Public Schools from 1929 to 1961.

Woodson excels in every area including academics, athletics, music, and student clubs and activities. Year after year, Woodson is featured in the top 100 list of U. S. public schools in Newsweek and U. S. News & World Report, and it continually ranks near the top in Fairfax County in the numbers of National Merit Scholars. Academic awards have included grand prizes at the county Science Fair, and numerous scholarships. In 2011, teacher Sam Gee led his team to the first ever win on "It's Academic." A recent study by the Organization for Economic Co-operation and Development found that Woodson's students outperform students in every country and region in the world except Shanghai-China in reading.

In the 1980s, Woodson received The Washington Post Athletic All-Around (all sports) Award. Athletics continues to be a part of the "Woodson Way"—the school has won 177 District Titles, 65 Regional Titles, and 30 State Titles in all areas of athletic competition.

Music has also had a strong tradition at Woodson. The choral music department presents a mammoth production each February known as "Dessert on Broadway." The Cavalier Band has won top honors in national competitions. The orchestra is renowned for its talented musicians. The choral group traveled to Vienna, Austria, and Paris, where students performed at Notre Dame. In 2011, The Chamber Ensemble had the honor of being chosen to perform at the White House. The Cavalier (yearbook), The Cavalcade (newspaper) and the P.A.G.E. Literary Magazine annually take top awards in state and national publications competitions.

Finally, Woodson's vision includes academic excellence for all members of the community. Woodson is now home to a center for students who are deaf or hard-of-hearing and a center for students with emotional and learning disabilities. The building is one of the most used in Fairfax County, as it houses both Adult Education and Night School.

On a personal note, as the father of a Woodson graduate, I can speak firsthand to the high-quality educational experience and supportive atmosphere cultivated by the Woodson staff and community. Mr. Speaker, I ask that my colleagues rise to join me in con-

gratulating W. T. Woodson High School on its 50th Anniversary and in thanking the dedicated educators, administrators, and families for their shared commitment to our youth.

**HON. LOUISE McINTOSH SLAUGHTER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, April 15, 2013*

Ms. SLAUGHTER. Mr. Speaker, it is my esteemed honor and privilege to recognize and commemorate the 65th anniversary of the State of Israel's independence. Sixty-five years ago, America became the first nation to recognize Israel, an event that symbolizes the closeness of the relationship between our two countries and our two peoples.

Since its founding in 1948, the Jewish state has faced many challenges, and America has been proud to be at Israel's side to meet these challenges. Our nation's ongoing commitment to Israel is unparalleled and I have been proud to spend my career in Congress working to promote the many economic, political, and cultural and security ties that bind our nations together.

On this day, Israel has much to celebrate and be proud of. Their nation and people have been leaders in the development of groundbreaking and transformative technology affecting millions of people around the globe.
