CONGRATULATING THE PENSACOLA ICE FLYERS AS CHAMPIONS OF THE SOUTHERN PROFESSIONAL HOCKEY LEAGUE'S PRESIDENT'S CUP

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 12, 2013*

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize the Pensacola Ice Flyers for their recent victory in the Southern Professional Hockey League's President's Cup Championship series and offer my congratulations to the team members, owners, coaching staff, and front office staff:

Team members, Steve Bergin; Dan Buccella; Jordan Chong; Joe Caveney; Brent Clarke; Brad Cooper; Ron Cramer; John Dunbar; Nick Dupuis; Gerry Festa; Jeremy Gates; Mitchell Good; Patrick Knowlton; Kevin Kozlowski; Justin MacDonald; Mike MacIntyre; Ross MacKinnon; Ryan Salvis; Tyler Soehner; and Brandon Vossberg; Owners, Greg Harris; and Tim Kerr; Coach, Gary Graham; Equipment Manager, Mark "Bonez" Bradtmueller; Athletic Trainer, Jen Lorenzo; and front office staff, Tina Burnham; Patrick Casey; Kayleigh Kerr; Josh Kersh; Willa Licata; Chuck McCartney; and Brittany Tindell.

The Pensacola Ice Flyers were founded in 2009 and named to honor Pensacola's long and proud history as the "Cradle of Naval Aviation." From the beginning, the Ice Flyers have been strong competitors in the Southern Professional Hockey League, SPHL, making it to playoffs in each year of their existence. Last season, the Ice Flyers made it all the way to the championship series, before narrowly losing in the final game.

After coming agonizingly close to victory last season, the Ice Flyers entered into the 2012-13 season with only one goal: to win it all. The

Ice Flyers enjoyed a successful regular season, finishing with the third best record in the league. The team also enjoyed tremendous support from the Pensacola community, drawing more than 100,000 fans to their home games this season.

The President's Cup series between the Ice Flyers and the Huntsville Havoc was a closely contested affair. In the first game, the Ice Flyers prevailed at home in overtime 2-1; however, the Havoc fought back just three days later to claim a series tying 2-1 victory, sending the series back to Pensacola for a third and final game.

A passionate crowd of nearly 4,700 fans showed up at the Pensacola Bay Center to watch as the Ice Flyers faced the Havoc in the third and final game of the President's Cup series on April 14, 2013. The Ice Flyers took an early lead after just two minutes and seven seconds of play, and they never looked back en route to a 2-0 shutout victory to claim the crown and bring the President's Cup to Pensacola. With their victory, the Ice Flyers became just the third professional hockey team from Florida to capture a championship, and they became the first team from Pensacola to bring a professional sports trophy to the area.

Mr. Speaker, on behalf of the United States Congress, I am honored to recognize the players, coaches, staff, and fans of the Pensacola Ice Flyers for their championship winning season. The entire Northwest Florida area looks forward to many more winning seasons to come.

MOURNING THE PASSING OF  
SENATOR FRANK LAUTENBERG

SPEECH OF

**HON. RUSH HOLT**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 11, 2013*

Mr. HOLT. Madam Speaker, I thank my friends and colleagues in the New Jersey delegation for organizing this tribute to the late Senator Frank Lautenberg.

This is a personal loss as well as a loss for New Jersey and for this Nation. I don't think there has been, nor do I think there will ever be, anybody quite like Frank Lautenberg in the United States Senate.

What stands out to so many about Frank is that he never forgot his humble beginnings. He was the son of immigrants who was born and raised among the silk mills of Paterson. His father died while he was serving in the Second World War—and "serve" is the right word. He saw service as his duty, as his life—serving other people, never forgetting the common person and the common good. The GI Bill sent him to Columbia University, and he always felt grateful for that and felt a need to pay back.

Much has been said in recent days about Frank's successful business career. And it certainly was a success. The qualities that drove Frank to be a successful businessman also made him an exemplary legislator. Frank was dogged; he was persistent. His colleagues in the Senate would sometimes laugh or smile about that—"Here comes Frank again to try to twist our arms." Frank did his homework; he knew what he was talking about, and he just kept fighting for equality of opportunity, for fairness, for safety, for ever-expanding access to the American Dream.

Frank's legislative legacy will remain relevant for generations to come. He fought tirelessly to keep trains and buses safe, to promote public health, to safeguard chemical plants, to keep cigarettes out of airplanes, and so much more. But what stands out in my mind is what Frank did to prevent drunk driving. As part of his transportation work, Frank established limits on blood alcohol levels and raised the drinking age. Today, you could fill several football stadiums with people who are alive only because of Frank Lautenberg—and not one of them knows who they are.

Throughout his time in the Senate, Frank was always thinking about the ordinary person. He never forgot that they were the people who had sent him to serve, he never stopped fighting, and the people of New Jersey knew that. They knew they had somebody in the Senate who was looking out for them.

Frank and I worked on a number of important issues together. From strengthening and securing our rail system to combating bullying with the Tyler Clementi bill, I always relished the opportunity to work with such a premier
