I encourage my colleagues in Leadership and in the Agriculture Committee to work towards a compromise that would eliminate the SNAP cuts and allow for the passage of a farm bill that supports agriculture without hurting hungry families.

**FEDERAL AGRICULTURE REFORM
AND RISK MANAGEMENT ACT OF
2013**

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 18, 2013

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 1947) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2018, and for other purposes:

Mr. VAN HOLLEN. Madam Chair, I rise today in opposition to H.R. 1947, Federal Agriculture Reform and Risk Management Act. While Congress must pass a long-term policy for American consumers, farmers, and ranchers, this bill is simply unacceptable. Unlike the measure passed by our colleagues in the Senate, the House GOP's bill makes deep, reckless cuts to programs for low-income families and children. This bill reduces by \$20 billion the Supplemental Nutrition Assistance Program (SNAP), which will end food aid for nearly 2 million people, and kick 210,000 children off of free school lunch and breakfast.

We need a farm bill that is fiscally responsible, provides small farmers and ranchers with tools to manage risk, and creates opportunities for conservation in areas like the Chesapeake Bay. There is agreement that we need to eliminate direct payments that are made regardless of yields, prices, farm income, or size. Unfortunately, until the House GOP bring a reasonable measure to the floor, the federal government will continue to give taxpayer dollars to big agribusinesses whether they need them or not.

I urge my colleagues to oppose this bill and look forward to working with them on a responsible, long-term reauthorization of our nation's agriculture policy.

HON. MICHAEL G. FITZPATRICK

Mr. FITZPATRICK. Mr. Speaker, congratulations to Mary Borkovitz for 35 years of service to the Lower Makefield Society for the Performing Arts, a group she founded in 1978. Soon she began a popular community concert series under the auspices of the new Lower Makefield Society for the Performing Arts. Mary continues serving as executive director of the expanded and renamed Bucks County

**TRIBUTE TO NATHAN REA FOR
HIS DEDICATED SERVICE TO OR-
EGON AND THE NATION**

HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 26, 2013

Mr. WALDEN. Mr. Speaker, I rise today to honor Nathan Rea, a long-time, dedicated member of my staff and very good friend who recently left Washington, D.C. to return to his family's farm in Umatilla County, Oregon. Nathan came to the nation's capital in 2005 intending to stay for a brief three month internship in my office before returning to his family's multi-generation farm. Three months turned into eight years, and along the detour Nathan fell in love with Emily Skoblar. Nathan and Emily married, and in February of last year they welcome their beautiful daughter Gwenyth "Gweny" Isabelle into the world. During their time in Washington, Nathan and Emily both dedicated themselves to the needs of others, but they decided to heed the call to family farm life and turn the federal public service opportunity over to others.
