

Customs and Border Protection and the Intellectual Property Enforcement Coordinator. Mr. Potenza's tenure as Section Chair comes to an end in early August, and I wish him continued success in all his future endeavors.

Mr. Speaker, I ask that my colleagues please join me in recognizing the successful tenure of Mr. Joseph M. Potenza as Chair of the ABA Section of Intellectual Property Law and applaud his determined efforts to improve the legal process and promote intellectual property law across the nation and around the world.

#### LANCASTER HEROES

#### HON. JOSEPH R. PITTS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 19, 2013*

Mr. PITTS. Mr. Speaker, today, I come to the floor to recognize two young heroes from Lancaster County, Pennsylvania.

Last week, a young five-year-old girl was abducted from her front yard by a stranger, an older man who turned out to be a previously convicted sex offender.

The police and folks across the neighborhood quickly organized a search.

Temar Boggs and Chris Garcia set out on their bikes with other friends.

When the boys spotted a suspicious car wandering through their development, they checked it out and saw the young girl inside.

They relentlessly chased the driver on their bikes for 15 furious minutes.

Recognizing that the boys wouldn't give up, the man let her out of the car and drove away.

She immediately ran to the boys asking for her mother.

They safely brought her back home, and while they might not think of themselves as heroes, they certainly are.

Thanks to Temar and Chris, the girl is home and the suspect is now in custody.

and women of Carl Junction High School for winning the Destination Imagination Global Finals.

The Destination Imagination Challenge is a global competition where students from all over the world imagine, create, and develop solutions to world problems in the areas of science, technology, engineering, mathematics, fine arts, and service learning. The problem solving competition is held over a four day period at the University of Tennessee-Knoxville where 1,200 local, state, and regional winners from 45 states and 13 countries gather to compete in the global competition.

The Carl Junction team put their device against 66 other teams competing in the area of wind energy and bested them all, including teams from Mexico, Singapore, China, Turkey, and South Korea.

These outstanding world champion students include seniors JW Keckley, Parker Fitzgerald, Carter Richardson, Nate Demery, Morgan Ross, Julie Jones, and junior Abigail Danley. Through the team's hard work, dedication, and guidance from their gifted education teacher, Lori Good, the team was able to extensively research wind energy and incorporate the research into a technical device and presentation. Team member Parker Fitzgerald stated, "The technical device was essentially a reduced-friction neodymium-magnet motor powered by compressed air. The device utilized the properties of magnets to precipitate motion without any physical contact between gears."

In addition to the global championship, the team also placed first in Destination Imagination's Instant Challenge. In this challenge, teams apply their quick-thinking problem solving skills to create solutions to challenges they have never seen before in as little as five minutes.

I am proud of the job these brilliant young men and women performed. This is the first time a Missouri team at the elementary, middle level, or high school level has placed first at Destination Imagination Global Finals.

firefighters from California's 36th Congressional District, William Warneke and Chris MacKenzie, who lost their lives tragically in the line of duty.

William "Billy" Warneke grew up in Hemet, California, where he attended Hemet High School. As a student, he enrolled in the Junior Air Force ROTC, and served four years in the United States Marine Corps, including a tour in Iraq. When Billy returned from serving his country, he went to school in Tucson, Arizona, utilizing his hard earned veteran education benefits. While at school, he attended fire training and became a firefighter with the Prescott Fire Department. As a firefighter in Prescott, Arizona, Billy was a member of the highly trained, elite Granite Mountain Hotshots, who placed their lives on the line every day. On Sunday, June 30, 2013, Billy Warneke was fighting the 13-square-mile Yarnell Hill Fire when was overrun and perished with 18 other members of the Granite Mountain Hotshots. Billy was only 25 years old, leaving behind his wife Roxanne and their baby due to be born in December. Billy's death cut short a brave and selfless life of service, but he died just as he lived—serving with honor and protecting the lives of others.

Chris MacKenzie grew up in the San Jacinto Valley in Riverside County, California, and graduated from Hemet High School in 2001. Chris loved snowboarding and dreamed of becoming a firefighter like his father, and worked hard to achieve that dream. Chris joined the United States Forest Service in 2004, and in 2011 transferred to the Prescott Fire Department. As a firefighter there, he served in the elite Granite Mountain Hotshots, who placed their lives on the line every day. On Sunday, June 30, 2013, Chris MacKenzie was fighting the 13-square-mile Yarnell Hill Fire when he was overrun and perished with 18 other members of the Granite Hotshots. He was 30 years old, leaving behind his mother, Lauri Goralski, and his father, Michael MacKenzie, as well as family members and friends. Chris died just as he lived—protecting the public from a dangerous fire.

These two brave young men died before their time. They were heroic public servants and upstanding members of the communities they gave their lives to serve. They were honorable, passionate men who devoted themselves to their country, their duty, and their family. Their service and lives are to be commended. Their memories will live on in the people whose lives they inspired and their final act of sacrifice.

#### CONGRATULATING CARL JUNCTION HIGH SCHOOL

#### HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 19, 2013*
