Whereas, for the past 10 years, ACT has been leading NATO's military transformation, and providing relevant and timely support to NATO operations, while developing partnerships around the globe to adapt to the changing global security environment;

Whereas ACT is the only NATO headquarters in the United States, and the only permanent NATO headquarters outside of Europe;

Whereas ACT provides state of the art education, training, and application of best practices and lessons learned from past operations, and equips Alliance troops with the tools they need to win today's wars;

Whereas ACT employs personnel from 26 of the 28 NATO member nations and six of the 41 NATO Partner nations and contributes more than \$100,000,000 annually to the local economy;

Whereas NATO has been the cornerstone of transatlantic security cooperation and an enduring instrument for promoting stability in Europe and throughout the world for over 60 years, representing the vital transatlantic bond of solidarity between the United States and Europe, as NATO nations share similar values and interests and are committed to the maintenance of democratic principles;

Whereas the Chicago Summit Communiqué affirms that all NATO members "are determined that NATO will continue to play its unique and essential role in ensuring our common defense and security" and that NATO "continues to be effective in a changing world, against new threats, with new capabilities and new partners";

Whereas, through the Alliance, the United States and Europe are effective and steadfast partners in security, and ACT is well positioned to contribute to the strength of the Alliance on both continents;

Whereas NATO ACT has done much to help NATO meet the global challenges of the 21st

century, including the threat of terrorism, the spread of weapons of mass destruction, instability caused by failed states, and threats to global energy security; and

Whereas the 10th anniversary of NATO ACT is an opportunity to enhance and more deeply entrench those principles, which continue to bind the alliance together and guide our efforts today: Now, therefore, be it

## AFFORDABLE CARE ACT

Mr. MORAN. Mr. President, 3 years ago Congress passed a massive health insurance law which didn't have a single Republican vote, and it had significant opposition by the public.

In an administration proclaiming to be the most transparent ever, this 2,700-page bill was rammed through Congress in the early morning hours on Christmas Eve. Even then-Speaker of the House Pelosi said Congress had to pass this bill so that we could find out what was in it.

Well, we did. It was passed, and the American people are not liking what they have discovered.

While the President promised the Affordable Care Act would lower health care costs and strengthen our health care system, the law, instead, is increasing health insurance premiums, slowing economic recovery, and hindering job creation. We should not allow the administration to continue to ignore this reality. We must permanently delay the Affordable Care Act.
