IN THE COMMITTEE OF THE WHOLE

The Clerk read the title of the bill.

PERSONAL EXPLANATION

Ms. JACKSON LEE. Mr. Chairman, on rollcall No. 480, I would have voted "no."

Mr. Chairman, on rollcall No. 481, I would have voted "no."

The Acting CHAIR. There being no further amendments, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WOODALL) having assumed the chair, Mr. WOMACK, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 1526) to restore employment and educational opportunities in, and improve the economic stability of,

counties containing National Forest System land, while also reducing Forest Service management costs, by ensuring that such counties have a dependable source of revenue from National Forest System land, to provide a temporary extension of the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes, and, pursuant to House Resolution 351, he reported the bill, as amended by that resolution, back to the House with sundry further amendments adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any further amendment reported from the Committee of the Whole? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. BARBER. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. BARBER. I am opposed to it in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Barber moves to recommit the bill H.R. 1526 to the Committee on Natural Resources with instructions to report the same back to the House forthwith with the following amendment:

At the end of the bill, add the following new section:

SEC. 508. ASSISTING AND PROTECTING FIREFIGHTERS WITH THE MOST ADVANCED FIREFIGHTING AND PERSONAL SAFETY EQUIPMENT.

For the purposes of this Act, including catastrophic wildland fire prevention and suppression, there are authorized to be appropriated to the Secretary of Agriculture and the Secretary of the Interior such sums as may be necessary for acquisition and deployment of the most advanced—

- (1) firefighting equipment, including air tankers and communications equipment; and
- (2) personal safety equipment for firefighting personnel.

Mr. HASTINGS of Washington (during the reading). Mr. Speaker, I ask unanimous consent that the reading be dispensed with.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

The SPEAKER pro tempore. The gentleman from Arizona is recognized for 5 minutes.

Mr. BARBER. Mr. Speaker, Arizonans know only too well the horrific effects wildfires have on our communities.

In July of this year, our State was devastated by the Yarnell Hill fire that swept across 8,400 acres of land in 15

days, killing 19 brave firefighters from the Granite Mountain Hotshots. They died in the line of duty doing one of the hardest jobs in firefighting. This tragedy will leave physical scars on Arizona for many years to come and emotional scars that will last forever.

These fires are not unique to our beautiful State. Every year, communities across our Nation battle wildfires that destroy their land, their homes, and their livelihood and too often take lives. The brave men and women that we send in to fight these wildfires put their lives on the line to protect us.

A decade ago this summer, another devastating fire swept through the community of Summerhaven in my district. It destroyed 350 homes and businesses. That area will not recover fully for centuries.

Two summers ago, my district in southeastern Arizona endured the Horseshoe Two fire. On May 8, 2011, this fire started on the east side of the Chiricahua Mountains near the community of Portal. The fire continued to burn steadily, heading to the northwest; and on June 8, the fire reached the Chiricahua National Monument, burning into the southeast corner of the park. In late June, the fire was finally contained, but by then 223,000 acres within the Chiricahua Mountains had burned.

We were lucky that summer in southeastern Arizona that there was no loss of life. We did not lose one firefighter.

This motion to recommit is very straightforward.

□ 1200

It ensures that we provide our firefighters with the most advanced equipment, including air tankers, communication gear, and personal safety equipment.

As the father-in-law of a firefighter, this issue is both a personal one and one of great importance to the people I represent, to Arizona, and to many communities across the western United States. I think about my son-in-law, Jason, going off to work and my daughter at home with our two grandchildren, one of whom is barely 1 year old. I also think of each brave man and woman across our Nation who leaves a wife, a husband, a son, or a daughter every day to do the same.

We owe our firefighters an eternal debt of gratitude for their courageous work, and we also owe them the best resources to protect them as they put themselves in harm's way in trying to save lives, homes, businesses, our land, and our forests.

This is the final amendment to this bill. It will not kill the bill or send it back to committee. If adopted, the bill will immediately proceed to final passage. I ask my colleagues on both sides of the aisle to join me and stand with our firefighters by supporting this motion to recommit.

I yield back the balance of my time.
Mr. HASTINGS of Washington. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman is recognized for 5 minutes.

Mr. HASTINGS of Washington. Mr. Speaker, I have to wonder sometimes about the seriousness of these motions to recommit that come from the other side, but I especially have to do so today.

Earlier today, we passed a continuing resolution that provides over \$600 million for firefighters in order to fund all of these firefighting actions we have had this year, and the author of the MTR voted against the motion to recommit. There is nothing serious here. This motion to recommit offers absolutely no solution.

Here are the facts:

The fact is that just last year—and we haven't gotten the figures for this year—over 9 million acres of national forestland burned. Can you imagine the carbon imprint of that, by the way?

Secondly, we only harvested, or managed, 200,000 acres nationwide. That means that 44 times more national forestlands burned than were properly managed. This bill addresses that by properly managing our forests. The result will get us back to where we used to be when we used to spend \$1 on forest management and get \$2 back in return because we managed our forests. Now it's reversed. For every \$2 we spend today, we get \$1 back. That doesn't make any sense at all.

There have been no solutions out there, and this is not a solution either. The solution is the underlying bill. I urge a "no" vote on the MTR and a "yes" vote on the underlying bill.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit. The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. BARBER. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by a 5-minute vote on passage of the bill, if ordered.

This is a 5-minute vote.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to my friend, the majority leader, Mr. CANTOR, for purposes of inquiring of the schedule of the week to come.

Mr. CANTOR. I thank the gentleman from Maryland, the Democratic whip, for yielding.

Mr. Speaker, on Wednesday, the House will meet at noon for morning-hour and 2 p.m. for legislative business. Votes will be postponed until 6:30 p.m. On Thursday, the House will meet at 10 a.m. for morning-hour and noon for legislative business. On Friday, the House will meet at 9 a.m. for legislative business.

Mr. Speaker, the House will remain in session next week and potentially into the weekend until completion of the continuing resolution. Convening times for a weekend session will be announced later next week.

Mr. Speaker, the House will consider a few bills under suspension of the rules, a complete list of which will be announced by the close of business today. In addition, the House will consider H.R. 687, the Southeast Arizona Land Exchange and Conservation Act of 2013, authored by Representative PAUL GOSAR.

The bipartisan bill will have an economic impact of \$60 billion and is expected to create 4,000 jobs for the working middle class.

Madam Speaker, I also expect the House to consider and pass a 1-year debt limit increase. This increase will also contain a number of important pro-growth economic policies, health care and non-health care reforms, in addition to a 1-year delay of ObamaCare.

Finally, we will continue to work through the serious issues of funding the government. As I stated earlier, the House will not adjourn until the continuing resolution is completed.

Mr. HOYER. Madam Speaker, I thank the majority leader for the schedule, and I sincerely hope that we can reach compromise next week.

I yield back the balance of my time.

ADJOURNMENT TO MONDAY,
SEPTEMBER 23, 2013

Mr. CANTOR. Madam Speaker, I ask unanimous consent that when the House adjourns today it adjourn to meet at 11 a.m. on Monday next.

The SPEAKER pro tempore (Mrs. BROOKS of Indiana). Is there objection to the request of the gentleman from Virginia?

There was no objection.
